GENERAL

We have sent you this booklet and proxy on or about August 14, 2008 because the Board of Directors of Michael Baker Corporation (Michael Baker) is soliciting your proxy to vote at Michael Baker 's 2008 annual meeting of shareholders.

Who May Vote

Shareholders of Michael Baker as reflected in Michael Baker 's stock records at the close of business on July 28, 2008 may vote. You have one vote for each share of Michael Baker common stock you own, and you have cumulative voting rights in the election of directors. Cumulative voting entitles you to that number of votes in the election of directors equal to the number of shares of Michael Baker common stock you own, multiplied by the total number of directors to be elected. Under cumulative voting, you may cast the total number of your votes for one nominee or distribute them among any two or more nominees as you choose. Shares represented by proxies, unless otherwise indicated on the proxy card, will be voted cumulatively in such manner that the number of shares voted for each nominee (and for any substitute nominated by the Board of Directors, if any nominee listed becomes unable or is unwilling to serve) will be as nearly equal as possible. The nine nominees receiving the highest number of affirmative votes cast at the annual meeting by the holders of common stock voting in person or by proxy, a quorum being present, will be elected as directors.

How to Vote

You may vote in person at the meeting or by proxy. Most shareholders of record have a choice of voting by proxy over the Internet, by telephone or by using a traditional proxy card. Please check your proxy card or the information forwarded by your bank, stockbroker or other holder of record to see which options are available to you. We recommend that you vote by proxy, even if you plan to attend the meeting, as you can always change your vote at the meeting.

How a Proxy Works

Giving Michael Baker a proxy means that you authorize Michael Baker to vote your shares in accordance with your directions. If you give Michael Baker a proxy, but do not make any selections, your shares will be voted in favor of Michael Baker 's director candidates.

You may receive more than one proxy or voting card depending on how you hold your shares. Shares registered in your name are generally covered by one card. If you hold shares through someone else, such as a stockbroker, then you may get material from them asking you how you want to vote.

Changing Your Vote

You may revoke your proxy before it is voted by submitting a new proxy with a later date, by voting in person at the meeting or by notifying Michael Baker 's Secretary in writing.

Common Stock Outstanding

As of the close of business on July 28, 2008, approximately 8,833,298 shares of Michael Baker common stock were issued and outstanding.

Quorum and Voting Information

Quorum

In order to conduct the business of the meeting, there must be a quorum. This means at least a majority of the outstanding shares eligible to vote must be represented at the meeting, either in person or by proxy. You are considered a part of the quorum if you submit a properly signed proxy card, vote over the Internet or vote by telephone. Votes withheld and abstentions, as well as votes for or against a proposal, are counted in determining a quorum.

Election of Directors

If a quorum is present at the meeting, then the nine director candidates receiving the greatest number of votes cast will be elected to fill the open seats on the Board of Directors.

Other Matters

If a quorum is present, then any proposal other than the election of directors will be approved if a majority of the votes cast (in person or by proxy) are in favor of the proposal, unless the matter requires more than a majority vote under statute or Michael Baker's bylaws. There are no other proposals included in this Proxy Statement or expected to come before the Annual Meeting.

Abstentions and Broker Non-Votes

Under Pennsylvania law an abstention or a broker non-vote is not considered a vote cast or considered in the calculation of the majority of votes cast and, therefore, will have no effect on the vote for an item. A broker non-vote occurs when a broker limits the number of shares voted on a proposal on its proxy card or indicates the shares represented by the proxy card are not being voted on a proposal.

COMMON STOCK OWNERSHIP

Directors and officers must furnish Michael Baker with copies of these reports. Based on these copies and directors and executive officers' representations, Michael Baker believes all directors and executive officers complied with the requirements in 2007, except for the reporting of initial beneficial ownership, the exercise of options for 1,000 shares and the sale of 3,996 shares of stock for Mr. Greenwood, which were reported late on Forms 3 and 4 filed on September 14, 2007.

PROPOSAL 1 ELECTION OF DIRECTORS

Michael Baker's Board of Directors currently has eleven members. Robert N. Bontempo, Nicholas P. Constantakis, Robert H. Foglesong, John E. Murray, Jr., Pamela S. Pierce and Richard L. Shaw, whose terms of office are expiring, have been nominated to serve for new terms ending in 2009. Mark E. Mr. William J. Copeland, whose term of service is expiring in 2008, has not been re-nominated to serve on the Board. However, in recognition of Mr. Copeland's years of service, and to continue to leverage Mr. Copeland's years of experience and industry knowledge, the Board will appoint Mr. Copeland as an Emeritus Director to serve a one year term expiring in 2009. As an Emeritus Director, Mr. Copeland may attend and participate in Board meetings, but he will not have voting rights.

