PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 3, 2005

GENERAL

This proxy statement (first mailed to shareholders on or about April 11, 2005) is furnished in connection with the solicitation by the board of directors of PS Business Parks, Inc. (the Company) of proxies for use at the Company's annual meeting of shareholders to be held at the Hilton Glendale, 100 West Glenoaks Boulevard, Glendale, California at 1:00 p.m., Los Angeles time, on May 3, 2005 or at any adjournment or postponement of the meeting. The purposes of the meeting are (1) to consider and vote upon a proposal to elect eight directors of the Company; (2) to consider and vote upon a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005; and (3) to consider such other business as may properly be brought before the meeting or any adjournment or postponement of the meeting.

QUORUM AND VOTING

Record Date and Quorum

Only holders of record of Common Stock at the close of business on the record date of March 23, 2005 will be entitled to vote at the meeting, or at any adjournment or postponement of the meeting. On the record date, the Company had 21,877,772 shares of Common Stock issued and outstanding.

The presence at the meeting in person or by proxy of the holders of a majority of the outstanding shares of the Common Stock is necessary to constitute a quorum for the transaction of business. Abstentions and broker non-votes are counted for purposes of whether a quorum exists, but will not affect the outcome of any vote.

Voting of Proxy/Instruction Card

Edgar Filing: PS BUSINESS PARKS INC/CA - Form DEF 14A

Shares of the Company's Common Stock represented by a proxy in the accompanying form, if the proxy is properly executed and is received by the Company before the voting, will be voted in the manner specified on the proxy. If no specification is made, the shares will be voted (1) FOR the election as directors of the nominees named hereinafter and (2) FOR ratification of Ernst & Young LLP as the Company's independent registered public accounting firm. The persons designated as proxies reserve full discretion to cast votes for other persons if any of the nominees become unavailable to serve. A proxy is revocable by delivering a subsequently signed and dated proxy or other written notice to the secretary of the Company at any time before its exercise. A proxy may also be revoked if the person executing the proxy is present at the meeting and chooses to vote in person.

If you participate in the PS 401(k)/Profit Sharing Plan (the 401(k) Plan), your proxy will serve as a voting instruction for the trustee of the 401(k) Plan (the Trustee) with respect to the amount of shares of Common Stock credited to your account as of the record date. If you provide voting instructions via your proxy/instruction card with respect to shares in the 401(k) Plan, the Trustee will vote those shares of Common Stock in the manner specified. The Trustee will vote any shares for which it does not receive instructions in the same proportion as the shares for which voting instructions have been received, unless the Trustee is required by law to exercise its discretion in voting such shares.

With respect to the election of directors, each holder of Common Stock on the record date is entitled to cast as many votes as there are directors to be elected multiplied by the number of shares registered in the holder's name on the record date. The holder may cumulate its votes for directors by casting all of its votes for one candidate or by distributing its votes among as many candidates as it chooses. However, no shareholder shall be entitled to cumulate votes unless the candidate's name has been placed in nomination prior to the voting and the shareholder, or

any other shareholder, has given notice at the Annual Meeting prior to the voting of the intention to cumulate the shareholder's votes. The eight candidates who receive the most votes will be elected directors of the Company. A proxy will confer discretionary authority to cumulate votes selectively among the nominees as to which authority to vote has not been withheld. In voting upon proposal (2) and any other proposal that might properly come before the meeting, each holder of Common Stock is entitled to one vote for each share registered in its name. The number of votes required to approve proposal (2) is set forth in the description of that proposal in the proxy statement.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Eight directors, constituting the entire Board of Directors, are to be elected at the annual meeting of shareholders, to hold office until the next annual meeting and until their successors are elected and qualified. When the accompanying proxy is properly executed and returned to the Company before the voting, the persons named in the proxy and/or the Trustee will vote the shares represented by the proxy as indicated on the proxy. If any nominee below becomes unavailable to serve before the meeting, the shares represented by any proxy voting for that nominee will be voted for the person, if any, designated by the Board of Directors to replace the nominee. However, the Board of Directors has no reason to believe that any nominee will be unavailable.

Required Vote

The election of directors requires a plurality of votes cast. The candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected.

