**Item 2.02 Results of Operations and Financial Condition.**

On July 29, 2010, Chart Industries, Inc. (the Company) issued a press release announcing its results for its second quarter ended June 30, 2010. A copy of the press release is furnished with this Current Report on Form 8-K as Exhibit 99.1. All information in the press release is furnished and shall not be deemed filed with the Securities and Exchange Commission for purposes of Section 18 of the Exchange Act, or otherwise be subject to the liability of that Section, and shall not be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporated it by reference.

The press release furnished with this Current Report on Form 8-K as Exhibit 99.1 includes disclosure regarding an adjusted earnings per share amount that excludes restructuring costs, the write-off of deferred financing fees and a bargain purchase gain on Japanese assets acquired in the Covidien acquisition ( Adjusted EPS ). This measure is not recognized under generally accepted accounting principles ( GAAP ) and is referred to as a non-GAAP financial measure in Regulation G under the Securities Act. The Company believes Adjusted EPS is of interest to investors and facilitates useful period-to-period comparisons of the Company's financial results, and this information is used by the Company in evaluating internal performance. Adjusted EPS can be reconciled to earnings per share with the information disclosed within the body of the press release.
