Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires our directors and executive officers (as defined under Section 16) and any persons holding more than ten percent of a registered class of equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Their initial reports must be filed using Form 3 and they must report subsequent stock purchases, sales, option exercises and other changes using Form 4, which must be filed within two business days of most transactions. In some cases, such as changes in ownership arising from gifts and inheritances, the SEC allows delayed reporting at year-end on Form 5. Officers, directors and persons who beneficially own more than ten percent of a registered class of our equity securities are required by

Edgar Filing: Spansion Inc. - Form 10-K/A

SEC regulations to furnish us with copies of all reports they file pursuant to Section 16(a). We make the services of our legal department available to our officers and directors to assist them in meeting their filing obligations.

Table of Contents

Based solely on our review of these reports and written representations from our directors and executive officers, we believe that during fiscal 2009, each of Spansion’s directors, executive officers and ten percent security-holders complied with all applicable Section 16(a) filing requirements, other than Mr. Furr, who made a late Form 3 filing due to an administrative error by Spansion.

Codes of Business Conduct and Ethics

The Board of Directors has adopted a code of conduct entitled Code of Business Conduct, which applies to all directors and employees and which was designed to help directors and employees resolve ethical and compliance issues encountered in the business environment. The Code of Business Conduct governs matters such as conflicts of interest, compliance with laws, confidentiality of company information, encouraging the reporting of any illegal or unethical behavior, fair dealing and use of company assets. The Board of Directors has also adopted a Code of Ethics for the Chief Executive Officer, the Chief Financial Officer, the Corporate Controller and All Other Senior Finance Executives. The Code of Ethics governs matters such as financial reporting, conflicts of interest and compliance with laws, rules, regulations and Spansion’s policies.

Stockholders can access Spansion’s Principles of Corporate Governance, Code of Business Conduct and Code of Ethics at the Investor Relations page of our website at www.spansion.com or by writing to us at Corporate Secretary, Spansion Inc., 915 DeGuigne Drive, P.O. Box 3453, Sunnyvale, California 94088, or emailing us at Corporate.Secretary@spansion.com. We will provide this information free of charge. Please note that information contained on our website is not incorporated by reference in, or considered to be a part of, this document. We will post on our website any amendment to the Code of Ethics, as well as any waivers of the Code of Ethics, that are required to be disclosed by the rules of the SEC, The NASDAQ Stock Market (Nasdaq) or the New York Stock Exchange (NYSE).

Board of Directors

Our Board of Directors currently consists of five directors and one vacancy, which was created in October 2009, when Mr. Gilles Delfassy resigned from the Board of Directors. Our Certificate of Incorporation provides that the Board of Directors consists of three classes of directors, each serving staggered three-year terms. At each annual meeting of stockholders, directors will be elected for a term of three years to succeed those directors whose terms are expiring.

Our Certificate of Incorporation also provides that the holders of Class A Common Stock, voting together as a separate class, are entitled to vote for all Class A directors. Our Class B, Class C and Class D Common Stock have been retired and no shares are outstanding. Consequently, all of our directors are Class A Directors.

Our Board of Directors is currently composed of the following classes of directors:

Class	Expiration	Member
Class II	2010	Boaz Eitan
		John M. Stich
Class III	2011	John H. Kispert
Class I	2012	David K. Chao
		Donald L. Lucas

Board Leadership Structure

Currently, Mr. Kispert serves as President and Chief Executive Officer and Mr. Lucas, an independent director, serves as Chairman of the Board of Directors. The Board believes that Spansion and its stakeholders are best served at this time by this leadership structure because it is valuable to have strong independent leadership to assist the Board in fulfilling its role of overseeing the management of Spansion and its risk management practices, separate from the CEO. However, the Principles of Corporate Governance permit the roles of the Chairman and the CEO to be filled by the same or different individuals. This provides the Board with flexibility to determine whether the two roles should be combined in the future based on Spansion’s needs and the Board’s assessment of Spansion’s leadership from time to time. The Principles of Corporate Governance provide for a lead independent director if the roles are combined.

Table of Contents

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee consists of Mr. Lucas, as Chair, and Mr. Stich, each of whom was determined by the Board of Directors to be independent in accordance with Nasdaq and NYSE rules. The Nominating and Corporate Governance Committee assists the Board with its oversight responsibilities regarding the identification of qualified candidates to become Board members, the selection of nominees for election as directors at the next Annual Meeting of Stockholders (or special meeting of stockholders at which directors are to be elected), the selection of candidates to fill any vacancies on the Board, the selection of Board members for each committee of the Board, the development and recommendation to the Board of a set of applicable corporate governance guidelines and principles and oversight of the evaluation of the Board. In seeking candidates to determine if they are qualified to become Board members, the Nominating and Corporate Governance Committee looks for the following attributes, which, among others, the Nominating and Corporate Governance Committee deems appropriate: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; experience serving as a director of a privately or publicly held company; experience in our industry and with relevant social policy concerns; ability to make independent analytical inquiries; academic expertise in an area of our operations; and practical and mature business judgment. The Nominating and Corporate Governance Committee has established minimum criteria for evaluating prospective director candidates. In addition, the Nominating and Corporate Governance Committee considers a number of other factors, including whether the prospective director nominee will foster a diversity of skills and experiences and will add to or complement the Board's existing strengths. The Nominating and Corporate Governance Committee will use the same standards to evaluate all director candidates, whether or not the candidates are proposed by stockholders. There has been no material changes to the process by which stockholders can nominate directors for election to the Board.

Audit Committee

The Audit Committee, which has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended, currently consists of Mr. John M. Stich, as Chair, and David K. Chao, each of whom was determined by the Board of Directors to be financially literate and independent as such term is defined for Audit Committee members by Nasdaq and NYSE listing standards. Mr. Delfassy served as a member of the Audit Committee until he resigned from the Board of Directors in October 2009. No current member of the Audit Committee has been designated an audit committee financial expert by the Board of Directors. The Board believes that each of the members of the Audit Committee are financially literate and that at least one of the members of the Audit Committee qualifies as a financial expert, as defined by the rules and regulations of the SEC. However, the Board has elected to defer the formal designation of a financial expert pending the expected reconstitution of the Board of Directors following confirmation of the Plan of Reorganization by the U.S. Bankruptcy Court.

The Audit Committee assists the Board with its oversight responsibilities regarding our accounting and financial reporting processes, the audit of our financial statements, the integrity of our financial statements, our internal accounting and financial controls, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence and the performance of our internal audit function and the independent registered public accounting firm. The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm, which reports directly to the Audit Committee. The Audit Committee meets alone with our financial and legal personnel, our internal auditor and with our independent registered public accounting firm, who have free access to the Audit Committee at any time. The director of our Internal Audit Department reports directly to the Chair of the Audit Committee, confers regularly with our Chief Financial Officer and serves a staff function for the Audit Committee.

ITEM 11. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis presents material information necessary to understand the objectives and policies of our compensation program for executive officers. Throughout this discussion, those individuals named in the Fiscal 2009 Summary Compensation Table beginning on page 17 are referred to as the *Named Executive Officers* and the Compensation Committee of the Board of Directors is referred to as the *Committee*.

Challenges for 2009

Beginning in the third quarter of 2008, Spansion implemented a series of significant cash management measures in response to the severe economic downturn that was occurring. Spansion continued implementing these cash management measures throughout 2009. On March 1, 2009, Spansion Inc. and several of its subsidiaries filed voluntary petitions for relief under Chapter 11 of the United States Bankruptcy Code (the Chapter 11 Cases). The Chapter 11 Cases and the cash management measures have affected the way in which we have compensated employees, including our Named Executive Officers. In January 2009, the Committee approved management's recommendation for Spansion to forego annual merit salary increases and stock awards for fiscal 2009 for all employees, including the Named Executive Officers. In connection with the Chapter 11 Cases, we filed a Plan of Reorganization with the U.S. Bankruptcy Court. On April 16, 2010, the U.S. Bankruptcy Court confirmed the Plan of Reorganization. Under the Plan of Reorganization, all of our existing equity securities, including all shares of our Class A Common Stock and stock option awards to purchase shares of our Class A Common Stock will be cancelled upon our emergence from the Chapter 11 Cases.

In 2009, there were some significant changes in the employment of our Named Executive Officers. In February 2009, Dr. Bertrand F. Cambou, formerly the President and Chief Executive Officer of Spansion, resigned from his position. Following Dr. Cambou's resignation, Dr. Boaz Eitan, who was an Executive Vice President and member of the Board of Directors, briefly served as Interim President until the appointment of Mr. John H. Kispert as our new President and Chief Executive Officer. Dr. Eitan continues to serve as a member of the Board of Directors. In addition, in April 2009, Mr. Dario Sacomani resigned as Executive Vice President and Chief Financial Officer and took a personal leave of absence. Following Mr. Sacomani's resignation in April 2009, Ms. Thora Thoroddsen was appointed as our Interim Chief Financial Officer as a consultant. Ms. Thoroddsen resigned after a two week period due to an ongoing pre-existing business relationship between Ernst & Young LLP, our independent registered public accountants, and Brincko Associates, the consulting firm through which Ms. Thoroddsen was engaged. Ms. Thoroddsen continues to serve as a consultant to Spansion. Upon Ms. Thoroddsen's resignation, Mr. Kispert served as Interim Chief Financial Officer until later in April 2009 when Mr. Nathan M. Sarkisian was appointed as Interim Chief Financial Officer as a consultant. Mr. Sarkisian served until June 2009 when Mr. Randy W. Furr was hired as our new Executive Vice President and Chief Financial Officer. Mr. Sarkisian continues to serve as a consultant to Spansion. All employment-related agreements with the Named Executive Officers are described below.

Roles and Responsibilities

The role of the Committee is to oversee Spansion's compensation strategies and programs for our executive officers, including total compensation for the Named Executive Officers. The role of Spansion's management is to review Spansion's executive compensation programs, policies and governance and make recommendations regarding these matters. Management is responsible for, among other things:

Reviewing the effectiveness of the compensation programs, including competitiveness and alignment with Spansion's objectives;

Recommending changes to compensation programs, as may be required, to ensure achievement of all program objectives; and

Recommending salaries, bonuses and other awards for Named Executive Officers other than the Chief Executive Officer.

