To The Shareholders of

Mercury General Corporation

Notice is hereby given that the Annual Meeting of Shareholders of MERCURY GENERAL CORPORATION (the Company) will be held at The Wilshire Hotel, 3515 Wilshire Boulevard, Los Angeles, California on May 11, 2011 at 10:00 a.m., for the following purposes:

1. To elect nine directors for the ensuing year to serve until the next Annual Meeting of Shareholders and until their successors are elected and have qualified;
2. To consider an advisory vote on executive compensation;
3. To consider an advisory vote on the frequency of future advisory votes on executive compensation; and
4. To transact such other business as may properly come before the meeting.

The Board of Directors has fixed the close of business on March 16, 2011 as the record date for the determination of shareholders entitled to notice of and to vote at the meeting.

Accompanying this Notice of Annual Meeting is a proxy. **WHETHER OR NOT YOU EXPECT TO BE AT THE MEETING, PLEASE COMPLETE, SIGN AND DATE THE ENCLOSED PROXY AND RETURN IT PROMPTLY.**

BY ORDER OF THE BOARD OF DIRECTORS,

Judy A. Walters, *Secretary*

Los Angeles, California

March 31, 2011

MERCURY GENERAL CORPORATION

Los Angeles, California 90010

PROXY STATEMENT

The Board of Directors of the Company is soliciting the enclosed proxy for use at the Annual Meeting of Shareholders of the Company to be held at 10:00 a.m. May 11, 2011, at The Wilshire Hotel, 3515 Wilshire Boulevard, Los Angeles, California. This Proxy Statement was first furnished to shareholders on or about March 31, 2011.

All shareholders who find it convenient to do so are cordially invited to attend the meeting in person. In any event, please complete, sign, date and return the proxy in the enclosed envelope.

A proxy may be revoked by written notice to the Secretary of the Company at any time prior to the voting of the proxy, or by executing a later proxy or by attending the meeting and voting in person. Unrevoked proxies will be voted in accordance with the instructions indicated in the proxies, or if there are no such instructions, such proxies will be voted FOR the election of the Board of Directors' nominees for director; FOR the proposal regarding an advisory vote on executive compensation; and every three years in response to the proposal regarding an advisory vote on the frequency of future advisory votes on executive compensation. Shares represented by proxies that reflect abstentions or include broker non-votes will be treated as present and entitled to vote for purposes of determining the presence of a quorum.

Shareholders of record at the close of business on March 16, 2011 will be entitled to vote at the meeting. As of that date, 54,817,677 shares of common stock, without par value (Common Stock), of the Company were outstanding. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares of the Company, represented in person or by proxy at the meeting, constitutes a quorum. The costs of preparing, assembling and mailing the Notice of Annual Meeting, Proxy Statement and proxy will be borne by the Company.

VOTING

In voting for the election of directors of the Company under the California General Corporation Law, if, prior to the commencement of voting, any shareholder has given notice of an intention to cumulate votes at the meeting, then all shareholders may cumulate their votes in the election of directors for any nominee if the nominee's name was placed in nomination prior to the voting. Under cumulative voting, each shareholder is entitled in the election of directors to one vote for each share held by the shareholder multiplied by the number of directors to be elected, and the shareholder may cast all such votes for a single nominee for director or may distribute them among any two or more nominees as the shareholder sees fit. If no such notice is given, there will be no cumulative voting. In the absence of cumulative voting, each shareholder may cast one vote for each share held multiplied by the number of directors to be elected, but may not cast more votes than the number of shares owned for any candidate and therefore a simple majority of the shares voting will elect all of the directors. Under either form of voting, the candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

In the event of cumulative voting, the proxy solicited by the Board of Directors confers discretionary authority on the proxies to cumulate votes so as to elect the maximum number of the Board of Directors' nominees. The proxy may not be voted for more than nine persons.

The advisory vote on executive compensation will be decided by the affirmative vote of a majority of the shares, present in person or represented by proxy, and entitled to vote at the Annual Meeting. The advisory vote on executive compensation is a non-binding advisory vote; however, the Compensation Committee and Board of Directors intend to consider the outcome of the vote when considering future executive compensation decisions. Abstentions will be considered shares entitled to vote in the tabulation of votes cast on this proposal, and will have the same effect as negative votes. Broker non-votes are not counted for the purpose of determining whether a matter has been approved.

The advisory vote on the frequency of the advisory vote on executive compensation will be decided by the alternative receiving the affirmative vote of the highest number of shares, present in person or represented by proxy, and entitled to vote at the Annual Meeting. Because the advisory vote on the frequency of the advisory vote on executive compensation is a non-binding advisory vote, the Board may decide that it is in the best interests of shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by the shareholders.

Pursuant to applicable New York Stock Exchange (NYSE) rules, your broker will not have discretion to vote absent direction from you on the matters to be presented at the Annual Meeting because such matters are non-routine within the meaning of such rules.

The Board of Directors recommends that shareholders vote FOR election of the nine directors named in this Proxy Statement to serve until the next Annual Meeting of Shareholders and until their successors are elected and have qualified (see page 5); FOR the proposal regarding an advisory vote on executive compensation (see page 20); and every three years in response to the proposal regarding an advisory vote on the frequency of the advisory vote on executive compensation (see page 21).

SECURITIES OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding the beneficial ownership of the Company's Common Stock as of March 31, 2011 by (i) each shareholder known by the Company to be a beneficial owner of more than 5% of any class of the Company's voting securities, (ii) each director and nominee for director of the Company, (iii) each executive officer named in the Summary Compensation Table below, and (iv) the executive officers and directors of the Company as a group. The Company believes that, except as otherwise noted, each individual has sole investment and voting power with respect to the shares of Common Stock indicated as beneficially owned by such individual.

Edgar Filing: MERCURY GENERAL CORP - Form DEF 14A

As of October 7, 1985, George Joseph, Gloria Joseph and the Company entered into an agreement with respect to the ownership by George and Gloria Joseph of the Company's Common Stock. The agreement provides, among other things, that the shares of Common Stock held jointly were halved and transferred into the separate names of George Joseph and Gloria Joseph under their individual and independent control. In addition, Gloria Joseph has certain rights to have her shares registered for sale pursuant to the Securities Act of 1933, as amended. The registration rights provided to Gloria Joseph will terminate at such time as she ceases to hold at least 5% of the then outstanding shares of the Company's Common Stock.

- (2) George Joseph's business address is: Mercury General Corporation, 4484 Wilshire Boulevard, Los Angeles, California 90010. Includes 1,600 shares held in trust for the benefit of Mr. Joseph's daughter over which Mr. Joseph maintains dispositive and voting power.