The Board and Committees

The Board met nine times during 2007. All directors then serving participated in at least 75% of all meetings of the Board and the committees on which they served in 2007. The Board committees that help the Board fulfill its duties include the Executive Committee, the Audit Committee, the Compensation Committee, the Governance and Nominating Committee and the Health, Safety, Environmental and Compliance Committee.

The Board has adopted categorical standards to assist it in determining whether its members meet the independence requirements of the American Stock Exchange. The Board has reviewed the independence of its members under the American Stock Exchange listing standards and has determined that a majority of its members are independent. Specifically, none of the following directors, Dr. Bontempo, Mr. Constantakis,

Mr. Copeland, General (Ret.) Foglesong, Mr. Gavert, Mr. Kaplan, Dr. Murray, Ms. Pierce and Dr. Wormley, has a material relationship with Michael Baker and each such director meets the independence requirements of the American Stock Exchange.

It is Michael Baker's policy that all directors attend the annual meeting of shareholders if reasonably possible. All directors then serving attended the 2007 annual meeting of shareholders.

The Executive Committee

The Executive Committee has all of the powers of, and the right to exercise all of the authority of, the Board of Directors in the management of the business and affairs of Michael Baker. The Executive Committee met twice in 2007. The Executive Committee members are Mr. Shaw, Mr. Copeland and Dr. Murray. Mr. Shaw serves as the Executive Committee's Chairman.

The Audit Committee

The Audit Committee acts under a written charter, which was amended and restated by the Board of Directors on February 19, 2004. A current copy of the Audit Committee Charter is available on Michael Baker's website at <http://www.mbakercorp.com> and available in print to any shareholder upon request.

The Audit Committee met ten times in 2007. The Audit Committee members are Dr. Bontempo, Mr. Constantakis, Mr. Gavert and Mr. Kaplan. Dr. Bontempo served as the Audit Committee's Chairman until his resignation for personal reasons on November 1, 2007, when Mr. Constantakis was appointed Chairman. Mr. Kaplan was appointed to the Audit Committee in February 2008. The Board of Directors has concluded that all Audit Committee members are independent as defined by the American Stock Exchange listing standards. In addition, the Board has determined that Mr. Constantakis and Mr. Kaplan each qualify as an audit committee financial expert, as such is defined by the regulations of the Securities and Exchange Commission.

The Audit Committee assists the Board in overseeing the accounting and financial reporting process of Michael Baker. It is directly responsible for appointing, compensating, retaining and overseeing the work of the independent registered public accounting firm engaged by Michael Baker. The functions performed by the Audit Committee include:

appointing the independent registered public accountants;

reviewing with the independent registered public accountants the plan for, and the results of, the auditing engagement;

approving professional services to be provided by the independent registered public accountants before the services are performed;

reviewing the independence of the independent registered public accountants;

overseeing the work of the independent registered public accountants;

discussing Michael Baker's financial statements with the independent registered public accountants and management; and

reviewing Michael Baker's system of internal accounting controls.

The Audit Committee has established procedures for the receipt, retention and treatment of complaints received by Michael Baker regarding accounting, internal controls or auditing matters. The Audit Committee has oversight of the internal audit function, including reviewing the annual internal audit plan and assessing the internal audit function's performance.

The Audit Committee considers whether the independent registered public accountants' provision of non-audit related services is compatible with maintaining the independence of the independent registered public accountants.

The Audit Committee Report

The Audit Committee is responsible for reviewing the Company's financial reporting process on behalf of the Board of Directors. Management of Michael Baker has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In the performance of the Audit Committee's oversight function, the Audit Committee meets with management periodically to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee meets privately with the independent registered public accountants of the Company, who have unrestricted access to the Audit Committee. Specifically, the Audit Committee reviewed and discussed the consolidated balance sheet of Michael Baker Corporation and subsidiaries as of December 31, 2007, and the related consolidated statements of income, shareholders' investment and cash flows, for the year then ended, with management of the Company and the independent registered public accountants. These consolidated financial statements, which are the responsibility of the Company's management, are included in the Company's annual report to shareholders and in the Company's annual report on Form 10-K as filed with the Securities and Exchange Commission. They have been audited by Deloitte & Touche LLP, independent registered public accounting firm, and their report thereon, which accompanies the consolidated financial statements, is an important part of the Company's reporting responsibility to its shareholders. Based on the Audit Committee's review of the consolidated financial statements and the discussions with Company management and the independent registered public accountants, the Audit Committee is responsible for making a recommendation to the Board of Directors of the Company regarding inclusion of the audited financial statements in the Company's annual report on Form 10-K.

