PROPOSAL 1

ELECTION OF DIRECTORS

Election of Directors

Section Five of the Company's Amended and Restated Articles of Incorporation provides that the Board of Directors be divided as equally as possible into three classes designated as Class I, Class II and Class III. Generally, the directors in each class are elected to serve staggered three year terms so that the term of office of one class of directors expires at each annual meeting. Currently, the Board of Directors consists of ten members: three directors in Class I with terms expiring in 2010, four directors in Class II with terms expiring in 2008 and three directors in Class III with terms expiring in 2009.

On January 23, 2008, Ralph J. Lober, II was appointed to the Board of Directors in conjunction with his promotion to President and Chief Operating Officer. Mr. Lober was appointed as a Class II director joining David W. Johnson, Laurie L. McClellan and Harry W. Schmuck, Jr. in that class. The terms of office of current Class II directors will expire at the Annual Meeting upon the election of their successors. Additional information concerning the nominees for director, the directors and executive officers of Consumers Bancorp is provided in the following pages.

The common shares represented by the accompanying proxy will be voted **for** the election of the nominees to serve as directors, unless contrary instructions are indicated on the proxy card. The nominees for director receiving the greatest number of **for** votes will be elected as directors. If the election of directors is by cumulative voting, the persons appointed by the accompanying proxy intend to cumulate the votes represented by the proxies they receive and distribute such votes in accordance with their best judgment.

If one or more of the nominees should at the time of the Annual Meeting be unavailable or unable to serve as a director, the common shares represented by the proxies will be voted to elect the remaining nominees and any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve.

The Board of Directors recommends that the shareholders vote **FOR**

the election of the nominees as Class II directors.

All directors attended at least 75% of the total number of Consumers Bancorp Board meetings and meetings held by all committees of the Board on which they served during the 2008 fiscal year. Currently, each member of the Board of Directors of Consumers Bancorp also serves as a member of the Board of Directors of Consumers National Bank. Consumers National Bank held 14 Board of Directors meetings during the 2008 fiscal year, plus two days of Strategic Planning meetings. The Company has determined that all directors, except Mr. Hanna, Ms. McClellan, Mr. Muckley, and Mr. Lober are independent directors under the listing standards of National Association of Securities Dealers, Inc. (NASD) and the additional independence requirements of the Company.

Although the Company does not have a formal policy with respect to Board member attendance at the annual meeting of shareholders, each member is encouraged to attend. All Board members attended the 2007 Annual Meeting of Shareholders.

Consumers Bancorp has an Asset/Liability Committee, Audit Committee, Compensation Committee, Corporate Governance Committee, Executive Committee, Loan Committee and Nominating Committee, each of which serves in dual capacity as a committee of Consumers Bancorp and Consumers National Bank.

During the fiscal year 2008, the Asset/Liability Committee met four times.

The Audit Committee is comprised of Mr. Furey, Mr. Kiko, Mr. Kishman and Mr. Tonti, who serves as chairman. The Board of Directors of Consumers Bancorp adopted a revised Audit Committee Charter in May 2007 which is available on the Company's website www.consumersbancorp.com. The Board of Directors of Consumers Bancorp has determined that each member of the Audit Committee meets the independence standards of Rule 4200 (a) (15) of the NASD and that Mr. Tonti satisfies the requirements of a financial expert, as defined in Rule 4350(d) of the NASD. The Report of the Audit Committee is on page 15 of this Proxy Statement. During fiscal year 2008, the Audit Committee met seven times.

The Loan Committee reviews loan requests and is responsible for approving any exceptions to policy and loans that exceed an individual loan officer's or Internal Loan Committee's lending authority. During the fiscal year 2008, the Loan Committee met 27 times.

The Nominating Committee is comprised of Mr. Kiko, Mr. Kishman, Ms. McClellan and Mr. Johnson, who serves as chairman. The Board of Directors of Consumers Bancorp has determined that Mr. Johnson, Mr. Kiko and Mr. Kishman meet the independence standards of Rule 4200 (a) (15) of the NASD. In addition, the Board of Directors has determined that it is in the best interest of the Company to have Ms. McClellan, who owns or controls more than 20% of the Company's voting securities, serve on the Nominating Committee. During the fiscal year 2008, the Nominating Committee met once.