- (3) Gloria Joseph's business address is: Mercury General Corporation, 4484 Wilshire Boulevard, Los Angeles, California 90010.
- (4) Based on a Schedule 13G/A filed with the Securities and Exchange Commission by BlackRock, Inc. (BlackRock) on February 7, 2011, indicating beneficial ownership as of December 31, 2010 of 3,991,662 shares of the Company's common stock with the sole power to vote or direct the vote of 3,991,662 shares and the sole power to dispose or to direct the disposition of 3,991,662 shares. The Amendment to Schedule 13G filed by BlackRock amends the most recent Schedule 13G filing made by BlackRock. The address of BlackRock is 40 East 52nd Street, New York, New York 10022.
- (5) The table includes the following shares issuable upon exercise of options that are exercisable within 60 days from March 31, 2011: Gabriel Tirador, 22,025; Theodore Stalick, 32,000; Christopher Graves, 17,600; Allan Lubitz, 18,750; all executive officers and directors as a group, 129,125. The table also includes shares owned by the ESOP feature of the Company's profit sharing plan and allocated to the executive officers of the Company.

PROPOSAL 1:**ELECTION OF DIRECTORS**

The Board of Directors of the Company has nominated and recommends for election as directors the following nine persons to serve until the next Annual Meeting of Shareholders and until their respective successors shall have been duly elected and shall qualify. All of the nominees are presently directors of the Company.

The enclosed proxy will be voted in favor of the persons nominated unless otherwise indicated. If any of the nominees should be unable to serve or should decline to do so, the discretionary authority provided in the proxy will be exercised by the present Board of Directors to vote for a substitute or substitutes to be designated by the Board of Directors. The Board of Directors has no reason to believe that any substitute nominee or nominees will be required.

The table below indicates the position with the Company, tenure as director and age of each nominee as of March 31, 2011.

Name	Position with the Company	Age	Director Since
George Joseph	Chairman of the Board	89	1961(1)
Gabriel Tirador	President, Chief Executive Officer and Director	46	2003
Michael D. Curtius	Director and Executive Consultant	60	1996
Nathan Bessin	Director	85	1991
Bruce A. Bunner	Director	77	1991
Richard E. Grayson	Director	81	1985
Martha E. Marcon	Director	62	2008
Donald P. Newell	Director	73	1979(1)
Donald R. Spuehler	Director	76	1985

(1) Date shown is the date elected a director of Mercury Casualty Company, a predecessor of the Company. Each of these individuals was elected a director of the Company in 1985.

Directors are elected at each annual meeting of the shareholders for one year and hold office until their successors are elected and qualified. Executive officers serve at the pleasure of the Board of Directors.

Each member of the Board of Directors has extensive management and leadership experience gained through executive and professional service in insurance and other industries. In these roles, the directors have developed attributes and skills in management of capital, risk and operations. In addition, all of the directors have longstanding relationships with the Company, with 8 of the 9 directors serving on the Board of Directors or in executive positions with the Company for at least 15 years and average Board tenure of 22 years. This experience with the Company provides the members of the Board of Directors a thorough understanding of the Company's policies and processes, rules and regulations, risks and mitigating solutions and controls environment. The Nominating/Corporate Governance Committee's process for identifying, evaluating and recommending qualified candidates for nomination to the Board of Directors is described on page 10 under Director Nomination Process.

Set forth below are the names of the nominees for election to the Board of Directors, along with their present positions, principal occupations and public company directorships held in the past five years and the specific individual qualifications and skills of such directors that contribute to the overall effectiveness of the Board of Directors and its committees.

George Joseph, Chairman of the Board of Directors, has served as Chairman since 1961. He held the position of Chief Executive Officer of the Company for 45 years between 1961 and December 2006. He has more than 50 years experience in all phases of the property and casualty insurance business. The Company

believes that Mr. Joseph's expertise and experience in the insurance industry and in underwriting, claims management and rate making in particular, as well as his role as founder of the Company and his longstanding service as Chairman and Chief Executive Officer, qualify him for service on the Board of Directors.

Gabriel Tirador, President and Chief Executive Officer of the Company, has served as Chief Executive Officer since January 1, 2007 and as President since October 2001. He was the Company's Vice President and Chief Financial Officer from February 1998 until October 2001. From January 1997 to February 1998, he served as Vice President and Controller of the Automobile Club of Southern California. Prior to that, he served as the Company's assistant controller from March 1994 to December 1996. Mr. Tirador has over 20 years experience in the property and casualty insurance industry and is an inactive certified public accountant. The Company believes that Mr. Tirador's executive management and related experience in the property and casualty insurance industry as well as his accounting and financial reporting expertise, including experience as an auditor with KPMG LLP and in senior financial management positions, qualify him for service on the Board of Directors.

Michael D. Curtius served as President and Chief Operating Officer of the Company from May 1995 until October 2000. Since October 2000, Mr. Curtius has been employed by the Company as an executive consultant. He served as Vice President and Chief Claims Officer of the Company from October 1987 until May 1995. The Company believes that Mr. Curtius' operational and claims management expertise and his longstanding experience in executive management positions with the Company qualify him for service on the Board of Directors.

Nathan Bessin has been a Senior Partner of J. Arthur Greenfield & Co., Certified Public Accountants, for more than five years. The Company believes that Mr. Bessin's accounting and financial analysis expertise, his 60 years experience as a certified public accountant with J. Arthur Greenfield & Co., including his more than 20 years as managing partner of the firm, as well as his prior experience on the Board of Directors and as Chairman of the Audit Committee of Williams Sonoma, Inc. qualify him for service on the Board of Directors.

Bruce A. Bunner has been retired since February 2002. From January 1996 to February 2002, Mr. Bunner was President of Financial Structures, Limited, a Bermuda based insurance company and a subsidiary of Royal & SunAlliance Group plc. From April 1994 to April 1995, Mr. Bunner served as Director of External Affairs of Zurich Centre Advisors, Inc., a consulting company specializing in insurance and reinsurance risk arrangements. From January 1991 to April 1994, he served as Chairman of the Board of Centre Reinsurance Company of New York, a reinsurance company. Mr. Bunner was a partner in the firm of KPMG LLP from 1974 to 1990, except during the period from 1983 to 1986 when he served as Insurance Commissioner of the State of California. The Company believes that Mr. Bunner's expertise in accounting and regulatory matters, his executive management experience, his service as the Insurance Commissioner of the State of California, and his 20 years experience as a certified public accountant with KPMG LLP qualify him for service on the Board of Directors.

Richard E. Grayson has been retired since January 1995. Prior to January 1995, Mr. Grayson was Senior Vice President of Union Bank of Los Angeles, California and President and Director of Current Income Shares, Inc., a publicly held closed-end investment company. The Company believes that Mr. Grayson's financial market and banking experience and expertise in developing and managing investment portfolios as well as his senior management experience in large organizations qualify him for service on the Board of Directors.

Martha E. Marcon has been retired since January 2006. For more than 20 years prior to January 2006, Ms. Marcon was a partner of KPMG LLP in Los Angeles, California. During 2008, Ms. Marcon provided consulting services to KPMG LLP. The Company believes that Ms. Marcon's accounting and financial reporting expertise, particularly related to insurance organizations, and her experience as a certified public accountant for 28 years and an auditor with KPMG LLP for more than 30 years qualify her for service on the Board of Directors.