The Audit Committee has met with the independent registered public accountants and discussed the matters that they are required to communicate to the Audit Committee by Statement on Auditing Standards No. 114 (*The Auditor's Communication with those Charged with Governance*) relating to the conduct of the audit. These items include, but are not limited to, significant issues identified during the audit such as management judgments and accounting estimates, accounting policies, proposed audit adjustments, financial statement disclosure items and internal control issues, and if there were any disagreements with management or difficulties encountered in performing the audit.

The Company's independent registered public accountants also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Statement No. 1 (*Independence Discussions with Audit Committees*). The Audit Committee has met with and discussed the independent registered public accountants' independence. The Audit Committee has determined that Deloitte & Touche LLP are independent auditors with respect to the Company within the meaning of the federal securities laws and the rules and regulations thereunder and Rule 3600T of the Public Company Accounting Oversight Board.

As part of the ongoing oversight process, the Audit Committee, with the advice of legal counsel, the Company's independent registered public accountants and other advisors, has adopted and implemented in a timely manner any new rules and regulations promulgated by the Securities and Exchange Commission and the American Stock Exchange.

Based on the Audit Committee's review and discussions, the Audit Committee has recommended to the Company's Board of Directors that the aforementioned 2007 audited financial statements be included in the Company's annual report on Form 10-K for filing with the Securities and Exchange Commission.

Respectfully submitted,

Robert N. Bontempo

Nicholas P. Constantakis

Roy V. Gavert, Jr.

The Compensation Committee

The Compensation Committee acts under a written charter, which is available on Michael Baker's website at <http://www.mbakercorp.com> and available in print to any shareholder upon request.

The Compensation Committee provides assistance to the Board relating to the compensation of Michael Baker's officers and directors. The Committee's principal responsibilities include:

reviewing and approving Michael Baker's compensation philosophy;

reviewing and approving the executive compensation programs, plans and awards; and

administering Michael Baker's short-term and long-term incentive plans and other stock or stock-based plans.

The Compensation Committee ensures that the compensation of Michael Baker's executives and other key employees are fair and competitive, as well as in compliance with applicable laws.

The Chief Executive Officer recommends to the Compensation Committee salary adjustments for executive officers. The Committee reviews these recommendations in light of Michael Baker's overall compensation objectives. A final comparison is made to verify that the total percentage increase in compensation paid to the executive officers as a group is not disproportionate to the percentage increase applicable to other Company employee groups. The Compensation Committee annually reviews market data by reviewing executive compensation surveys compiled by third-party consultants, compensation of an industry peer group and compensation of a group of local companies to assess Michael Baker's competitive position for the three components of executive compensation (base salary, annual incentives and long-term incentives). All recommendations of the Compensation Committee relating to compensation of Michael Baker's executive officers are reviewed and approved by the full Board of Directors.

The Compensation Committee annually reviews market data compiled by third-party consultants, along with general industry information and other relevant data to assess the competitiveness of the Chief Executive Officer's salary, and, based on this review, approves in advance any salary increase for the Chief Executive Officer.

Pursuant to its charter, the Compensation Committee is authorized to engage compensation consultants of its selection to advise it with respect to Michael Baker's salary and incentive compensation and benefits programs. The Compensation Committee has historically engaged compensation consultants for a variety of purposes. The Compensation Committee regularly reviews data from multiple third party sources in connection with performance of its duties, including data compiled by or provided by compensation consultants. William M. Mercer Incorporated assisted in the development of Michael Baker's short-term incentive compensation plan, referred to as the Line of Sight Plan. The Compensation Committee did not engage compensation consultants to assist in determining the 2007 compensation of Michael Baker's executive officers.

In regard to Michael Baker's non-employee directors, the Compensation Committee also uses an industry peer group, data from local companies and survey data compiled by third-party consultants to assess and determine the level of director compensation. This data is compiled by the Chief Resources Officer and provided to the Compensation Committee. Director compensation is reviewed and approved by the full Board of Directors.

The Compensation Committee also adopts or amends incentive compensation plans and equity award plans in which the executive officers and non-employee directors are participants.

The Compensation Committee met four times in 2007. The Compensation Committee members are Drs. Murray and Bontempo and Mr. Constantakis. Dr. Murray serves as the Compensation Committee's Chairman. All of the members of the Compensation Committee are non-employee directors satisfying the independence standards of the American Stock Exchange listing standards.

Compensation Discussion and Analysis

Overview.

