Stockholders who execute proxies retain the right to revoke them in person at the Meeting, by written notice received by the Secretary of the Fund at any time before they are voted or by delivering a duly executed proxy bearing a later date. Proxies that are not revoked will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR each of the nominees for Director.

The close of business on March 16, 2012, has been fixed as the record date for the determination of Stockholders entitled to notice of and to vote at the Meeting. Each Stockholder is entitled to one vote for each full share and an appropriate fraction of a vote for each fractional share held.

On the record date there were 40,841,947 shares of the Fund's common stock outstanding.

In the event that a quorum is not present at the Meeting, the persons named as proxies may propose, without notice other than by announcement at the Meeting, one or more adjournments or postponements of the Meeting to a date not more than 120 days after the original record date to permit further solicitation of proxies or until a quorum shall attend. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. The persons named as proxies will vote those proxies that they are entitled to vote FOR or AGAINST any such proposal at their discretion. Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of record of a majority of the outstanding shares of common stock of the Fund entitled to vote at the Meeting.

Votes cast by proxy or in person at the Meeting will be tabulated by the inspector of election appointed for the Meeting. The inspector of election will determine whether or not a quorum is present at the Meeting. The inspector of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which proxies have been returned but (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast and will not affect the plurality vote required for Directors. The persons named as proxies will have discretionary authority to vote all shares for which they serve as proxies, including abstentions and broker non-votes, on the adjournment of the Meeting, whether or not a quorum is present, to a date not more than 120 days after the original record date to permit further solicitation of proxies.

Stockholders who plan on attending the Meeting will be required to provide valid identification in order to gain admission.

The Board of Directors of the Fund knows of no business other than that discussed above that will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

PROPOSAL 1. ELECTION OF DIRECTORS

Background

In accordance with the Fund's Charter, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. At the Meeting, Stockholders will be asked to elect three Class I Directors, each to hold office until the 2015 Annual Meeting of Stockholders, or thereafter until his successor is elected and qualified, and one Class III Director, to hold office until the 2013 Annual Meeting of Stockholders, or thereafter until his successor is elected and qualified. The terms of office of the Class II Directors expire at the Annual Meeting of Stockholders in 2014, or thereafter until their respective successors are duly elected and qualified. The terms of office of the Class III Directors expire at the Annual Meeting of Stockholders in 2013, or thereafter until their respective successors are duly elected and qualified. These staggered terms have the effect of limiting the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors and could have the effect of depriving Stockholders of an opportunity to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of the Fund.

Following the transfer of investment management services from Blackstone Asia Advisors L.L.C. (BAA), the Fund's previous investment manager, to Aberdeen Asset Management Asia Limited (AAMAL), Prakash A. Melwani and Robert L. Friedman, who were affiliated with BAA, resigned from the Board. At a telephonic meeting held on January 11, 2012, the Board appointed Martin Gilbert and Hugh Young, who are affiliated with AAMAL, to serve as Interested Directors in Class I and Class III, respectively. Mr. Gilbert is a nominee for election as a Class I Director and Mr. Young is a nominee for election as a Class III Director. The qualifications of Messrs. Gilbert and Young are described in more detail below. Messrs. Becker and Salacuse, other nominees for election as a Class I Directors, have been members of the Fund's Board of Directors since 2003 and 1993, respectively.

The persons named in the accompanying form of proxy intend to vote at the Meeting (unless directed not to vote) FOR the election of the nominees listed below. The nominees have consented to their being named in this proxy statement and have indicated that they will serve if elected. If a nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named as proxies in their discretion.

Director Share Ownership Policy

At a meeting of the Board of Directors, held on January 25, 2012, the Directors adopted a Share Ownership Policy (the Policy). The Policy requires each Director of the Fund to purchase 1,000 shares of the Fund. Each current Director has a reasonable amount of time from the date of adoption of the Policy to satisfy the foregoing requirement, but must satisfy this requirement no later than eighteen (18) months after the Policy was adopted. Each newly-elected or newly-appointed Director must comply with the Policy within a reasonable amount of time of becoming a Director, but no later than eighteen (18) months after the Director was elected or appointed.

Responsibilities of the Board of Directors

The Board of Directors is responsible under applicable state law for overseeing generally the operation of the Fund. The Directors oversee the Fund's operations by, among other things, meeting at regularly scheduled meetings and as otherwise needed with the Fund's management and evaluating the performance of the Fund's service providers including AAMAL and the Fund's custodian and the transfer agent. As part of this process, the Directors consult with the Fund's independent registered public

accounting firm and the Independent Directors (defined below) consult with their own separate independent counsel.

