ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Amendment and Restatement of Compensation and Benefit Plans

On February 23, 2006, the Board of Directors of LandAmerica Financial Group, Inc. (the Company) amended and restated each of the following plans:

2000 Stock Incentive Plan;

Executive Voluntary Deferral Plan;

Outside Directors Deferral Plan; and

Benefit Restoration Plan.

The amendments were made primarily to conform the terms of the plans to the requirements of Section 409A of the Internal Revenue Code (Section 409A) and to make certain other administrative changes. In addition, the definition of Eligible Executive in the Executive Voluntary Deferral Plan was amended to eliminate the \$150,000 base compensation threshold for participation by Senior Vice Presidents of the Company, and the definition of Eligible Director in the Outside Directors Deferral Plan was amended to enable directors of the Company to continue to make deferrals of director compensation upon attaining the age of 65 or older. The amended and restated plans are retroactively effective to January 1, 2005.

The full text of each of the amended and restated plans is attached as Exhibits 10.1, 10.2, 10.3 and 10.4 to this report and is incorporated by reference into this Item 1.01.

Revised Change of Control Employment Agreements

On February 21, 2006, the Executive Compensation Committee of the Board of Directors adopted a revised form of Change of Control Employment Agreement to address the timing rules of Section 409A regarding payments to key employees and to limit the period of continued medical coverage and certain other welfare benefits. The Executive Compensation Committee also authorized the Company to amend all existing Change of Control Employment Agreements with executive officers to reflect such changes.

The Company's Change of Control Employment Agreements generally provide that if an executive officer is terminated other than for cause within three years after a change of control of the Company, or if the executive officer terminates his or her employment for good reason within such three-year period or voluntarily during the 30-day period following the first anniversary of the change of control, the executive officer is entitled to receive severance benefits. Severance benefits may include a lump sum severance payment equal to up to three times the sum of the executive officer's base salary and highest annual bonus, together with certain other payments and benefits, including continuation of employee welfare benefits and, under the Agreement, an additional payment to compensate the executive officer for certain excise taxes imposed on certain change of control payments.

The full texts of the revised form of Change of Control Employment Agreement and the form of amendment to existing Change of Control Employment Agreements are attached as Exhibits 10.5 and 10.6, respectively, to this report and are incorporated by reference into this Item 1.01.

Revised Restricted Stock and Cash Unit Agreements

On February 21, 2006, the Executive Compensation Committee adopted a revised form of Restricted Stock Agreement and Cash Unit Agreement for equity incentive awards to be made under the 2000 Stock Incentive Plan, as amended and restated. The revisions to the agreements reduce the age upon which an employee may retire and receive full vesting of restricted stock awards from 58 to 55. The Executive Compensation Committee also authorized the Company to amend all existing Restricted Stock Agreements and Cash Unit Agreements to reflect such revisions. The Company plans to amend only those agreements that are with employees to whom the revisions could be relevant.

The full texts of the revised forms of Restricted Stock Agreement and Cash Unit Agreement and the form of amendment to existing Restricted Stock Agreements and Cash Unit Agreements are attached as Exhibits 10.7, 10.8 and 10.9, respectively, to this report and are incorporated by reference into this Item 1.01.