Donald P. Newell has been retired since May 2007. Between January 2001 and May 2007, Mr. Newell was Senior Vice President and General Counsel of SCPIE Holdings Inc., an insurance holding company. Mr. Newell also served as a director of SCPIE Holdings Inc. prior to January 15, 2007. For more than 25 years prior to January 2001, Mr. Newell was a partner of the law firm of Latham & Watkins LLP in Los Angeles and San Diego, California. The Company believes that Mr. Newell's legal, regulatory and corporate governance expertise, along with his experience as partner and in senior management positions with Latham & Watkins LLP and SCPIE Holdings Inc., qualify him for service on the Board of Directors.

Donald R. Spuehler has been retired since February 1995. From February 1992 through January 1995, Mr. Spuehler was of counsel to the law firm of O Melveny & Myers in Los Angeles, California. For more than 20 years prior to February 1992, Mr. Spuehler was a partner of O Melveny & Myers LLP. The Company believes that Mr. Spuehler's extensive legal and taxation expertise, as well as his experience as a partner with O Melveny & Myers LLP and his experience related to executive compensation matters qualify him for service on the Board of Directors.

Recommendation of the Board of Directors

The Board of Directors unanimously recommends that shareholders vote FOR the slate of nominees set forth above. Proxies solicited by the Board of Directors will be so voted unless shareholders specify otherwise on their proxy cards.

CORPORATE GOVERNANCE

Corporate Governance Documents

The Company has adopted Corporate Governance Guidelines that outline the Company's corporate governance policies and principles. The Company's Corporate Governance Guidelines and its other corporate governance documents, including its Code of Business Conduct and Ethics, Audit Committee Charter, Compensation Committee Charter, Nominating/Corporate Governance Committee Charter and Investment Committee Charter, are available, free of charge, on the Company's website at www.mercuryinsurance.com under the Investor Info and Corporate Governance tabs. The Company will also provide copies of these documents, free of charge, to any shareholder upon written request to the Company's Chief Financial Officer, Mercury General Corporation, 4484 Wilshire Boulevard, Los Angeles, California 90010. The information contained on the website is not incorporated by reference in, or considered part of, this Proxy Statement.

Director Independence

New York Stock Exchange (NYSE) rules and regulations require listed companies to have a board of directors with a majority of independent directors. The Company's Board of Directors currently consists of nine directors. The Board has determined that each of Nathan Bessin, Bruce A. Bunner, Richard E. Grayson, Martha E. Marcon, Donald P. Newell and Donald R. Spuehler has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company) and is independent under NYSE listing standards. Of the remaining directors, Messrs. Joseph and Tirador currently serve as executive officers of the Company and Mr. Curtius is currently employed by the Company as an executive consultant.

To assist the Board in making its determination regarding director independence, the Board has adopted independence standards that conform to, or are more rigorous than, the independence requirements of the NYSE. In addition to evaluating each director against the Company's Director Independence Standards, which are included in the Company's Corporate Governance Guidelines available on the Company's website noted above, the Board considers all relevant facts and circumstances in making its independence determination.

Board Leadership Structure

Leadership of the Company is currently shared between Mr. Joseph, Chairman of the Board of Directors, and Mr. Tirador, President and Chief Executive Officer. Mr. Joseph held the offices of Chairman and Chief Executive Officer from the founding of the Company until 2007. Mr. Tirador was appointed President in 2001 and Chief Executive Officer in 2007. The Company does not have a formal policy with respect to separation of the offices of Chairman of the Board and Chief Executive Officer, and the Board of Directors believes that flexibility in appointing the Chairman of the Board and Chief Executive Officer allows the Board of Directors to make a determination as to such positions from time to time and in a manner that it believes is in the best interest of the Company and its shareholders. Separating these positions currently allows the Chief Executive Officer to focus on the Company's day-to-day business, while allowing the Chairman of the Board to lead the Board of Directors in its primary role of review and oversight of management. The Board of Directors also believes that appointing the Chief Executive Officer separately from the Chairman of the Board is an important element of the Company's succession planning process. Because the positions of Chairman of the Board and Chief Executive Officer are executive officer positions in the Company, and given the current and active participation of each leader in significant matters affecting the Company, Mr. Newell has been appointed to act as the lead independent director. The lead independent director coordinates the activities of the non-management directors, including sessions of the non-management directors, and facilitates communications between the non-management directors and the other members of the Board and the management of the Company.

Board of Directors and Committees

The Board of Directors held four meetings during the last fiscal year and is scheduled to meet quarterly during the current fiscal year. In 2010 each director attended at least 75% of the aggregate of all meetings held by the Board of Directors and all meetings held by all committees of the Board on which such director served. Directors are encouraged to attend in person each Annual Meeting of Shareholders. Four directors attended the Annual Meeting of Shareholders in 2010.

The Company has an Audit Committee established in accordance with the requirements of Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. The responsibilities of the Audit Committee include, among other things, selecting and engaging the Company's independent auditors, reviewing the scope of audit engagements, reviewing comment letters of such auditors and management's response thereto, approving professional services provided by such auditors, reviewing the independence of such auditors, reviewing any major accounting changes made or contemplated, considering the range of audit and non-audit fees and reviewing the adequacy of the Company's internal accounting controls. The Audit Committee currently consists of Nathan Bessin, Martha E. Marcon, Donald P. Newell and Donald R. Spuehler, with Nathan Bessin acting as Chairman of this Committee. The Board of Directors has determined that each member of the Audit Committee is independent and meets the financial literacy requirements of the listing standards under the NYSE, that each member of the Audit Committee meets the enhanced independence standards established by the Securities and Exchange Commission (the SEC) and that each of Mr. Bessin and Ms. Marcon qualifies as an audit committee financial expert as that term is defined in the rules and regulations established by the SEC. The Audit Committee held seven meetings in 2010.

The Company has a Compensation Committee currently consisting of Donald R. Spuehler, Bruce A. Bunner and Richard E. Grayson, with Donald R. Spuehler acting as Chairman of this Committee. The Compensation Committee operates pursuant to a written charter adopted by the Board of Directors. The Compensation Committee held three meetings in 2010. The responsibilities of the Compensation Committee include, among other things, discharging the Board of Directors' responsibilities relating to compensation of the Company's executive officers, by designing in consultation with management and evaluating the compensation plans, policies and programs of the Company with respect to such executive officers, and administering the Company's Amended and Restated 2005 Equity Incentive Award Plan and Senior Executive Incentive Bonus Plan. The

Compensation Committee is also responsible for reviewing and approving the Compensation Discussion and Analysis for inclusion on the Company's Proxy Statement. The Board of Directors has determined that each member of the Compensation Committee is independent under the NYSE listing standards. Additional information regarding the Compensation Committee's process and procedures for consideration of executive compensation is provided below in Executive Compensation as part of the Compensation Discussion and Analysis and under the Summary Director Compensation Table.

The Company has a Nominating/Corporate Governance Committee currently consisting of Donald P. Newell, Nathan Bessin and Donald R. Spuehler, with Donald P. Newell acting as Chairman of this Committee. The Nominating/Corporate Governance Committee operates pursuant to a written charter adopted by the Board of Directors. The Nominating/Corporate Governance Committee held two meetings in 2010. The responsibilities of the Nominating/Corporate Governance Committee include, among other things, identifying and recommending to the Board of Directors qualified candidates for nomination as directors of the Company, developing and recommending to the Board of Directors corporate governance principles applicable to the Company, developing and overseeing the Company's policy for review and approval of related party transactions and overseeing the evaluation of the Board of Directors and management of the Company. The Board of Directors has determined that each member of the Nominating/Corporate Governance Committee is independent under the NYSE listing standards.