The Committee is authorized to engage its own independent advisors to provide advice on matters related to executive compensation and general compensation programs. In August 2008, the Committee engaged Compensia, Inc. (*Compensia*) as its independent compensation consultant to provide data and expertise related to the composition of the group of publicly traded semiconductor industry companies with which we compete

Edgar Filing: Spansion Inc. - Form 10-K/A

for talent (collectively, the Compensation Peer Group). At the Committee's request, Compensia attended the Committee's September 2008 meeting in which the 2009 Compensation Peer Group was determined (the Initial Compensation Peer Group). In April 2009, in light of the Chapter 11 Cases and Spansion's changed business operations, Spansion engaged Watson Wyatt Worldwide, Inc. to provide advice to the Committee and management with regard to, among other things, compensation programs and the composition of a new 2009 Compensation Peer Group (the Final Compensation Peer Group).

Table of Contents

All other analyses related to executive compensation were conducted internally, relying primarily on data from Radford Associates, which provides compensation and benefits data specializing in the high technology sector and Equilar, Inc., which provides executive compensation information based on publicly available information contained in SEC filings. Internal analyses included gathering and analyzing data, and reviewing and advising on principal aspects of executive compensation. Base salaries and bonuses for executive officers were among the items reviewed.

Compensation Program Philosophy and Objectives

Spansion has a market-based, pay for performance compensation philosophy that is designed to both attract and retain talented Named Executive Officers while supporting our business strategy. In line with that philosophy, a significant percentage of the total potential compensation for the Named Executive Officers is performance-based. We do not have a pre-established policy or target for allocating between cash and non-cash or short-term and long-term incentive compensation. Rather, the Committee periodically reviews relevant market data to determine the appropriate components of, and level for, the Named Executive Officers' compensation.

The compensation program for the Named Executive Officers is designed to:

Recognize and reward executives for achieving both company and individual performance objectives in support of Spansion's business strategy;

Provide competitive pay opportunities relative to the Compensation Peer Group;

Align the respective interests of the Named Executive Officers and our stockholders through compensation that varies based on achievement of financial objectives; and

Maintain flexible pay programs that can be modified to respond to changes in competitive trends and Spansion's business strategy and financial position.

We anticipate implementing new compensation programs following Spansion's emergence from the Chapter 11 Cases.

Setting Compensation

Generally, we set compensation for the Named Executive Officers in the same manner used to set compensation for our other executive officers. Details regarding the specific compensation for each of our Named Executive Officers are set forth in the Fiscal 2009 Summary Compensation Table beginning on page 17.

Competitive Market Data

In September 2008, based on the review and recommendations presented by Compensia, and in consultation with Compensia, the Committee reviewed and approved the Initial Compensation Peer Group to be used for benchmarking and for setting executive compensation for fiscal 2009. The Committee considered companies within the semiconductor industry that have revenue, net income, number of employees, market capitalization, location and scope of international operations similar to our corresponding components. The Committee will continue to periodically review and update the Compensation Peer Group, as appropriate.

Based on the cited criteria, including a significant drop in Spansion's market capitalization, ten companies (Altera Corporation; Analog Devices, Inc.; Juniper Networks, Inc.; KLA-Tencor Corporation; Lam Research Corporation; Linear Technology Corporation; Maxim Integrated Products, Inc.; Novellus Systems, Inc.; NVIDIA Corporation; and Xilinx, Inc.) were removed from our 2008 Compensation Peer Group, and seven companies (Conexant Systems, Inc.; Integrated Device Technology, Inc.; Micron Technology, Inc.; RF Micro Devices, Inc.; Skyworks Solutions, Inc.; SMART Modular Technologies, Inc.; and Vishay Intertechnology, Inc.) were added to the group. The Initial Compensation Peer Group established in September 2008 for fiscal 2009 is as follows:

Edgar Filing: Spansion Inc. - Form 10-K/A

Amkor Technology, Inc.	Integrated Device Technology, Inc.	RF Micro Devices, Inc.
Atmel Corporation	LSI Corporation	SanDisk Corporation
Conexant Systems, Inc.	Micron Technology, Inc.	Skyworks Solutions, Inc.
Cypress Semiconductor Corporation	National Semiconductor Corporation	SMART Modular Technologies, Inc.
Fairchild Semiconductor Corporation	ON Semiconductor	Vishay Intertechnology, Inc.

As a result of Spansion's changed business circumstances during the Chapter 11 Cases, in June 2009, the Committee reevaluated the Initial Compensation Peer Group. Taking into consideration advice from Watson Wyatt, Spansion's lower revenue, net income and market capitalization, and Spansion's smaller number of employees and anticipated geographical footprint, seven companies (Amkor Technology, Inc.; Conexant Systems, Inc.; LSI Corporation, ON Semiconductor Corp.; RF Micro Devices, Inc.; SMART Modular Technologies, Inc.; and Vishay Intertechnology, Inc.) were removed from our prior Compensation Peer Group, and four companies (Altera Corporation, International Rectifier Corporation, Intersil Corporation, and Numonyx B.V.) were added to the group. The Committee established the Final Compensation Peer Group as follows:

Altera Corporation	Integrated Device Technology, Inc.	National Semiconductor Corp.
Atmel Corporation	International Rectifier Corporation	Numonyx B.V.
Cypress Semiconductor Corporation	Intersil Corporation	SanDisk Corporation

Market Positioning

Total compensation for the Named Executive Officers, taking into consideration the market data for base salary, bonus and equity awards, has historically been referenced between the 50th and 60th percentiles for compensation paid to similarly situated executives in the Compensation Peer Group. We set these reference points slightly higher than the median compensation of executives in the Compensation Peer Group to better position Spansion to attract and retain highly qualified executive officers. Actual compensation may vary within a reasonable range of these reference points based on additional factors, including current market conditions. As part of our annual compensation review process for 2009, total compensation reference points were adjusted for the Named Executive Officers based on data for the Initial Compensation Peer Group. In the case of Messrs. Nawaz and Eby, reference points were derived using aggregated market data from a group of high technology companies (including the Initial Compensation Peer Group) because insufficient data was available for the Initial Compensation Peer Group. Largely as a result of the significant change to the Initial Compensation Peer Group as compared to the 2008 Compensation Peer Group, the market comparisons for base salary, total cash (calculated as base salary plus bonus) and total direct compensation (calculated as base salary plus bonus plus equity award) were modified for the Named Executive Officers. Base salary reference points were reduced for Dr. Cambou and Messrs. Sacomani, Nawaz and Eby and, in addition, the total direct compensation reference points were reduced for Dr. Cambou and Mr. Sacomani. Total compensation reference points for Messrs. Nawaz and Eby increased, largely based on the use of the aggregated market data from high technology companies and their respective positions and responsibilities at the time of the review. In January 2009, in light of the Chapter 11 Cases and macroeconomic conditions, the Committee approved management's recommendation for Spansion to not implement annual merit salary increases and stock awards for fiscal 2009 for all employees, including the Named Executive Officers. As discussed below under the heading Compensation Review, market data is just one consideration in setting actual compensation for our Named Executive Officers.

Our incentive compensation, including cash and equity, is structured so that when our corporate performance meets or exceeds our established objectives Named Executive Officers have an opportunity to receive incentive compensation equal to or greater than comparable market targets. When our corporate performance does not meet our established objectives, Named Executive Officers receive incentive compensation that is generally below comparable market targets.

For fiscal 2009, total direct compensation for our Named Executive Officers was well below our collective compensation reference points, primarily because below-target short term incentives (if any) were paid and Spansion's stock value declined considerably more than the stock value of our Compensation Peer Group, resulting in below-market long-term incentive compensation.

Performance Evaluations

We generally conduct annual performance evaluations of all Spansion employees, including our Named Executive Officers. As part of the evaluation of Named Executive Officers, we consider a number of performance criteria, including among other things, each Named Executive Officer's ability to:

Meet specific performance objectives;

Set the strategy and direction of his organization, consistent with Spansion's overall objectives; and

Effectively lead his or her organization.

The Chief Executive Officer evaluates the performance of each of the other Named Executive Officers, and presents the evaluations to the Committee for review and approval. The Committee performs an independent evaluation of the Chief Executive Officer's performance. Due in large part to the Chapter 11 Cases and the Committee's decision in January 2009 to not implement annual merit salary increases or grant equity awards for any Spansion employees, including the Named Executive Officers, formal performance evaluations were not conducted for the

Named Executive Officers during fiscal 2009.

Compensation Review

In preparation for decisions regarding compensation actions for each of the Named Executive Officers for the upcoming year, the Committee generally reviews tally sheets that reflect total current compensation, equity awards (vested and unvested) and benefits information. In addition, the Committee considers each Named Executive Officer's performance, contributions, role and responsibilities, leadership abilities, growth potential and compensation relative to peers within Spansion. The Committee also considers the competitive market for comparable executives in the Compensation Peer Group. Following this review, the Committee sets the compensation for the Chief Executive Officer and for the other Named Executive Officers, taking into consideration the Chief Executive Officer's compensation recommendations for each of the other Named Executive Officers.

Table of Contents

2009 Executive Compensation Components

Spansion seeks to achieve the compensation program objectives, as provided in the Compensation Program Philosophy and Objectives section above through five principal compensation components:

Base salary;

Short-term performance-based incentive compensation;

Long-term equity-based incentive compensation;

Change of control agreements; and

Benefits and perquisites.

Spansion's total rewards program was modified significantly in 2009 to address changes in the economy and business operations, including the Chapter 11 Cases. Some highlights of these changes are as follows:

Reduced base salaries for the Named Executive Officers in October 2008, some of which were reinstated in February 2009 and later reduced in October 2009;

Eliminated the U.S. executive car allowance and financial planning perquisites in February 2009;

Suspended the 401(k) match for all eligible employees, including the Named Executive Officers, in February 2009;

Canceled broad-based short-term performance-based incentive plan payments for all employees for 2009;

Canceled broad-based merit salary increases and annual stock awards in 2009; and

Implemented a Key Employee Incentive Plan (KEIP) for eight key employees, including Messrs. Furr, Eby, Nawaz and Manocha, to maximize the prospects for a successful conclusion to the Chapter 11 Cases.

