JOINT ANNUAL MEETING OF STOCKHOLDERS

To Be Held On April 26, 2012

INTRODUCTION

This Combined Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Boards of Directors (the **Boards**) of the above listed entities, each a Maryland corporation (each a **Fund**, and collectively, the **Funds**), to be voted at the Joint Annual Meeting of Stockholders of the Funds, to be held at the offices of the Funds, 280 Park Avenue, 20th Floor, New York, New York 10017, on April 26, 2012 at 10:00 a.m. New York City time, and at any adjournments or postponements thereof (collectively, the **Meeting**). In order to attend the meeting in person, shareholders must bring valid photo identification. The solicitation will be by mail and the cost (including printing and mailing this Proxy Statement, Notice of Meeting and Proxy Card, as well as any necessary supplementary solicitation) will be borne by each Fund pursuant to the terms of its investment management agreement. In addition to soliciting proxies by mail, each Fund's officers or representatives of the Funds' investment manager may solicit proxies by telephone. The Notice of Meeting, Proxy Statement and Proxy Card are being mailed to stockholders on or about March 15, 2012.

In accordance with each Fund's by-laws, the presence in person or by proxy of the holders of record of a majority of the shares of each Fund issued and outstanding and entitled to vote at the Meeting shall constitute a quorum for such Fund at the Meeting. If, however, a quorum shall not be present or represented at the Meeting or if fewer shares are present in person or by proxy than is the minimum required to take action with respect to any proposal presented at the Meeting, the holders of a majority of the shares of each Fund present in person or by proxy (or a majority of votes cast if a quorum is present) shall have the power to adjourn the Meeting from time to time, without notice other than announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting shall be present. At any adjourned Meeting, if the relevant quorum is subsequently constituted, any business may be transacted which might have been transacted at the Meeting as originally called. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that they have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the brokers or nominees do not have discretionary voting power) will be treated as shares that are present but which have not been voted. For this reason, abstentions and broker non-votes will have no effect on obtaining the requisite approval of the proposals.

Although each Fund is a separate investment company that holds an annual meeting of stockholders, the Funds' Proxy Statements have been combined into this Combined Proxy Statement to reduce expenses to the Funds of soliciting proxies for the Meeting.

The Boards of Directors have fixed the close of business on February 21, 2012 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting. The outstanding voting shares of each Fund as of February 21, 2012 consisted of:

| Fund | Shares of Common Stock |
|-------------|-------------------------------|
| FOF | 27,439,099.000 |
| DVM | 12,621,954.000 |
| INB | 23,032,573.000 |
| RQI | 109,998,718.037 |
| RNP | 48,075,534.348 |
| UTF | 85,968,252.642 |
| RFI | 9,511,857.000 |
| PSF | 12,006,286.000 |

Each share is entitled to one vote and each fractional share is entitled to a proportional fractional share vote. All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked thereon or as otherwise provided therein. Accordingly, unless instructions to the contrary are marked, proxies will be voted for the election of the Directors. Any stockholder may revoke his or her proxy at any time prior to exercise thereof by giving written notice to the Secretary of the Fund(s) at its offices at 280 Park Avenue, New York, New York 10017, or by signing another proxy of a later date or by personally casting his or her vote at the Meeting. Stockholders can vote only on matters affecting the Fund(s) in which they hold shares. Because the proposals in the Notice of Joint Annual Meeting are separate for each Fund, it is essential that stockholders who own shares in multiple Funds complete, date, sign and return (or vote by Internet in respect of) each Proxy Card they receive.

The most recent annual report of each Fund, including financial statements, has been previously mailed to that Fund's stockholders. If you have not received your report or would like to receive an additional copy free of charge, please contact Francis C. Poli, Secretary of the Funds, at 280 Park Avenue, New York, New York 10017, (800) 330-7348, and it will be sent promptly by first-class mail.

PROPOSAL ONE

ELECTION OF DIRECTORS

For each Fund, at the Meeting, three Directors are nominated to be elected to serve for his respective term and until their successors are duly elected and qualified. The nominees for Director are George Grossman, Robert H. Steers and C. Edward Ward, Jr. for terms to expire in 2015. It is the intention of the persons named in the enclosed proxy to nominate and vote in favor of the nominees. At the Meeting, the holders of each Fund's common stock will have equal voting rights (i.e., one vote per share), and will vote as a single class on the election of Messrs. Grossman, Steers and Ward. Each nominee currently serves as Director of each of the nineteen funds within the group of funds registered under the Investment Company Act of 1940 (the "Act") that are managed by Cohen & Steers (the "Cohen & Steers Fund Complex").