Under the terms of the Nominating Committee Charter the Nominating Committee is responsible for developing and implementing a process and guidelines for the selection of individuals for nomination to the Board of Directors and considering incumbent directors for nomination for re-election. The Nominating Committee will consider candidates for director who are recommended by shareholders in accordance with the Company's Code of Regulations and the Board Addition/Replacement Procedures found in the Board Supervision Policy. They must be willing to commit their time to Board and committee meetings, keep apprised of banking issues and complete continuing education courses. The Nominating Committee is responsible for the selection of the final slate of nominees for election to the Board of Directors. Those nominees recommended by the Committee are then submitted to the Board of Directors for approval. The Nominating Committee Charter is available on the Company's website www.consumersbancorp.com.

Consumers Bancorp reserves the right to exercise discretionary voting authority on the nomination if a shareholder has failed to submit the nomination by August 1, 2009 or if the candidate does not meet criteria set forth in the Company's Amended and Restated Regulations.

Compensation of Directors

Directors, excluding directors that are employees of Consumers National Bank, are compensated for each meeting of the Consumers National Bank Board of Directors and each committee meeting they attend. Committee meeting attendance compensation was \$100 for the Asset/Liability, Compensation, Corporate Governance, Nominating and Loan Committees, and \$200 for Audit and Executive Committees. Compensation for the Committee Chairman of the Asset/Liability, Compensation, Corporate Governance, Executive, Nominating and the Loan Committees was \$200 per meeting, and the compensation for the Audit Committee Chairman was \$300 per meeting. The Company maintains an annual retainer compensation program, which provides that directors who are not employees of Consumers National Bank are eligible to receive an annual retainer equal to \$2,000, plus \$100 for each year of service on the Board. The aggregate amount paid to non-employee directors for the fiscal year ended June 30, 2008 under these arrangements was \$136,900. The Compensation Committee recommends to the Board the proposed director fees after consideration of information from peer surveys and the Company's performance. The Board is responsible for approving the fees for attending Board meetings and committee meetings. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction and Overview

This Compensation Discussion and Analysis discusses the compensation awarded to, earned by, or paid to the named executive officers whose compensation is detailed in this proxy statement. These named executive officers are the chief executive officer, president and chief operating officer, chief financial officer and the chief information officer. The Board of Directors has delegated to the Compensation Committee responsibility for the oversight and administration of compensation of the Company. The committee reviews and recommends company benefit and incentive plans, as well as, reviewing the individual performance of the chief executive officer and executive management.

Compensation Philosophy and Objectives

The objective of the Company's compensation program is to fairly compensate the executive officers in light of their individual performances and their contributions to the performance of the Company, thereby aligning executives' incentives with shareholder value creation. The compensation philosophy is designed to reward effort and achievement by the officers and provide them with compensation targeted at market competitive levels. The Company's compensation program includes the following core components: base salary, cash incentive, long-term compensation and certain change of control agreements. The Committee manages all three components on an integrated basis to achieve the following objectives: to attract and retain highly qualified management and to provide shorter-term incentive compensation that varies directly with the Company's financial performance. The Company believes that, by setting and adjusting these elements, it has the flexibility to offer appropriate incentives to its executive officers.

Components of Compensation

Base Salary

Base salary is a major factor in attracting and retaining key personnel and therefore is the primary component of executive officer's compensation. In setting an officer's base salary, the Company considers parameters set by its size and complexity and the salaries offered by peers. The Company does not have a formal policy to target compensation at a specific level of market compensation. Executive compensation packages are currently at or above the 50th percentile of peer banks of comparable size. Some of the resources used to compare the compensation offered by peers were Ohio Bankers League Bank Compensation and Benefits Survey and Crowe Chizek Financial Institutions Survey. The Company's performance as measured by its results compared to previous years is also considered in determining the overall adjustments to executive officers' salaries. Specific salaries are adjusted to reflect the contributions of the executive officer to the Company's operations and the accomplishment of its long-term goals. Based on a review of the company's strategic direction, individual career path objectives and succession planning in conjunction with the broad databases and other publicly available information, the Company believes that its executive compensation is in line with its compensation philosophy.

In establishing the Chief Executive Officer's compensation for 2008, the Committee considered the Company's short-term and long-term goals, past compensation practices, comparative peer data and competitive market guidelines for the position. With the restructuring and separation of the Chief Executive Officer / President's position, the Chief Executive Officer's job responsibilities were updated to include an increased emphasis on the expansion of financial services. The Compensation Committee, in conjunction with the Board of Directors, will periodically review compensation of the Chief Executive Officer in relation to performance goals achieved during the 2009 fiscal year.

