DYNEGY INC.

PROXY STATEMENT

OF

SENECA CAPITAL

PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD PROXY CARD TODAY

OR VOTE VIA THE INTERNET OR BY TELEPHONE

Seneca Capital International Master Fund, L.P., Seneca Capital, L.P., Seneca Capital Investments, L.P., Seneca Capital Investments, LLC, Seneca Capital International GP, LLC, Seneca Capital Advisors, LLC and Douglas A. Hirsch (together with each of the foregoing, "Seneca Capital" or "we") together are a significant stockholder of Dynegy Inc. ("Dynegy"). We are writing to you in connection with the proposed acquisition (the "Merger") of Dynegy by Denali Parent Inc. ("Denali"). In connection with the proposed Merger, Dynegy entered into an Agreement and Plan of Merger, dated as of August 13, 2010 (the "Merger Agreement"), with Denali and Denali Merger Sub Inc. ("Merger Sub"). The Board of Directors of Dynegy (the "Dynegy Board") has scheduled a special meeting of stockholders for the purpose of adopting the Merger Agreement (the "Special Meeting"). The Special Meeting is scheduled to be held on November 17, 2010 at 10:00 a.m., Central Time, at Dynegy's headquarters, Wells Fargo Plaza, 1000 Louisiana Street, Houston, Texas, 77002.

For the reasons set forth under the heading "REASONS TO DEFEAT THE PROPOSED MERGER," we oppose the proposed Merger and Merger Agreement as not in the best interests of the stockholders, and we are soliciting proxies from the stockholders of Dynegy **AGAINST** the following Merger proposals:

1. Dynegy's proposal to adopt the Merger Agreement; and
2. Dynegy's proposal to adjourn the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve the proposal to adopt the Merger Agreement.

This Proxy Statement and the **GOLD** proxy card are first being furnished to Dynegy's stockholders on or about [], 2010.

Dynegy has set the record date for determining stockholders entitled to notice of and to vote at the Special Meeting as October 1, 2010 (the "Record Date"). The principal executive offices of Dynegy are located at Wells Fargo Plaza, 1000 Louisiana Street, Houston, Texas, 77002. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Special Meeting. As of the Record Date, there were 120,788,770 shares of Dynegy common stock outstanding and entitled to vote at the Special Meeting, which is the total number of shares of common stock, \$0.01 par value per share (the "Shares"), reported to be outstanding by Dynegy. As of [], 2010, the approximate date on which we expect to mail this Proxy Statement to the stockholders, Seneca Capital collectively beneficially owns an aggregate of 11,226,500 Shares, which represents approximately 9.3% of the Shares outstanding. All of such Shares may be voted by the person(s) named as proxies in the enclosed **GOLD** proxy card at the Special Meeting. The participants in this solicitation intend to vote such Shares **AGAINST** Dynegy's Merger proposals.

According to Dynegy's proxy statement filed with the Securities and Exchange Commission (the "SEC") on October 4, 2010 ("Dynegy's Proxy Statement"), the adoption of the Merger Agreement requires the affirmative vote of at least a majority of the Shares entitled to vote thereon.

THIS SOLICITATION IS BEING MADE BY SENECA CAPITAL AND NOT ON BEHALF OF THE DYNEGY BOARD OR MANAGEMENT OF DYNEGY. SENECA CAPITAL IS NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE SPECIAL MEETING. SHOULD OTHER MATTERS,

WHICH SENECA CAPITAL IS NOT AWARE OF A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE SPECIAL MEETING, THE PERSON(S) NAMED AS PROXIES IN THE ENCLOSED **GOLD** PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

SENECA CAPITAL RECOMMENDS THAT YOU VOTE **AGAINST** DYNEGY'S MERGER PROPOSALS BY SIGNING, DATING AND RETURNING THE **GOLD** PROXY CARD OR VOTING VIA THE INTERNET OR BY TELEPHONE AS EXPLAINED IN OUR PROXY INSTRUCTION CARD.

IF YOU HAVE ALREADY SENT A PROXY CARD FURNISHED BY DYNEGY MANAGEMENT TO THE DYNEGY BOARD, YOU MAY REVOKE THAT PROXY AND VOTE **AGAINST** DYNEGY'S MERGER PROPOSALS BY SIGNING, DATING AND RETURNING THE ENCLOSED **GOLD** PROXY CARD OR BY VOTING VIA THE INTERNET OR TELEPHONE. THE LATEST DATED PROXY IS THE ONLY ONE THAT COUNTS. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE SPECIAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE SPECIAL MEETING TO SENECA CAPITAL, C/O GEORGESON, INC., WHICH IS ASSISTING IN THIS SOLICITATION, OR BY VOTING IN PERSON AT THE SPECIAL MEETING.