Each Fund's stockholders initially elected their Board of Directors to staggered terms at the respective Annual Meeting of Stockholders held on:

| Funds | Date of stockholder meeting electing Board of Directors to staggered terms |
|-------|--|
| FOF | April 19, 2007 |
| DVM | April 27, 2006 |
| INB | April 17, 2008 |
| RQI | April 24, 2003 |
| RNP | April 29, 2004 |
| RFI | April 27, 1994 |
| UTF | April 28, 2005 |
| PSF | April 28, 2011 |

Accordingly, the term of office of only a single class of Directors will expire in 2012. As a result of this system, only those Directors in any one class may be changed in any one year, and it would require two years or more to change a majority of a Fund's Board of Directors. This system of electing Directors, which may be regarded as an anti-takeover provision, may have the effect of maintaining the continuity of management and, thus, make it more difficult for each Fund's stockholders to change the majority of Directors.

The nominees have consented to serve as Directors. The Board of each Fund knows of no reason why a nominee would be unable to serve, but in the event of such unavailability, the proxies received will be voted for such substitute nominee as the Board may recommend.

If elected at the Meeting.

Independent Directors are not interested persons, as defined in the Act of the Funds.

Interested person, as defined in the Act, of each Fund (Interested Director) because of the affiliation with Cohen & Steers Capital Management, Inc., each Fund's investment manager (the Advisor), and its parent company, Cohen & Steers Inc. (CNS).

Each Director, except Mr. Clark, has been a Director of the Funds for at least five years. Additional information about each Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Boards believe has prepared them to be effective Directors.

Michael Clark - Prior to becoming a Director of various Cohen & Steers funds, Mr. Clark served as President of the DWS family of funds and Managing Director of Deutsche Asset Management for over 5 years. Prior to then, he held senior management positions at Merrill Lynch Investment Managers and Merrill Lynch Asset Management, and prior thereto, was an auditor at Merrill Lynch & Co. and Deloitte & Touche. He has over 24 years of investment management and financial services industry experience.

Bonnie Cohen - In addition to her tenure as a Director of various Cohen & Steers funds, Ms. Cohen served as the Funds' lead Independent Director for one year. She has also served in high ranking positions within the federal government for the past 15 years. In addition, Ms. Cohen has served on the boards of several not-for-profit companies and charitable foundations and founded her own consulting firm. She also served on the board of a firm that analyzes the trends of commercial real estate.

George Grossman - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Grossman has practiced commercial and residential real estate law, real estate development, zoning and complex financing for over 30 years, managing his own law firm. Mr. Grossman also serves as the Chairman of the Boards' Contracts Review Committee (since 2004), coordinating the information presented to the Boards in connection with the renewal of each Fund's management contracts as well as interacting with the independent third party service provider.

Richard E. Kroon - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Kroon has served as the Cohen & Steers Fund Complex's lead Independent Director since 2006, acting as liaison between the Boards and the Independent Directors. Mr. Kroon has over 30 years of investment and management experience. In addition, he has served on the boards of several public and private companies, and charitable foundations.

Richard J. Norman - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Norman has served as the Chairman of the Boards' Governance Committee since 2004, acting as liaison between the Boards and the Investment Company Institute. Mr. Norman has over 34 years of investment experience. He served as the Investment Chair of Maryland Public Television for over 10 years, administering various investment opportunities. He serves on various boards of several charitable foundations, including the Salvation

Army, where he coordinates and oversees numerous fundraising efforts.

Frank K. Ross - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Ross has served as the Chairman of the Boards' Audit Committee since 2004, acting as liaison between the Boards and the Funds' independent registered public accountants. Mr. Ross has over 35 years of public accounting and auditing experience. In addition, he is a visiting professor, teaching accounting, auditing and ethics courses at a private university, and serves as the audit committee chairman and a member of the Human Resources and Compensation Committees of a public utility company. He was on the Board of NCRIC, Inc. from 2004 to 2006, when the company was sold. While on NCRIC's Board, he served on the audit and governance committees.

C. Edward Ward Jr. - In addition to his tenure as a Director of various Cohen & Steers funds, Mr. Ward has over 31 years of industry experience with closed-end investment companies, previously serving as Director of Closed-End Fund Management at the New York Stock Exchange. He also earned a master of business administration degree from Harvard University and currently serves as a trustee of a private university.

