**Section 7 Regulation FD**

**Item 7.01. Regulation FD Disclosure**

On July 17, 2008, Amedisys, Inc. issued a press release entitled "Amedisys Increases 2008 Revenue and EPS Guidance," a copy of which is furnished herewith as Exhibit 99.1 to this Current Report on Form 8-K.

We urge caution in considering our current trends and the 2008 guidance disclosed in this Current Report on Form 8-K. The home health and hospice industry is highly competitive, and trends and guidance are subject to numerous factors, risks, and influences, some of which are referenced in the cautionary language below and others that are described more fully in our reports and registration statements filed with the Securities and Exchange Commission ( "SEC" ), including our Annual Report on Form 10-K for the fiscal year ended December 31, 2007 (filed on February 27, 2008), subsequent Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, all of which can be found on the SEC's internet website, <http://www.sec.gov>, and our internet website, <http://www.amedisys.com>. We disclaim any obligations to update disclosed information on trends or targets other than in our periodic filings with the SEC.

When included in this Current Report on Form 8-K, words like "believes," "belief," "expects," "plans," "anticipates," "intends," "projects," "estimates," "might," "would" and similar expressions are intended to identify forward-looking statements as defined by the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve a variety of risks and uncertainties that could cause actual results to differ materially from those projected therein. These risks and uncertainties include, but are not limited to: general economic and business conditions, changes in or failure to comply with existing regulations or the inability to comply with new government regulations on a timely basis, changes in Medicare and other medical reimbursement levels, our ability to complete acquisitions announced from time to time, and any financing related thereto, our ability to meet debt service requirements, our ability to comply with covenants in debt agreements, adverse changes in federal and state laws relating to the health care industry, demographic changes, availability and terms of capital, our ability to attract and retain qualified personnel, ongoing development and success of new start-ups, our ability to successfully integrate newly acquired agencies, changes in estimates and judgments associated with critical accounting policies, business disruption due to natural disasters or acts of terrorism, and various other matters, many of which are beyond our control.

Because forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or quantified, you should not rely on any forward-looking statement as a prediction of future events. We expressly disclaim any obligation or undertaking and we do not intend to release publicly any updates or changes in our expectations concerning the forward-looking statements included in this Current Report on Form 8-K or any changes in events, conditions or circumstances upon which any forward-looking statement may be based.

In accordance with General Instruction B.2 of this Current Report on Form 8-K, the information presented herein shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Exchange Act of 1933, as amended, except as previously set forth by specific reference in such a filing.