The Directors regularly review the Fund's financial statements, performance and market price as well as the quality of the services being provided to the Fund. As part of this process, the Directors review the Fund's fees and expenses to determine if they are reasonable and competitive in light of the services being received, while also ensuring that the Fund continues to have access to high quality services in the future. Based on these reviews, the Directors periodically make suggestions to the Fund's management and monitor to ensure that responsive action is taken. The Directors also monitor potential conflicts of interest among the Fund, AAMAL and their affiliates and other funds and clients managed by AAMAL with the objective that the Fund will be managed in a manner that is in the best interest of the Fund's Stockholders.

The Board of Directors has four regularly scheduled meetings each year and additional meetings are scheduled as needed. Furthermore, the Board of Directors has a standing Audit Committee and a Nominating Committee, each composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards (Independent Directors).

The Board of Directors is currently comprised of eight Directors, six of whom are Independent Directors. Mr. Salacuse serves as chairman of the Board and is an Independent Director. The Independent Directors have separate legal counsel and regularly meet apart from management. In fulfilling their general oversight responsibility, the Directors regularly receive reports from the Fund's investment manager, the Fund's Chief Compliance Officer (CCO) and counsel to the Fund and to the Independent Directors. The Board's role in risk oversight of the Fund reflects its responsibility under applicable state law to oversee generally, rather than to manage, the operations of the Fund. In line with this general oversight responsibility, the Board receives reports and makes regular inquiry at its quarterly meetings and as needed regarding the nature and extent of significant Fund risks (including investment, compliance and valuation risks) that potentially could have a materially adverse impact on the business operations, investment performance or reputation of the Fund, but relies upon the Fund's management (including its portfolio managers and Chief Compliance Officer, who reports directly to the Board) and AAMAL to assist it in identifying and understanding the nature and extent of such risks and determining that such risks are being effectively managed by the implementation of appropriate policies, procedures and controls.

In addition to reports and other information received from Fund management and AAMAL regarding the Fund's investment program and activities, the Board as part of its risk oversight efforts meets at its quarterly meetings and as needed with the Fund's Chief Compliance Officer to discuss, among other things, any issues regarding the policies, procedures and controls of the Fund. The Board may be assisted in performing aspects of its role in risk oversight by the Audit Committee and such other standing or special committees as may be established from time to time by the Board. Because the Chairman of the Board and the Chair of each of the Board's Audit and Nominating Committees is an Independent Director, the manner in which the Board administers its risk oversight efforts is not expected to have any significant impact on the Board's leadership structure. Based on a review of the Board and its functions, the Board has determined that the leadership structure of the Board of Directors, including its role in risk oversight, is appropriate given the characteristics and circumstances of the Fund.

The Board recognizes that not all risks that may affect the Fund can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, despite the periodic reports the Board receives, it may not be made aware of all of the relevant information of a particular risk. Most of the Fund's investment management and business affairs are carried out by or through the Fund's management and AAMAL and other service providers each of which has an independent interest in risk management but whose policies and the methods by which one or more risk management functions are carried out may differ from the Fund's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. As a result of the foregoing and other factors, the Board's risk management oversight is subject to substantial limitations.

Officers of the Fund

The executive officers of the Fund are chosen each year generally at the first meeting of the Board of Directors of the Fund following the Annual Meeting of Stockholders, to hold office until the meeting of the Board following the next Annual Meeting of Stockholders and until their successors are chosen and qualified. The current executive officers of the Fund, who were appointed following the transfer of investment management services from BAA to AAMAL, are:

Audit Committee

The Fund's Audit Committee is composed entirely of Directors who are not interested persons of the fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards. Currently, Mr. Salacuse is the chairman and Messrs. Becker, Gelb, Hardy, Henry and Rubio are members of the Audit Committee. The Audit Committee convened three times during the fiscal year ended December 31, 2011. The principal functions of the Audit Committee are to appoint and retain the Fund's independent registered public accounting firm, to review with the independent registered public accounting firm the scope, performance and anticipated cost of their audit and to receive and consider a report from the independent registered public accounting firm concerning their conduct of the audit, including the form of the opinion proposed to be rendered and any comments or recommendations the independent registered public accounting firm might want to make in that connection. The Board has determined that Mr. Becker is an audit committee financial expert, as defined in Section 401(h) of Regulation S-K. The Fund adopted an Audit Committee Charter in February 2000, which was most recently amended in July 2010. The Fund's amended and restated Audit Committee Charter was filed as Appendix A to the Proxy Statement filed by the Fund on March 17, 2011.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Pursuant to the Fund's Audit Committee Pre-Approval Policy, the Audit Committee pre-approved all audit and non-audit services provided by PricewaterhouseCoopers LLP (PwC), the Fund's independent registered public accounting firm, to the Fund in 2011. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by PwC, as necessary, between audit committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting. A representative of PwC will be available at the Meeting to answer appropriate questions and will have an opportunity to make a statement if he or she chooses to do so.