The Boards believe that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, the Boards believe that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Boards believe that their members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (*e.g.*, accountancy or law), public service or academic positions; experience from service as a board member (including the Boards of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for the Boards' Nominating Committee contains certain other specific requirements and factors considered by the Committee in identifying and selecting Director candidates (please see below).

To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Advisor, and also may benefit from information provided by the Funds' and the Advisor's counsel; both Board and Fund counsel have significant experience advising funds and fund board members. Each Board and its committees have the ability to engage other experts as appropriate. Each Board evaluates its performance on an annual basis.

Board Composition and Leadership Structure. The Act requires that at least 40% of a Fund's Directors be Independent Directors and, as such, not affiliated with the Advisor (Independent Directors). To rely on certain exemptive rules under the Act, a majority of a Fund's Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or certain transactions with affiliates, the Act or the rules thereunder require the approval of a majority of the Independent Directors. Currently, over 75% of the Funds' Directors are Independent Directors. The Chairmen of the Boards are interested persons of the Funds, and the Independent Directors have designated a lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews and comments on Board meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel. The Boards have determined that their leadership structure, in which the Independent Directors have designated a lead Independent Director to function as described above, is appropriate in light of the services that the Advisor and its affiliates provide to the Funds and potential conflicts of interest that could arise from these relationships.

During each Fund's fiscal year ended December 31, 2011, the Board of Directors met the number of times indicated in the table below:

| Fund | Number of Board Meetings |
|-------------|---------------------------------|
| RFI | 6 |
| RQI | 6 |
| RNP | 6 |
| UTF | 6 |
| FOF | 6 |
| DVM | 6 |
| INB | 6 |
| PSF | 6 |

Each Director attended at least 75% of the aggregate number of meetings of the Board of Directors and the Committees of which he or she was a member. The Funds do not have policies with regard to the Directors' attendance at annual meetings and none of the Directors attended any Fund's 2011 annual meeting of stockholders. Each Fund maintains five standing Board Committees: the Audit Committee, the Nominating Committee, the Contract Review Committee, the Governance Committee and the Dividend Committee. The Directors serving on each Committee are Independent Directors, and otherwise satisfy the applicable standards for independence of a committee member of an investment company issuer under the federal securities laws and under applicable listing standards of the New York Stock Exchange. The members of the Audit Committee are Ms. Cohen and Messrs. Clark, Ross, Kroon and Grossman. The members of the Nominating and Contract Review Committees are Ms. Cohen and Messrs. Kroon, Grossman, Norman, Ross, and Ward. The members of the Governance Committee are Messrs. Clark, Norman and Ward. The members of the Dividend Committee are Ms. Cohen, and Messrs. Kroon and Ward.

The Audit Committee of each Fund met three times during the fiscal year ended December 31, 2011 and operates pursuant to a written charter adopted by the Board. A current copy of the Audit Committee charter is available on the Advisor's website at cohenandsteers.com/downloads/AuditCommitteeCharter.pdf. The general purposes of each Audit Committee are to oversee the Fund's accounting and financial reporting and processes and audits of the Fund's financial statements; the integrity of the Fund's financial statements; the Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting processes and financial statement audits; and the qualifications, independence and performance of the independent registered public accounting firm(s) engaged by the Fund and the performance of the Fund's independent audit function, if any.

The Nominating Committee of each Fund, which met twice during the fiscal year ended December 31, 2011, operates pursuant to a written charter adopted by the Board. A current copy of the Nominating Committee charter is available on the Advisor's website at cohenandsteers.com/downloads/nominating_and_governing_comm_charter.pdf. The main functions of each Nominating Committee are to (i) identify individuals qualified to become Directors in the event that a position is vacated or created, (ii) select the Director nominees for the next annual meeting of stockholders and (iii) set any necessary standards or qualifications for service on the Board. The Nominating Committee requires that Director candidates have a college degree or equivalent business experience. The Committee may take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) an assessment of the candidate's ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, (iii) educational background, (iv) business, professional training or practice (e.g., accountancy or law), public service or academic positions, (v) an assessment of the candidate's character and integrity; (vi) experience from service as a board member (including the Board of the Funds) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations, (vii) whether

or not the candidate has any relationships that might impair his or her independence, such as any business, financial or family relationships with Cohen & Steers, Fund service providers or their affiliates and (viii) overall interplay of a candidate's experience, skill and knowledge with that of other Committee members. In addition, although the Committee does not have a formal policy with regard to consideration of diversity in identifying Director candidates, the Committee may consider whether a potential candidate's qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The Committee may, but is not required to, retain a third party search firm at the Fund's expense to identify potential candidates. The Nominating Committee will consider Director candidates recommended by stockholders, provided that any such stockholder recommendation is submitted in writing to the Fund, to the attention of the Secretary, at the address of the principal executive offices of the Fund and further provided that such recommendation includes all other information specified in the Nominating Committee charter and complies with the procedures set forth in Appendix A thereto.