IMPORTANT

Your vote is important, no matter how many or how few Shares you own. Seneca Capital recommends that you sign, date, and return the enclosed GOLD proxy card or vote via the internet or by telephone today to vote AGAINST Dynegy's Merger proposals.

Seneca Capital does not believe that the Merger is in the best interest of Dynegy's stockholders. A vote **AGAINST** Dynegy's Merger proposals will enable you as the owners of Dynegy to send a message to the Dynegy Board that you are committed to maximizing the value of your Shares and that you will not approve a proposed transaction that does not fully and fairly value your Shares.

If your Shares are registered in your own name, please sign and date the enclosed **GOLD** proxy card and return it to Seneca Capital, c/o Georgeson, Inc., in the enclosed envelope today. You may also vote via the internet or by telephone at any time before 11:59 p.m. Eastern Time on November 16, 2010.

If any of your Shares are held in the name of a brokerage firm, bank, bank nominee or other institution on the Record Date, only it can vote such Shares and only upon receipt of your specific instructions. Accordingly, please contact the person responsible for your account and instruct that person to execute on your behalf the **GOLD** proxy card. Seneca Capital recommends that you confirm your instructions in writing to the person responsible for your account and provide a copy of such instructions to Seneca Capital, c/o Georgeson, Inc., which is assisting in this solicitation, at the address and telephone numbers set forth below, and on the back cover of this Proxy Statement, so that we may be aware of all instructions and can attempt to ensure that such instructions are followed.

Please refer to the voting instructions on the **GOLD** proxy card.

PROPOSAL NO. 1

ADOPTION OF MERGER AGREEMENT

You are being asked by Dynegy to adopt the Merger Agreement. For the reasons discussed below, we oppose the proposed Merger and Merger Agreement. To that end, we are soliciting your proxy to vote **AGAINST** Proposal No. 1.

We recommend that you demonstrate your opposition to the proposed Merger and send a message to the Dynegy Board that the proposed Merger is not in the best interest of Dynegy stockholders by signing, dating and returning the enclosed GOLD proxy card as soon as possible. You may also vote via the internet or by telephone at any time before 11:59 p.m. Eastern Time on November 16, 2010.

REASONS TO DEFEAT THE PROPOSED MERGER

We recommend that fellow stockholders vote **AGAINST** the proposed Merger because we believe the \$4.50 per Share Merger consideration (\$0.90 per share if adjusted for Dynegy's recent 5 for 1 reverse stock split) does not adequately reflect the substantial long-term value that Dynegy stockholders would be able to receive without the Merger. As experienced power-industry investors, it is our assessment that the Merger consideration does not capture the long-term intrinsic value of Dynegy's business, which we believe is very well positioned to capture the benefits of a recovery in electricity prices. We believe the Merger consideration values Dynegy's enterprise value at less than one-third of its replacement cost, which we believe reflects electricity prices at an **unsustainably low point in the cycle**.

Additionally, the Merger consideration represents an approximately 42% discount to the split-adjusted closing price of the Shares on March 12, 2010, the date upon which the intention to pursue the reverse split was first disclosed. This is a substantial underperformance in comparison to Dynegy's merchant power peer group identified in Dynegy's October 5, 2010 investor presentation—Calpine, Mirant, NRG Energy and RRI Energy—which declined by approximately 4% from March 12, 2010 to October 20, 2010, on an aggregate market capitalization basis.

We also note that Dynegy's Share price declined approximately 64% between March 12, 2010 and August 12, 2010, the day before the Merger announcement, as compared to an approximately 3% decline for its peer group over the same period on an aggregate market capitalization basis. We view this as a period of **unjustified underperformance** that should not be considered as the basis for determining a fair Merger premium or the likely share price level in the absence of a Merger.

We believe stockholders should also weigh carefully the strong criticism for the Merger voiced by **dissenting Dynegy Board member Victor Grijalva**, a former Schlumberger Vice Chairman. As set forth in Dynegy's Proxy Statement, he noted a concern regarding the Dynegy Board's consideration of the Merger in the context of a sharp and anomalous drop in the company's common stock price in the three-month period leading up to the Merger and did not believe it was advisable to sell the company for the proposed price at a time when its common stock did not reflect its potential for future appreciation.

