**Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.**

On February 21, 2007, the Compensation Committee (the Committee) of the Board of Directors (the Board) of International Coal Group, Inc. (the Company) approved and adopted an Executive Severance Plan (the Severance Plan), which provides certain severance and other benefits to eligible employees (including our named executive officers, other than Messrs. Hatfield and Nicholson) whose employment is involuntarily terminated by the Company (other than for cause) or by the employee as a result of a reduction in 10% or more of the employees' base salary (such termination, a qualifying termination). The Severance Plan supersedes and replaces any prior policies and practices applicable to the eligible employees relating to severance.

The Severance Plan provides that, in the event of an eligible employee's qualifying termination, the employee will be eligible to receive (i) a continuation of base salary for a period of 12 months following termination, (ii) reimbursement of COBRA premiums for up to 18 months and (iii) the continuation of other benefits such as life insurance for 12 months. The Severance Plan may not be amended or terminated during the eighteen (18) month period following the occurrence of a change in control, if such amendment would be adverse to the interest of any employee, without the consent of such employee. In order to receive severance payments under the Severance Plan, an employee must execute a release of all claims and must comply with certain restrictive covenants for a period of one-year following termination of employment.

The foregoing is a summary description of the material terms of the Severance Plan and is qualified in its entirety by the text of the Severance Plan, which will be filed as an exhibit with the Company's annual report on Form 10-K for the year ended December 31, 2006.
