PLAN OF DISTRIBUTION

We are offering up to 3,333,333 shares of common stock at a purchase price of \$30.00 per share and a maximum aggregate purchase price of \$100,000,000. Each share purchased will include a warrant to purchase 1/5th of an additional share of common stock from us at a purchase price of \$60.00 per share. The warrants contain a call option that can be exercised on twenty trading days' notice, and the warrants can otherwise be exercised at any time through December 31, 2008.

Securities with an aggregate value of up to \$50,000,000 may be placed by our officers and directors directly to the public (the Excluded Securities). We will not pay commissions to our officers or directors for these sales. They will be selling securities under the safe harbor provided by Rule 3a4-1 promulgated under the Securities Exchange Act of 1934. Our officers and directors participating in the sale of our securities may be deemed to be underwriters as that term is defined in Section 2(11) of the Securities Act of 1933.

The remaining securities offered pursuant to this prospectus will be offered on a best efforts basis through our lead placement agent, Anderson & Strudwick, Incorporated, and selected dealers that are members in good standing of the National Association of Securities Dealers, Inc. (Selected Dealers). Anderson & Strudwick has agreed, in accordance with the provisions of SEC Rule 15c2-4, to cause all funds received for sale of the securities placed through it to be promptly deposited in an escrow account maintained by U.S. Bank National Association, as escrow agent for the investors in the offering. Notwithstanding the foregoing, however, certain institutional investors may opt to remit their funds directly to our company in lieu of utilizing the Escrow Account.

While Anderson & Strudwick will use its best efforts to sell the securities, it will be under no obligation to sell any or all of the securities offered hereby and will not be obligated to purchase any of such securities. The placement agreement provides that we will pay as compensation to Anderson & Strudwick a selling commission equal to 6% of the public offering price of the securities sold in this offering, except that we will not pay any commission upon the sale of the Excluded Securities. Anderson & Strudwick may offer the securities to the Selected Dealers at the public offering price, less a concession not in excess of 5% of the public offering price of the securities sold by them.

The following table summarizes the discounts and commissions that we will pay Anderson & Strudwick in this offering:

| | Assuming \$100,000,000 Offering | Assuming \$100,000,000 Offering with \$50,000,000 of Excluded Securities Sold |
|-------|--|--|
| Total | \$6,000,000 | \$3,000,000 |

We will be responsible for the expenses of issuance and distribution of the securities, including registration fees, legal and accounting fees and printing expenses, which we estimate will total approximately \$50,000. We will pay Anderson & Strudwick at the closing of the offering an accountable expense allotment not to exceed 0.25% of the public offering price of the securities sold, exclusive of the Excluded Securities.

The securities are being offered subject to prior sale, withdrawal, cancellation or modification of the offer, including its structure, terms and conditions, without notice. The securities are being offered to the public at the public offering price set forth on the cover page of this prospectus. We reserve the right, in our sole discretion, to reject in whole or in part any offer to purchase the securities offered hereby. If a subscription is rejected in whole or in part, we or the escrow agent, as applicable, will promptly return funds to the subscriber without interest thereon.

In the placement agent agreement, the obligations of Anderson & Strudwick are subject to approval of certain legal matters by its counsel and to various other conditions. The placement agent agreement also provides that we will indemnify Anderson & Strudwick against certain liabilities, including liabilities under the Securities Act of 1933, or contribute to payments Anderson & Strudwick may be required to make in respect of any such liabilities.

Our executive officers and directors have agreed to certain lock-up provisions with respect to future sales of our common stock for a period of 90 days after the closing of this offering. These lock-up agreements will terminate upon the first to occur of 90 days following the closing of this offering, abandonment of this offering, or the waiver or release by Anderson & Strudwick of their obligations under the agreement.

The above is a brief summary of the material provisions of the placement agent agreement between us and Anderson & Strudwick and the lock-up agreements entered into between Anderson & Strudwick and our executive officers and directors. The discussion above does not purport to be a complete statement of the respective terms and conditions of these agreements.
