Item 1.01. Entry into a Material Definitive Agreement.

On October 25, 2011, Philip Morris International Inc. (PMI) entered into a credit agreement (the Credit Agreement) relating to a senior unsecured revolving credit facility (the Facility) with the lenders named therein and Citibank International plc (CIP), as facility agent. The Facility provides for borrowings up to an aggregate principal amount of US\$3.5 billion (or the equivalent in Euro) and expires on October 25, 2016.

Interest rates on borrowings under the Facility will be based on prevailing interest rates for U.S. Dollars or Euro, as applicable, and as further described in the Credit Agreement.

The Facility will be used for general corporate purposes. The Credit Agreement requires the maintenance of an EBITDA to interest ratio, as defined therein, of not less than 3.5 to 1.0.

The Credit Agreement contains certain events of default customary for credit facilities of this type (with customary grace periods, as applicable), including nonpayment of principal or interest when due; material incorrectness of representations and warranties when made; breach of covenants; bankruptcy and insolvency; unsatisfied ERISA obligations; unstayed material judgment beyond specified periods; acceleration or payment default of other material indebtedness; and invalidation of PMI s guaranty.

If any events of default occur and are not cured within applicable grace periods or waived, the outstanding loans may be accelerated and the lenders commitments may be terminated. The occurrence of the bankruptcy and insolvency event of default will result in the automatic termination of commitments and acceleration of outstanding loans under the Credit Agreement.

The Facility replaces PMI s existing \$2,692,500,000 revolving credit agreement, dated as of December 4, 2007, by and among PMI, J.P. Morgan Europe Limited, as facility agent, and the lender parties thereto, which was to expire on December 4, 2012 (the 2007 Credit Agreement). The 2007 Credit Agreement was terminated effective October 25, 2011.

At October 25, 2011, PMI had no borrowings outstanding under the 2007 Credit Agreement.

Some of the lenders under the Credit Agreement and their affiliates have various relationships with PMI and its subsidiaries involving the provision of financial services, including cash management, investment banking and trust services. In addition, PMI and some of its subsidiaries may enter into foreign exchange and other derivative arrangements with certain of the lenders and their affiliates.

The description above is a summary and is qualified in its entirety by the Credit Agreement, which is filed as Exhibit 10.1 to this report and is incorporated herein by reference.

Item 1.02. Termination of a Material Definitive Agreement.

The information set forth above under Item 1.01 regarding the 2007 Credit Agreement is hereby incorporated by reference into this Item 1.02.