We also believe that the proposed sale of four of Dynegy's natural gas-fired power plants for cash consideration of approximately \$1.36 billion (the NRG Sale), highlights the potential for monetizing certain of Dynegy's natural gas-fired power plants as a means of capturing value for stockholders and as a potential source of liquidity. We believe that asset monetizations (whether the NRG Sale or others), financing markets and a flexible hedging policy would provide Dynegy with sufficient tools to manage the company's liquidity needs going forward. As a result, we believe that any potential reduction in or loss of the company's current approximately \$1.1 billion undrawn bank revolver and \$850 million fully cash collateralized letter of credit facility would not present a liquidity concern and **would not require incremental issuances of equity** or equity-

linked securities. Furthermore, we believe that a substantial majority of the approximately \$1.1 billion in projected cumulative cash outflow identified in Dynegy's Proxy Statement is attributable to non-recurring environmental expenditures as well as the repayment of lease-related third-party debt and certain debt maturities.

We believe that several dynamics of the proposed transaction raise additional concerns with the Merger. We believe the lack of significant share ownership by management (less than 1% of Shares, excluding out-of-the-money options) in conjunction with the substantial change-in-control and severance payments available to management upon consummation of the Merger—up to approximately \$37 million, or \$0.31 per share, the vast majority of which would be payable regardless of the price per share proposed to be paid in the Merger—has created **a conflict of interest with stockholders**. We recommend stockholders consider this conflict in evaluating both the Merger and investor presentation materials that Dynegy has disseminated to advocate in favor of the Merger. We are concerned that management may be pursuing a scorched-earth approach that could be construed as materially injurious to Dynegy. We note third-party commentary in the October 20, 2010 Wall Street Journal Deal Journal piece by Ronald Barusch entitled *The Dynegy Deal: When Did the Choice Become Blackstone or Bankruptcy?*¹

Additionally, we believe the dynamics of the go-shop process, primarily the exclusivity on the NRG Sale, the limited time period and the incumbent matching rights prevented a full and fair auction for Dynegy's business. In addition, following the go-shop period, the \$50 million **break fee (more than 9% of the total Merger consideration)** and other onerous potential post-transaction break fees create hurdles to the realization of full and fair value.

In summary, we believe that there is substantial value above the \$4.50 per share Merger consideration that can be realized by stockholders without the Merger and further, as noted in our Schedule 13D filing, we reserve the right to implement plans or proposals with respect to Dynegy as a means of enhancing stockholder value, whether alone or with third parties. Specifically, we are considering a proposal to replace two members of the Dynegy Board and proposals for stockholder resolutions encouraging the Dynegy Board to enhance stockholder value. In addition, we are considering alternative transactions to the Merger that would provide stockholders with the opportunity for cash consideration as well as for continued participation in Dynegy as a public company, although we have no definitive plans for any such transactions at this time.

Accordingly, Seneca Capital recommends that you vote **AGAINST** the Merger proposal. We do not intend to make any proposals at the special meeting regarding the Merger, although we may make such proposals at a later meeting of stockholders or through a separate consent solicitation.

¹ Neither the Wall Street Journal nor Ronald Barusch have provided permission for use and we are not incorporating this piece by reference into this proxy statement.

PROPOSAL NO. 2

PROPOSAL TO APPROVE MOTION TO ADJOURN

THE SPECIAL MEETING

You are being asked by Dynegy to approve a proposal to adjourn the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve the proposal to adopt the Merger Agreement. For the reasons discussed above, we oppose the proposed Merger. To that end, we are soliciting your proxy to vote **AGAINST** Proposal No. 2.

Seneca Capital recommends that you vote AGAINST Dynegy's proposal to approve any motion to adjourn the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve the proposal to adopt the Merger Agreement.

CONSEQUENCES OF DEFEATING THE PROPOSED MERGER

In the event that the Merger Agreement is terminated as a result of the failure to obtain the requisite vote of Dynegy's stockholders, Dynegy will be required to reimburse Denali, Merger Sub and their respective affiliates up to \$10 million for documented out-of-pocket expenses incurred in connection with the Merger Agreement or the transactions contemplated therein.