The Board recommends you vote FOR the election of all eight nominees for director.

Vern O. Curtis (chairman), Arthur M. Friedman and Jack D. Steele comprise the Audit Committee. Mr. Curtis is the chairman of the audit committee of four other public companies. The primary functions of the Audit Committee are to assist the Board in fulfilling its responsibilities for oversight of (1) the integrity of the Company's

financial statements, (2) compliance with legal and regulatory requirements, (3) the qualifications, independence and performance of the independent registered public accounting firm, and (4) the scope and results of internal audits, the Company's internal controls over financial reporting and the performance of the Company's internal audit function. Among other things, the Audit Committee appoints, evaluates and determines the compensation of the independent registered public accounting firm; reviews and approves the scope of the annual audit, the audit fee and the financial statements; prepares the Audit Committee report for inclusion in the annual proxy statement; and annually reviews its charter and performance. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Exhibit A. This charter was modified by the Board of Directors in February 2005 to take into account recent regulatory changes. The Board of Directors has determined that the Chairman of the Audit Committee, Vern O. Curtis, qualifies as an audit committee financial expert within the meaning of the rules of the Securities and Exchange Commission.

The Compensation Committee consists of James H. Kropp (Chairman) and Alan K. Pribble. The primary functions of the Compensation Committee are (1) to determine, either as a committee or together with other independent directors, the compensation of the Company's chief executive officer, (2) to determine the compensation of other executive officers and (3) to administer the Company's stock option and incentive plans.

In February 2005, the Board established a Nominating/Corporate Governance Committee, and although the Committee does not yet have a written charter, the Board expects to finalize a written charter shortly. The current members of the Nominating/Corporate Governance Committee are Alan K. Pribble (Chairman) and James H. Kropp. The primary functions of the Nominating/Corporate Governance Committee are (1) to evaluate and make recommendations to the Board for director nominees for each annual shareholder meeting or to fill any vacancy on the Board and (2) to develop a set of corporate governance principles applicable to the Company and to review and assess the adequacy of those guidelines on an ongoing basis and recommend any changes to the Board.

The Board of Directors has determined that (1) each of the Company's directors, other than Ronald L. Havner, Jr., Joseph D. Russell, Jr. and Harvey Lenkin, and (2) each member of the Audit Committee, the Compensation Committee and the Nominating/Corporate Governance Committee has no material relationship with the Company and qualifies as independent, as defined in the rules of the American Stock Exchange. The Company's independent directors meet without the presence of the non-independent directors and management. These meetings are held at least annually and more often upon the request of any independent director.

The Board of Directors has adopted a code of Business Conduct Standards, applicable to directors, officers, and employees. The Board has also adopted a Code of Ethics for its senior financial officers. The Code of Ethics covers those persons serving as the Company's principal executive officer, principal financial officer and principal accounting officer, currently Joseph D. Russell, Jr. and Edward A. Stokx. The Company's Business Conduct Standards, Code of Ethics, and the charter of the Audit Committee are available on the Company's website, www.psbusinessparks.com or, upon written request, to the Company's Investor Services Department, 701 Western Avenue, Glendale, California 91201.

Consideration of Candidates for Director

Shareholder recommendations. The policy of the Board is to consider properly submitted shareholder recommendations for candidates for membership on the Board as described below under Identifying and Evaluating Nominees for Directors. Under this policy, shareholder recommendations may only be submitted by a shareholder entitled to submit shareholder proposals under the SEC rules. Any shareholder recommendations proposed for consideration by the Nominating/Corporate Governance Committee should include the nominee's name and qualifications for Board membership, including the information required under Regulation 14A under the Securities and Exchange Act of 1934, and should be addressed to:

Secretary

PS Business Parks, Inc.

701 Western Avenue

Glendale, California 91201

Recommendations should be submitted in the time frame described in this Proxy Statement under **Deadlines for Receipt of Shareholder Proposals for Consideration at 2006 Annual Meeting** .

Director Qualifications. Members of the Board should have high professional and personal ethics and values. They should have broad experience at the policy-making level in business or other relevant experience. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all shareholders. Directors are expected, within three years of election, to own at least \$100,000 of Common Stock of the Company.