The details of Spansion's practices with respect to each of the components of the total rewards program, including the modifications highlighted above, are set forth below.

Base Salary

Spansion provides base salaries to compensate Named Executive Officers for services performed during the fiscal year. Each executive officer's salary is intended to reflect the individual's job responsibilities and value to Spansion in terms of expertise and performance, taking into account competitive market data and internal pay relationships. For our Named Executive Officers, generally, base salaries were targeted at the 60th percentile of base salaries paid to similarly situated individuals in the Compensation Peer Group.

Edgar Filing: Spansion Inc. - Form 10-K/A

Base salaries for the Named Executive Officers are evaluated on an annual basis using the criteria described above. Following cost-cutting measures taken in October 2008, annual base salaries were reduced for each of the then-active Named Executive Officers (Messrs. Cambou, Eitan, Sacomani, Manocha, Eby and Nawaz). The base salary for the CEO was reduced by twenty percent, while base salaries for the other Named Executive Officers (and other executive officers) were reduced by ten percent. There was no corresponding reduction in work for the Named Executive Officers. None of our Named Executive Officers were eligible for annual merit salary increases during 2009.

Effective February 9, 2009, the Board of Directors approved an employee retention program that provided for, among other things, the reinstatement of full salary for the Named Executive Officers (other than the Chief Executive Officer) and certain other key employees. The purpose of the employee retention program was to provide an incentive for the Named Executive Officers and certain other key employees to remain employed with us during the reorganization in 2009. On October 8, 2009, following a review of updated market data from the Final Compensation Peer Group, the Committee approved a proposal made by Spansion's President and Chief Executive Officer to implement a ten percent reduction in the base salary of the President and Chief Executive Officer and certain of the other currently employed Named Executive Officers effective as of October 19, 2009. Messrs. Kispert, Nawaz, Eby and Manocha each received a ten percent base salary reduction. Mr. Furr did not receive a ten percent reduction in his base salary because he had recently joined Spansion, and Ms. Thoroddsen and Mr. Sarkisian did not receive reductions in their respective salaries because they were engaged by Spansion through consulting arrangements. Mr. Sacomani did not receive a reduction in base salary because of his personal leave agreement. The annualized base salaries as of the end of fiscal 2008, February 9, 2009 and October 19, 2009 for each of our Named Executive Officers, if employed by Spansion on those dates, are as follows:

Ajit Manocha	\$ 382,500	\$ 425,000	\$ 382,500

- (1) Ms. Thoroddsen and Mr. Sarkisian are not included in this table because they were paid under consulting agreements.
- (2) Dr. Eitan's salary was reinstated effective February 25, 2009. The amounts reflect Israel shekels converted to U.S. dollars at an exchange rate of 3.793 shekels per dollar as of December 27, 2009.

Short-Term Performance-Based Incentive Compensation

Historically, the Named Executive Officers had an opportunity to earn annual cash awards under a short-term performance-based incentive compensation plan (the STIP) designed to compensate them for the achievement of pre-determined annual corporate objectives and individual objectives that correlate closely with the corporate objectives. The STIP was canceled for 2009. However, in July 2009 the Committee recommended and the U.S. Bankruptcy Court approved an interim incentive plan for key employees to maximize the prospect for a successful conclusion to the Chapter 11 Cases. The Key Employee Incentive Plan (KEIP) provides an incentive for eight key executives, including four Named Executive Officers (Messrs. Furr, Eby, Nawaz and Manocha), for the achievement of specific cash and profit metrics related to our emergence from the Chapter 11 Cases. The objectives for each metric were set at performance levels that we believed would be very difficult to achieve and were approved by Spansion's creditors. The KEIP performance metrics are as follows:

Milestone 1 (measured October 1, 2009 for the prior two fiscal quarters):

Achieve a minimum corporate cash balance of \$176 million; and

Achieve minimum adjusted EBITDA of \$99 million.

Milestone 2 (measured April 1, 2010 for the four prior fiscal quarters):

Achieve minimum adjusted EBITDA of \$212 million.

For KEIP purposes, adjusted EBITDA represents earnings before interest, taxes, depreciation and amortization, adjusted for (i) any cost identified as bankruptcy or restructuring related including asset impairment, (ii) payments, expenses and settlement costs related to Spansion's Japanese subsidiaries, and (iii) expenses or credits recorded on unconventional line items in GAAP Operating Income due to unforeseen accounting situations.

The total KEIP award opportunity for our eligible Named Executive Officers was 70 percent of their June 30, 2009 annual base salary, with a maximum opportunity of 100 percent of base salary. Because Mr. Furr was not an employee of Spansion for the entire period, his opportunity was calculated using 75 percent of his annual base salary. Actual awards were determined as follows:

Milestone 1: Payment of 17.5 percent of base salary would be made for each of the two metrics assuming the minimum level of performance was achieved, for a total award opportunity of 35 percent of base salary for Milestone 1. No award would be paid for a

Edgar Filing: Spansion Inc. - Form 10-K/A

metric if achievement for that metric was below the minimum objective. No additional amount would be paid if the metrics were exceeded. Payment would be made as soon as possible following the close of the quarter and assessment of Spansion's performance.

Milestone 2: Payment of 35 percent of base salary would be made if the minimum performance is achieved. For EBITDA performance between \$212 million and \$265 million, an upside award of up to 30% of salary would be earned with the amount of additional award earned calculated using straight line interpolation. Payment would be made on the later of April 1, 2010 or 30 days following confirmation of the Plan of Reorganization.

No awards would be paid if Spansion did not achieve the minimum performance objectives for at least one of the metrics. Spansion exceeded the minimum performance objectives for Milestone 1, achieving a cash balance of \$264 million and adjusted EBITDA of \$126 million at October 1, 2009. The eligible Named Executive Officers were paid 35 percent of their respective annual base salaries on October 30, 2009. Performance against the objectives for Milestone 2 are currently being assessed. We expect to achieve between target and maximum adjusted EBITDA, which would result in a payment between 35 and 65 percent of each eligible Named Executive Officer's annual base salary. Since the Plan of Reorganization was confirmed by the U.S. Bankruptcy Court on April 16, 2010, we expect payment to be made to the Named Executive Officers on or about May 16, 2010.

Table of Contents

The table below describes for each eligible Named Executive Officer the target percentage of base salary, target amount attainable, award amount and award as a percent of base salary for that portion of the KEIP that was earned in fiscal 2009 for Milestone 1:

Named Executive Officer	Target Percent of Base Salary	Target Award Amount	Award as Percent of Base Salary	Actual Award Amount
Randy W. Furr ⁽¹⁾	35%	\$ 115,500	35%	\$ 115,500
Ahmed Nawaz	35%	\$ 159,163	35%	\$ 159,163
Thomas T. Eby	35%	\$ 154,120	35%	\$ 154,120
Ajit Manocha	35%	\$ 148,750	35%	\$ 148,750

(1) Mr. Furr's base salary, for purposes of the award calculation was 75 percent of his annual base salary.

The table below describes for each eligible Named Executive Officer the target percentage of base salary, target amount attainable, maximum award amount and maximum award as a percent of base salary for that portion of the KEIP for Milestone 2:

Named Executive Officer	Target Percent of Base Salary	Target Award Amount	Maximum Percent of Base Salary	Maximum Award Amount
Randy W. Furr ⁽¹⁾	35%	\$ 115,500	65%	\$ 214,500
Ahmed Nawaz	35%	\$ 159,163	65%	\$ 295,588
Thomas T. Eby	35%	\$ 154,120	65%	\$ 286,223
Ajit Manocha ⁽²⁾	N/A	N/A	N/A	N/A

(1) Mr. Furr's base salary, for purposes of the award calculation was 75 percent of his annual base salary.

(2) Mr. Manocha is ineligible for payment based upon achievement of Milestone 2 because he has resigned from his employment with Spansion effective February 28, 2010.

The amounts of the KEIP awards for fiscal 2009 for Named Executive Officers are presented in the Non-Equity Incentive Plan Compensation column of the Fiscal 2009 Summary Compensation Table on page 17.

Long-Term Equity-Based Incentive Compensation

A fundamental tenet of our compensation philosophy has been that equity participation by the Named Executive Officers creates a vital long-term partnership between the Named Executive Officers and our stockholders. We believe that equity-based compensation promotes equity ownership among the Named Executive Officers, drives performance toward the achievement of long-term stockholder value, provides balance to the awards provided under the STIP, and helps to promote the retention of the officers through vesting contingencies. One of our stockholder-approved equity plans is our long-term incentive plan (the LTIP), and it is designed to align the interests of the Named Executive Officers over a multi-year period directly with the interests of stockholders. As a result of the Chapter 11 Cases, the Committee did not grant equity awards to any employees, including the Named Executive Officers, in fiscal 2009. Under the Plan of Reorganization, all of our existing equity securities, including all shares of our Class A Common Stock and stock option awards to purchase shares of our Class A Common stock will be cancelled upon our emergence from the Chapter 11 Cases.

Agreements with Executive Officers

John H. Kispert. On February 2, 2009, the Board appointed Mr. Kispert as our President and Chief Executive Officer. In addition, the Board appointed Mr. Kispert to serve as a Class III member of the Board of Directors (as a Class A director). On February 12, 2009, we entered into an employment offer letter (the Offer Letter) with Mr. Kispert, pursuant to which he is entitled to compensation of \$75,000 per month. We paid Mr. Kispert a nonrefundable advance of four months' salary. In addition, Mr. Kispert is entitled to a bonus of \$1.75 million upon the first to occur of either of the following transactions (each a Transaction):

A merger or consolidation of Spansion with any other corporation which constitutes a change in ownership of the securities of Spansion representing more than fifty percent (50%) of the total voting power represented by Spansion's then outstanding securities, other than a merger or consolidation which would result in holders of our pre-transaction debts generally holding at least fifty percent (50%) of the total voting power represented by the voting securities of Spansion or such surviving entity outstanding immediately after such merger or consolidation; or

The sale, lease or other disposition by Spansion of all or substantially all of our assets, which occurs on the date that any one person, or more than one person acting as a group, acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from us that have a total gross fair market value equal to or more than eighty-five percent (85%) of the total fair market value of all of our assets immediately prior to such acquisition or acquisitions; provided, however, that the payment of such bonus is subject to certain additional conditions as set forth in the Offer Letter.