In the event that the Merger Agreement is terminated as a result of the failure to obtain the requisite vote of Dynegy's stockholders and IF each of the following two events occur:

there is a bona fide acquisition proposal (as such term is defined in the Merger Agreement) made after the date of the Merger Agreement but prior to such termination, which has not been publicly withdrawn without qualification in a manner that would reasonably be expected to adversely affect the adoption of the Merger Agreement by the stockholders in any material respect at least five business days prior to the Special Meeting; AND

Dynegy consummates any transaction or series of transactions within 18 months of termination providing for the sale of assets (including equity securities of any of Dynegy's subsidiaries) for aggregate consideration (including assumption of any indebtedness by any purchaser of such assets) of greater than \$1.0 billion;

then Dynegy is required to pay Denali a termination fee equal to \$27.5 million less any Denali expenses paid by Dynegy with respect to the first \$1.0 billion of certain asset sales and an additional \$1.5 million with respect to each additional \$100 million of any such asset sales up to an aggregate of \$2.5 billion of any such asset sales (and a maximum termination fee of \$50 million in the aggregate (including any Denali expenses previously paid by Dynegy)).

In addition, in the event that the Merger Agreement is terminated as a result of the failure to obtain the requisite vote of Dynegy's stockholders and IF each of the following two events occurs:

there is a bona fide acquisition proposal made after the date of the Merger Agreement but prior to such termination, which has not been publicly withdrawn without qualification in a manner that would reasonably be expected to adversely affect the adoption of the Merger Agreement by the stockholders in any material respect at least five business days prior to the Special Meeting; AND

within 18 months of such termination, Dynegy enters into a definitive agreement with respect to an acquisition proposal (provided that references to 20% in the definition of acquisition proposal shall be changed to 50%) and such acquisition proposal is consummated;

then Dynegy is required to pay Denali a termination fee of \$50 million (less any Denali expenses previously paid by Dynegy).

NRG Energy, Inc. (NRG) and Denali entered into a Purchase and Sale Agreement, dated as of August 13, 2010, relating to the proposed sale of four of Dynegy's natural gas-fired power plants for cash consideration of approximately \$1.36 billion (the NRG PSA). If the NRG PSA is terminated and, within 18 months of such termination, NRG or its affiliate acquires any of the power plants contemplated to be sold pursuant to the NRG PSA, then NRG must (i) reimburse Merger Sub the full amount of any termination fees or reimbursement of expenses it received from Merger Sub and (ii) pay Merger Sub an additional amount equal to 2% of the total enterprise value of the power plants acquired by NRG or its affiliates.

We believe there is no basis to claim that our actions to date have constituted an acquisition proposal and would strongly disagree with any view to the contrary. However, we cannot be certain that an acquisition proposal will not be announced, disclosed or otherwise communicated to the Dynegy Board prior to the Special Meeting or that Denali will not claim that an acquisition proposal exists such that they are entitled to, in the circumstances described above, payment of the termination fee.

We believe defeating the Merger is the right course for Dynegy's stockholders. However, there can be no assurance that if the Merger is defeated that an alternative transaction will be presented to the stockholders in the future and, even if an alternative merger transaction is presented to the stockholders, that it will be for consideration equal to or in excess of the consideration to be paid in the Merger. If Dynegy continues as an independent public company, there can be no assurance that its Share price will remain at or exceed recent trading levels.

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Special Meeting. Each Share is entitled to one vote. Stockholders who sell Shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote such Shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Special Meeting even if they sell such Shares after the Record Date. Based on publicly available information, Seneca Capital believes that the only outstanding class of securities of Dynegy entitled to vote at the Special Meeting is the Shares.

Shares represented by properly executed **GOLD** proxy cards or voted via the internet or telephone will be voted at the Special Meeting as marked or instructed and, in the absence of specific instructions, will be voted **AGAINST** the Merger Agreement and **AGAINST** the proposal to approve any motion to adjourn the Special Meeting to permit the further solicitation of proxies to establish a quorum or to obtain additional votes in favor of Proposal 1 at the Special Meeting, and, in the discretion of the person(s) named as proxies, on all other matters as may properly come before the Special Meeting.

