**Item 7.01. Regulation FD Disclosure.**

*China Acquisitions*

YRC Worldwide Inc. (the Company) has entered into a preliminary agreement to acquire Shanghai Jiayu Logistics Limited ( Jiayu ). A copy of the press release announcing the acquisition is attached to this Form 8-K as Exhibit 99.1.

Pursuant to the preliminary agreement with Jiayu, the parties are expected to conduct exclusive negotiations to enter into a definitive agreement based upon the transaction structure, price and due diligence process contained in the preliminary agreement. The completion of the transaction is subject to the Company completing its detailed due diligence, the parties entering into a definitive acquisition agreement and regulatory and board approvals.

The Company is also considering other acquisition candidates in China. The collective purchase price for these potential acquisitions (including Jiayu) is expected not to exceed \$115 million. A portion of the purchase price for these acquisitions is expected to be paid upon closing of each transaction and a substantial portion of the purchase price for these transactions is expected to be paid through earn-out provisions based upon sustainable cash flow of the acquired businesses. Therefore, the Company's actual purchase price for these transactions will be contingent on the performance of the acquired businesses. The Company's existing Chinese joint venture partner may also participate with the Company in making these acquisitions, which would reduce the Company's direct investment below these amounts.

*YRC Logistics*

The Company's wholly owned subsidiary, Meridian IQ, is changing its name to YRC Logistics to better reflect its expertise in logistics and its relationship to the Company. A copy of the press release announcing the name change is attached to this Form 8-K as Exhibit 99.2.

The Company's expectations regarding the potential acquisitions of Jiayu and other acquisition candidates in China and the purchase prices for these acquisitions are only the Company's expectations regarding these acquisitions. Completion of these acquisitions is subject to the respective parties entering into final, binding agreements to effect the acquisitions, completion of due diligence, regulatory approvals and board approvals. Based upon detailed due diligence findings and negotiations, the final purchase prices for the acquisitions could change as the transaction discussions progress.*