This compensation discussion describes the material elements of compensation awarded to, earned by, or paid to each of Michael Baker's executive officers who served as named executive officers during 2007. The discussion focuses primarily on the information contained in the tables and related footnotes and narrative for 2007, but we also describe compensation actions taken prior to 2007 to the extent it enhances the understanding of Michael Baker's executive compensation disclosure.

The principal elements of Michael Baker's executive compensation program are base salary, annual incentive compensation and long-term incentive compensation. Michael Baker's other benefits and perquisites consist of group life insurance premiums paid on behalf of Michael Baker's executives, tax gross-up payments and matching contributions made under Michael Baker's 401(k) plan. Michael Baker's philosophy on compensation places a share of overall compensation at risk, thereby rewarding employees based on the overall performance of Michael Baker.

Objectives and Philosophy.

The overall objectives of Michael Baker's executive compensation program are:

to attract and retain executive officers and other key employees of outstanding ability, and to motivate all employees to perform to the full extent of their abilities;

to ensure that pay is competitive with other leading companies in Michael Baker's industries;

to reward executive officers and other key employees for corporate, group and individual performance; and

to ensure that total compensation to the executive officers as a group is not disproportionate when compared to Michael Baker's total employee population.

During 2007, the Compensation Committee focused on assessing whether Michael Baker's annual incentive compensation and long-term incentive compensation programs are structured to reward an executive's performance in the manner in which the Compensation Committee believes is effective and appropriate. As discussed below in regards to each program, the Compensation Committee decided to grant discretionary awards under the existing annual incentive plan, and not grant awards under the long-term incentive plan, but rather to use discretionary bonuses to reward executives. In determining executive compensation for 2007, the Compensation Committee reviewed the relationship of an executive's compensation to that of other executive officers of Michael Baker, similar executive officers in comparable companies, and Michael Baker's current and projected growth and profitability performance. The Compensation Committee believes that executive compensation packages provided by Michael Baker to its executives during 2007, including the named executive officers, were competitive and appropriately rewarded the named executive officers.

Compensation Process.

Compensation Committee. Executive officer compensation is administered by the Compensation Committee of Michael Baker's Board of Directors, which is composed of three members, Drs. Murray and Bontempo and Mr. Constantakis. Dr. Murray serves as Chairman of the Compensation Committee. The Compensation Committee approved the 2007 compensation arrangements described in this compensation discussion and analysis. Michael Baker's Board of Directors appoints the Compensation Committee members and delegates to the Compensation Committee the direct responsibility for, among other matters:

reviewing and approving Michael Baker's compensation philosophy;

reviewing and approving the executive compensation programs, plans and awards; and

administering Michael Baker's short- and long-term incentive plans and other stock or stock-based plans.

The Chief Executive Officer recommends to the Compensation Committee salary adjustments for executive officers. The Committee reviews these recommendations in light of Michael Baker's overall compensation objectives. A final comparison is made to verify that the total percentage increase in compensation paid to the executive officers as a group is not disproportionate to the percentage increase applicable to other Company employee groups. The Compensation Committee annually reviews market data by reviewing executive compensation surveys compiled by third-party consultants, compensation of an industry peer group and compensation of a group of local companies to assess Michael Baker's competitive position for the three components of executive compensation (base salary, annual incentives and long-term incentives). All recommendations of the Compensation Committee relating to compensation of Michael Baker's executive officers are reviewed and approved by the full Board of Directors.

The Compensation Committee annually reviews market data compiled by third-party consultants, along with general industry information and other relevant data to assess the competitiveness of the Chief Executive Officer's salary and, based on this review, approves in advance any salary increase for the Chief Executive Officer.

Role of Compensation Experts. Pursuant to its charter, the Compensation Committee is authorized to engage compensation consultants to advise with respect to Michael Baker's salary and incentive compensation and benefits programs. The Compensation Committee has historically engaged compensation consultants for a

variety of purposes. The Compensation Committee regularly reviews data from multiple third party sources, in connection with the performance of its duties, including data compiled by or provided by compensation consultants. William M. Mercer Incorporated assisted in the development of Michael Baker's short-term incentive compensation plan, referred to as the Line of Sight Plan. The Compensation Committee did not engage compensation consultants to assist in determining the 2007 compensation of Michael Baker's executive officers.

Role of Michael Baker's Executive Officers in the Compensation Process. The Chief Executive Officer recommends to the Compensation Committee salary adjustments for executive officers. No other executive officer has a role in setting executive compensation.

Components of Compensation.

Michael Baker's 2007 compensation consists of base salary and program elements primarily structured to reward Michael Baker's executive officers for achieving certain financial and business objectives.