The Company has an Investment Committee currently consisting of George Joseph, Gabriel Tirador and Richard E. Grayson, with Richard E. Grayson acting as Chairman of this Committee. The Investment Committee operates pursuant to a written charter adopted by the Board of Directors. The Investment Committee held four meetings in 2010. The responsibilities of the Investment Committee include, without limitation, developing, reviewing and recommending to the Board of Directors and monitoring management's compliance with investment strategies and guidelines, selecting and monitoring the competence and performance of investment managers, monitoring compliance of the Company's investment policies and practices with applicable legal and regulatory requirements, reviewing and approving investment transactions, reporting to the Board of Directors at least quarterly regarding the investment transactions made by the Company and the Company's investment strategies and guidelines, and performing all other duties of the Board of Directors with respect to investment transactions made by the Company.

The Board of Directors Role in Risk Oversight

The Company's management is primarily responsible to manage risk and inform the Board of Directors regarding the most material risks confronting the Company. The Board of Directors has oversight responsibility of the processes established to monitor and manage such risks. The Board of Directors believes that such oversight function is the responsibility of the entire Board of Directors through frequent reports and discussions at regularly scheduled Board meetings. In addition, the Board has delegated specific risk management oversight responsibility to the Board Committees. In particular, the Audit Committee oversees management of risks related to accounting, auditing and financial reporting and maintaining effective internal controls for financial reporting and also meets regularly with and receives reports from the Company's internal auditors. The Investment Committee oversees management of risks related to the Company's investment guidelines and the investment portfolio. The Nominating/Corporate Governance Committee oversees risk management related to the Company's corporate governance guidelines and code of conduct, including compliance with listing standards for independent directors, committee assignments and conflicts of interest. The Compensation Committee oversees risk management related to the Company's executive compensation plans and arrangements. These specific risk categories and the Company's risk management practices are regularly reviewed by the Company's Board Committees and discussed with the entire Board of Directors in the ordinary course of each Committee's report at regular Board meetings.

Executive Sessions of Non-Management Directors

The Board of Directors holds regularly scheduled executive sessions of its non-management directors, and at least annually schedules a meeting with only independent directors. In accordance with the Company's corporate governance guidelines, Donald P. Newell, Chairman of the Nominating/Corporate Governance Committee, presides at these meetings. During 2010, the Board held four executive sessions of its non-management directors, including at least one such session with only independent directors.

Director Nomination Process

Director Qualifications. The Nominating/Corporate Governance Committee has established certain criteria as guidelines in considering nominations to the Company's Board of Directors. The criteria include: (a) personal characteristics, including such matters as integrity, age, education, diversity of background and experience, absence of potential conflicts of interest with the Company or its operations, and the availability and willingness to devote sufficient time to the duties of a director of the Company; (b) experience in corporate management, such as serving as an officer or former officer of a publicly held company; (c) experience in the Company's industry and with relevant social policy concerns; (d) experience as a board member of another publicly held company; (e) academic expertise in an area of the Company's operations; and (f) practical and mature business judgment. The criteria are not exhaustive and the Nominating/Corporate Governance Committee and the Board of Directors may consider other qualifications and attributes that they believe are appropriate in evaluating the ability of an individual to serve as a member of the Board of Directors. The Nominating/Corporate Governance Committee does not have a formal policy regarding diversity, but as described above considers a broad range of attributes and characteristics in identifying and evaluating nominees for election to the Board of Directors. The Nominating/Corporate Governance Committee views diversity broadly to include diversity of experience, skills and viewpoint in addition to more traditional diversity concepts. The Nominating/Corporate Governance Committee's goal is to assemble a Board of Directors that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Nominating/Corporate Governance Committee also considers candidates with appropriate non-business backgrounds.

Identification and Evaluation of Nominees for Directors. The Board of Directors believes that, based on the Nominating/Corporate Governance Committee's knowledge of the Company's corporate governance principles and the needs and qualifications of the Board at any given time, the Nominating/Corporate Governance Committee is best equipped to select nominees that will result in a well-qualified and well-rounded board of directors. Accordingly, it is the policy of the Nominating/Corporate Governance Committee not to accept unsolicited nominations from shareholders. In making its nominations, the Nominating/Corporate Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue their service. Current members with qualifications and skills that are consistent with the Nominating/Corporate Governance Committee's criteria for Board service are re-nominated. As to new candidates, the Nominating/Corporate Governance Committee will generally poll the Board members and members of management for recommendations. The Nominating/Corporate Governance Committee may also review the composition and qualification of the boards of directors of the Company's competitors, and may seek input from industry experts or analysts. The Nominating/Corporate Governance Committee reviews the qualifications, experience and background of the candidates. Final candidates are interviewed by the independent directors and executive management. In making its determinations, the Nominating/Corporate Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best represent shareholder interests through the exercise of sound judgment. After review and deliberation of all feedback and data, the Nominating/Corporate Governance Committee makes its recommendation to the Board of Directors. Historically, the Board of Directors has not relied on third-party search firms to identify director nominees. The Nominating/Corporate Governance Committee may in the future choose to engage third-party search firms in situations where particular qualifications are required or where existing contacts are not sufficient to identify an appropriate candidate.

Each of the nominees for election as director at the 2011 Annual Meeting of Shareholders was elected at the Annual Meeting of Shareholders held in 2010. Each of the nominees for election is recommended by the Nominating/Corporate Governance Committee to stand for reelection.

Communication with Directors

Shareholders and other interested parties may, at any time, communicate in writing with any particular director, or the non-management directors as a group, by sending such written communication to Mercury General Corporation Non-Management Directors, P.O. Box 36662, Los Angeles, California 90036. Copies of written communications received at such address will be directed to the relevant director or the non-management directors as a group.

Code of Business Conduct and Ethics

The Company has established a Code of Business Conduct and Ethics that applies to its officers, directors and employees. The Code of Business Conduct and Ethics contains general guidelines for conducting the business of the Company consistent with the highest standards of business ethics, and is intended to qualify as a code of ethics within the meaning of Section 406 of the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder and as a code of business conduct and ethics within the meaning of the NYSE listing standards. In the event the Company makes any amendments to, or grants any waivers of, a provision of its Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer or principal accounting officer that requires disclosure under applicable SEC rules, the Company intends to disclose such amendment or waiver and the reasons therefor on a Form 8-K or on its next periodic report.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Objectives and Overview

The Company's executive compensation program is designed to be simple and clear and understandable to employees and investors. The Company seeks to attract, motivate and build the long-term commitment of talented executives and to reward and encourage activities that promote the achievement of premium growth while managing costs and losses to maximize underwriting income and ultimately increase shareholder value. The Company's executive compensation program is administered, in the judgment of management, to tie total compensation to performance of the Company's business, and to align executive officer incentives with creation of the shareholder value the Company seeks to achieve.