The Contract Review Committees of the Funds (except PSF) each met once during the fiscal year ended December 31, 2011, and each Contract Review Committee operates pursuant to a written charter adopted by the Board. The main functions of each Contract Review Committee are to make recommendations to the Board of Directors after reviewing advisory and other contracts that the Fund has with the Advisor and to select third parties to provide evaluative reports and other information to the Board regarding the services provided by the Advisor.

The Governance Committee of each Fund met six times during the fiscal year ended December 31, 2011 and operates pursuant to a written charter adopted by the Board. The main function of each Governance Committee is to assist the Board in the oversight of appropriate and effective governance of the Fund. The Governance Committee oversees, among other things, the structure and composition of the Board Committees, the size of the Board and the compensation of Independent Directors for service on the Board and any Board Committee and the process for securing insurance coverage for the Board.

The Dividend Committee is newly organized and did not hold any meetings for the fiscal year ended December 31, 2011. The main function of each Dividend Committee is to assist the Board in the oversight of the Funds' process for determining distributions and to exercise the power to declare distributions delegated to it by the Board.

Board's Oversight Role in Management. The Board's role in management of each Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Funds, primarily the Advisor and its affiliates, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, each Board, acting at its scheduled meetings, or the lead Independent Director, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Funds' and the Advisor's Chief Compliance Officer and portfolio management personnel. Each Board's audit committee meets during its scheduled meetings, and between meetings the audit committee chair maintains contact, with the Funds' independent registered public accounting firm and the Funds' Treasurer and Chief Financial Officer. Each Board also receives periodic presentations from senior personnel of the Advisor or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, anti-money laundering, personal trading, valuation, credit, investment research and securities lending. Each Board also receives reports from counsel to the Funds' and the Advisor and the Boards' own independent legal counsel regarding regulatory compliance and governance matters. Each Board's oversight role does not make the Board a guarantor of the Fund's investments or activities.

Audit Committee Report

The Audit Committee of each Fund has met with PricewaterhouseCoopers LLP, the Fund's independent registered public accounting firm, to discuss the scope of the audit engagement, review the Fund's financial statements, and discuss the statements and audit results with management. The Audit Committee discussed with PricewaterhouseCoopers LLP the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, received the written disclosures and the letter from PricewaterhouseCoopers LLP required by PCAOB Rule 3526 and discussed with PricewaterhouseCoopers LLP the independent registered public accounting firm's independence. Based on these reviews and discussions, each Audit Committee recommended to the Board of Directors that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the last fiscal year for filing with the Securities and Exchange Commission (SEC).

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 30(h) of the Act, as applied to the Funds, require certain of the Funds' officers, Directors, the Advisor, affiliates of the Advisor, and persons who beneficially own more than 10% of a class of the Funds' outstanding securities to file reports of ownership of the Funds securities and changes in such ownership with the SEC. Those persons are required by SEC regulations to furnish the relevant Fund(s) with copies of all filings. To each Fund's knowledge, all of its officers and Directors, the Advisor and its affiliates and certain holders of more than 10% of its common stock complied with all filing requirements under Section 16(a) of the Exchange Act and Section 30(h) of the Act during the fiscal year ended December 31, 2011, with the following exceptions. One late filing was made on behalf of Ms. Cohen representing three transactions in INB, one late filing was made on behalf of Mr. Giallanza representing one transaction in PSF and two late filings were made on behalf of Mr. Scapell representing three transactions in PSF. The late filings were due to an administrative oversight.