Base Salaries. An overall salary budget increase recommendation is compiled by the Human Resources function for all divisions of Michael Baker. The amount of the merit increase percentage is then established and approved by the Compensation Committee at the October meeting for the next calendar year. These increases are determined by reviewing a variety of third party compensation data, for which 2007 salaries included data from: Hewitt, ERI, Dietrich, CompResources, and World at Work.

Michael Baker establishes a salary range based on benchmarking for each of its executive officers' salary grade level. The competitive norm for salary ranges for 2007 was established by reviewing data from the third party consultant surveys including Hewitt, ERI, Dietrich, CompResources, and World at Work. Consideration was also given to Michael Baker's industry peer group. Michael Baker's industry peer group for benchmarking includes Tetra Tech Inc., Jacobs Engineering Group Inc., Teledyne, The Shaw Group Inc. and URS Corporation. In using this group for benchmarking, the Compensation Committee takes into consideration that many of the peer group companies have higher market capitalization and/or total revenue than Michael Baker. Finally, consideration was given to comparable local companies to determine if the proposed ranges of executive salaries were in line with the market. This benchmarking is performed using local companies such as IGATE Corporation, Mine Safety Appliance Corporation, Black Box Corporation, Matthews International Corporation and Calgon Carbon Corporation. The use of local companies in addition to survey data and Michael Baker's peer group is based on the philosophy that Michael Baker's executives are hired from a talent pool that does not comprise of only Engineering and Energy industry executives and that Michael Baker competes in the regional market for certain of its executive officer positions. Michael Baker generally establishes its executive officer salary midpoint at the average midpoint determined through this benchmarking process with a range established at the 75th percentile. Based on this benchmarking process, the salary ranges for Michael Baker's executive officers were increased by 4% for fiscal year 2007.

Individual executive officer base salaries for Michael Baker's executive officers are reviewed annually at the February Compensation Committee meeting with increases to be effective in April of the fiscal year. Increases are recommended by the Chief Executive Officer. The position of the executive officer within the salary range for the executive's position established by the benchmarking process described above and the executive's years in the position, responsibility and contributions to the business are all taken into consideration. Individual salaries may be above or below the midpoint in the established range based on the individual's years in the position, contribution to business results, capabilities and qualifications, potential and the importance of the individual's position to Michael Baker's success. For 2007, the base salary increases for the named executive officers ranged from no increase to 15.79%. These increases are discussed further in connection with the Summary Compensation Table, which follows on page 16.

Long-Term Incentive Compensation. Effective October 29, 2007, the Compensation Committee recommended to the Board the termination of the Company's 2003 Long-Term Incentive Compensation Plan. The recommendation to terminate the 2003 Long-Term Incentive Compensation Plan was made after

determining the Plan was too complex and, as a result, did not properly motivate the Company's key employees. As a result, there were no grants made to any named executive officers under the 2003 Long-Term Incentive Compensation Plan in 2007, nor did the executives earn any awards for payout for the 2006-2008 performance period. In recognition of the portion of incentive compensation that was previously earned by the executives under the Plan for the 2006-2008 performance period but no longer eligible for payout because the Plan was terminated, the Board has determined to grant each executive who accrued an award a discretionary bonus in 2007 that is equal to that portion of their award.

Short-Term Incentive Compensation. Michael Baker's short-term incentive compensation is intended to compensate executive officers directly if strategic and financial performance targets are achieved and reward executive officers for performance on those activities that are most directly under their control and for which they are responsible. The short-term incentive compensation is awarded under the 2007 Incentive Compensation Plan derived under the Line of Sight Plan developed by William M. Mercer. By providing an incentive opportunity based on market-based performance goals, the plan is designed to establish a line of sight between the overall performance of Michael Baker and the individual contribution of the officer. The Compensation Committee designates participants into one of three groups. Executive officers participate in Group 1. Each participant is assigned an incentive target within 90 days of the beginning of a plan year. During 2007, the Compensation Committee reconsidered the current short-term incentive compensation plan, and determined that, while the structure may be adequate, the strategic and financial performance targets were not adequately achieving the desired impact on the executive's behavior in order to drive the organization's profitability. Therefore, no incentive targets were set for the named executive officers for the 2007 plan year.

The Compensation Committee may grant discretionary bonuses to executive officers under the 2007 Incentive Compensation Plan. Since the Long-Term Incentive Compensation Plan was terminated in October 2007, as discussed above, it was necessary to recognize superior performance by the named executive officers during 2007 by granting additional amounts as discretionary bonuses. During 2007, the Compensation Committee recommended to the Board, which determined to increase the size of the discretionary pool available for distribution from \$500,000 to \$2,000,000. Discretionary bonuses were granted to executive officers for 2007 performance.

