Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers and Compensation Arrangements of Certain Officers.

On December 4, 2007, the Board of Directors (the Board) of Lattice Semiconductor Corporation (the Company) appointed Richard Marz as a member of the Board. Mr. Marz will be a Class III director and serve on the Compensation Committee and the Nominating and Governance Committee.

In connection with his services as a director, Mr. Marz will be entitled to the customary compensatory arrangements for outside directors, namely an annual retainer of \$20,000, \$1,500 for each Board meeting and \$1,000 for each committee meeting he attends in person, and \$750 for each Board and committee meeting he attends telephonically. In addition, on December 4, 2007, Mr. Marz was granted an option to purchase ninety thousand (90,000) shares of the Company's common stock pursuant to the terms of the Company's 2001 Outside Directors' Stock Option Plan, with 25% of the option vesting on the date of grant and an additional 6.25% of the option vesting each three months thereafter, subject to his continued service to the Company.

(e) 2008 Executive Variable Compensation Plan

On December 5, 2007, the Compensation Committee (the Committee) of Lattice Semiconductor Corporation (the Company), having obtained the approval of the independent members of the Company's Board of Directors with respect to the Chief Executive Officer, approved the 2008 Executive Variable Compensation Plan (the Plan). The Company's Chief Executive Officer, executive officers, and other members of senior management, including vice presidents and director-level employees as nominated by the Chief Executive Officer and approved by the Compensation Committee, are eligible to participate in the Plan.

The payout for each participant will be based both on the Company's performance, as measured by achievement of revenue and operating income performance goals approved by the Board prior to the commencement of the plan year, and individual performance. The revenue and operating income goals will be equally weighted in calculating payouts under the Plan. The Compensation Committee will determine the individual performance of the Chief Executive Officer, and the Chief Executive Officer will determine the individual performance of the other participants. For each participant, a specified minimum achievement against the revenue and operating income objectives is required for any payout.

The Compensation Committee approved a target payout and a maximum payout for each participant, based on the participant's annual salary. The target payouts range from 7.5% of salary for certain director-level employees to 90% of salary for the CEO. The maximum payouts are two times the target payouts. The target payout and maximum payout for each of Lattice's executive officers participating in the Plan is as follows:

Executive Officer	Target Payout	Maximum Payout
Stephen A. Skaggs, President and Chief Executive Officer	\$ 360,000	\$ 720,000
Jan Johannessen, Senior Vice President and Chief Financial Officer	\$ 131,046	\$ 262,092
Steve Donovan, Corporate Vice President, Sales	\$ 90,845	\$ 181,690
Martin R. Baker, Corporate Vice President, General Counsel and Secretary	\$ 89,880	\$ 179,760

If Lattice is not profitable on an operating basis (non-GAAP, excluding intangible asset amortization, restructuring charges and other Board-approved extraordinary expense items), there will be no payout under the Plan. The aggregate target payouts for all participants under the Plan total approximately \$2.2 million, and the aggregate maximum amounts payable to all participants under the Plan total approximately \$4.4 million.

The foregoing summary of the Plan is qualified in its entirety by the text of the 2008 Executive Variable Compensation Plan, which is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
