Item 1.01. Entry into a Material Definitive Agreement

The Company has entered into (a) the First Amendment to its Amended and Restated Credit Agreement dated November 18, 2004 (the "Credit Facility Amendment") and (b) Amendment No. 9 to the Lease Agreement dated as of November 30, 2001 (the "Lease Facility Amendment"). The Credit Facility Amendment and the Lease Facility Amendment (collectively "Amendments") became effective on September 30, 2005 (see Exhibits 10.60 and 10.61 filed under Item 9.01. Financial Statements and Exhibits.)

The Amendments permit the Company to repurchase shares of its capital stock from its stockholders in an amount not to exceed \$10,000,000 per fiscal year, with a carryover provision of unspent authority from 2005 to 2006. In addition, the Amendments contain an amendment of certain financial covenants and a waiver of potential future defaults in connection with the Company's announced proposed settlement of the *Olivas v. Smart & Final* lawsuit.

Item 8.01. Other Events.

Stock Transactions by Chairman

On October 3, 2005, Ross E. Roeder, the Chairman of the Company, exercised options to purchase 369,750 shares of the Company's common stock at exercise prices ranging from \$4.280 to \$10.132 per share. The options were granted to Mr. Roeder under the Company's Long-Term Equity Compensation Plan. As permitted by this plan, the exercise price for the options was paid by Mr. Roeder's transfer to the Company of 260,671 shares of the Company's common stock previously held by Mr. Roeder. In connection therewith the Company also accepted from Mr. Roeder 25,750 shares of the Company's common stock resulting from Mr. Roeder's option exercise, plus cash for a remainder amount, in payment of applicable payroll taxes due on the transaction.

The Company will account for the shares surrendered by Mr. Roeder as treasury stock.

The net result of the October 3, 2005 transactions was to increase the total number of shares of the Company's common stock directly held by Mr. Roeder from 260,671 shares to 344,000 shares.

Mr. Roeder has also indicated that he plans to sell up to 20,000 shares of the Company's common stock through open market transactions, to fulfill a payroll tax obligation related to the earlier distribution of common stock from Mr. Roeder's Company deferred compensation account.

Share Repurchase Program

On September 14, 2005 the Company announced the Board of Directors had authorized the repurchase of up to \$20 million of the Company's common stock. As permitted under the Amendments, the Company

commenced purchases under the share repurchase program as of September 30, 2005. The Company plans to make repurchases from time to time in the open market or in privately negotiated transactions, at management's discretion according to market conditions and the price of the Company's common stock.