On July 9, 2009, the Board of Directors approved an amendment (the Amendment) to the Offer Letter. Under the Amendment, Mr. Kispert is entitled to a bonus in the amount of \$1.75 million upon either Spansion's successful closing of a Transaction or the U.S. Bankruptcy Court's confirmation of the Plan of Reorganization (which occurred on April 16, 2010), provided that such Transaction or Plan of Reorganization confirmation occurs on or prior to March 31, 2010. We filed a motion with the U. S. Bankruptcy Court seeking to extend the March 31, 2010 date to May 31, 2010 in order to pay the bonus to Mr. Kispert.

On October 8, 2009, the Committee approved a proposal made by Mr. Kispert to implement a ten percent reduction in the base salary of Mr. Kispert and other executives, including the Named Executive Officers, effective October 19, 2009.

Mr. Kispert also (i) receives comprehensive benefits, including medical, dental, life and disability coverage; and (ii) may participate in our 401(k) retirement savings plan and executive deferred compensation plan as long as such plans remain generally available to Spansion.

Boaz Eitan. On March 18, 2008, in connection with our acquisition of Saifun Semiconductors Limited (Saifun), the Board of Directors appointed Dr. Boaz Eitan as a member of the Board effective as of the closing of the acquisition. Dr. Eitan has served as a Class II director since that time. We also entered into a Noncompetition and Retention Agreement with Dr. Eitan whereby he received an annual gross salary equal to the Israeli shekel equivalent of \$260,000 (as determined according to the representative rate of exchange published by the Bank of Israel). In addition, Dr Eitan was eligible for an annual performance bonus and one time retention bonus if he remained employed by Spansion at the one year anniversary of the closing of the Saifun acquisition. Dr. Eitan remained employed by Spansion at the one year anniversary of the Saifun acquisition closing but did not receive the retention bonus due to the commencement of the Chapter 11 Cases. The Noncompetition and Retention Agreement also contains a two-year non-competition provision and a two-year non-solicitation provision. Dr. Eitan did not receive any additional compensation for his service as Interim President in February 2009. Dr. Eitan resigned from his employment with Spansion in March 2009.

Bertrand F. Cambou. On January 30, 2009, Dr. Bertrand Cambou resigned as our President and Chief Executive Officer and as a member of our Board of Directors, effective as of February 2, 2009. On February 4, 2009, we entered into a Separation Agreement and Release with Dr. Cambou, pursuant to which Dr. Cambou received a severance package that includes a lump-sum payment equal to one year of Dr. Cambou's base salary of \$751,274.94, plus we reimbursed out-of-pocket expenses incurred by Dr. Cambou in connection with the preparation of his 2008 tax returns. Pursuant to the Separation Agreement and Release, Dr. Cambou released any and all claims against us and his rights under the change of control and severance agreement we entered into with him were terminated. Under a separate Consulting Agreement, Dr. Cambou agreed to provide transition services to us on a consultant basis for a four month period or less, at a monthly rate equal to 50 percent of his monthly base salary. The Consulting Agreement was rejected by the U.S. Bankruptcy Court in connection with the Chapter 11 Cases. Therefore, Dr. Cambou did not provide any consulting services or receive any payments under the Consulting Agreement.

Dario Sacomani. On April 10, 2009, we entered into a Personal Leave Agreement and Release with Mr. Sacomani (the Leave Agreement). Under the terms of the Leave Agreement, Mr. Sacomani resigned as Executive Vice President and Chief Financial Officer of Spansion, effective immediately, but remained a part-time employee for a transition period of up to nine months. Mr. Sacomani also agreed to provide transition services during his leave. Mr. Sacomani continued to receive his current base salary and health insurance benefits through the transition period, as well as up to \$7,500 in relocation expenses. Mr. Sacomani's rights under the change of control and severance agreement we entered into with him were terminated upon his execution of the Leave Agreement. Mr. Sacomani's Leave Agreement terminated in January 2010.

Thora Thoroddsen. On February 26, 2009, we entered into a Services Agreement (the Services Agreement) with Brincko Associates, John P. Brincko and Ms. Thoroddsen, pursuant to which we pay Brincko Associates \$60,000 a month for Ms. Thoroddsen's services in connection with our Chapter 11 Cases and related restructuring efforts, as well as reimbursement for expenses reasonably incurred by Ms. Thoroddsen. In addition, the Services Agreement provides that we indemnify Ms. Thoroddsen for her acts during the term of the Services Agreement. On April 10, 2009, the Board of Directors appointed Ms. Thoroddsen as Spansion's Interim Chief Financial Officer. Ms. Thoroddsen previously held several senior finance positions and holds a bachelor's degree in business, with emphasis in accounting and auditing; master's degree in economics, with emphasis in econometrics and statistics; and master's degree in business administration, with emphasis in finance. On April 24, 2009, Ms. Thoroddsen resigned as Interim Chief Financial Officer as a result of an ongoing pre-existing business relationship between Ernst & Young LLP, Spansion's independent registered public accountants, and Brincko Associates, the firm through which Ms. Thoroddsen is engaged. Ms. Thoroddsen continues to provide consulting services to us relating to our restructuring.

Nathan M. Sarkisian. On April 30, 2009, in connection with Mr. Sarkisian's appointment as Interim Chief Financial Officer on April 29, 2009, we executed a consulting agreement (the "Agreement") with Mr. Sarkisian, effective May 20, 2009. Mr. Sarkisian has over 20 years of experience in senior finance positions, and spent 11 years as chief financial officer at a large publicly-traded semiconductor company. Before that, Mr. Sarkisian held various management and finance positions at high technology companies. Mr. Sarkisian holds a bachelor's degree in economics and a master's degree in business administration. Under the Agreement, we pay Mr. Sarkisian a monthly fee of \$40,000, plus reimbursement of out of pocket expenses for required travel and other necessary business expenses in accordance with our reimbursement policies. The Agreement is terminable by either party upon written notice. We also executed an indemnification agreement with Mr. Sarkisian in the form provided to Spansion's executive officers, pursuant to which we provide Mr. Sarkisian with customary indemnification rights. Mr. Sarkisian served as Spansion's Interim Chief Financial Officer from May 20, 2009 until the appointment of Mr. Furr (discussed below) and continues to provide consulting services to us relating to our restructuring.

Randy W. Furr. On June 4, 2009, we entered into an employment offer letter (the "Offer Letter") with Mr. Furr in connection with his appointment as Spansion's Executive Vice President and Chief Financial Officer, effective as of June 29, 2009. Pursuant to the Offer Letter, Mr. Furr is entitled to compensation of \$36,667 per month. Mr. Furr may also (i) receive comprehensive benefits, including medical, dental, life and disability coverage; (ii) participate in Spansion's 401(k) retirement savings plan; and (iii) participate in any executive incentive plan that we adopt. Mr. Furr's target bonus opportunity in any executive incentive plan that is adopted will be 70 percent of his annual base salary, with a maximum award of 100 percent of base salary. The Offer Letter also provides that subject to approval of the U.S. Bankruptcy Court and certain other conditions, Mr. Furr will receive a change of control agreement pursuant to which he could receive (i) a lump sum payment of up to 24 months of his salary, (ii) up to 24 months of continued health coverage, and (iii) 100 percent accelerated vesting of any of Spansion's equity that he holds, if within 12 months following a change of control of Spansion, Spansion terminates his employment without cause, or if he terminates his employment for good reason. In addition, if Spansion terminates Mr. Furr's employment without cause or Mr. Furr terminates his employment with good reason, in either case more than six months after Mr. Furr's employment commences but either prior to a change of control or more than 12 months after a change of control, in exchange for a general release of claims against us, Mr. Furr will receive (i) a lump sum payment of 12 months of his base salary and 12 months of continued health coverage if the termination occurs after he has been employed by Spansion for six months but before he reaches the 24 month anniversary of his employment with Spansion; or (ii) a lump sum payment of 24 months of his base salary and 24 months of continued health coverage if the termination occurs after the 24 month anniversary of his employment with Spansion. We expect these severance and change of control provisions will become effective upon the effectiveness of our Plan of Reorganization.

Change of Control Agreements

The Committee recognizes that from time to time Spansion may consider potential transactions that could result in a change of control of the ownership and management of Spansion. Therefore, the Committee determined that it is in the best interests of Spansion and its stockholders to provide the Named Executive Officers with an incentive in the form of certain benefits to maintain their focus and dedication to Spansion notwithstanding a possible transaction that could result in a change of control. In 2005, the Committee consulted with Hewitt Associates regarding the type and level of benefits that similarly situated companies, including those in the Compensation Peer Group, provide for their key employees. Hewitt advised the Committee based on pertinent market data, including Institutional Shareholder Services (currently known as RiskMetrics Group) recommendations. Based largely on Hewitt's advice, the Committee approved a form of change of control severance agreement (the "Former Agreements") that provided an incentive to the Named Executive Officers for their continued service up to and after a change of control. We entered into the Former Agreements with our then-current Named Executive Officers, and new Named Executive Officers. The Former Agreements were amended in 2007 and terminated effective November 2009.

Also in 2007, the Committee approved a new form of change of control severance agreement (the "Agreement") eliminating certain benefits included in the Former Agreements. Under the terms of the Agreement, the executive officer would receive, subject to certain conditions, the following benefits in the event of a change of control and termination of employment:

A lump sum separation payment;

Acceleration of invested equity;

Reimbursement for premium payments for medical and dental COBRA continuation coverage for a limited time; and

Edgar Filing: Spansion Inc. - Form 10-K/A

In certain cases, tax-related benefits.

