(a) Cadence s Annual Report on Form 10-K (Commission File No. 001-15773) for the fiscal year ended December 31, 2005, filed with the Commission on March 14, 2006;

(b) All other reports filed by Cadence pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the Annual Report on Form 10-K referred to in paragraph (a) above; and

(c) The description of Cadence s common stock, par value \$1.00 per share (the Common Stock) on Form 8-A (Commission File No. 001-15773), filed with the Commission on March 29, 2000, and any amendment or report filed for the purpose of updating such description.

In addition, all documents subsequently filed with the Commission by Cadence pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act prior to the filing by Cadence of a post-effective amendment which indicates that all securities offered hereby have been sold, or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

None.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Mississippi Business Corporation Act (MBCA) contains provisions that directly affect the liability of officers and directors of Mississippi corporations to the corporations and stockholders whom they serve. Article 8, Sub-article E of the MBCA permits Mississippi corporations to indemnify officers and directors, as well as certain other individuals who act on behalf of such corporations.

MBCA Section 79-4-2.02(b)(5) permits the corporation to include an obligatory indemnification for directors in its Articles of Incorporation for all acts other than: (i) distributions made in excess of standards established by Mississippi law or in the corporation s articles of incorporation, for which Section 79-4-8.33 imposes personal liability on directors to the corporation; and (ii) circumstances where, in his performance as a director, a director has received a financial benefit to which he is not entitled, he intentionally inflicts harm on the corporation or its stockholders or he intentionally violates any criminal law.

Article 11 of Cadence's articles of incorporation complies with the permitted indemnification provision of Section 79-4-2.02(b)(5). The personal liability of a director of Cadence is eliminated unless he breaches his duty of loyalty to the corporation or its stockholders, commits acts or omissions not in good faith, or which involve intentional misconduct or knowing violation of law, permits unlawful distributions or receives an improper personal benefit from any transaction. Article 11 further permits Cadence to advance all expenses for defense of a director in any lawsuit brought against a director in his capacity as a director. The MBCA specifically provides in Section 79-4-8.53 that such advances are allowed by Mississippi law. Such advances may be made under the MBCA only after a determination that the director met all relevant standards of conduct.

Section 79-4-8.56 of the MBCA permits a Mississippi corporation to indemnify any officer to the same extent as to a director. Article VI of Cadence's by-laws provides that any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she was a director, officer, employee or agent of the corporation, or was serving at the request of the corporation in one of those capacities for another business, may be indemnified to the fullest extent allowed by law against all expense, liability and loss (including attorneys' fees, judgments, fines and amounts paid in settlement) reasonably incurred by such persons. Indemnification of officers and directors against reasonable expenses is mandatory under Section 79-4-8.52 of the MBCA to the extent the officer or director is successful on the merits or otherwise in the defense of any action or suit against him giving rise to a claim of indemnification.

Section 79-4-8.57 permits a Mississippi corporation to purchase and maintain insurance on behalf of its officers and directors, against liability asserted against or incurred by them in their capacities as officers or directors, whether or not the corporation would have the power to indemnify such officers or directors or advance funds for the same liability. Article VI, Section 4 of Cadence's by-laws permits Cadence to obtain such insurance. Cadence carries director and officer insurance as permitted under its by-laws and the MBCA.

The MBCA treats suits by or in the right of the corporation, or derivative suits, differently from other legal actions. Indemnification is not permitted in a derivative action, except for reasonable expenses incurred in connection with the proceeding if the officer or director has met the relevant standards of conduct.

ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(4) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