Incentive Compensation

The Company's quarterly cash incentive compensation was based on the Company's short-term performance as measured by earnings. The quarterly incentive compensation program was effective through December 31, 2007. The quarterly incentive compensation program, contemplated first providing a reasonable return on investment to shareholders and then providing a profit-sharing payment to employees thereafter. A minimum net income target of \$450,000 per quarter had to be achieved before an incentive payment would be made. After reaching the minimum net income target, net income was distributed on a profit-sharing basis with 75% allocated to shareholders, 15% allocated to executive officers and 10% allocated to non-executive employees. Reported net income results for the second quarter of fiscal year 2008 were in excess of the targeted level of performance. The Compensation Committee approved an award for each executive officer based on second quarter of fiscal year 2008 corporate performance.

During the third quarter of fiscal year 2008, the Compensation Committee approved a new annual incentive compensation program that went into effect on a pro-rated basis on January 1, 2008 for the second half of the 2008 fiscal year. All participants are eligible to earn incentive compensation based on corporate financial performance, departmental, and individual goals as determined by each participant's manager. All employees, except seasonal and part-time employees working less than an average of 24 hours per week, are eligible to participate in the annual incentive plan. Positions are classified into various levels according to overall responsibilities within the organization and the impact each position has on the organization's overall financial performance.

For the 2008 fiscal year, the Compensation Committee selected return on equity (ROE) as the corporate performance target for the plan. The targeted ROE for the 2008 fiscal year was 9.50%, with a reduced bonus amount available for payment if the Company achieved at least 95.0% of the ROE target, or 9.025% ROE. Reported ROE results for the 2008 fiscal year exceeded 95.0% of the targeted level of financial performance. Based on these ROE results, the total bonus available company wide was \$50,000.

The table below shows how each plan component for 2008 is weighted when evaluating each of the named executive officers:

	Corporate Performance	Individual/ Departmental Goals
Steven L. Muckley	75.0%	25.0%
Ralph J. Lober, II	75.0%	25.0%
Renee K. Wood	50.0%	50.0%
Paul B. Hugenberg, III	50.0%	50.0%

The total amount of awards for both of these incentive plans for each executive officer is disclosed under the Bonus column of the Summary Compensation Table.

Long-term Compensation

Long-term compensation includes a qualified retirement plan in the form of a 401(k) Plan and a non-qualified Salary Continuation Program. The Company provides safe harbor contributions under the 401(k) Plan, matching up to 100% of the first 4.0% contributed by the employee. The amount contributed on behalf of the executive officers is determined in accordance with the provisions of the plan applicable to all employees. The Salary Continuation Plan is designed to retain executive and senior management personnel. Entrance to the Salary Continuation Plan is limited and is subject to meeting performance criteria, established by the Compensation Committee and approved by the Board of Directors. The Company expects these plans to promote longevity with the Company and discourage turnover among its executive officers and other employees.

The following table sets forth the cash compensation and certain other compensation paid or earned by the Company's Chief Executive Officer, President and Chief Operating Officer, Chief Financial Officer and Chief Information Officer for the fiscal years ended June 30, 2008 and 2007. The individuals listed in this table are sometimes referred to in this proxy statement as the named executive officers.

Change of Control Agreements

The Company recognizes change of control agreements can help it to attract and keep talented executives and can minimize the impact on key executives of a job loss due to a change of control. In the event a transaction that would lead to a change of control is proposed, such agreements can help assure the executives analyze the transaction without undue focus on its effect upon them personally. In addition, if a transaction would occur, change of control agreements can encourage key executives to stay and help accomplish a smooth transition. As a result, the Board believes offering such agreements to certain executives who are important to the Company's operation and would likely lose their jobs as the result of a change of control, is in the best interests of the shareholders of the Company, and it has offered them to selected executive officers of the Company who satisfy this criteria.

DEFINED CONTRIBUTION PLAN

Under the Consumers National Bank 401(k) Savings and Retirement Plan & Trust (401(k) Plan) as in effect during the fiscal year ended June 30, 2008, the Consumers National Bank's Board of Directors has the discretion and authority to determine the amount to be contributed to the 401(k) Plan. The 401(k) Plan is administered by Consumers National Bank. Each participant in the 401(k) Plan has credited to their account a maximum of 4.0% of their annual salary, provided they have voluntarily contributed a like amount. The 401(k) Plan states that each participant shall be fully vested in the 401(k) Plan immediately upon contribution. Benefits under the 401(k) Plan cannot be estimated for the participants because the benefits are based upon future earnings of Consumers National Bank and future compensation of the participants. Part of the funds in the 401(k) Plan is vested in the participants in accordance with the 401(k) Plan. An eligible participant is one who has completed one year of service, works 1,000 hours per year, and has attained the age of 21. At the time of retirement, death, disability or other termination of employment, a participant is eligible to receive a distribution of all vested amounts credited to their account in either a single lump sum payment or a series of substantially equal installment payments over a period not longer than the joint life expectancy of the participant and beneficiary. The trustees of the 401(k) Plan are Steven L. Muckley and Laurie L. McClellan.