Identifying and Evaluating Nominees for Directors. The Nominating/Corporate Governance Committee was established in February 2005, in part, to be responsible for director nominee functions that were previously handled by all the independent directors. The Nominating/Corporate Governance Committee expects to utilize a variety of methods for identifying and evaluating nominees for directors. The Nominating/Corporate Governance Committee intends to regularly assess the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Corporate Governance Committee intends to consider various potential candidates for director. Candidates may come to the attention of the Nominating/Corporate Governance Committee through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at meetings of the Nominating/Corporate Governance Committee and may be considered at any point during the year. As described above, the Nominating/Corporate Governance Committee intends to consider properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, recommendations will be aggregated and considered by the Nominating/Corporate Governance Committee prior to the issuance of the proxy statement for the annual meeting. If any materials are provided by a shareholder in connection with the recommendation of a director candidate, such materials will be forwarded to the Nominating/Corporate Governance Committee. The Nominating/Corporate Governance Committee also anticipates reviewing materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder. In evaluating such recommendations, the Nominating/Corporate Governance Committee expects to seek to achieve a balance of knowledge, experience and capability on the Board.

All of the nominees for election to the Board this year were elected to the Board at last year's annual meeting of shareholders.

Communications with the Board of Directors.

The Company provides a process by which shareholders may communicate with the Board of Directors. Any shareholder communication to the Board should be addressed to:

Compensation of Directors

Each of the Company's directors, other than Ronald L. Havner, Jr., Joseph D. Russell, Jr., and Harvey Lenkin, receives directors' fees of \$20,000 per year plus \$1,000 for each meeting attended in person and \$500 for each telephonic meeting. In addition, the Chairman of the Audit Committee receives \$2,500 per year, and each member of the Audit Committee receives \$1,000 for each meeting of the Audit Committee attended in person and \$500 for each telephonic meeting. Each member of the Compensation Committee receives \$1,000 for each meeting of the Compensation Committee attended in person and \$500 for each telephonic meeting. The policy of the Company is to reimburse directors for reasonable expenses. The Board has not yet established the compensation for the Nominating/Corporate Governance Committee which was established in February 2005 and anticipates setting the compensation in May 2005. At the present time, the members of the Nominating/Corporate Governance Committee have received no compensation for such service.

Each of the Company's directors who receives directors' fees (Outside Directors) also receives automatic grants of options under the 2003 Stock Option and Incentive Plan (the 2003 Plan), and Joseph D. Russell, Jr. is eligible to receive discretionary grants of options and restricted stock under the 2003 Plan. Under the 2003 Plan, each new Outside Director is, upon the date of his or her initial election to serve as an Outside Director, automatically granted a non-qualified option to purchase 10,000 shares of Common Stock. In addition, after each annual meeting of shareholders, each Outside Director then duly elected and serving is automatically granted, as of the date of such annual meeting, a non-qualified option to purchase 2,000 shares of Common Stock.

Each non-employee director of the Company receives, upon retirement as a director of the Company, 1,000 shares of Common Stock for each full year of service as a director of the Company up to a maximum of 5,000 shares.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edgar Filing: PS BUSINESS PARKS INC/CA - Form DEF 14A

The Compensation Committee is comprised of James H. Kropp and Alan K. Pribble, neither of whom is or has ever been an employee of the Company. No executive officer of the Company serves on the compensation committee or board of directors of any other entity which has an executive officer who also serves on the Compensation Committee or Board of Directors of the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Loan from PSI. The properties in which the Company has an equity interest are generally owned by PS Business Parks, L.P. As of December 31, 2004, the Company owned approximately 75% of the Operating Partnership's common partnership units (the Operating Partnership). The remaining common partnership units were

owned by PSI. In December 2003, the Operating Partnership borrowed a total of \$100 million from PSI for property acquisitions. The loan was repaid during the first quarter of 2004. The loan bore interest at 1.45% per year and was approved by the Company's disinterested directors.