We have entered into the Agreement with Mr. Nawaz. Under the Agreement, Mr. Nawaz will receive a lump sum separation payment and tax-related benefit. The base salary portion of the lump sum separation payment for Mr. Nawaz is two times the aggregate of (i) his base salary and (ii) his target bonus opportunity under the STIP. The Agreement does not provide for the reimbursement for excise tax. The terms of our change of control severance agreements may be amended or nullified, completely or in part as a result of the Chapter 11 Cases. As of the end of fiscal 2009, only Mr. Nawaz was eligible for change of control severance benefits. As indicated above, Mr. Furr's severance and change of control benefits will become effective upon the effectiveness of our Plan of Reorganization.

Benefits and Perquisites

Retirement Savings Plan. The Spansion Retirement Savings Plan (the 401(k) Plan) is a tax-qualified 401(k) plan to which all U.S. employees may contribute on a before-tax basis up to the lesser of 89 percent of eligible pay or the contribution limit prescribed by the Internal Revenue Code. Spansion contributes to each employee's 401(k) account \$0.50 on each \$1 of pay deferred by employees under the 401(k) Plan. Spansion's contributions are capped at three percent of the employee's pay. All contributions to the 401(k) Plan, including Spansion's matching contributions, are fully vested at the time the contribution is made. In February 2009, Spansion determined that it was in the best interest of the shareholders to suspend the Spansion matching contribution to each employee's 401(k) account.

Executive Deferred Compensation Program. The Named Executive Officers, as well as our other U.S. executives, were eligible to participate in the Spansion Executive Deferred Compensation (EDC) Plan, which we put in place to mitigate the impact of the Named Executive Officers and other highly compensated employees being unable to make the maximum contribution permitted under the 401(k) plan due to certain limitations imposed by the Internal Revenue Code. For a detailed description of the EDC Plan, please refer to the discussion in the Nonqualified Deferred Compensation for Fiscal 2009 section, below. None of the Named Executive Officers participated in the EDC Plan in 2009. The EDC Plan was terminated in April 2010.

Life and Long-Term Disability Insurance. We provide the Named Executive Officers who are employed in the U.S. with life insurance such that the executive officer's beneficiary will receive a death benefit of up to three times the executive's annual salary, to a maximum of \$3 million. In addition, the Named Executive Officers are eligible to participate in our Executive Long-Term Disability Plan, which pays up to \$20,000 a month if an executive is unable to work due to a disability.

Other Health and Welfare Benefits, Perquisites and Termination Provisions. Spansion offers health and welfare benefits, in accordance with applicable local regulations and competitive practice, to employees in all of the countries in which we operate. During fiscal 2009, the Named Executive Officers were eligible to participate in those plans offered in their respective work locations. We also provided the Named Executive Officers with a monthly automobile allowance and company-paid financial counseling benefits. The automobile allowance and financial counseling benefits were canceled in February 2009, following a review of competitive practices and affordability. No adjustments to salary were made as a result of the elimination of these plans. We may offer relocation benefits to employees when their job requires relocation. In the event that an executive officer voluntarily terminates his or her employment, additional benefits may be provided based on the circumstances of the termination as discussed on page 21 under Potential Payments upon Termination, a Change of Control or Other Event. Named Executive Officers who are terminating may be required to repay to Spansion a portion of any relocation benefits, sign-on bonus or retention bonus, depending on the terms of their agreement with Spansion.

Potential Payments upon Termination, a Change of Control or Other Event

Following is a general discussion of the compensation available to our Named Executive Officers in the event an executive's employment terminates. The actual payments can be determined only at the time of the executive's separation from Spansion, as illustrated by the tables that follow.

Termination for Any Reason

When employment terminates for any reason, each Named Executive Officer is entitled to receive compensation earned during the time the executive was employed. Such compensation includes:

Compensation earned during the fiscal year;

Vested equity awards issued under any Spansion equity plan pursuant to the applicable terms and conditions of each award;

Amounts deferred under the EDC Plan;

Benefits accrued under Spansion's Retirement Savings Plan; and

Accrued unused vacation pay for which they were eligible under the terms of our bankruptcy proceedings.

Termination Due to Death

Edgar Filing: Spansion Inc. - Form 10-K/A

In the event employment termination is due to death, in addition to compensation listed above under Termination for Any Reason, each Named Executive Officer's beneficiary receives all or a pro-rata portion of the payment he or she would otherwise have been entitled to receive under the STIP, as long as the Named Executive Officer was an active participant in the STIP for at least six months of the plan year, and life insurance benefits, and if eligible, a survivor income benefit. In addition, if the executive has at least 15 years of service, all equity awards that would have vested any time during the calendar year in which the death occurred are accelerated to vest on the executive's employment termination date. Some awards also require the executive to be at least 50 years of age. The STIP provision was not applicable for fiscal 2009.

Termination Due to Disability

In the event employment termination is due to a disability, in addition to compensation listed above under Termination for Any Reason, each Named Executive Officer is eligible to receive benefits under the Spansion disability plans in which he or she participated at the time of the termination; and if the executive has at least 15 years of service, all equity awards that would have vested any time during the calendar year in which the disability occurred are accelerated to vest on the executive's employment termination date. Some awards also require the executive to be at least 50 years of age.

Table of Contents

Involuntary Termination in Connection with a Reduction in Force

In the event employment termination is involuntary due to a reduction in force, in addition to any compensation due under Termination for Any Reason listed above, each Named Executive Officer receives a lump sum severance payment equivalent to two months of COBRA medical insurance premiums (grossed up to cover taxes).

Termination in Connection With a Change of Control

Only Mr. Nawaz was eligible for severance payments in the event of a change of control as of fiscal year end. In October 2007, we entered into a change of control severance agreement (Agreement) with Mr. Nawaz. Under the terms of the Agreement, Mr. Nawaz would receive, subject to certain conditions, the following benefits in the event of a change of control and termination of employment:

A lump sum separation payment of two times the aggregate of his base salary and his target bonus opportunity;

Acceleration of unvested equity;

Reimbursement for premium payments for medical and dental COBRA continuation coverage for a limited time; and

In certain cases, tax-related benefits.

The Agreement with Mr. Nawaz was terminated in April 2010 in connection with the Chapter 11 Cases.

The following tables show the potential payments that would have been made to each of the Named Executive Officers if their employment with us had terminated as of December 27, 2009 and they were otherwise active Spansion employees on that date.

Mitigation of Risk Relating to Compensation

Spansion has reviewed its compensation plans, practices and policies and has determined that it does not have any such plans, practices or policies that create risks that are reasonably likely to have a material adverse effect on Spansion.

Tax and Accounting Implications Associated with Compensation

\$1 Million Deduction Limit. Section 162(m) of the Internal Revenue Code generally limits a tax deduction to public corporations for certain executive compensation in excess of \$1 million per fiscal year. Certain types of compensation are deductible only if performance criteria are approved by stockholders. The Committee will endeavor to structure compensation plans to achieve maximum deductibility under Section 162(m) with minimal sacrifices in flexibility and corporate objectives. While the Committee will consider deductibility under Section 162(m) with respect to future compensation arrangements with Named Executive Officers, deductibility will not be the sole factor used in ascertaining appropriate levels or modes of compensation. Since corporate objectives may not always be consistent with the requirements for full deductibility, certain compensation paid by Spansion in the future may not be fully deductible under Section 162(m). For 2009, all elements of compensation paid to the Named Executive Officers were fully deductible by Spansion.

Accounting for Equity-Based Compensation. Beginning on December 26, 2005, Spansion began accounting for equity-based awards in accordance with the requirements of FASB Statement 123(R) Share-Based Payment, which has been codified as ASC Topic 718.

Compensation Committee Interlocks and Insider Participation

The individuals who served as members of the Compensation Committee during fiscal 2009 were Messrs. Lucas, Stich and Delfassy (until his resignation from the Board in October 2009). No member of the Compensation Committee was at any time during fiscal 2009 or at any other time an officer or employee of Spansion, and no member had any relationship with Spansion requiring disclosure under Item 404 of Regulation S-K. None of our executive officers has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of the Board of Directors or the Compensation Committee during fiscal 2009.

Director Compensation

Spansion uses a combination of cash and equity-based incentive compensation to attract and retain qualified candidates to serve on the Board of Directors. Our independent director compensation is determined by the Board of Directors acting upon the recommendation of the Compensation Committee. In setting director compensation, our Board of Directors considers, among other things, the significant amount of time that directors spend in fulfilling their duties, the skill-level required by directors and competitive market data. Directors who are also employees of Spansion, or who are otherwise determined to not be independent, receive no additional compensation for service as a director. We reimburse our directors for travel, lodging and related expenses they incur in attending Board of Directors and Board committee meetings.

Cash Compensation

In fiscal 2009, our independent directors received fees for their services as set forth in the table below. These amounts reflect a retainer and meeting fee reduction of 10 percent approved by the Board of Directors in October 2008. This reduction was in alignment with the base salary reduction taken by all exempt employees as part of our efforts to preserve cash. The reduction was applied to payments made for the fourth quarter of 2008 and fiscal 2009, and will remain in effect until the Board takes action to lift the reduction. All annual cash compensation is paid in quarterly installments.

- (1) All independent directors, including directors serving as Chairperson, receive this annual retainer.
- (2) If in any calendar year an independent director is required to and does attend (i) more than eight meetings of our Board of Directors, such director will receive \$1,800 for each Board meeting attended in excess of eight, or (ii) more than 12 meetings of a specific Board committee on which he or she serves, such director will receive \$1,800 per such Board committee meeting in excess of 12.

Table of Contents*Equity-Based Incentive Compensation*

Each independent director received an initial stock option award exercisable for 20,000 shares of our Class A Common Stock and an initial restricted stock unit award of 20,000 units that convert upon vesting into 20,000 shares of our Class A Common Stock. These awards were made at the time of our initial public offering of our Class A Common Stock in December 2005 or, if later, upon the director's appointment to our Board of Directors. In addition, an independent director who serves as Chairperson of the Board received an additional initial restricted stock unit award of 10,000 units that convert upon vesting into 10,000 shares of our Class A Common Stock.