QUORUM

A majority of the Shares outstanding at the close of business on the Record Date and entitled to vote, present in person or represented by proxy, at the Special Meeting constitutes a quorum for the purposes of the Special Meeting. Shares represented at the Special Meeting but not voted, including Shares for which a stockholder directs an abstention from voting, will be counted for purposes of establishing a quorum. Broker non-votes (as described below) will be counted for purposes of establishing a quorum. A quorum is necessary to transact business at the Special Meeting. Once a Share is represented at the Special Meeting, it will be counted for the purpose of determining a quorum at the Special Meeting and any adjournment of the Special Meeting. However, if a new Record Date is set for the adjourned Special Meeting, then a new quorum will have to be established. In the event that a quorum is not present at the Special Meeting, it is expected that the Special Meeting will be adjourned.

VOTES REQUIRED FOR APPROVAL

Approval of the proposal to adopt the Merger Agreement requires the affirmative vote of the holders of a majority of the outstanding Shares entitled to vote thereon. For the proposal to adopt the Merger Agreement, you may vote **FOR**, **AGAINST** or **ABSTAIN**. Abstentions will not be counted as votes cast in favor of the proposal to adopt the Merger Agreement.

Approval of the proposal to adjourn the Special Meeting requires the affirmative vote of the holders of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Special Meeting, whether or not a quorum is present. For the proposal to adjourn the Special Meeting, you may vote **FOR**, **AGAINST** or **ABSTAIN**. Abstentions will have the same effect as a vote **AGAINST** approval of proposal to adjourn the Special Meeting. Broker non-votes are not counted for purposes of this proposal.

ABSTENTIONS

Abstentions will not be counted as votes cast in favor of the proposal to adopt the Merger Agreement or the proposal to adjourn the Special Meeting to solicit additional proxies, but will count for the purpose of determining whether a quorum is present.

BROKER NON-VOTES

Shares held in street name that are present by proxy will be considered as present for purposes of determining whether a quorum is present. With regard to certain proposals, the holder of record of Shares held in street name is permitted to vote as it determines, in its discretion, in the absence of direction from the beneficial holder of the Shares.

The term **broker non-vote** refers to shares held in street name that are not voted with respect to a particular matter, generally because the beneficial owner did not give any instructions to the broker as to how to vote such shares on that matter and the broker is not permitted under applicable rules to vote such shares in its discretion because of the subject matter of the proposal, but whose shares are present on at least one matter. Such shares shall be counted as present for the purpose of determining whether a quorum is present. Broker non-votes will not be counted as votes cast with respect to matters as to which the record holder has expressly not voted. Accordingly, Seneca Capital believes that if you do not instruct your bank, brokerage firm or other nominee to vote your shares of Dynegy's common stock, your shares of Dynegy's common stock will not be voted, and the effect will be the same as a vote **AGAINST** approval of the proposal to adopt the Merger Agreement, and your shares of Dynegy's common stock will not have an effect on the proposal to adjourn the Special Meeting.

REVOCATION OF PROXIES

You have the right to revoke a proxy, whether delivered over the internet, by telephone or by mail, at any time before it is exercised, by voting at a later date through any of the methods available to you, by giving written notice of revocation to Dynegy's Corporate Secretary, which must be filed with the Corporate Secretary by the time the Special Meeting begins, or by attending the Special Meeting and voting in person. Written notice of revocation should be mailed to: Dynegy Inc., Attention: Corporate Secretary, 1000 Louisiana Street, Suite 5800, Houston, Texas 77002.

DISSENTERS' RIGHT OF APPRAISAL

Under the General Corporation Law of the State of Delaware, stockholders who do not vote in favor of adopting the Merger Agreement will have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the proposed Merger is completed, but only if they submit a written demand for an appraisal before the vote on the adoption of the Merger Agreement and only if they comply with the Delaware law procedures, as more fully explained in Dynegy's Proxy Statement. This appraisal amount could be more than, the same as, or less than the amount a stockholder would be entitled to receive under the Merger Agreement.

IF YOU WISH TO VOTE AGAINST DYNEGY S PROPOSALS IN CONNECTION WITH THE MERGER, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED OR VIA THE INTERNET OR BY TELEPHONE.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Seneca Capital. Proxies may be solicited by mail, facsimile, telephone, telegraph, internet, in person and by advertisements. Seneca Capital will not solicit proxies via the internet.