Pursuant to a standing resolution of the Board of Directors adopted on January 11, 1986, Mr. Joseph, then President and Chief Executive Officer of the Company, was given authority for hiring, promoting and establishing compensation for all executive officers other than himself, with the Compensation Committee being responsible for establishing compensation for Mr. Joseph. Since Mr. Tirador's appointment as Chief Executive Officer of the Company in January 2007, the Compensation Committee has also had responsibility for establishing the compensation for Mr. Tirador. Messrs. Joseph and Tirador retain the authority to establish compensation for all other executive officers and annually review compensation and responsibilities of all other executive officers.

The Company's compensation program is designed to provide executive officers total compensation commensurate with responsibilities and competitive with compensation provided to executives in like positions, as determined by the Compensation Committee with respect to Messrs. Joseph and Tirador and as determined by Messrs. Joseph and/or Tirador with respect to the other executive officers, based on their experience in the insurance industry and the Company's continuing surveillance of industry and general business practice.

The Company's executive compensation program and the total compensation provided to executive officers are reviewed by the Compensation Committee annually to ensure that the program is designed and operated to achieve those goals.

Components of Executive Compensation

The Company's executive compensation program consists of base salary, annual cash bonuses, long-term incentives and perquisites and benefits:

Base Salary. The Company provides base salary to provide a stable annual salary at a level consistent with individual contributions. Base salary for executive officers is determined on the date of hire and evaluated annually thereafter or on any material change of duties or position. The base salary of Mr. Joseph, executive Chairman of the Board, and Mr. Tirador, Chief Executive Officer, is determined on an annual basis by the Compensation Committee. In addition to cash compensation, both Mr. Joseph and Mr. Tirador receive director fees for their participation on the Board of Directors. The Compensation Committee established base salary for Messrs. Joseph and Tirador for 2011 at the level provided in 2010 plus an amount equal to the payments previously made by the Company on behalf of Messrs. Joseph and Tirador under its health and welfare benefits plans, which separate payments were terminated effective January 1, 2011.

Pursuant to the standing resolution described above, Mr. Joseph, with the assistance of Mr. Tirador, establishes the base salary of other executive officers. Salary increases generally take into account the performance of the Company and the respective executive officer based on the subjective assessment of Messrs. Joseph and Tirador, as Chairman of the Board and President and Chief Executive Officer.

Annual Cash Bonuses. In addition to base salary, a substantial portion of total compensation for executive officers is provided through annual cash bonuses based on performance criteria for each recipient and for the Company as a whole. For 2010, performance-based cash bonuses were paid to the Company's executive officers and other employees, other than certain employees in the Company's investment and legal departments, from a single bonus pool that was created based on a percentage of the Company's Underwriting Income from its profitable lines of business (Underwriting Income). Underwriting Income is calculated for each of the Company's profitable lines of business as Earned Premiums less Losses and Loss Adjustment Expenses, Policy Acquisition Costs, and Other Operating Expenses, and is derived from the Company's consolidated financial statements prepared in accordance with United States generally accepted accounting principles (GAAP). Cash bonuses awarded to certain employees in the Company's investment department, including Christopher Graves, the Company's Vice President and Chief Investment Officer, are based on the financial results of the portion of the Company's investment portfolio under the applicable employee's management. Cash bonuses are awarded to certain employees in the Company's legal department based on the employee's management of assigned cases.

The Compensation Committee has recommended to the Board of Directors adoption of a new Annual Incentive Plan (the AIP) effective for the 2011 plan year, under which employees of the Company, including executive officers, are eligible to earn annual cash bonuses. The AIP was developed to establish more objective criteria for the award of incentive compensation based on enterprise-level financial objectives as well as individual performance goals that management and the Compensation Committee establish on an annual basis. The AIP has been designed with tools that the Company believes will help to manage undue risk taking by employees and executive officers. Employees and executive officers within the Company's investment department will continue to be awarded annual cash bonuses based on the financial performance of the Company's investment portfolio, and certain employees within the Company's legal department will continue to be awarded annual cash bonuses based on their management of assigned cases.

Annual cash bonuses paid to Messrs. Joseph and Tirador are awarded and earned under the Company's Senior Executive Incentive Bonus Plan (the Senior Plan) based on achievement of performance targets established annually by the Compensation Committee. Prior to 2010, bonuses paid to Messrs. Joseph and Tirador were based on a percentage of the Company's Underwriting Income determined by the Compensation Committee at the beginning of the applicable fiscal year. The Compensation Committee selected Underwriting Income as the performance measure for the determination of bonus awards because Underwriting Income is generally viewed as a key measure of the core profitability of property and casualty companies.

In 2010, Messrs. Joseph and Tirador determined bonus awards granted to executive officers other than the Chairman of the Board and Chief Executive Officer. The bonus awards, which were paid from the bonus pool created from the Company's Underwriting Income, were determined on a discretionary basis to reward executive officers for individual performance, successful attainment of goals established by Messrs. Joseph and Tirador, and the executive officer's ability to manage his or her area of responsibility, including direct and indirect costs as the volume of business varies, turnover and morale of employees under the executive officer's management, claims adjusting expenses and prevailing practice in the industry. Executive officers in the investment department were excluded from this calculation and treated under separate programs based on the performance of the Company's investment portfolio.

For 2010, the Compensation Committee established bonus targets under the Senior Plan for each of Mr. Joseph and Mr. Tirador between 120% and 200% of base salary based on performance criteria related to the Company's premium growth, combined ratio and customer service rankings, and for each performance criterion, a minimum threshold necessary to receive any bonus and an objective formula for determining bonus amounts at performance levels above the threshold amount. After review of the Company's financial performance during 2010, no bonus was awarded to either for 2010.

The Compensation Committee has established 2011 target bonuses for each of Mr. Joseph and Mr. Tirador under the Senior Plan equal to 120% of base salary and maximum bonuses equal to 225% of target bonus. The

Compensation Committee has established performance criteria for 2011 related to the Company's premium growth and combined ratio, and for each performance criterion, a minimum threshold necessary to receive any bonus and an objective formula for determining bonus amounts at performance levels above the threshold amount, up to the maximum bonus amount.

In addition to performance-based cash bonuses, each executive officer, along with all of the Company's employees consistent with the Company's historical practice, received an additional bonus in December 2010 equivalent to one-half-month's salary.

Long-Term Incentive Compensation. Long-term incentive compensation generally includes awards granted under the Company's 2005 Equity Incentive Award Plan (the "Plan"), which has been approved by shareholders. While stock options historically have been the dominant awards granted under the Plan, awards available under the Plan include a variety of stock-based compensation such as restricted stock, dividend equivalent awards, deferred stock awards, stock payment awards, stock appreciation rights and performance awards. The objective of granting long-term incentive awards under the Plan is to align executive officers' interests with the longer term interests of shareholders. These awards, which are at risk and dependent on the creation of incremental shareholder value or the attainment of cumulative financial targets over several years, represent a portion of the total compensation opportunity provided for the executive officers. Award sizes are based on individual performance, level of responsibility, the executive officer's potential to make significant contributions to the Company and award levels at other similar companies.