For each year of continued service through fiscal 2008, independent directors received an annual stock option award exercisable for 10,000 shares of our Class A Common Stock and an annual restricted stock unit award of 10,000 units that convert upon vesting into 10,000 shares of our Class A Common Stock. In addition, for each year of continued service through fiscal 2008, an independent director serving as the Chairperson of the Board received an additional annual stock option award exercisable for 5,000 shares of our Class A Common Stock and an additional annual restricted stock unit award of 5,000 units that convert upon vesting into 5,000 shares of our Class A Common Stock. All annual equity-based compensation is awarded to independent directors on the date of the annual stockholders meeting. At the annual stockholders meeting, each independent director who (i) joined our Board of Directors at or prior to the last annual stockholders meeting, or (ii) joined our Board of Directors after the last annual stockholders meeting but attended at least three meetings of the full Board of Directors, is entitled to receive an annual equity award at that annual stockholders meeting.

All stock option and restricted stock unit awards granted to our independent directors vest 25 percent on the anniversary of the grant date and the remainder vests in equal installments quarterly over the remaining 36 months, except for the stock option and restricted stock unit awards granted to our independent directors in December 2005 at the time of the initial public offering of our Class A Common Stock. Those awards vested 25 percent on January 28, 2007 and the remainder vested in equal installments quarterly over the remaining 36 months. We did not grant any equity awards to independent directors in fiscal 2009. Under the Plan of Reorganization, all of our existing equity securities, including all shares of our Class A Common Stock and stock option awards to purchase shares of our Class Common Stock will be cancelled upon our emergence from the Chapter 11 Cases.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Review and Approval of Transactions with Related Persons

The Audit Committee has adopted a written policy for approval of transactions between Spansion and its directors, director nominees, executive officers, greater than five percent beneficial owners and their respective immediate family members, where the amount involved in the transaction exceeds or is expected to exceed \$120,000 in a single calendar year. Some of the transactions described in this Form 10-K were approved by the Board of Directors before this policy was adopted.

The policy provides that the Audit Committee reviews certain transactions subject to the policy and determines whether or not to approve or ratify those transactions. In doing so, the Audit Committee takes into account, among other factors it deems appropriate:

the related person's interest in the transaction;

the approximate dollar value of the amount involved in the transaction;

the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of business of Spansion;

whether the transaction with the related person is proposed to be, or was, entered into on terms no less favorable to Spansion than terms that could have been reached with an unrelated third party;

the purpose, and the potential benefits to Spansion, of the transaction; and

any other information regarding the transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

Table of Contents

In addition, the Audit Committee has delegated authority to the Chair of the Audit Committee to pre-approve or ratify certain transactions. A summary of any new transactions pre-approved or ratified by the Chair is provided to the full Audit Committee for its review in connection with its next scheduled Audit Committee meeting.

The Audit Committee has considered and adopted standing pre-approvals under the policy for limited transactions with related persons. Pre-approved transactions include:

employment of executive officers, subject to certain conditions;

any compensation paid to a director if the compensation is required to be reported in Spansion's proxy statement under Item 402 of Regulation S-K promulgated by the SEC;

any transaction with another company at which a related person's only relationship is as an employee (other than an executive officer or director) or beneficial owner of less than ten percent of that company's equity, if the aggregate amount involved does not exceed the greater of \$1,000,000, or two percent of that company's total annual revenues;

any charitable contribution, grant or endowment by Spansion to a charitable organization, foundation or university at which a related person's only relationship is as an employee (other than an executive officer or director), if the aggregate amount involved does not exceed the lesser of \$1,000,000, or two percent of the charitable organization's total annual receipts; and

any transaction where the related person's interest arises solely from the ownership of Spansion's Class A Common Stock and all holders of Spansion's Class A Common Stock received the same benefit on a pro rata basis.

A summary of new transactions covered by the standing pre-approvals described above is provided to the Audit Committee for its review at each regularly scheduled Audit Committee meeting.

Overview

On March 18, 2008, we completed our acquisition of Saifun Semiconductors Limited ("Saifun"). In connection with the Saifun acquisition, the Board of Directors appointed Dr. Boaz Eitan, former Executive Vice President and Chief Executive Officer, Saifun, as a member of the Board effective as of the closing of the acquisition. Dr. Eitan serves as a Class II director and will serve until our Plan of Reorganization is effective or until his earlier removal, resignation or death. Also in connection with the Saifun acquisition, we entered into a Noncompetition and Retention Agreement with Dr. Eitan whereby he received an annual gross salary equal to the Israeli shekel equivalent of \$260,000 (as determined according to the representative rate of exchange published by the Bank of Israel). In addition, Dr. Eitan was eligible for an annual performance bonus and one time retention bonus for remaining employed by Spansion at the one year anniversary of the closing of the Saifun acquisition. Dr. Eitan resigned from his employment with Spansion in March 2009. The Noncompetition and Retention Agreement also contains a two-year non-competition provision and a two-year non-solicitation provision.

We also have had an ongoing relationship and transactions with Fujitsu Limited, which owns more than ten percent of our outstanding equity securities. We are currently party to several agreements with Fujitsu and its affiliates. These agreements include:

the Amended and Restated Fujitsu Distribution Agreement;

the Amended and Restated Intellectual Property Contribution and Ancillary Matters Agreement;

Edgar Filing: Spansion Inc. - Form 10-K/A

the Amended and Restated Patent Cross-License Agreement with Fujitsu;

the Amended and Restated Non-Competition Agreement;

various software license, maintenance, consulting and development agreements;

various service agreements and leases; and

agreements with Fujitsu related to the sale of our JV1 and JV2 wafer fabrication facilities (the JV1/JV2 Facilities) and certain equipment, assets and inventory located at these facilities (the JV1/JV2 Transaction).

Agreements and Arrangements

Amounts paid by us under the following agreements and arrangements do not reflect any claims the contracting party may have asserted against us in the Chapter 11 Cases. In addition, the reported amounts paid to or from Fujitsu and its affiliates in fiscal 2009 under the agreements and arrangements do not reflect amounts that may have been paid or received by Spansion Japan, our subsidiary, subsequent to March 3, 2009, which is when we were no longer deemed to have control over Spansion Japan for financial reporting purposes and we excluded Spansion Japan's financial results from our condensed consolidated financial statements.

Amended and Restated Fujitsu Distribution Agreement

We and Fujitsu Semiconductor Limited (FSL), through its subsidiary Fujitsu Electronics Inc. (FEI, together with FSL and Fujitsu Limited, Fujitsu) are party to the Amended and Restated Fujitsu Distribution Agreement, which provides that Fujitsu acts as a distributor for sales of our products in Japan and throughout the rest of the world, except for Europe and the Americas, with limited exceptions. We license use of the Spansion trademark to Fujitsu so that our products are sold under our own brand name. We also indemnify Fujitsu from and against any third-party action claiming our products infringe upon a third-party's intellectual property rights up to the amounts paid to Fujitsu by their customers for the affected products.

Table of Contents

Under the Fujitsu Distribution Agreement, our prices are based on our recommended sales prices, subject to adjustment in certain cases based on Fujitsu's sales prices to their customers, less an agreed-upon distribution margin. Fujitsu has agreed to use its best efforts to promote the sale of our products in Japan and to specified customers served by Fujitsu. In the event that we reasonably determine that Fujitsu's sales performance is not satisfactory based on specified criteria, then we have the right to require Fujitsu to propose and implement an agreed-upon corrective action plan. If we reasonably believe that the corrective action plan is inadequate, we can take steps to remedy deficiencies ourselves through means that include selling products ourselves or appointing another distributor as a supplementary distributor. The Fujitsu Distribution Agreement continues in effect indefinitely or until a successor agreement is executed. We and Fujitsu can mutually agree to terminate the Fujitsu Distribution Agreement for convenience at any time upon 60 days notice. Either party can also terminate the Fujitsu Distribution Agreement for a material breach of performance thereunder after a failure to cure the breach within 120 days. Currently, the distribution margin earned by Fujitsu on the sale of certain of our products is 4.3 percent.

We and Fujitsu entered into an agreement in September 2008, in which we agreed to pay Fujitsu royalties on certain of our products sold or transferred under the Fujitsu Distribution Agreement in exchange for Fujitsu's release of claims on account of an alleged breach of our alleged obligation to defend and/or indemnify Fujitsu against assertions by a third party against our products. In fiscal 2009, we paid \$0.4 million to Fujitsu under this agreement.

Amended and Restated Intellectual Property Contribution and Ancillary Matters Agreement

AMD and Fujitsu have each contributed to us various intellectual property rights and technologies pursuant to an Amended and Restated Intellectual Property Contribution and Ancillary Matters Agreement. Under this agreement, we became owners, or joint owners with each of Fujitsu and AMD, of certain patents, patent applications, trademarks, and other intellectual property rights and technology. AMD and Fujitsu reserved rights, on a royalty-free basis, to practice the contributed patents and to license these patents to their affiliates and successors-in-interest to their semiconductor groups. AMD and Fujitsu each have the right to use the jointly owned intellectual property for their own internal purposes and to license such intellectual property to others to the extent consistent with their non-competition obligations to us. We also have granted to each of AMD and Fujitsu a non-exclusive, perpetual, irrevocable fully paid and royalty-free license of our rights, other than patent and trademark rights, in technology developed by us prior to AMD's and Fujitsu's ownership interests in us falling below 12.5%. AMD may grant licenses under our patents, provided that these licenses are of no broader scope than, and are subject to the same terms and conditions that apply to, any license of AMD's patents granted in connection with such license, and the recipient of such license grants to us a license of similar scope under its patents.

