Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant. Revenue Bonds/HECO \$75 million credit facility

The following is an update to the discussion in Management's Discussion and Analysis of Financial Condition and Results of Operations Electric utility under Liquidity and capital resources, which is incorporated herein by reference to pages 72-75 of HEI's and HECO's Quarterly Report on Form 10-Q for the quarter ended March 31, 2009, and to HEI's and HECO's Current Report on Form 8-K dated July 2, 2009.

1. **Special Purpose Revenue Bond Financing.** In October 2008, HECO, HELCO and MECO filed an application with the PUC for approval of one or more special purpose revenue bond (SPRB) financings under the 2007 legislative authorization (which authorized the issuance by the Department of Budget and Finance of the State of Hawaii (DBF) of SPRBs for up to \$260 million for the benefit of HECO, up to \$115 million for the benefit of HELCO and up to \$25 million for the benefit of MECO). On June 29, 2009, the PUC granted the approvals necessary to permit the electric utilities to borrow the proceeds from the issuance of the SPRBs in the amounts requested. On July 30, 2009, the DBF issued (pursuant to the 2007 legislative authorization), at par, Series 2009 SPRBs in the aggregate principal amount of \$150 million, which bonds are uninsured, with a maturity of July 1, 2039 and a fixed coupon interest rate of 6.50%, and loaned the proceeds to HECO (\$90 million) and HELCO (\$60 million). The \$150 million proceeds are planned to be drawn down promptly to reimburse HECO and HELCO for previously incurred capital expenditures and, in turn, are expected to be used principally to repay their short-term borrowings.
2. **Syndicated credit facility.** Effective December 8, 2008, HECO entered into a 9-month revolving unsecured credit agreement establishing a line of credit facility of \$75 million with a syndicate of four financial institutions (HECO \$75 Million Facility). Under the terms of the HECO \$75 Million Facility, on August 4, 2009, the second business day following receipt of the proceeds of the Series 2009 SPRBs by HECO and HELCO, the HECO \$75 Million Facility will terminate.