Each Fund's Board of Directors, including the Independent Directors, unanimously recommends that the stockholders of its Fund vote FOR the election of each nominee to serve as a Director of the Fund.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

For the fiscal year ended December 31, 2011, each Fund's Audit Committee selected PricewaterhouseCoopers LLP, an independent registered public accounting firm, to audit the accounts of the Fund. Their selection was ratified and approved by the vote, cast in person, of a majority of the Directors of the Fund, including a majority of the Independent Directors who are independent as defined in the New York Stock Exchange listing standards. On March 20, 2012, the Board of each Fund will meet to consider the appointment of PricewaterhouseCoopers LLP as the Fund's registered public accounting firm (auditor) for the fiscal year ending December 31, 2012. This proxy statement will be updated if the Board of each Fund does not select PricewaterhouseCoopers LLP as the Fund's auditor for the year ended December 31, 2012. Each Audit Committee meets at least twice a year with representatives of the Funds' auditor to discuss the scope of their engagement and to review the financial statements of the Fund and the results of their examination thereof.

Aggregate fees billed by PricewaterhouseCoopers LLP for the last two fiscal years for non-audit services provided to the Advisor and any entity controlling, controlled by, or under common control with the Advisor that provides ongoing services to the Funds (collectively, with the Advisor, Service Affiliates), where the engagement relates directly to the operations and financial reporting of the Funds and which were pre-approved by the Audit Committees, were as follows:

| | 2011 | 2010 |
|--------------------|------|------|
| Audit-Related Fees | \$ 0 | \$ 0 |
| Tax Fees | \$ 0 | \$ 0 |
| All Other Fees | \$ 0 | \$ 0 |

The Audit Committees are required to pre-approve audit and non-audit services performed for the Funds by their auditor. The Audit Committees also are required to pre-approve non-audit services performed by the Funds' auditor for any Service Affiliate if the engagement for services relates directly to the operations and financial reporting of a Fund.

The Audit Committees may delegate pre-approval authority to one or more of their members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committees at their next scheduled meeting. The Audit Committees may not delegate their responsibility to pre-approve services to be performed by the Funds' principal auditor to the Advisor.

None of the services described above were approved by the Audit Committees pursuant to paragraphs (c)(7)(i)(C) of Rule 2-01 of Regulation S-X.

The aggregate fees billed by PricewaterhouseCoopers LLP for non-audit services rendered to the Funds and for non-audit services rendered to Service Affiliates for the fiscal years ended December 31, 2011 and December 31, 2010 were:

| Fund | December 31, 2011 | December 31, 2010 |

| DVM | \$ 6,000 | \$ 6,000 |
| INB | \$ 12,250 | \$ 12,250 |

| RFI | \$ 6,000 | \$ 6,000 |
| Service Affiliates | \$ 20,000 | \$ 20,000 |

The Audit Committees considered whether the provision of non-audit services that were rendered to Service Affiliates that were not required to be pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X was compatible with maintaining the independence of PricewaterhouseCoopers LLP.

Legal Proceedings

The Boards of Directors of RNP, RQI and UTF each received a letter from a law firm on behalf of purported holders of each Fund's shares of common stock demanding that the Boards of Directors take action against the Advisor and the Funds' Directors and officers to recover, for the benefit of each Fund, alleged damages related to such parties' alleged breaches of fiduciary duties related to the redemption of each Fund's auction preferred stock at their liquidation preference.

Subsequently, UTF and RQI, were named as nominal defendants in putative shareholder derivative actions filed in the Supreme Court of the State of New York, County of New York on August 26, 2010 and September 8, 2010, respectively (together, the Complaints).

On November 1, 2010, after an extensive investigation conducted with the assistance of independent counsel, the Special Committee determined that RNP, RQI and UTF should not pursue claims based on the allegations in the demand letters and rejected the demands made in the letters.

On April 14, 2011, Cohen & Steers, Inc. announced the voluntary dismissal by plaintiffs of the Complaints in their entirety with prejudice. The court approved the dismissal without any settlement or concessions by the defendants or Fund.

VOTES REQUIRED

For each Fund the presence in person or by proxy of the holders of a majority of the outstanding shares entitled to vote with respect to each proposal at the Meeting is required to constitute a quorum at the Meeting.

For each Fund the election of Messrs. Grossman, Steers and Ward will require the affirmative vote of a plurality of the votes cast at the Meeting, assuming a quorum is present.

If the accompanying form of proxy is executed properly and returned, shares represented by it will be voted at the Meeting in accordance with the instructions on the proxy. However, if no instructions are specified, shares will be voted for the election of the Directors. Each Fund's Board does not know of any matters to be brought before the Meeting other than the nomination and election of the Fund's nominees as described above in this proxy statement. The appointed proxies will vote in their discretion on any business other than the nomination and election of the Fund's nominees that properly comes before the Meeting or any postponement(s) or adjournment(s) thereof, if any.