Amended and Restated Patent Cross-License Agreements

In connection with our reorganization as Spansion LLC in June 2003, we granted to each of AMD and Fujitsu, and AMD and Fujitsu each granted to us, non-exclusive licenses under certain patents and patent applications of their semiconductor groups to make, have made, use, sell, offer to sell, lease, import and otherwise dispose of certain semiconductor-related products anywhere in the world. The patents and patent applications that are licensed are those with an effective filing date prior to the termination of our patent cross-license agreements. The agreements will automatically terminate on the later of June 30, 2013 and the date AMD or Fujitsu, as applicable, sells its entire equity interest in us. The agreements may be terminated by a party on a change in control of the other party or its semiconductor group. The licenses to patents under license at the time of the termination will survive until the last such patent expires.

In cases where there is a change of control of us, AMD, Fujitsu, or the semiconductor group of AMD or Fujitsu, as the case may be, each other party to the cross-license agreement shall have the right to terminate the agreement (or to invoke the provisions described in this paragraph if the agreement had been previously terminated) by giving 30 days written notice within 90 days after receiving notice of the change of control. If so terminated, the rights, licenses and immunities granted under the agreement will continue solely with respect to those licensed patents that are entitled to an effective filing date that is on or before, and are licensed as of, the date of such change of control, and will continue until the expiration of the last to expire of such licensed patents. Moreover, with respect to circuit patents, which are patents (other than process patents) covering elements using electrical signals to achieve a particular function, the rights, licenses and immunities granted to the party undergoing the change of control are limited solely to:

each existing and pending product of such party as of the date of change of control;

each existing and pending product of the acquiring third party of such party as of the date of change of control that would have been in direct competition with products described in (i) above; and

successor products of products described in (i) and (ii) above.

Table of Contents

We were required to make royalty payments to each of AMD and Fujitsu associated with licenses. The royalty rates were reduced to zero percent in November 2008. In fiscal 2009, we did not incur any expenses related to royalties under the patent cross-license agreements we have with AMD and Fujitsu.

Amended and Restated Non-Competition Agreement

We are party to a non-competition agreement with AMD and Fujitsu, whereby AMD and Fujitsu each agree not to directly or indirectly engage in a business that manufactures or supplies standalone semiconductor devices (including single chip, multiple chip or system devices) containing certain Flash memory, which is the business in which we primarily compete. This non-competition agreement does not prevent AMD or Fujitsu from manufacturing or selling products that incorporate Flash memory (whether it be Spansion Flash memory or a competitive product). Although AMD currently has no other operations that compete in the Flash memory market, Fujitsu currently produces and sells products that incorporate Spansion Flash memory or competitive Flash memory. Furthermore, AMD and Fujitsu each agree that if either of them acquires a business that has a division or other operations that manufactures or supplies standalone semiconductor devices (including single chip, multiple chip or system devices) containing certain Flash memory, AMD and Fujitsu will provide us with a right of first offer to acquire the competing division or operations. AMD and Fujitsu are required to use their commercially reasonable efforts to divest the competing division or operations if we do not purchase them. These non-competition obligations of AMD will last until the earlier of (i) the dissolution of our company, and (ii) two years after the date on which AMD's ownership interest in us is less than or equal to five percent. These non-competition obligations of Fujitsu will last until the earlier of (i) the dissolution of our company, and (ii) two years after the date on which Fujitsu's ownership interest in us is less than or equal to five percent.

We, AMD and Fujitsu also agreed not to solicit each other's employees. Without our prior written consent, each of AMD and Fujitsu will not directly or indirectly either for itself or another person, (i) hire any individual employed by our company or (ii) solicit or encourage any individual to terminate his or her employment with our company. These obligations not to solicit or hire do not apply if (A) our company has terminated the employment of such individual or (B) at least two years has elapsed since such individual has voluntarily terminated his or her employment with our company. Similarly, without the prior written consent of AMD or Fujitsu, we agreed not to directly or indirectly either for ourselves or another person, (i) hire any individual employed by AMD or Fujitsu or (ii) solicit or encourage any individual to terminate his or her employment with AMD or Fujitsu. These obligations not to solicit or hire do not apply if (A) AMD or Fujitsu, as applicable, has terminated the employment of such individual or (B) at least two years has elapsed since such individual has voluntarily terminated his or her employment with AMD or Fujitsu, as applicable. These non-solicitation obligations of AMD will last until the earlier of (i) the dissolution of our company, and (ii) two years after the date on which AMD's ownership interest in us is less than or equal to five percent. These non-solicitation obligations of Fujitsu will last until the earlier of (i) the dissolution of our company, and (ii) two years after the date on which Fujitsu's ownership interest in us is less than or equal to five percent. These non-solicitation obligations of our company with respect to AMD employees or Fujitsu employees will terminate at the same time as the non-solicitation obligations of AMD or Fujitsu, as applicable, terminate.

Fujitsu IT Services Agreement

We were party to an IT Services Agreement and General Services Agreement with Fujitsu (including certain of Fujitsu's subsidiaries). Under the agreement, Fujitsu provided, among other things, information technology, research and development, quality assurance, insurance, facilities, environmental, and human resources services primarily to our manufacturing facilities in Japan. For services rendered, Fujitsu was paid fees in an amount equal to cost plus five percent except for services procured by Fujitsu from third parties, which were provided to us at cost. Fujitsu had the right to approve certain amendments to the other's service agreements with us. We assigned the agreement to Spansion Japan on March 31, 2009. The term of the agreement expired on October 31, 2009, but is automatically renewed on a monthly basis thereafter until terminated by either party to the agreement. For fiscal 2009, the total charges to us for services from Fujitsu were approximately \$0.6 million.

Fujitsu Manufacturing Services Agreement

Prior to September 30, 2006, we were party to an agreement pursuant to which Fujitsu provided manufacturing services to us at volumes ordered by us and prices established on a quarterly basis. Prices were on the basis of product-type and were equal to Fujitsu's good faith estimate of its projected material, labor and overhead costs for the applicable product-type plus three percent. If Fujitsu's aggregate expended labor and overhead costs for the manufacturing services actually purchased by us during a fiscal quarter were less than 97 percent of the projected labor and overhead costs for such fiscal quarter, then we were required to pay Fujitsu the amount of such deficiency in order to protect Fujitsu's labor and overhead commitments from situations where the actual amounts of services purchased by us were materially different from projected orders. These services consisted of assembly and testing services for our products. The Manufacturing Services Agreement expired on September 30, 2006. Currently, such manufacturing services are provided by Fujitsu to us on a purchase order basis. As a result of manufacturing services provided by Fujitsu, we incurred approximately \$40,000 of expenses in fiscal 2009.

Lease

Spansion Japan leases from Fujitsu the land upon which JV3 and SP1, Spansion Japan's wafer fabrication facilities in Aizu-Wakamatsu, Japan, are located. As a result of this lease with Fujitsu, we incurred approximately \$2.04 million in expenses in fiscal 2009.

Stockholders Agreement

We are party to a Stockholders Agreement with AMD and Fujitsu that imposes certain restrictions and obligations on AMD and Fujitsu and on their respective shares of our common stock and that provides for certain matters pertaining to our management and governance. Pursuant to the Stockholders Agreement, AMD and Fujitsu agree to vote all shares of common stock held by them or their affiliates so as to cause the election of each Class A director proposed for election by the nominating committee of our board of directors. The Stockholders Agreement also provided for certain rights relating to the appointment of directors to serve on our Board. These rights have terminated.

We will allow AMD or Fujitsu, as the case may be, to have one representative attend the meetings of our board of directors as a non-voting participant for so long as such stockholder owns at least five percent of our capital stock, on an as converted to common stock basis.

Neither stockholder can transfer shares in an amount equal to or greater than one percent of the then outstanding common stock to any entity whose principal business competes with us, without first obtaining the consent of the non-transferring stockholder, such consent not to be unreasonably withheld after June 30, 2007.

The Stockholders Agreement also provides for our cooperation with information. AMD and Fujitsu are both publicly traded companies, each of which is subject to legal and stock exchange reporting and other disclosure requirements. Accordingly, we will agree with AMD and Fujitsu to provide, subject to limitations, various financial and other information relating to us and to assist them in connection with their respective reporting, disclosure and other obligations. Each party has agreed that it will use any information provided under the agreement, unless otherwise made public, only in connection with these obligations and that it will not use the information for any other purpose, including in connection with the sale or purchase of securities issued by us.

Pursuant to the Stockholders Agreement, we have agreed to grant AMD and Fujitsu rights to request us to register all or any part of their shares of Class A Common Stock under the Securities Act of 1933, as amended. In addition, subject to limitations, AMD and Fujitsu have rights to request that their shares be included in any registration of our common stock that we initiate.

With the exception of board observer rights and registration rights, AMD's rights under the Stockholders Agreement terminated on March 18, 2008, when AMD's aggregate ownership interest in us fell below ten percent. Upon the effectiveness of the Plan of Reorganization and the cancellation of our outstanding shares of Class A Common Stock, this Stockholder Agreement will be terminated.

JV1/JV2 Transaction

Master Lease Agreement

In connection with the sale of the JV1/JV2 Facilities, on September 28, 2006 Spansion Japan and Fujitsu entered into a Master Lease Agreement for certain equipment, located at the JV1/JV2 Facilities and identified on equipment schedules agreed to by the parties. Effective upon the JV1/JV2 Closing, Spansion Japan began to lease to Fujitsu the equipment under the Master Lease Agreement. The initial term of each lease schedule will continue for the number of months specified in the applicable schedule unless otherwise terminated in accordance with the terms of the applicable schedule or the Master Lease Agreement. Fujitsu has the option to renew or extend the lease term for any or all of the equipment at the end of the initial term or any extension thereof for up to six months. If specified demand targets for wafers are not met, and subject to conditions described in the Master Lease Agreement, each of Spansion Japan and Fujitsu will have a right to terminate the lease of some or all of the leased equipment on or after June 30, 2008, by giving notice to the other party prior to December 31, 2007.

Subject to the terms of the Master Lease Agreement, Fujitsu will have a right of first refusal in the event of the sale by Spansion Japan of any equipment for a purchase price equal to the highest offer received from a third party. In addition, subject to the terms of the Master Lease Agreement, Fujitsu will have the option to purchase any or all of the equipment at the expiration of the applicable term, upon any early lease termination or if any equipment is not returned in its proper condition for a purchase price equal to the fair market value of the equipment at the time of purchase or any other purchase price as may be set forth in the applicable schedule.

