NEWS RELEASE

CF Stockholder Support for Agrium/CF Combination Significantly Greater than Terra Stockholder Support for CF/Terra Combination

November 23, 2009 ALL AMOUNTS ARE STATED IN U.S.\$

CALGARY, Alberta Agrium Inc. (TSX and NYSE: AGU) today reiterated its appreciation for the strong support it received from the stockholders of CF Industries Holdings, Inc. (NYSE: CF) for Agrium's best and final offer to acquire CF, particularly in comparison to the much weaker results CF received in the proxy contest for Terra Holdings Inc. (NYSE: TRA).

Mike Wilson, Agrium's President and CEO, said Agrium is emboldened by the overwhelming support it received from CF stockholders, with 60 percent of CF shares (excluding Agrium's share of CF) tendered to our very clear and unambiguous offer. In comparison, we understand that the votes received by CF's nominees for the Terra board represented the votes of only 38 percent of Terra's outstanding shares, after adjusting for the 7 percent of Terra shares purchased by CF ahead of the vote. Furthermore, the Terra vote was about engagement, while Agrium's tender offer results were a referendum on concluding a defined transaction at a specific price.

We believe that with the benefit of reflection, CF's board should respond appropriately and responsibly to the clear message sent by their stockholders, expressed through the tender offer. Agrium will continue to pursue this compelling transaction which is now worth more than \$102 per share for CF stockholders. We believe as strongly as ever that Agrium and CF would be a great combination. CF has great people and great assets, and a combined CF/Agrium company would be built on the strengths of both companies. We look forward to meeting with CF to conclude a transaction and will continue to reach out directly to CF's management and Board as well as to their financial advisors.

All information in this press release concerning CF, including its business, operations and financial results, was obtained from public sources. While Agrium has no knowledge that any such information is inaccurate or incomplete, Agrium has not had the opportunity to verify any of that information.

Forward-Looking Statements

Certain statements and other information included in this press release constitute forward-looking information within the meaning of applicable Canadian securities legislation or constitute forward-looking statements (together, forward-looking statements). All statements in this press release, other than those relating to historical information or current condition, are forward-looking statements, including, but not limited to, estimates, forecasts and statements as to management's expectations with respect to, among other things, business and financial prospects, financial multiples and accretion estimates, future trends, plans, strategies, objectives and expectations, including with respect to future operations following the proposed acquisition of CF. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such forward-looking statements.

Events or circumstances that could cause actual results to differ materially from those in the forward-looking statements, include, but are not limited to, CF's failure to accept Agrium's proposal and enter into a definitive agreement to effect the transaction, Agrium common shares issued in connection with the proposed acquisition may have a market value lower than expected, the businesses of Agrium and CF, or any other recent business acquisitions, may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected, the expected combination benefits and synergies and costs savings from the Agrium/CF transaction may not be fully realized or not realized within the expected time frame, the possible delay in the completion of the steps required to be taken for the eventual combination of the two companies, the possibility that a regulatory agency may challenge Agrium's proposed acquisition of CF pursuant to competition laws, including the possibility that approvals or clearances required to be obtained from regulatory and other agencies and bodies will not be obtained in a timely manner, disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees and suppliers, general business and economic conditions, interest rates, exchange rates and tax rates, weather conditions, crop prices, the supply, demand and price level for our major products, gas prices and gas availability, operating rates and production costs, domestic fertilizer consumption and any changes in government policy in key agriculture markets, including the application of price controls and tariffs on fertilizers and the availability of subsidies or changes in their amounts, changes in development plans, construction progress, political risks, including civil unrest, actions by armed groups or conflict, governmental and regulatory requirements and actions by governmental authorities, including changes in government policy, changes in environmental, tax and other laws or regulations and the interpretation thereof and other risk factors detailed from time to time in Agrium and CF's reports filed with the SEC.

Agrium disclaims any intention or obligation to update or revise any forward-looking statements in this press release as a result of new information or future events, except as may be required under applicable U.S. federal securities laws or applicable Canadian securities legislation.

These forward-looking statements are based on certain assumptions and analyses made by us in light of our experience and perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. Expected future developments are based, in part, upon assumptions respecting our ability to successfully integrate the businesses of Agrium and CF, or any other recent acquisitions.

All of the forward-looking statements contained herein are qualified by these cautionary statements and by the assumptions that are stated or inherent in such forward-looking statements. Although we believe these assumptions are reasonable, undue reliance should not be placed on these assumptions and such forward-looking statements. The key assumptions that have been made in connection with the forward-looking statements include, but are not limited to, CF's acceptance of Agrium's proposal and the entering into of a definitive agreement to effect the proposed transaction, the market value of Agrium common shares issued in connection with the proposed acquisition, our ability to successfully integrate within expected time frames and costs, and realize the expected combination benefits and synergies and costs savings from, the combination of the businesses of Agrium and CF, or any other recent business acquisitions, and our ability to maintain relationships with customers, employees and suppliers during the course of the proposed transaction.