Nominating Committee

The Nominating Committee is composed entirely of Directors who are not interested persons of the Fund, AAMAL or its affiliates within the meaning of the 1940 Act, and who are independent as defined in the NYSE listing standards. Currently, Mr. Salacuse is the chairman and Messrs. Becker, Gelb, Hardy, Henry and Rubio are members of the Nominating Committee. This Committee met once during the fiscal

year ended December 31, 2011. The principal function of the Nominating Committee is to select and nominate persons for election as Directors of the Fund. The Fund adopted a Nominating Committee Charter on December 18, 2003, which was filed as Appendix B to the Proxy Statement filed by the Fund on March 24, 2010.

The Nominating Committee identifies potential nominees through its network of contacts. While the Nominating Committee meets to discuss and consider such candidates' qualifications and then chooses a candidate by majority vote, the Nominating Committee does not have specific, minimum qualifications for nominees and has not established specific qualities or skills that it regards as necessary for one or more of the Fund's Directors to possess (other than any qualities or skills that may be required by applicable law, regulation or listing standard).

In identifying and evaluating nominees, the Nominating Committee considers factors it deems relevant which include: whether or not the person is an interested person as defined in the 1940 Act and whether the person is otherwise qualified under applicable laws and regulations to serve on the Board of Directors of the Fund; whether or not the person has any relationship that might impair his or her independence, such as any business, financial or family relationships with Fund management, the investment manager of the Fund, Fund service providers or their affiliates; whether or not the person serves on boards of, or is otherwise affiliated with, competing organizations or funds; and the character and integrity of the person and the contribution which the person can make to the Board. The Nominating Committee does not have a formal diversity policy but may also consider diversity of professional experience, education and skills when evaluating potential nominees. The Nominating Committee will accept nominations for the office of Director made by Fund Stockholders. Stockholders who wish to recommend a nominee should send nominations to the Secretary of the Fund which include biographical information and set forth the qualifications of the proposed nominee. There are no differences in the manner in which the Nominating Committee evaluates nominees based on whether such nominees are recommended by a Stockholder.

The Fund does not pay a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees. The Nominating Committee did not receive a recommended nominee from a Stockholder who beneficially owned, or a group of Stockholders who beneficially owned, more than 5% of the Fund's shares for at least one year as of the date the recommendation was made.

Board Meetings

During the fiscal year ended December 31, 2011, the Board of Directors held four regular meetings and three special meetings. Each Director attended at least 75% of the meetings of the Board or the committee(s) of the Board on which he served.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, and Section 30(h) of the 1940 Act in combination require the Fund's Directors and officers, persons who own more than ten percent of the Fund's common stock, and AAMAL and its directors and officers, to file reports of ownership and changes

in ownership of the Fund's securities with the SEC and the NYSE. These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file.

Based solely on a review of those forms furnished to the Fund, other than as indicated below, the Fund believes that the Fund's Directors and officers, and AAMAL and its directors and officers, have complied with applicable filing requirements during the fiscal year ended December 31, 2011. The Form 3 Initial Statement of Beneficial Ownership of the Directors of AAMAL were filed subsequent to the 10-day period specified in the Form.

Report of the Audit Committee

The Audit Committee reports that it has: (i) reviewed and discussed the Fund's audited financial statements for the fiscal year ended December 31, 2011 with management; and (ii) discussed with PricewaterhouseCoopers LLP (PwC), the Fund's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61 (SAS 61). SAS 61 requires the independent registered public accounting firm to communicate to the Audit Committee matters including, if applicable: (i) methods used to account for significant unusual transactions; (ii) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus; (iii) the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and (iv) disagreements with management over the application of accounting principles and certain other matters.

The Audit Committee also reports that it previously received written confirmation from PwC that it is independent and written disclosures regarding such independence as required by the Public Company Accounting Oversight Board Rule 3526 and discussed with PwC the independent registered public accounting firm's independence. In addition, the Audit Committee has reviewed the aggregate fees billed by PwC for professional services rendered to the Fund and for non-audit services provided to: (i) Blackstone Asia Advisors, L.L.C. (Blackstone Advisors), the Fund's former investment manager, and any entity controlling, controlled by or under common control with Blackstone Advisors that provided services to the Fund and (ii) Aberdeen Asset Management Asia Limited (AAMAL), the Fund's investment manager as of December 19, 2011, and any entity controlling, controlled by or under common control with AAMAL that provided services to the Fund. As part of this review, the Committee considered, in addition to other practices and requirements relating to selection of the Fund's independent registered public accounting firm, whether the provision of such non-audit services was compatible with maintaining the independence of PwC.