Edgar Filing: Spansion Inc. - Form 10-K/A

The obligations of Spansion Japan under the Master Lease Agreement are being guaranteed by Spansion Inc., Spansion LLC and Spansion Technology Inc. Fujitsu paid approximately \$0.3 million in fees to Spansion Japan in fiscal 2009 under the Master Lease Agreement.

Foundry Agreement

In connection with the sale of the JV1/JV2 Facilities, Spansion Japan and Fujitsu entered into a Foundry Agreement, pursuant to which Fujitsu provides certain foundry services for the manufacture of our products at the JV1/JV2 Facilities.

Pursuant to the Foundry Agreement, Fujitsu began to provide foundry services to us commencing upon the JV1/JV2 Closing. The Foundry Agreement also includes minimum capacity and purchase commitments between both the parties resulting in financial penalties if such capacity and purchase commitments are not achieved. The term of the Foundry Agreement ends on July 26, 2011. Fujitsu has agreed to give Spansion Japan at least 12-months prior notice of its intent to cease providing foundry services to Spansion Japan under the Foundry Agreement. Either Spansion Japan or Fujitsu may terminate the Foundry Agreement in the event that the other party fails to correct or cure its material breach under the Foundry Agreement within 60 days of receipt of written notice from the non-defaulting party specifying such breach. We incurred approximately \$52.1 million in expenses in fiscal 2009 under the Foundry Agreement.

Secondment and Transfer Agreement

In connection with the sale of the JV1/JV2 Facilities, Spansion Japan and Fujitsu entered into a Secondment and Transfer Agreement, or Secondment Agreement, pursuant to which Spansion Japan seconds certain employees to Fujitsu commencing upon the JV1/JV2 Closing. In addition, certain employees will ultimately be transferred to Fujitsu. Unless the parties otherwise agree, the period of secondment for seconded employees not designated for transfer ended June 30, 2008, and will end no later than December 31, 2009 for seconded employees designated for transfer.

The seconded employees remain employees of Spansion Japan and remain eligible to participate in Spansion Japan's various benefit plans, and Fujitsu is required to reimburse Spansion Japan for all compensation and expenses associated with such seconded employees and incurred by Spansion Japan during the secondment period.

The Secondment Agreement can be terminated (i) by the mutual written agreement of Spansion Japan and Fujitsu, (ii) by either Spansion Japan or Fujitsu in the event that the other party materially defaults in the performance of a material obligation under the Secondment Agreement and the breaching party has not cured such breach within 120 days after receipt of notice of default by the non-breaching party and (iii) by either Spansion Japan or Fujitsu in the event that the other party is subject to bankruptcy or insolvency proceedings. The Secondment Agreement automatically terminates (i) on the transfer date of the last of the transferred employees or (ii) upon the termination of the Foundry Agreement unless otherwise agreed by Spansion Japan and Fujitsu. Fujitsu paid approximately \$6.1 million in fees to Spansion Japan in fiscal 2009 under the Secondment Agreement.

Wafer Processing Services Agreement

In connection with the JV1/JV2 Closing, on April 2, 2007, Spansion Japan and Fujitsu entered into a Wafer Processing Services Agreement (the Wafer Processing Agreement), pursuant to which Fujitsu provides certain wafer processing services to Spansion Japan at the JV1/JV2 Facilities. The term of the Wafer Processing Agreement commenced on April 2, 2007 and is effective until December 31, 2009. The Wafer Processing Agreement will automatically terminate upon termination or expiration of that certain Foundry Agreement dated as of September 28, 2006, among Spansion Japan, Spansion Inc., Spansion LLC and Spansion Technology Inc. and Fujitsu. Either Spansion Japan or Fujitsu may terminate the Wafer Processing Agreement in the event that the other party fails to correct or cure any material breach by such other party of any covenant or obligation under the Wafer Processing Agreement within 60 days of receipt of written notice from the non-defaulting party specifying such breach. We incurred approximately \$0.3 million in expenses in fiscal 2009 under the Wafer Processing Services Agreement.

Sort Services Agreement

In connection with the JV1/JV2 Closing, on April 2, 2007, Spansion Japan and Fujitsu entered into a Sort Services Agreement (the Sort Services Agreement), pursuant to which Fujitsu provides probe testing services of Spansion Japan's wafers at the JV1/JV2 Facilities. The term of the Sort Services Agreement commenced on April 2, 2007 and was effective until the Sort Services Agreement was terminated March 31, 2009. We incurred approximately \$4.2 million in expenses in fiscal 2009 under the Sort Services Agreement.

Rental Agreement

In connection with the JV1/JV2 Closing, on April 2, 2007, Spansion Japan and Fujitsu Semiconductor Technology, Inc., a Japanese corporation (FSET), entered into a Rental Agreement (the Rental Agreement), pursuant to which Spansion Japan rented certain equipment (the Rental Equipment) to FSET for the sole purpose of fulfilling the obligations of Fujitsu in the Sort Services Agreement. Spansion Japan retained title to

Edgar Filing: Spansion Inc. - Form 10-K/A

the Rental Equipment, and FSET was prohibited from selling, pledging or otherwise encumbering or disposing of the Rental Equipment. The term of the Rental Agreement commenced on April 2, 2007 and was effective until March 31, 2009, which is when the Sort Services Agreement was terminated. FSET paid approximately \$0.2 million in fees to Spansion Japan in fiscal 2009 under the Rental Agreement.

Services Agreement

In connection with the JV1/JV2 Closing, on April 2, 2007, Spansion Japan and FSET entered into a Services Agreement (the Services Agreement), pursuant to which Spansion Japan provides certain human resource services and information technology (IT) services to FSET (collectively, the Services). Any services are to be provided pursuant to statements of works, which may be updated by Spansion Japan and FSET from time to time upon mutual agreement. Spansion Japan will provide the Services to FSET at cost plus five percent (5%). Pursuant to the Services Agreement, Spansion Japan shall perform the Services with the same degree of accuracy, quality and completeness as it would provide similar services to its own divisions or affiliates (Service Level). The term of the Services Agreement commenced on April 2, 2007 and was effective until March 31, 2009. FSET paid approximately \$0.2 million in fees to Spansion Japan in fiscal 2009 under the Services Agreement.

Eitan-Mehulal Law Group

We have an ongoing engagement with Eitan-Mehulal Law Group (the Eitan Firm), a law firm where the spouse of Dr. Boaz Eitan, a member of our Board of Directors, is a founder and partner. The Eitan Firm provides us with legal services for mergers and acquisitions, commercial, corporate and intellectual property matters. In fiscal 2009, we paid approximately \$0.7 million to the Eitan Firm for legal services.

Sitrick Brincko Group, LLC

We engaged Sitrick And Company Inc. (Sitrick) as corporate communications consultants and Brincko Associates (Brincko) as management and restructuring consultants in March 2009. In November 2009, Brincko merged with Sitrick to form Sitrick Brincko Group, LLC. Following the merger, Resource Connection, Inc., a professional services firm, acquired all the membership interests in Sitrick Brincko Group and it became a wholly-owned subsidiary of Resources Connection. Brincko employed and Sitrick Brincko Group employs Thora Thoroddsen. In fiscal 2009, we paid approximately \$0.2 million to Sitrick.

KLA-Tencor Corporation

We have purchased equipment and services from KLA-Tencor Corporation (KLA), a semiconductor equipment manufacturer. Mr. John H. Kispert was employed by KLA until January 1, 2009. Pursuant to Mr. Kispert's severance agreement with KLA, he receives severance payments and agreed to perform certain services for KLA through January 1, 2011. In fiscal 2009, we paid approximately \$2.4 million to KLA.

Director Independence

The Board of Directors affirmatively determines the independence of each director in accordance with the elements of independence set forth in the NYSE listing standards. On April 22, 2010, the Board conducted a review of director independence. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and Spansion and our subsidiaries and affiliates. The Board also considered whether there were any transactions or relationships between directors or any member of their immediate families (or any entity on which a director or an immediate family member is an executive officer, general partner or significant equity holder) and members of Spansion's executive team or their affiliates. The purpose of this review was to determine whether any transactions or relationships exist that are inconsistent with a determination of director independence.

As part of this review, the Board of Directors considered: (i) the ownership interest that Mr. Chao's firm, DCM, has in Vendavo, Inc., which provides software we purchased through an agreement with SAP Inc.; and (ii) Mr. Lucas' service on the board of directors of Cadence Design Systems, Inc., which provides equipment and services to us. The Board determined that these relationships do not conflict with the elements of independence set forth in the Nasdaq or NYSE listing standards and, therefore, three of the five members of Spansion's Board of Directors are independent directors. More specifically, the Board of Directors affirmatively determined that David K. Chao, Donald L. Lucas and John M. Stich are each independent:

In addition, the Board affirmatively determined that Mr. Kispert is not independent because he is the President and Chief Executive Officer of Spansion and that Dr. Eitan is not independent because he served as Executive Vice President and Chief Executive Officer, Saifun, our wholly owned subsidiary, and as Interim President of Spansion.

Audit Committee Pre-Approval Policy

The Audit Committee has established a pre-approval policy for audit, audit-related and tax services that can be performed by the independent auditors without specific authorization from the Audit Committee, subject to certain restrictions. The pre-approval policy identifies the specific services pre-approved by the Audit Committee and the applicable limitations, while ensuring the independence of the independent auditors to audit Spansion's financial statements is not impaired. Such pre-approval authority for non-audit services may be delegated by the Audit Committee to one or more of its members. Any pre-approval decisions must be consistent with the guidelines and fee levels or budgeted amounts established annually by the Audit Committee, provided that the member or members to whom such authority is delegated shall report any pre-approval decisions to the full Audit Committee at its next regular meeting. Any proposed services exceeding the fee levels or budgeted amounts established by the Audit Committee must be specifically approved by the Audit Committee. All Ernst & Young LLP services and fees in fiscal 2008 and fiscal 2009 were pre-approved by the Audit Committee.
