INTRODUCTION

In connection with the Restructuring, the Company entered into the Policy Management Agreement and the Property Leasing Agreement with CLIC. In addition, the AMC entered into the Asset Management Agreements, with each of the Company and CLIC. As disclosed in the Prospectus, the Stock Exchange has granted a waiver for a period of three financial years expiring on December 31, 2005 in connection with the Policy Management Agreement, the Asset Management Agreements and the Property Leasing Agreement under the Listing Rules in effect prior to March 31, 2004.

The AMC entered into with CLIC and the Company the Renewed CLIC Asset Management Agreement and the Renewed Company Asset Management Agreement on December 27, 2005 and December 29, 2005, respectively. Given that the annual consideration payable under each of the Agreements represents less than 2.5% of the applicable percentage ratios of the Company, as defined in the Listing Rules, each of the Agreements falls within Rule 14A.34 of the Listing Rules and is only subject to reporting, announcement and annual review requirements under the Listing Rules and is exempt from independent shareholders' approval.

CONTINUING CONNECTED TRANSACTIONS

Policy Management Agreement

As part of the Restructuring, CLIC transferred its entire branch services network to the Company. In order to capitalize on the large customer base of CLIC, increase the utilization of the Company's customer service network and increase the Company's revenue sources, CLIC engaged the Company to provide policy administration services relating to the non-transferred policies.

The Company and CLIC entered into the Policy Management Agreement on September 30, 2003 which sets out responsibilities and duties of the Company to CLIC under these policy administration arrangements. The Policy Management Agreement will expire on December 31, 2005.

Renewed Policy Management Agreement

Renewal of Policy Management Agreement

The Company and CLIC entered into the Renewed Policy Management Agreement on December 24, 2005.

Scope of services

Pursuant to the Renewed Policy Management Agreement, the Company agrees to provide policy administration services to CLIC relating to the non-transferred policies, including day-to-day insurance administration services, customer services, statistics and file management, invoice and receipt management, reinstatement of non-transferred policies, applications for and renewal of riders to the non-transferred policies, reinsurance, and handling of disputes relating to the non-transferred policies. The Company acts as a service provider under the agreement and does not acquire any rights or assume any obligations as an insurer under the non-transferred policies.

Service fee

In consideration of the services provided by the Company under the Renewed Policy Management Agreement, CLIC will pay a service fee to the Company based on the estimated cost to the Company of providing the services, to which a profit margin is added. The calculation method of the service fee is the same as that of the Policy Management Agreement which equals to, for each semi-annual payment period, the sum of (1) the number of non-transferred policies in force as of the last day of the period, multiplied by RMB8.0; and (2) 2.50% of the actual premiums and deposits in respect of such policies collected during the period. For these purposes, the number of policies in force for group insurance policies is equal to the number of individuals covered by the policies (excluding those whose policies have lapsed or matured).

Term and termination

The Renewed Policy Management Agreement is for a term of three year effective from January 1, 2006 and expiring on December 31, 2008, and, subject to the Listing Rules, will be renewed for successive three-year term, unless terminated by either party by giving to the other party not less than 180 days prior written notice to terminate the agreement at the expiration of the then current term. The agreement may also be terminated by either party by giving to the other party not less than 90 days prior written notice to terminate the agreement at any time during its term. The Company is also permitted to terminate the agreement, upon giving 30 days prior written notice, if (1) CLIC fails to pay the service fee in accordance with the agreement in an aggregate amount of at least RMB100 million; or (2) it is unable to make timely payment of insurance benefits and claims, commissions and/or third-party costs in an aggregate amount of at least RMB300 million as a result of CLIC failing to transfer sufficient funds to an account controlled by the Company in accordance with the Renewed Policy Management Agreement.

Cap Amount*Historical figures*

The service fees paid by CLIC to the Company pursuant to the Policy Management Agreement for the years ended December 31, 2003 and 2004 and the six month period ended June 30, 2005 are as follows:

Period	Amount of Service Fees Paid
	<i>(RMB in million)</i>
Year ended December 31, 2003	953
Year ended December 31, 2004	1,667
Six months ended June 30, 2005	736

Cap Amount

For the purposes of Rule 14A.35(2) of the Listing Rules, the annual cap in respect of the service fees to be paid by CLIC to the Company under the Renewed Policy Management Agreement for each of the three years ending December 31, 2008 is RMB1,706 million.

The service fees payable under the Renewed Policy Management Agreement is determined based on the estimated cost of the Company in providing the services, to which a profit margin is added. The service fee was agreed between the Company and CLIC after arm's length discussions. In addition, in determining the annual cap, the Company has taken into account the deviation in calculating the number of non-transferred policies serviced under the Renewed Policy Management Agreement and the estimated number of lapsed non-transferred policies which may be reinstated each year.

Renewed Asset Management Agreements

Company Asset Management Agreement

The AMC, a subsidiary of the Company, has entered into the Company Asset Management Agreement, effective on November 30, 2003, with the Company which will expire on December 31, 2005.

Under the Company Asset Management Agreement, the AMC agreed to invest and manage assets entrusted to it by the Company, on a discretionary basis, subject to the investment guidelines and instructions given by the Company.

