PART II

Information Required in the Registration Statement

Item 3. Incorporation of Documents by Reference

The rules of the Securities and Exchange Commission (the Commission) allow Allianz SE (Allianz or the Registrant) to incorporate by reference information into this Registration Statement. This means that the Registrant can disclose important information to you by referring you to another document.

The following documents have been filed by the Registrant with the Commission and are incorporated herein by reference:

1. The Registrant's Annual Report on Form 20-F as of and for the year ended December 31, 2005, filed with the Commission on April 6, 2006 (File No. 1-15154);
2. Current Reports on Form 6-K of the Registrant dated May 12, 2006, August 11, 2006 and November 14, 2006.
3. The description of the Registrant's American Depositary Shares and the Registrant's Ordinary Shares contained in the Registration Statement on Form 20-F, filed with the Commission on October 31, 2000 (File No. 1-15154) under the heading "Description of Securities to be Registered".

To the extent designated therein, certain Reports on Form 6-K and all documents subsequently filed by the Registrant or by the Plan pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act), prior to the filing of a post-effective amendment which indicates that all the securities offered have been sold, or that deregisters all the securities then remaining unsold, shall be deemed to be incorporated by reference into, and to be a part of, this Registration Statement from the date of filing of those documents. The information contained in any such document will automatically update and supersede any information previously incorporated by reference into this Registration Statement.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

None.

Item 6. Indemnification of Directors and Officers

As a general matter, the laws of Germany do not provide for indemnification of the members of the Board of Management or the Supervisory Board. Exceptions are subject to limited instances and need to be essential for the company's well-being. However,

under German labor law, a company may indemnify its officers, and under certain circumstances, may be required to do so. Subject to restrictions imposed by German law, the Registrant maintains liability insurance for the members of the Board of Management and Supervisory Board and certain senior employees.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted against the Registrant by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit

to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Munich, Germany, on this 10th day of January 2007.