Based on the foregoing review and discussions, the Audit Committee presents this report to the Board of Directors and recommends that: (i) the Fund's audited financial statements for the fiscal year ended December 31, 2011 be included in the Fund's annual report to stockholders for such fiscal year and (ii) such annual report be filed with the Securities and Exchange Commission and the New York Stock Exchange.

Required Vote

Directors are elected by a plurality of all the votes cast by the holders of shares of common stock of the Fund present in person or represented by proxy at a meeting with a quorum present. A plurality of the votes cast means the candidate must receive more votes than any other candidate for the same position, but not necessarily a majority of the votes cast. For purposes of the election of Directors, abstentions and broker non-votes will not be considered votes cast, and do not affect the plurality vote required for Directors.

Please note that unless otherwise instructed, the proxies will vote FOR each nominee for Director.

The Directors, including the independent Directors, recommend that Stockholders vote FOR each nominee for Director.

Independent Registered Public Accounting Firm

The Fund's Audit Committee has adopted written policies relating to the pre-approval of the audit and non-audit services performed by the Fund's independent registered public accounting firm. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, it requires specific pre-approval by the Audit Committee. Under the policies, on an annual basis, the Fund's Audit Committee reviews and pre-approves the services to be provided by the independent registered public accounting firm without having obtained specific pre-approval from the Audit Committee. In addition, the Audit Committee pre-approves any permitted non-audit services to be provided by the independent registered public accounting firm to AAMAL or any entity controlling, controlled by, or under common control with AAMAL if such services relate directly to the operations and financial reporting of the Fund. As set forth in the Audit Committee Pre-Approval Policies, the Audit Committee has authorized the Chairman of the Audit Committee to pre-approve certain services to be performed by PwC, as necessary, between audit committee meetings which would then be presented to the full Audit Committee at its next regularly scheduled meeting.

Audit Fees. The aggregate fees paid to PwC in connection with the annual audit of the Fund's financial statements and for services normally provided by PwC in connection with the statutory and regulatory filings of the Fund for the fiscal years ended December 31, 2010 and December 31, 2011 were \$98,346 and \$99,166, respectively, including out-of-pocket expenses.

Audit-Related Fees. The aggregate fees paid to PwC in connection with assurance and related services related to the annual audit of the Fund and for review of the Fund's financial statements, other than the Audit Fees described above, for the fiscal years ended December 31, 2010 and December 31, 2011 were \$0 and \$0, respectively.

Tax Fees. The aggregate fees paid for domestic and international tax-related services, including tax compliance, tax advice and tax planning, rendered by PwC to the Fund for the fiscal years ended December 31, 2010 and December 31, 2011 were \$77,570 and \$97,595, respectively.

All Other Fees. The aggregate fees billed for all other non-audit services rendered by PwC to the Fund for the fiscal years ended December 31, 2010 and December 31, 2011 were \$0 and \$0, respectively.

The aggregate non-audit fees billed by PwC for services rendered to the Fund, AAMAL, the Fund's investment manager, and any entity controlling, controlled by or under common control with the Fund or AAMAL that provided ongoing services to the Fund for the fiscal years ended December 31, 2010 and December 31, 2011 were \$0 and \$1,941,271, respectively. The Audit Committee has determined that the provision of non-audit services is compatible with maintaining the independence of PwC.

None of the services described above, provided in the fiscal year ended December 31, 2011, were approved pursuant to the *de minimis* exception provided in Rule 2-01(c)(7)(i)(C) of Regulation S-X promulgated by the SEC.

Other Business

The Fund's Board of Directors does not know of any other matter that may come before the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the proxy to vote the proxies in accordance with their judgment on that matter.

Stockholder Proposals

All proposals by Stockholders of the Fund that are intended to be presented at the Fund's next Annual Meeting of Stockholders, to be held in 2013, must be received by the Fund (addressed to The India Fund, Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103) for inclusion in the Fund's proxy statement and proxy relating to that meeting no later than November 23, 2012. Any Stockholder who desires to bring a proposal for consideration at the Fund's year 2013 Annual Meeting of Stockholders without including such proposal in the Fund's proxy statement must deliver written notice thereof to the Secretary or Assistant Secretary of the Fund (addressed to The India Fund, Inc., 1735 Market Street, 32nd Floor, Philadelphia, PA 19103) during the period from December 28, 2012 to January 28, 2013. However, if the Fund's 2013 Annual Meeting of Stockholders is held earlier than March 28, 2013 or later than June 26, 2013, such written notice must be delivered to the Secretary or Assistant Secretary of the Fund no earlier than 120 days before the date of the 2013 Annual Meeting of Stockholders and no later than the later of 90 days before the date of the 2013 Annual Meeting of Stockholders or 10 days following the public announcement of the date of the 2013 Annual Meeting of Stockholders.

