Item 1.01. *Entry Into a Material Definitive Agreement .*

On March 30, 2012, we amended our \$3 million term loan maturing on April 23, 2012. The term loan was increased to \$5 million with an expiration date of July 11, 2013. The facility bears floating interest at the one month LIBOR rate according to the Wall Street Journal plus 500 basis points. Any prepayments made in full or in part are without premium or penalty. A commitment renewal fee of \$25,000 was payable at closing. No restricted cash payments will need to be kept on deposit.

The term loan will be secured by approximately 27,000 numismatic coins recovered by the Company from the SS *Republic* shipwreck, which amount will be reduced over the term by the amount of coins sold by the Company. The coins used as collateral will be held by a custodian for the security of the Bank. The borrowing base will be equal to forty percent (40%) of the eligible coin inventory valued on a rolling twelve month wholesale average value. The Company is required to comply with a number of customary covenants.

The Third Amendment to the Loan and Security Agreement, and the Renewal, Advance and Consolidation Commercial Term Promissory Note are attached to this report as Exhibit 10.1 and Exhibit 10.2, respectively, and are incorporated herein as reference.