Management Agreement with Affiliates. The Operating Partnership operates industrial, retail and office facilities for PSI and partnerships and joint ventures of which PSI is a general partner or joint venturer (Affiliated Entities) pursuant to a management agreement under which PSI and the Affiliated Entities pay to the Operating Partnership a fee of 5% of the gross revenues of the facilities operated for PSI and the Affiliated Entities. During 2004, PSI and the Affiliated Entities paid fees of \$562,000 to the Operating Partnership pursuant to that management agreement. As to facilities directly owned by PSI, the management agreement has a seven-year term with the term being automatically extended for one year on each anniversary date (thereby maintaining a seven-year term) unless either party (PSI or the Operating Partnership) notifies the other that the management agreement is not being extended, in which case it expires, as to such facilities, on the first anniversary of its then scheduled expiration date. As to facilities owned by the Affiliated Entities, the management agreement may be terminated as to such facilities upon 60 days' notice by PSI (on behalf of the Affiliated Entity) and upon seven years' notice by the Operating Partnership.

Cost Sharing Arrangements with Affiliates. Under a cost sharing and administration services agreement, the Company shares the cost of certain administrative services with PSI and its affiliates. During 2004, the Company's share of these costs totaled \$340,050.

The Company has a 4.0% interest in STOR-Re Mutual Insurance Corporation (STOR-Re), which was formed in 1994 as an association captive insurance company and is controlled by PSI. STOR-Re and third party insurance carriers have provided the Company and PSI and its affiliates with liability and casualty insurance coverage. For the period January 1 - March 31, 2004, STOR-Re billed the Company approximately \$522,000 in premiums and billed the Company an additional approximately \$389,000 to reimburse STOR-Re for the Company's share of premiums paid by STOR-Re to third party insurance carriers. The Company obtained own liability and casualty insurance covering occurrences after April 1, 2004 from an independent third-party provider. For occurrence before April 1, 2004, STOR-Re will continue to provide the Company with liability and casualty insurance coverage consistent with prior practice.

Purchases of Restricted Stock Units from Executives. During 2004, the Company purchased 1,500 vested restricted stock units from Stephen S. King for \$66,300; 600 vested restricted stock units from William McFaul for \$26,520; and 600 vested restricted stock units from M. Brett Franklin for \$26,850. The purchase price for each of these transactions was based on the market price for shares of common stock of the Company on the repurchase date. Messrs. King, McFaul and Franklin were executive officers of the Company at the time of the transactions.

Executive Payments. Ronald L. Havner, Jr. is currently Chairman of the Board and was Chairman and Chief Executive Officer of the Company prior to August 2003. During 2004, Mr. Havner received \$50,000 from the Company for certain executive services and was paid \$50,000 for accrued vacation. It is not expected that the Company will pay Mr. Havner compensation for executive services or employee benefits during 2005.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee (the Committee) is composed entirely of independent directors and has furnished the following report on executive compensation for fiscal 2004.

Executive Compensation Philosophy. The Company pays its executive officers compensation the Committee deems appropriate in view of the nature of the Company's business, the performance of individual executive officers, and the Company's objective of providing incentives to its executive officers to achieve a level of individual and Company performance that will maximize the value of shareholders' investment in the Company. To those ends, the Company's compensation program consists of payment of a base salary and, potentially, bonus compensation, and making incentive awards of options to purchase Common Stock and restricted stock units. Grants of options and restricted stock units to executive officers are made under the 2003 Stock Option and Incentive Plan (the 2003 Plan).

Cash Compensation. Base salary levels are based generally on market compensation rates and each individual's role in the Company. The Committee determines market compensation rates by reviewing public disclosures of compensation paid to executive officers by other REITs of comparable size and market capitalization. Some of the REITs whose executive compensation the Committee considered in establishing the compensation it pays to executive officers are included in the NAREIT Equity Index referred to below under the caption Stock Price Performance Graph. Generally, the Committee seeks to compensate Company executives at levels consistent with the middle of the range of amounts paid by REITs deemed comparable by the Committee. Individual salaries may vary based on the experience and contribution to overall corporate performance by a particular executive officer.