SALARY CONTINUATION PROGRAM

In September 1995, the Board of Directors of Consumers National Bank adopted a salary continuation program (Plan) to encourage the long-term retention of Consumers National Bank executives and avoid the cost of executive turnover. Pursuant to the Plan, salary continuation agreements were entered into between Consumers National Bank and certain executives. In 2001, several of the Agreements were amended and restated to reflect changes in the Plan approved by the Board of Directors. In 2008, all of the agreements were amended to comply with Internal Revenue Code Section 409A (Amended Agreements). The Amended Agreements provide such executives (and, in the event of the executive's death, surviving beneficiary) with 180 months of salary continuation payments equal to a certain percentage of an executive's average compensation, as defined within each agreement, using three full calendar years prior to Normal Retirement Age. For purposes of these Amended Agreements, Normal Retirement Age means the executive's 65th birthday. Vesting under the Amended Agreements commences at age 50 and is prorated until age 65. If an executive dies during active service, the executive's beneficiary is entitled to the Normal Retirement Benefit. The executive can become fully vested in the Accrual Balance upon termination of employment following a disability or a change in control of the Bank. For purposes of these Amended Agreements, Accrual Balance means the liability that should be accrued by the Company for the Company's obligation to the executive under the Amended Agreements. For purposes of calculating the Accrual Balance, the discount rate in effect at June 30, 2008 was 6.0%. Mr. Muckley became eligible to participate in the Plan as of August 11, 2004 and entered the plan on March 1, 2005. Mr. Lober became eligible to participate in the Plan as of May 8, 2008 and entered the plan on August 29, 2008.

CHANGE OF CONTROL AGREEMENTS

Change of control agreements (Change of Control Agreements) were entered into with certain executive officers in order to provide severance benefits in the event of their termination of employment following a change of control of Consumers National Bank within five years of the effective date of each agreement.

If within 12 months following a change of control, a termination of employment occurs for any reason other than death, Disability (as defined below), or Cause (as defined below), a participant may receive a lump sum payment based on the agreement schedule in effect at the date of such termination. In addition, the participant shall be entitled to receive Company-paid COBRA premiums, relating to employee's group medical insurance continuation premiums under the Company's group health plan, for a period of 12 months after the date of termination. For purposes of these Change of Control Agreements, a Change of Control means the transfer of shares of the Company's voting common stock during the term such that one entity or one person acquires (or is deemed to acquire when applying Section 318 of the Internal Revenue Code) more than 50 percent of the Company's outstanding voting common stock. The date of the employee's termination shall be the date specified by the Company in a written notice to the employee. The employee shall be considered to have a Disability during the period in which the employee is unable, by reason of a medically determinable physical or mental impairment, to engage in the material and substantial duties of employee's regular employment with the Company, which condition is expected to be permanent. For purposes of these Change of Control Agreements, the term

Cause means, in the reasonable judgment of the President of the Company, (i) the willful and continued failure by the employee to substantially perform the employee's duties with the Company after written notification by the Company, (ii) the willful engaging by the employee in conduct which is demonstrably injurious to the Company, monetarily or otherwise, or (iii) the engaging by the employee in egregious misconduct involving serious moral turpitude. For purposes of these Agreements, no act or failure to act on the employee's part shall be deemed willful unless done, or omitted to be done, by the employee not in good faith and without reasonable belief that such action was in the best interest of the Company.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As of June 30, 2008, if a change of control had occurred and Mr. Muckley was terminated or if Mr. Muckley had become disabled, then Mr. Muckley would have received a payment of \$206,476 under the Salary Continuation Program. If Mr. Muckley was terminated for cause as of June 30, 2008, then Mr. Muckley would not have received a benefit payment under the Salary Continuation Program.

If a change of control had occurred on June 30, 2008 and each named executive officer with a Change of Control Agreement was terminated, then Mr. Lober would have received a termination/severance payment of \$120,000 and the cost of COBRA premiums, assuming no increase after that date, would have been \$15,289. Mr. Hugenberg would have received a termination/severance payment of \$65,563 and the cost of COBRA premiums, assuming no increase after that date, would have been \$8,310. Ms. Wood would have received a termination/severance payment of \$55,053 and no reimbursement for COBRA premiums.