In 2010, the Compensation Committee began issuing performance-vesting restricted stock and restricted stock units to executive officers. The performance-vesting restricted stock and restricted stock units granted in 2010 will not vest until the end of a three-year period on December 31, 2012, and then only if, and to the extent that, the Company's GAAP Earned Underwriting Income during that three-year period achieves the threshold performance levels established by the Compensation Committee. For 2011, the Compensation Committee has issued performance-vesting restricted stock units to executive officers of the Company that will vest if and to the extent that the Company's GAAP Earned Underwriting Income during the three-year period ended December 31, 2013 achieves the threshold performance levels established by the Compensation Committee. The restricted stock units represent the right to earn and receive a number of shares of Common Stock based on the achievement of established earned underwriting income targets. The Compensation Committee determined to grant these performance-vesting awards to further align executive officer compensation to the performance of the Company over a multi-year period. The individual grants to named executive officers are subjectively determined based on a number of factors, including, the executive officer's responsibility level and functional role within the Company.

When options are granted, the grants are recommended to the Compensation Committee by management, are considered and approved by the Compensation Committee in connection with the quarterly Board of Directors meetings and are granted on or about the date of the meeting at 100% of fair market value of Company stock on the date of grant, as defined in the Plan.

Other Benefit Programs. The Company's executive compensation program also includes what it believes to be competitive benefits plans and programs, including a 401(k) savings plan and health and welfare benefits, such as medical, dental, vision care and life insurance benefits. In addition, from time to time, the Company provides executive officers with perquisites and other personal benefits that it and the Compensation Committee believe are reasonable and consistent with its overall compensation philosophy and goals. The Compensation Committee periodically reviews the types and levels of perquisites that are provided to executive officers. The named executive officers are provided with the following additional personal benefits: all named executive officers are provided with company-owned automobiles or automobile allowance and the Company pays club dues on behalf of Mr. Joseph. In 2010 and prior years, the Company also made additional payments on behalf of Messrs. Joseph and Tirador under its health and welfare benefits plans; however, this practice was terminated effective January 1, 2011.

Benchmarking and Compensation Consultants

The Compensation Committee has not benchmarked against any other companies during the past two years, but instead has relied upon experience of its members in setting compensation of the Chief Executive Officer and Chairman of the Board of the Company. The level of compensation of other executive officers of the Company is generally set by reference to, but not benchmarked against, competitive compensation in the industry and by the officer's experience and duties as determined by the Chief Executive Officer and Chairman of the Board of the Company. The Company engaged a compensation consultant to assist in the development of a new performance-based compensation plan for all employees, including executive officers.

Section 162(m) Treatment Regarding Performance-Based Equity Awards

Under Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), a public company is generally denied deductions for compensation paid to the chief executive officer and the next four most highly compensated executive officers to the extent the compensation for any such individual exceeds \$1,000,000 for the taxable year. The Company's executive compensation programs are designed to preserve the deductibility of compensation payable to executive officers, although deductibility will be only one among a number of factors considered in determining appropriate levels or types of compensation.

Conclusion

With compensation based on annual base salary, performance-based cash bonuses, long term equity incentives and participation in non-discriminatory profit sharing and employee benefits plans, the Company's executive compensation plan avoids the more complex compensation practices used by some companies. There are no severance agreements covering any executive officers of the Company. No executive officers have change of control or parachute payments arrangements other than with respect to cash bonuses awarded and earned but unpaid on the date of a change of control. No loans or loan policy exists with respect to executive officers. There are no deferred compensation programs in effect aside from the qualified Section 401(k) plan and no supplemental executive retirement or similar plans exist for executive officers. While future events may dictate the addition of different or additional compensation methods, there is no present plan to change the simple compensation policy now in effect.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis included in this Proxy Statement with management. Based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 and in the Company's Proxy Statement for the 2011 Annual Meeting of Shareholders.

Compensation Risks Assessment

As required by rules adopted by the SEC, management has made an assessment of the Company's compensation policies and practices with respect to all employees to determine whether risks arising from those policies and practices are reasonably likely to have a material adverse effect on the Company. In doing so, management considered various features and elements of the compensation policies and practices that discourage excessive or unnecessary risk taking. As a result of the assessment, the Company has determined that its compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

- (1) Represents the annual one-half-month's bonus awarded to all employees of the Company plus awards to the named executive officers as determined by Messrs. Joseph and Tirador based on the individual officer's performance and, for Mr. Lubitz, a signing bonus in connection with his accepting employment with the Company, which was paid 1/2 in 2008 and 1/2 in 2009.
- (2) Reflects the aggregate fair value of awards granted as of the applicable grant date calculated in accordance with Accounting Standards Codification Topic 718 (ASC 718) adopted by the Financial Accounting Standards Board. Grant date fair value for the restricted stock and restricted stock units granted to the named executive officers is based on the grant date fair value of the underlying shares and the probable outcome of performance-based vesting conditions, excluding the effect of estimated forfeitures. Grant date fair value for the stock options granted to the named executive officers was calculated using the Black-Scholes valuation model, and pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For additional information, refer to the notes to the Company's consolidated financial statements in its Annual Reports on Form 10-K for the years ended December 31, 2010, 2009 and 2008, as filed with the SEC.
- (3) Represents awards to Messrs. Joseph and Tirador under the Company's Senior Executive Incentive Bonus Plan described in more detail under "Senior Executive Incentive Bonus Plan" below.
- (4) See All Other Compensation table below.

Allan Lubitz	10/01/2010	1,000	4,000	4,000	40,930

- (1) Represents threshold, target and maximum number of performance-based restricted stock and restricted stock units (RSUs) eligible to be earned following completion of a three-year performance period ending December 31, 2012 based on the Company's achievement of established earned underwriting income targets. If the Company achieves 100% or greater of the three-year earned underwriting income target established by the Compensation Committee, then 100% of the restricted stock and RSUs will be earned. If the Company achieves at least 60% of the three-year earned underwriting income target, then 25% of the restricted stock and RSUs will be earned. If the Company achieves less than 60% of the three-year earned underwriting income target, then no restricted stock or RSUs will be earned. Each RSU that is earned represents a contingent right to receive one share of the Company's Common Stock in the future.
- (2) Represents the full grant date fair value of each individual equity award (on a grant-by-grant basis) as computed under ASC 718.

- (1) Each of the Company's non-employee directors received a \$4,000 quarterly retainer and \$4,000 for each board of directors meeting attended and reimbursement for their out-of-pocket expenses incurred in attending such meetings. In addition, members of Board committees receive additional compensation for service on Board committees. The chair of the Audit Committee received an annual retainer of \$4,000 and receives \$3,500 per Audit Committee meeting attended in person, and each member of the Audit Committee received \$2,500 per Audit Committee meeting attended in person. The chair of the Compensation Committee received an annual retainer of \$2,500, and members of the Compensation Committee received \$500 per meeting attended (other than meetings held on the date of meetings of the entire Board of Directors). The chair of the Nominating/Corporate Governance Committee received an annual retainer of

\$1,500 and \$1,500 per meeting attended, and each other member of the Nominating/Corporate Governance Committee received \$1,000 per meeting attended in person plus, in each case, reimbursement of their out-of-pocket expenses incurred in attending such meetings. Each non-management member of the Investment Committee received \$1,500 per meeting attended in person. The lead independent director received an annual retainer of \$10,000.

