On August 5, 2010, Energy Partners, Ltd. (*EPL* or the *Company*) issued a press release announcing results for the fiscal quarter ended June 30, 2010. The Company's press release also stated that completion of the refinancing of the Company's debt during second quarter 2010 resulted in reduced cost of capital, zero long term debt, cash on hand in excess of \$28 million, and liquidity (cash on hand plus undrawn availability on the Company's revolver) of \$73 million as of June 30, 2010. The press release also stated that, as previously announced, the Company regained Bureau of Ocean Energy Management (formerly the U.S. Minerals Management Service) supplemental waiver status, and \$8.9 million of cash previously collateralizing surety bond obligations was returned to EPL during the second quarter. A copy of the press release issued by the Company is attached hereto as Exhibit 99.1.

The Company's press release announcing its financial results for its fiscal quarter ended June 30, 2010 contains non-GAAP financial measures. Generally, a non-GAAP financial measure is a numerical measure of a company's performance, financial position, or cash flows that either excludes or includes amounts that are not normally excluded or included in the most directly comparable measure calculated and presented in accordance with United States generally accepted accounting principles (*GAAP*). Pursuant to the requirements of Regulation G, the Company has provided quantitative reconciliations within the press release of the non-GAAP financial measures to the most directly comparable GAAP financial measures.

The information furnished pursuant to this Item 2.02, including Exhibit 99.1, shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified therein as being incorporated therein by reference.

Also on August 3, 2010, the Committee recommended, and the Board approved, a change in the terms of Ms. Thom's participation in the Company's Change of Control Severance Plan (as amended, the *Change of Control Plan*) whereby her Designated Multiple (as defined in the Change of Control Plan) increased from 1.5X to 2X.

Also on August 3, 2010, the Committee recommended, and the Board approved, changes in the offices held by David P. Cedro.