Stock Ownership Requirements. We do not currently have any policy or guidelines that require a specified ownership of Michael Baker's common stock by Michael Baker's directors or executive officers or stock retention guidelines applicable to equity-based awards granted to directors and executive officers. As of July 28, 2008, Michael Baker's Directors and executive officers as a group owned approximately 2.55% of Michael Baker's outstanding common stock.

Perquisites and Other Personal Benefits. Supplemental benefits are offered to selected executive officers with the goal of attracting and retaining key executive talent. We provide the following perquisites to Michael Baker's executive officers: group life insurance premiums paid on behalf of Michael Baker's executives, and tax gross-up.

Post-termination Compensation.

Michael Baker does not generally provide employment or severance agreements to its executive officers. However, as discussed below, Mr. Shaw has both an Employment Agreement and a Consulting Agreement under which he is provided certain post-termination benefits. In June 2008, we also entered into an employment agreement with Mr. Mallory under which he is provided certain post-termination benefits. In connection with a potential sale of the Energy business segment, Mr. Whiteford, along with a group of key Energy executives and managers, entered into retention agreements with Michael Baker in 2007. Mr. Whiteford's Retention Agreement included (i) an amount which would be paid out upon the successful completion of any divestiture of the Energy segment, and (ii) an amount to be paid six months after the signing of the Retention Agreement for remaining in his position during the negotiation of the sale. The six-month retention component was paid out in December 2007.

Tax Implications of Executive Compensation. Michael Baker's aggregate deductions for each named executive officer's compensation are potentially limited by Section 162(m) of the Internal Revenue Code of 1986, as amended, to the extent the aggregate amount paid to an executive officer exceeds \$1.0 million, unless it is paid under a predetermined objective performance plan meeting certain requirements, or satisfies one of various other exceptions specified in the Internal Revenue Code.

Stock Option Practices. We do not have an active stock option plan for our executive officers. The terms of prior plans included provisions to award stock options to purchase Michael Baker's common stock to executive officers at or above the fair market value of Michael Baker's common stock at the grant date.

earned. The Board approved a discretionary bonus for Mr. Shaw of \$215,249, which represents 50% of his 2007 base salary; however Mr. Shaw declined acceptance of the bonus.

- (3) Includes the retention bonus amount paid to Mr. Whiteford pursuant to his Retention Agreement, which is described above.
- (4) Reflects the dollar amount recognized in Michael Baker's financial statements for fiscal years 2006 and 2007 in accordance with FAS 123(R) related to the award of restricted stock under the 1996 Nonemployee Directors Stock Incentive Plan. For the assumptions used in the calculation of this amount under FAS 123(R), see Note 19 of the Consolidated Financial Statements in the Annual Report for the year ended December 31, 2007.
- (5) As discussed in the Compensation Discussion and Analysis above, the Compensation Committee determined the 2003 Long-Term Incentive Compensation Plan was too complex and, as a result, did not properly motivate the Company's key employees. Additionally, no short-term incentive targets were set for the named executive officers for the 2007 plan year. As a result, only discretionary incentive awards were earned under the 2007 Incentive Compensation Plan and no awards were earned under the 2003 Long-Term Incentive Plan. No awards were earned during 2006 because the applicable performance goals were not achieved.
- (6) The amount of all other compensation for each named executive officer in 2006 and 2007 includes the following:

- (1) Reflects the dollar amount recognized in Michael Baker's financial statements for fiscal years 2006 and 2007 for the post-retirement benefits payable under Mr. Shaw's Employment Agreement or Consulting Agreement discussed below.
- (2) Reflects director fees earned by Mr. Shaw for his service as a director prior to his appointment as Chief Executive Officer in September 2006 as follows: Board Retainer \$12,750, Executive Committee Chair \$1,875, Chairman of the Board \$11,250 and Board Meeting Fees \$11,650.
- (3) Reflects earnings by Mr. Shaw under his Consulting Agreement, discussed below, prior to his appointment as Chief Executive Officer in September 2006.
- (4) Reflects payout of earned but unused vacation through the date of Mr. Mooney's date of departure in September 2007 of \$40,561. During 2007, Michael Baker's executive officers did not have employment agreements, except for Michael Baker's former Chief Executive Officer, Mr. Shaw. Michael Baker entered into an Employment Agreement with Mr. Shaw in April 1988, which was supplemented a variety of times during his tenure as Chief Executive Officer. The latest supplement occurred effective September 14, 2006 when Mr. Shaw resumed the full-time position of Chief Executive Officer at an annual salary of \$430,498 after the departure of Mr. Fusilli on September 12, 2006. This salary reflects an increase of \$5,492 from his previous Chief Executive Officer salary of \$425,006 when he retired in April 2001. In addition, the agreement provides for the payment of the costs of health insurance for both Mr. and Mrs. Shaw for life and maintenance of life insurance for Mr. Shaw. This Agreement also provides for a supplemental retirement benefit of \$5,000 per month commencing on expiration of the Agreement until both Mr. and Mrs. Shaw are deceased. The 2006 Supplement suspended payments under Mr. Shaw's Consulting Agreement, discussed below, during the period that he was employed as Michael Baker's Chief Executive Officer, although its term continued to run.

