State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Perfumania Holdings, Inc. (the Company) is unable to file its Annual Report on Form 10-K for the period ended January 31, 2009 within the prescribed time period because the complex calculations required to (i) finalize the valuations required to record the purchase accounting for the reverse acquisition of Model Reorg, Inc., (ii) determine the amount by which the Company's long-lived assets and goodwill have been impaired in the most recent fiscal quarter, (iii) determine the tax effects of both those matters, and (iv) determine whether a valuation reserve against deferred tax assets is required and, if so, the amount, as well as the time required to prepare the required disclosures after accomplishing the foregoing have delayed completion of the Company's financial statements and the Form 10-K.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).  Yes  No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company expects to recognize net revenues of \$425.6 million in fiscal 2008, an increase of 24.9% from the \$340.7 million recorded in the twelve months ended February 2, 2008. Excluding \$144.4 million in sales from Perfumania's retail division that are included in the fiscal 2008 revenue for the period from August 11, 2008 through January 31, 2009, net revenues decreased by \$59.5 million, or 17.5%.

Principally because of the addition of Perfumania's operating expenses for the period from August 11, 2008 through January 31, 2009, the Company expects operating expenses for fiscal 2008, exclusive of the impairment charge described below, to be approximately 115% higher than those for the year ended February 2, 2008. Excluding expenses of Perfumania's retail division, operating expenses were approximately equal to those for the year ended February 2, 2008.

The Company expects to record charges for impairment of long-lived assets and goodwill for the fourth quarter of fiscal 2008 and the full fiscal year. However, the Company has not completed the calculations required to determine the amount of the impairment. The Company does not anticipate any future cash expenditures in connection with these impairment charges.

The Company expects to record a net loss for fiscal 2008, compared with net income of \$13.6 million for the year ended February 2, 2008. However, because the Company has not yet determined the amount of the impairment or whether such a valuation reserve against deferred tax assets is required, it is not able to estimate the final amount of the net loss.

## Edgar Filing: Perfumania Holdings, Inc. - Form NT 10-K
