Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) The Compensation Committee of the Board of Directors of Echelon Corporation (Echelon) implemented a management bonus plan for 2010, effective March 10, 2010. Under this plan, each manager may receive performance shares under Echelon s 1997 Stock Plan (the Plan), calculated as a dollar amount approved by the Committee, divided by the \$9.18 per share closing price of Echelon s common stock on March 10, 2010. No cash bonus will be issued under the management bonus plan.

Except as described below with respect to M. Kenneth Oshman, the issuance to each manager of the shares of Echelon common stock underlying the performance shares will be subject to the requirement that such manager continues to be employed by Echelon as of March 1, 2011. The issuance to M. Kenneth Oshman of the shares of Echelon common stock underlying the performance shares will be subject to monthly vesting, so that one-twelfth of the performance shares issuable to Mr. Oshman will vest as of the first of each month, commencing April 1, 2010, as long as Mr. Oshman continues to be employed by Echelon as of the applicable monthly vesting date. If the manager is not so employed as of the applicable vesting date, then the performance shares will not vest and will automatically be returned to the Plan.

If each Echelon named executive officer named below meets the continued employment requirement as of the applicable vesting dates, then an aggregate of 62,092 shares of Echelon common stock will be issued to the following named executive officers: M. Kenneth Oshman, 40,850 shares; Oliver R. Stanfield, 9,368 shares; Russell Harris, 5,937 shares and Kathleen B. Bloch, 5,937 shares. The Committee also made a decision to make no changes to the current salaries of each of the foregoing executives. For those executives that participated in the salary reduction implemented as of May 1, 2009, their salaries will remain at the reduced level.