Edgar Filing: BAKER MICHAEL CORP - Form DEF 14A

Mr. Shaw also has a Consulting Agreement, which was amended and restated on April 25, 2001, upon his resignation as Chief Executive Officer, whereby he agreed to perform consulting services for Michael Baker for a two year term. The Consulting Agreement has been extended for a variety of two or one-year periods through April 2009. The Consulting Agreement provides annual compensation equal to 25% of Mr. Shaw's previous salary of \$425,006. In addition, under the Consulting Agreement, Michael Baker covers the costs of health insurance and maintains life insurance for Mr. Shaw. The Consulting Agreement also provides for a supplemental retirement benefit of \$5,000 per

month commencing at the expiration of the consulting term. The supplemental retirement benefit under the Consulting Agreement replaces, and is not in addition to, the supplemental retirement benefit under the Employment Agreement. As noted above, payments under the Consulting Agreement were suspended during the period Mr. Shaw was employed as Michael Baker's Chief Executive Officer, although its term continued to run.

For 2007, the base salary increases resulting from the process described in the Compensation Discussion and Analysis for the other named executive officers ranged from 0 to 15.79% as follows:

Mr. Shaw	0.00%
Mr. Stuver	15.79%
Mr. Mooney	0.00%
Mr. Mallory	10.00%
Mr. McKnight	0.00%
Mr. Whiteford	4.00%

Mr. Stuver's salary was increased by 5.27% in May 2007, and increased by 10% when he assumed new duties in September 2007. Mr. Mallory's salary was increased by 10% when he assumed new duties in October 2007.

Grants of Plan-Based Awards for 2007

As discussed in the Compensation Discussion and Analysis above, the Company did not set an incentive target for the named executive officers for 2007 under the 2007 Incentive Plan. As a result, only discretionary incentive awards were granted to our executive officers under the 2007 Incentive Compensation Plan.

Effective as of October 29, 2007, the Compensation Committee recommended to the Board the termination of the Company's 2003 Long-Term Incentive Compensation Plan. The recommendation to terminate the 2003 Long-Term Incentive Compensation Plan was made after determining the Plan was too complex and as a result did not properly motivate the Company's key employees. As a result, there were no grants made to any named executive officers under the 2003 Long-Term Incentive Compensation Plan during 2007.

Potential Payments on Termination or Change in Control
General

Michael Baker does not generally provide employment or severance agreements to its executive officers. In December 2006, Michael Baker terminated its change of control agreements with its executive officers based on the recommendation of the Chairman of the Board. During 2007, executive officers except for Mr. Shaw are covered by Michael Baker's standard severance policy. Under this policy, the named executive officers would have received the following amounts if termination occurred at December 31, 2007:

Craig O. Stuver	\$ 33,846
William P. Mooney	
Bradley L. Mallory	\$ 15,360
H. James McKnight	\$ 30,370
John D. Whiteford	\$ 62,400

While these are the minimum amounts that the named executive officers would receive under the Company's standard policy, Michael Baker generally negotiates the terms of severance arrangements with its executive officers based on the facts and circumstances of the separation. The following analysis discusses the potential payments due to the previously-named executive officers upon a termination of employment of such officers under the existing employment arrangements and incentive plans entered into by Michael Baker.

Employment Agreement and Consulting Agreement with Mr. Shaw

Under Mr. Shaw's Employment Agreement and Mr. Shaw's Consulting Agreement discussed above, Mr. Shaw is entitled to a supplemental benefit of \$5,000 per month until both he and his spouse are deceased, paid life insurance premiums for himself, and paid medical insurance premiums for himself and his spouse for life. These benefits are payable after his retirement if he is not consulting. If Mr. Shaw had resigned as Chief Executive Officer and did not perform consulting services after his resignation as of December 31, 2007, the estimated value of this benefit is \$962,686.