- (2) Mr. Curtius is employed by the Company as an Executive Consultant, and the amount presented reflects compensation paid to or earned by Mr. Curtius during 2010.

In accordance with the Company's Corporate Governance Guidelines, the Company's senior management annually reports to the Compensation Committee regarding the status of the Company's non-employee director compensation, including consideration of direct and indirect forms of compensation to the non-employee directors such as charitable contributions by the Company to organizations in which a non-employee director is involved. Following its review of the report, the Compensation Committee recommends any changes in non-employee director compensation to the Chairman of the Board. Any changes in non-employee director compensation are considered and approved by the Board of Directors after a full discussion.

Senior Executive Incentive Bonus Plan

The Company's Board of Directors adopted a Senior Executive Incentive Bonus Plan (the "Senior Plan") on March 23, 1998 and reapproved the Senior Plan on January 31, 2003 and February 8, 2008. The Company's shareholders approved the Senior Plan at Annual Meetings of Shareholders held on May 13, 1998, May 14, 2003 and May 13, 2008. Under the Senior Plan, designated executive officers of the Company are eligible to receive bonus payments. The Senior Plan provides an incentive for senior executives to perform superior work, ties the incentives of such executives to those of the Company and its shareholders, and enables the Company to attract and retain highly qualified senior executives. The Company believes that the bonuses payable by the Company under the Senior Plan to its senior executives will be fully deductible for federal income tax purposes. Messrs. Joseph and Tirador were the only participants in 2010.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

During the fiscal year 2010, Donald R. Spuehler, Bruce A. Bunner and Richard E. Grayson were members of the Compensation Committee, with Donald R. Spuehler acting as Chairman of the Committee. No member of the Company's Compensation Committee is a current or former officer or employee of the Company or any of its subsidiaries, and no current executive officer served as a member of the board of directors or compensation committee of any other entity that has or had one or more executive officers serving as a member of the Company's Board of Directors or Compensation Committee during 2010.

PROPOSAL 2:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Company's executive compensation program is designed to attract, motivate and retain a talented team of executives. The Company seeks to accomplish this goal in a way that rewards performance that is aligned with its shareholders' long-term interests. The Company believes that its executive compensation program achieves this goal and is strongly aligned with the long-term interests of its shareholders.

Pursuant to Section 14A of the Exchange Act, the Company is submitting a proposal to its shareholders for an advisory vote on the compensation of its named executive officers. This proposal, commonly known as a "say-on-pay" proposal, is a non-binding vote, but gives shareholders the opportunity to express their views on the compensation of the Company's named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers.

Accordingly, the following resolution is submitted for shareholder vote at the 2011 Annual Meeting:

RESOLVED, that the shareholders of Mercury General Corporation approve, on an advisory basis, the compensation of its named executive officers as disclosed in the Proxy Statement for the 2011 Annual Meeting pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, the accompanying tabular disclosure regarding named executive officer compensation and the corresponding narrative disclosure and footnotes.

As an advisory vote, this proposal is not binding. However, the Compensation Committee, which is responsible for designing and administering the Company's executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

The Board of Directors unanimously recommends that shareholders vote FOR the approval, on an advisory basis, of the compensation of the named executive officers, as disclosed in this Proxy Statement.

PROPOSAL 3:

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES

ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Exchange Act, the Company is submitting a proposal to its shareholders for an advisory vote as to whether the shareholder advisory vote to approve the compensation of our named executive officers Proposal No. 2 above should occur every one, two or three years. You may cast your vote by choosing one year, two years or three years or you may abstain from voting when you vote for the resolution set forth below.

RESOLVED, that the highest number of votes cast by the shareholders of Mercury General Corporation for the following options shall be the preferred frequency with which Mercury General Corporation is to hold an advisory vote on the approval of the compensation of its named executive officers included in the Proxy Statement: (a) yearly or (b) every two years or (c) every three years.

After careful consideration, the Board of Directors recommends that future advisory votes on executive compensation occur every three years (triennially). The Board of Directors believes that this frequency is appropriate for a number of reasons, including:

A triennial vote aligns with the three-year performance periods under the performance-vesting restricted stock units granted to executive officers, including the named executive officers, which are designed to incentivize and reward performance over a multi-year period, and will allow shareholders to more appropriately evaluate this and other compensation policies, practices and programs in relation to the Company's long-term performance; and

A triennial vote encourages a longer-term view of compensation by shareholders by allowing them an appropriate timeframe to evaluate the Company's performance and overall effectiveness of the executive compensation program.

For the foregoing reasons, the Company encourages its shareholders to evaluate the Company's executive compensation programs over a multi-year horizon and to review its named executive officers' compensation over the past three fiscal years as reported in the Summary Compensation Table above. In addition, the Company believes that a triennial advisory vote on executive compensation reflects the appropriate time frame for the Compensation Committee and the Board of Directors to evaluate the results of the most recent advisory vote on executive compensation, to discuss the implications of that vote with shareholders to the extent needed, to develop and implement any adjustments to its executive compensation programs that may be appropriate in light

of a past advisory vote on executive compensation, and for shareholders to see and evaluate the Compensation Committee's actions in context. In this regard, because the advisory vote on executive compensation occurs after the Company has implemented its executive compensation programs for the current year, and because the different elements of compensation are designed to operate in an integrated manner and to complement one another, the Company expects that in certain cases it may not be appropriate or feasible to fully address and respond to any one year's advisory vote on executive compensation by the time of the following year's annual meeting of shareholders.

Shareholders will be able to specify one of four choices for this proposal on the proxy card: three years, two years, one year or abstain. Shareholders are not voting to approve or disapprove the Board's recommendation. This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the Board of Directors. Notwithstanding the Board's recommendation and the outcome of the shareholder vote, the Board may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with shareholders and the adoption of material changes to compensation programs.

The Board of Directors unanimously recommends that shareholders vote to conduct future advisory votes on executive compensation every three years.

RELATED PERSON TRANSACTIONS

Related Party Transaction Approval Policy

The Board of Directors recognizes that related party transactions can present conflicts of interest and questions as to whether the transactions are in the best interest of the Company. Accordingly, the Board has adopted a policy and procedures for the review, approval and ratification of such transactions. For purposes of this policy, a related party transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, that is reportable under the Securities and Exchange Commission's rules regarding related party transactions.