Seneca Capital has been working with Georgeson, Inc. concerning solicitation and advisory services in connection with this solicitation, for which Georgeson, Inc. will receive a fee not to exceed \$150,000, inclusive of reimbursement for its reasonable out-of-pocket expenses. Georgeson, Inc. may solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. Seneca Capital may request banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. Seneca Capital will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that Georgeson, Inc. will employ up to approximately fifty persons to solicit Dynegy s stockholders for the Special Meeting.

The entire expense of soliciting proxies is being borne by Seneca Capital International Master Fund, L.P. and Seneca Capital, L.P. in proportion to their relative ownership of Shares. In addition to the fees to Georgeson, Inc. described above, costs related to the solicitation of proxies include expenditures for printing, postage, legal and related expenses and are expected to be approximately \$125,000, of which approximately \$17,000 have been paid to date.

If Seneca Capital is successful in its solicitation of proxies to defeat the proposed Merger at the Special Meeting, then it intends to seek reimbursement from Dynegy for its expenses incurred in connection therewith. We currently intend to submit the question of such reimbursement to a vote of Dynegy stockholders.

We intend to review our investments in Dynegy from time to time and have contemplated and reserve the right to implement plans or proposals with respect to Dynegy as a means of enhancing stockholder value, whether alone or with third parties. Specifically, we are considering a proposal to replace two members of the Dynegy Board and proposals for stockholder resolutions encouraging the Dynegy Board to enhance stockholder value. In addition, we are considering alternative transactions to the Merger that would provide stockholders with the opportunity for cash consideration as well as for continued participation in Dynegy as a public company, although we have no definitive plans for any such transactions at this time.

However, although such plans or proposals would be intended to enhance stockholder value, it is not possible to assure that such plans or proposals, if implemented, would have an immediate or long-term impact on Dynegy's Share price.

We do not intend to make any proposals at the special meeting regarding the Merger, although we may make such proposals at a later meeting of stockholders or through a separate consent solicitation.

On October 7, 2010, the members of Seneca Capital entered into a Joint Filing Agreement in which, among other things, the parties agreed to the joint filing on behalf of each of them of statements on Schedule 13D with respect to the securities of Dynegy.

Seneca Capital reserves the right to retain one or more financial advisors and proxy solicitors, who may be considered participants in a solicitation under Regulation 14A of the Exchange Act in addition to Georgeson, Inc.

INFORMATION REGARDING DYNEGY AND THE MERGER

According to Dynegy's Proxy Statement, Dynegy is a Delaware corporation with its principal executive office located at Wells Fargo Plaza, 1000 Louisiana Street, Houston, Texas, 77002. According to Dynegy's Proxy Statement, Dynegy's primary business is the production and sale of electric energy, capacity and ancillary services from its fleet of eighteen operating power plants in seven states totaling approximately 12,200 MW of generating capacity. Dynegy reports the results of its power generation business, based on geographical location and how it allocates its resources, as three separate segments in its consolidated financial statements: (i) generation Midwest segment, (ii) generation West segment and (iii) generation Northeast segment. Dynegy sells electric energy, capacity and ancillary services on a wholesale basis from its power generation facilities. Energy is the actual output of electricity and is measured in MWh. The capacity of a power generation facility is its electricity production capability, measured in MW. Wholesale electricity customers will, for reliability reasons and to meet regulatory requirements, contract for rights to capacity from generating units. Ancillary services are the products of a power generation facility that support the transmission grid operation, follow real-time changes in load and provide emergency reserves for major changes to the balance of generation and load. Dynegy sells these products individually or in combination to its customers under short-, medium- and long-term contractual agreements or tariffs.

Dynegy's customers include regional transmission organizations and independent service operations, integrated utilities, municipalities, electric cooperatives, transmission and distribution utilities, industrial customers, power marketers, financial participants such as banks and hedge funds, other power generators and commercial end-users. All of Dynegy's products are sold on a wholesale basis for various lengths of time from hourly to multi-year transactions. Some of Dynegy's customers, such as municipalities or integrated utilities, purchase its products for resale in order to serve their retail, commercial and industrial customers. Other customers, such as some power marketers, may buy from Dynegy to serve their own wholesale or retail customers or as a hedge against power sales they have made.

Dynegy is subject to the informational requirements of the Securities Exchange Act of 1934, as amended, and in accordance therewith is required to file reports, proxy statements and other information with the SEC. Reports, registration statements, proxy statements and other information filed by Dynegy with the SEC, including Dynegy's Proxy Statement, are publicly available at the SEC website: www.sec.gov.
