**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement.**

On November 2, 2005, after the close of business, Microsemi Corporation, a Delaware corporation (the Registrant) entered into an Agreement and Plan of Merger that provides for the Registrant to acquire, upon the consummation of the triangular merger transaction, Advanced Power Technology, Inc., a Delaware corporation.

The transaction contemplated by this agreement is subject to closing conditions which include an affirmative vote of a majority of the outstanding shares of Advanced Power Technology, Inc., pre-merger notification and clearance pursuant to the Hart-Scott Rodino Act, any other necessary governmental approvals, and the absence of any material adverse changes, unless that condition is waived by the other party.

Upon consummation of the transaction as contemplated, the Registrant estimates that it would

1) pay approximately \$21,652,128 in cash and issue approximately 4,709,338 shares of Registrant's common stock pro rata to the holders of outstanding shares of Advanced Power Technology, Inc., and

2) assume options and reserve for purchase thereunder approximately 799,021 shares of Registrant's common stock (as estimated as of November 3, 2005), and

3) assume a warrant and reserve for purchase thereunder an aggregate of 750 shares of Registrant's common stock and \$3,450 in cash.

## Edgar Filing: MICROSEMI CORP - Form 8-K