Any Stockholder proposal, including any accompanying supporting statement, may not exceed 500 words. A Stockholder desiring to submit a proposal must be a record or beneficial owner of shares with a market value of \$2,000 and must have held such shares for at least one year. Further, the Stockholder must continue to hold such shares through the date on which the Meeting is held. Documentary support regarding the foregoing must be provided along with the proposal. There are additional requirements

regarding proposals of Stockholders, and a Stockholder contemplating submission of a proposal is referred to Rule 14a-8 promulgated under the Securities Exchange Act of 1934. The timely submission of a proposal does not guarantee its inclusion in a Fund's proxy materials.

Stockholder Communications with the Board of Directors

The Fund has adopted procedures by which Fund Stockholders may send communications to the Board of Directors. Stockholders may mail written communications to the Board to the attention of the Board of Directors of The India Fund, Inc., c/o the Fund's Chief Legal Officer, 1735 Market Street, 32nd Floor, Philadelphia, PA 19103. Stockholder communications must (i) be in writing and be signed by the Stockholder and (ii) identify the number of shares held by the Stockholder. The Chief Legal Officer of the Fund is responsible for reviewing properly submitted Stockholder communications. The Chief Legal Officer shall either (i) provide a copy of each properly submitted Stockholder communication to the Board at its next regularly scheduled board meeting or (ii) if the Chief Legal Officer determines that the communication requires more immediate attention, forward the communication to the Directors promptly after receipt. The Chief Legal Officer may, in good faith, determine that a Stockholder communication should not be provided to the Board because it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, Board, officers, Stockholders or other matters relating to an investment in the Fund or is otherwise ministerial in nature. These procedures shall not apply to (i) any communication from an officer or Director of the Fund, (ii) any communication from an employee or agent of the Fund, unless such communication is made solely in such employee's or agent's capacity as a Stockholder of the Fund, or (iii) any Stockholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or any communication made in connection with such a proposal.

The Fund does not have a formal policy regarding attendance by Directors at Annual Meetings of Stockholders.

Expenses of Proxy Solicitation

The costs of preparing, printing, assembling and mailing material in connection with this solicitation of proxies will be borne by the Fund, even if the proposals are not successful, as will all of the other costs in connection with the Meeting. **Proxies may also be solicited personally by Directors and officers of the Fund and by regular employees of AAMAL, its respective affiliates or other representatives of the Fund, and may be accomplished by telephone in addition to the use of mails.** Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and they will be reimbursed by the Fund for out-of-pocket expenses incurred in this connection.

In addition, Georgeson Inc. (Georgeson), a proxy solicitation firm, has been retained to assist in the solicitation of the proxy vote. It is anticipated that Georgeson will be paid an amount estimated at \$5,000 plus reasonable out-of-pocket expenses. Therefore, expenses of the Meeting will include costs of (i) preparing, assembling and mailing material in connection with the solicitation, (ii) soliciting proxies by officers or employees, personally or by telephone or telegraph, (iii) reimbursing brokerage houses, banks and other fiduciaries and (iv) compensating the proxy solicitor.

Georgeson may call Stockholders to ask if they would be willing to have their votes recorded by telephone. The telephone voting procedure is designed to authenticate Stockholders' identities, to allow Stockholders to authorize the voting of their shares in accordance with their instructions and to confirm that their instructions have been recorded properly. A Stockholder voting by telephone would be asked for his or her social security number or other identifying information and would be given an opportunity to authorize proxies to vote his or her shares in accordance with his or her instructions. To ensure that the Stockholder's instructions have been recorded correctly, he or she will receive a confirmation of such instructions in the mail. The confirmation is a replica of the proxy card but with marks indicating how the Stockholder voted, along with a special toll-free number which will be available in the event the Stockholder wishes to change or revoke the vote. Although a Stockholder's vote may be taken by telephone, each Stockholder will receive a copy of this proxy statement and may vote by mailing the enclosed proxy card. If you have any questions or need assistance in voting, please contact Georgeson at its toll-free number, 1-866-297-1264.

Please vote promptly by signing and dating the enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the instructions on the enclosed proxy card for voting by telephone or over the Internet.