Renewed Company Asset Management Agreement

Scope of Services

In accordance with the Renewed Company Asset Management Agreement, the AMC agrees to invest and manage assets entrusted to it by the Company, on a discretionary basis, subject to the investment guidelines and instructions given by the Company. The Company retains the title of the entrusted assets and the AMC is authorized to operate the accounts associated with the entrusted assets for and on behalf of the Company. The Company may add to or withdraw from the assets managed by the AMC pursuant to the agreement. All investment interests and losses relating to the assets managed by the AMC pursuant to the agreement will be retained and borne by the Company (as the case may be). The Company has the right to establish, and amend the investment guidelines (relating to the scope, type, proportion of investment, investment restrictions and conditions, counter parties of the transactions, risk tolerance, target rate of return and investment criteria) as needed. The Company also has the right to monitor the investment management activities of the AMC.

Service fees

In consideration of the AMC's services in respect of investing and managing various categories of assets entrusted to it by the Company under the agreement, the Company agrees to pay the AMC: a fixed service fee and a variable service fee. The fixed service fee is payable monthly and is calculated with reference to the net asset value of the assets in each specified category managed by the AMC and the applicable management fee rates pre-determined by the parties on an arm's length basis. The variable service fee equals to 10% of the fixed service fee per annum payable annually.

The service fees under the Renewed Company Asset Management Agreement were determined by the Company and the AMC based on an analysis of the cost of service, market practice and the size and composition of the asset pool to be managed.

Terms and termination

Edgar Filing: CHINA LIFE INSURANCE CO LTD - Form 6-K

The Renewed Company Asset Management Agreement is for a term of two years effective from January, 1 2006 and expiring on December 31, 2007, and subject to the Listing Rules, will be renewed for another one year, unless terminated by either party giving to the other party not less than 90 days prior written notice to terminate the agreement at the expiration of the then current term.

Cap Amount*Historical figures*

The service fees paid by the Company to the AMC pursuant to the Company Asset Management Agreement for the years ended December 31, 2003 and 2004 and the six month period ended June 30, 2005 were as follows:

<u>Period</u>	<u>Amount of Service Fees Paid by the Company</u>
	<i>(RMB in million)</i>
Year ended December 31, 2003	8
Year ended December 31, 2004	139
Six months ended June 30, 2005	103

Cap Amount

For the purpose of Rule 14A.35(2) of the Listing Rules, the annual cap in respect of the service fees to be paid by the Company to the AMC under the Renewed Company Asset Management Agreement for each of the two years ending December 31, 2007 is RMB360 million.

In determining the above annual caps, the parties have taken into account the audited value of the assets entrusted by the Company for year 2004, the service fee under the new agreement and the expected growth in the value of the assets managed and to be managed by the AMC.

Renewed CLIC Asset Management Agreement

The AMC has entered into the CLIC Asset Management Agreement with CLIC, effective on November, 2003. The CLIC Asset Management Agreement will expire on December 31, 2005. The terms of the CLIC Asset Management Agreement were the same as those of the Company Asset Management Agreement. Pursuant to the terms of the CLIC Asset Management Agreement, the AMC has entered into the Shares Investment Management Agreement with CLIC on August 9, 2005.

Under the above two agreements, the AMC agreed to manage assets entrusted to it by CLIC and invest in securities on behalf of CLIC, on a discretionary basis, subject to the investment guidelines and instructions given by CLIC.

CLIC and the AMC entered into the Renewed CLIC Asset Management Agreement on December 27, 2005 to replace the CLIC Asset Management Agreement and the Shares Investment Management Agreement.

Scope of Services

In accordance with the Renewed CLIC Asset Management Agreement, CLIC retains the title of the entrusted assets and the AMC is authorized to operate the accounts associated with the entrusted assets for and on behalf of CLIC. CLIC may add to or withdraw from the assets managed by the AMC pursuant to the agreement. CLIC has the right to establish, and amend the investment guidelines (relating to, for example, the purpose, scope, proportion of strategic investment, cash inflow and outflow forecast and liquidity requirement and risk control requirement), as needed. CLIC also has the right to monitor the investment management activities of the AMC.

Service fees

In consideration of the AMC's services in respect of investing and managing various categories of assets entrusted to it by CLIC under the Renewed CLIC Asset Management Agreement, CLIC agreed to pay the AMC a service fee at the rate of 0.05% per annum. Such service fee is calculated and payable on a monthly basis, by multiplying the average of balance of book value of the assets under management (after deducting the funds obtained and interests accrued from repurchase transactions) at the beginning and at the end of any given month by the rate of 0.05%, divided by 12. Such rate was determined by the AMC and CLIC with reference to the applicable management fee rates pre-determined for each specified category of assets managed by the AMC under the Renewed Company Asset Management Agreement, which was a comprehensive service fee rate arrived at. Although the presentation of the service fee rates under the Renewed Company Asset Management Agreement and the Renewed CLIC Asset Management Agreement is different, the ultimate comprehensive service fee rate calculated under each of these two agreements is basically the same.

The service fees under the Renewed CLIC Asset Management Agreement were determined by CLIC and the AMC based on an analysis of the cost of service, market practice and the size and composition of the asset pool to be managed.

Terms and termination

The Renewed CLIC Asset Management Agreement is for a term of three years, effective from January 1, 2006 and expiring on December 31, 2008.