The Committee believes annual cash bonuses are an important method of rewarding executive officers commensurate with the Company's performance, departmental performance and individual performance. Payment of the target bonus amounts was based primarily on each executive officer's achievement of individualized quantitative financial and operational goals related to the activities he managed. Mr. Russell's bonus of \$280,000 for 2004 was determined to be appropriate based on a review of total compensation paid to the chief executive officers of other comparable REITs, a review of the change in the Company's NAV per share and FFO per share compared to the change in NAV per share and FFO per share of comparable REITs, and the total stock market return to shareholders compared to comparable REITs. The Committee also considered the services rendered by Mr. Russell for the Company during 2004, including his contribution to increases in shareholder returns, the Company's strategic planning, capital market activities, real estate acquisitions, day-to-day operations, and hiring activities. The Committee considered these factors, as well as compensation paid to executive officers by REITs deemed comparable by the Committee, as the basis for increasing Mr. Russell's base salary to \$350,000, effective July 1, 2004.

Equity-Based Compensation. The Committee believes that Company executive officers should have an incentive to improve the Company's performance by having an ongoing stake in the success of the Company's business. The Committee seeks to create this incentive with awards of restricted stock units to its executive officers. Restricted stock units entitle the holder to receive shares of Common Stock at a specified vesting date. Restricted stock units increase in value as the value of the Common Stock increases, and vest over time provided that the executive officer remains in the employ of the Company. Accordingly, awards of restricted stock units serve the Company's objectives of retaining its executive officers and motivating them to advance the interests of the Company and its shareholders. The number of restricted stock units granted to individual executive officers during 2004 was based on a number of factors, including seniority and individual performance. During 2004, 15,000 restricted stock units were awarded to Mr. Russell and to other Named Executive Officers as reflected above in the table captioned Summary Compensation Table.

The Committee has also granted certain executive officers stock options that have an exercise price of not less than 100% of the fair market value of the underlying stock on the date of grant, so that the executive officer may not profit from the option unless the price of the Common Stock increases. Options granted by the Company also are designed to help the Company retain executive officers in that options are not exercisable at the time of grant, and achieve their maximum value only if the executive remains in the Company's employ for a period of years. Options were granted to the Named Executive Officers during 2004 as reflected above in the table captioned Option Grants in

Last Fiscal Year. The number of options granted to individual executive officers is based on a number of factors, including seniority, individual performance, and the number of options previously granted to such executive officer.

STOCK PRICE PERFORMANCE GRAPH

The graph set forth below compares the yearly change in the cumulative total shareholder return on the Common Stock of the Company for the five-year period ended December 31, 2004 to the cumulative total return of the American Stock Exchange Composite Index Market Cap-Weight (AMEX Index) and the National Association of Real Estate Investment Trusts Equity Index (NAREIT Equity Index) for the same period (total shareholder return equals price appreciation plus dividends). The stock price performance graph assumes that the value of the investment in the Company's Common Stock and each index was \$100 on December 31, 1999 and that all dividends were reinvested. The stock price performance shown in the graph is not necessarily indicative of future price performance.

AUDIT COMMITTEE REPORT

The Board of Directors believes that each of the directors comprising the Audit Committee of the Board of Directors of the Company qualifies as independent under the rules of the American Stock Exchange. The Audit Committee operates under a written charter adopted by the Board of Directors in May 2000 and was amended and restated in February 2005 (Exhibit A). The members of the Audit Committee are Vern O. Curtis (Chairman), Arthur M. Friedman and Jack D. Steele. Under authority granted by the Board of Directors, the Audit Committee appoints the Company's independent registered public accounting firm and approves the audit and non-audit services furnished by the Company's independent registered public accounting firm. The Audit Committee also has the authority to consult outside legal, accounting or other advisors as the Audit Committee deems necessary.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met with management and the Ernst & Young LLP, the Company's independent registered accounting firm and has reviewed and discussed with them the audited consolidated financial statements. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as modified or supplemented.

The Company's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence. In addition, the Audit Committee has considered whether the independent registered accounting firm's provision of non-audit services to the Company is compatible with the firm's independence.

Based on the foregoing and the Audit Committee's discussions with management and the independent registered public accounting firm, the representations of management and the report of the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 filed with the Securities and Exchange Commission.