Under this policy, a related party transaction should be approved or ratified based upon a determination that the transaction is in, or not opposed to, the best interest of the Company. The policy provides for the Nominating/Corporate Governance Committee to review and approve a transaction involving a director, the CEO or 5% shareholder, and for the CEO to review and approve a transaction involving any executive officer (other than the CEO and any executive who is also a director). Notice of a decision by the CEO to approve a related party transaction should be sent to the Nominating/Corporate Governance Committee prior to finalizing the transaction, which may seek more information or call a meeting to review the transaction in greater detail. If a director or executive officer becomes aware of a transaction that should have been but was not approved in advance under this policy, he or she should report the transaction to whomever would have approved the transaction had it been submitted for advance approval. If the transaction is ongoing and revocable, it should be reviewed to determine whether ratification or other action should be taken. If the transaction is completed and not revocable, it should be evaluated to determine if any mitigation or other action should be taken. The Company's related party transaction policy also provides that certain transactions that meet the criteria set forth in the policy have standing pre-approval.

Management is expected to report to the Nominating/Corporate Governance Committee any transaction with a related party that is not covered by this policy because it is not reportable under the SEC rules or that involves employment of an immediate family member not reported to the Nominating/Corporate Governance Committee in advance as described above.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Mercury General Corporation Board of Directors is composed of four independent directors as required by the listing standards of the New York Stock Exchange and operates under a written charter adopted by the Board of Directors. The members of the Audit Committee are Nathan Bessin (Chair), Martha E. Marcon, Donald P. Newell and Donald R. Spuehler.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants, KPMG LLP, are responsible for performing an independent audit of the Company's consolidated financial statements and internal control over financial reporting in accordance with standards of the Public Company Accounting Oversight Board (United States) and for issuing reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Company's independent accountants also provided to the Audit Committee the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and the Audit Committee discussed with the independent accountants that firm's independence. The Audit Committee also considered whether the provision of financial information systems design and other non-audit services by the independent accountants is compatible with their independence.

Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2010 filed with the Securities and Exchange Commission.

Audit Fees for Fiscal 2010 and 2009

The aggregate fees billed to the Company by KPMG LLP, the Company's independent auditors, for the fiscal years ended December 31, 2010 and 2009 are as follows:

	2010	2009
Audit Fees (1)	\$ 1,528,152	\$ 1,483,529
Audit-Related Fees (2)		7,650
Tax Fees		
All Other Fees (3)	5,453	

- (1) Audit Fees consist of the audit of the Company's annual financial statements included in the Company's Annual Report on Form 10-K and Annual Report to Shareholders, review of interim financial statements included in the Company's Quarterly Reports on Form 10-Q and audit services in connection with the Company's insurance subsidiaries' statutory and regulatory financial statement filings for those fiscal years. Audit Fees also include the audit of internal control over financial reporting.
- (2) Audit-Related Fees consist of fees associated with services related to an SEC comment letter received by the Company in 2009.
- (3) All Other Fees consist of review of workpapers related to regulatory examinations by insurance departments.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of KPMG LLP, and has concluded that the provision of such services is compatible with maintaining the independence of the Company's auditors.

Representatives of KPMG LLP will be present at the Annual Meeting, will be available to respond to questions and may make a statement if they so desire.

Selection of Independent Auditors

The Audit Committee is responsible to select the independent auditors to audit the Company's annual financial statements included in the Company's Annual Report on Form 10-K. The Audit Committee selected KPMG LLP during 2010 as independent auditors for that year. The Audit Committee expects to select the independent auditors to review the Company's interim financial statements for the first three quarters of 2011 and to audit the Company's annual financial statements for 2011 during the next few months, as part of its normal selection process.

Audit Committee Policy Regarding Pre-Approval of Audit and Permissible Non-Audit Services of the Company's Independent Auditors

The Company's Audit Committee has established a policy that all audit and permissible non-audit services provided by the independent auditors will be pre-approved by the Audit Committee. The Audit Committee has pre-approved certain non-audit services below established dollar threshold amounts. Additional non-audit services, or provision of non-audit services in excess of the threshold amounts, require separate pre-approval. These services may include audit services, audit-related services, tax services and other services. The Audit Committee considers whether the provision of each non-audit service is compatible with maintaining the independence of the Company's auditors. Pre-approval is detailed as to the particular service or category of services in excess of the threshold amounts and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Each director, executive officer of the Company, and person who owns more than 10% of a registered class of the Company's equity securities is required by Section 16(a) of the Securities Exchange Act of 1934 to report to the SEC by a specified date his or her transactions in the Company's securities. Regulations promulgated by the SEC require the Company to disclose in this Proxy Statement any reporting violations with respect to the 2010 fiscal year, which came to the Company's attention based on a review of the applicable filings required by the SEC to report such status as an officer or director or such changes in beneficial ownership as submitted to the Company. No reporting person of the Company made a late filing under Section 16(a) for transactions occurring in fiscal year 2010. These statements are based solely on a review of the copies of such reports furnished to the Company by its officers, directors and security holders and a representation that such reports accurately reflect all reportable transactions as holdings.

SHAREHOLDER PROPOSALS

Any proposal of a shareholder of the Company intended to be presented at the next Annual Meeting of Shareholders of the Company pursuant to Rule 14a-8 of the Proxy Rules of the SEC must be received by the Secretary of the Company not later than December 12, 2011, and any proposal of a shareholder submitted outside the processes of Rule 14a-8 must be received by the Company not later than January 12, 2012 to be considered for inclusion in the Company's proxy statement and form of proxy relating to that meeting.

OTHER MATTERS

The Company does not know of any business other than that described herein which will be presented for consideration or action by the shareholders at the meeting. If, however, any other business shall properly come before the meeting, shares represented by proxies will be voted in accordance with the best judgment of the persons named therein or their substitutes.

MERCURY GENERAL CORPORATION

PROXY FOR ANNUAL MEETING OF SHAREHOLDERS, MAY 11, 2011

THIS PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF

MERCURY GENERAL CORPORATION

The undersigned Shareholder(s) of MERCURY GENERAL CORPORATION (the Company) hereby constitutes and appoints George Joseph, Gabriel Tirador and Michael D. Curtius, and each of them, attorneys and proxies of the undersigned, each with full power of substitution, to attend, vote and act for the undersigned at the Annual Meeting of Shareholders of the Company to be held on May 11, 2011, and at any adjournment or postponement thereof, according to the number of shares of Common Stock of the Company which the undersigned may be entitled to vote, and with all the powers which the undersigned would possess if personally present, as indicated on the reverse side.

The proxies are directed to vote as specified on the reverse side. Except as specified to the contrary on the reverse side, the shares represented by this proxy will be voted FOR all nominees listed, FOR Proposal 2 and 3 Years in response to Proposal 3.

ESOP Participants: As to those Common Shares that are held for the undersigned in the Employee Stock Ownership Plan feature of the Company's Profit Sharing Plan, I instruct the Trustee of such plan to sign a proxy for me and to mark the proxy as I specify on the reverse side. If I do not so specify or return the signed proxy by May 10, 2011 at midnight, I understand that the Administrative Committee of such plan will instruct the Trustee how to vote the shares. I also understand that my vote will be held in the strictest confidence. ESOP participants in the plan may attend the Annual Meeting. However, shares held in those plans can only be voted as described in this paragraph, and cannot be voted at the meeting.

The undersigned revokes any prior proxy at such meeting and ratifies all said attorneys and proxies, or any of them, may lawfully do by virtue hereof. Receipt of the Notice of Annual Meeting of Shareholders and Proxy Statement is hereby acknowledged.