Short-Term Incentive Plan

No post-termination benefits are available under the 2007 Incentive Compensation Plan for voluntary terminations by an individual. Under this plan any participant whose employment is terminated by Michael Baker involuntarily other than for cause following the end of a plan year will not forfeit such participant's right to any unpaid incentive awards for such plan year. In addition, any participant whose employment is terminated by Michael Baker involuntarily other than for cause after June 30 of a plan year will be entitled to a pro-rated incentive award for the period of employment during such plan year, subject to the other terms and conditions of the plan and the achievement of the applicable performance goals and targets for such period. In the event of any involuntary terminations, participants would be entitled to their discretionary bonus or a proportionate part thereof.

Long-Term Incentive Plan

The only post-termination benefit under the 2003 Long-Term Incentive Plan is for death, disability or retirement. Under the Plan, if during a performance period any participant dies, becomes disabled, or retires at age 65 or older under and pursuant to any retirement plan of Michael Baker, the participant will be entitled to receive a pro-rated incentive award for the portion of the performance period during which such participant was employed, subject to the other terms and conditions of the Plan and the achievement of the applicable performance goals and targets for such period. Because no incentive awards were earned during 2007 under the Plan, no post-termination benefits were available for death, disability or retirement under the Plan.

Board of Directors Compensation

Employee directors receive no compensation for their service on the Board of Directors. Non-employee directors receive compensation as follows. Each director of Michael Baker receives an annual cash retainer equal to \$17,000 for his or her services as director. In addition, each such director is entitled to receive \$1,000 for each Board meeting that they attend in person and \$750 for each Board committee meeting that they attend in person. If a director participates by telephone in a Board meeting or Board committee meeting, then such director is entitled to receive \$100 for each meeting in which they participate. Further, the Chairman of the Board of Directors is entitled to receive an additional annual retainer equal to \$15,000 for his services and \$1,250 for each Board meeting that he attends in person. The chairmen of the Board committees, excluding the Audit Committee Chairman, are entitled to receive an additional annual retainer equal to \$2,500 for services. The Audit Committee Chairman receives an additional annual retainer equal to \$4,500 for services. All directors are reimbursed for their out-of-pocket expenses incurred in connection with attendance at meetings and other activities relating to the Board or its committees.

In addition, non-employee directors participate in the 1996 Nonemployee Directors Stock Incentive Plan, which provides long-term incentive compensation to eligible directors. Under this plan, each member of the Board of Directors who is not an employee on the first business day following the annual meeting of shareholders each year is granted (i) 1,500 restricted shares which will vest after a two-year period commencing on the date of the issuance of such restricted shares, subject to any change of control of Michael Baker (as defined in the plan), upon which all restrictions will lapse and (ii) an option to purchase 2,000 shares of Michael Baker's common stock which is not exercisable until the six-month anniversary of the date of grant, subject to any change of control of Michael Baker (as defined in the plan), upon which such options become immediately and fully exercisable.

The following table discloses compensation received by each non-employee member of Michael Baker's Board of Directors who served as a director during 2007:

RELATED PARTY TRANSACTIONS

Related Party Transaction Approval Policy. It is Michael Baker's policy that the Governance and Nominating Committee review and approve, in advance, all related party transactions that are required to be disclosed pursuant to Item 404 of Regulation S-K promulgated by the Securities and Exchange Commission. If advance approval is not feasible, then the Governance and Nominating Committee must approve or ratify the transaction at the next scheduled meeting of the Governance and Nominating Committee. Transactions required to be disclosed pursuant to Item 404 include any transaction between Michael Baker and any officer, director or certain affiliates of Michael Baker that has a value in excess of \$120,000. In reviewing related party transactions, the Governance and Nominating Committee evaluates all material facts about the transaction, including the nature of the transaction, the benefit provided to Michael Baker, whether the transaction is on commercially reasonable terms that would have been available from an unrelated third party, and any other factors necessary to its determination that the transaction is fair to Michael Baker. Michael Baker's Board has adopted written Related Party Transaction Policies and Procedures, a copy of which is available on Michael Baker's website at <http://www.mbakercorp.com> and is available in print to any stockholder upon request.

In order to facilitate Michael Baker's compliance with certain state regulatory requirements, David J. Greenwood, a registered professional engineer, held a 50% ownership interest in a Pennsylvania partnership, Baker and Associates, which was established for the purpose of practicing professional engineering in those states. Mr. Greenwood received no gain or profit from the partnership or the contracts into which it entered. All profits from such contracts are assigned by the partnership to Michael Baker or a subsidiary.
