Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On April 16, 2012, Digital Realty Trust, L.P., which we refer to as the operating partnership, together with its subsidiaries, Digital Realty Datafirm, LLC, Digital Luxembourg III S.A.R.L., Digital Realty (Redhill) S.A.R.L., Digital Realty (Blanchardstown) Limited, Digital Realty (Paris 2) SCI, and Digital Singapore Jurong East Pte. Ltd, as borrowers, and Digital Realty Trust, Inc., as guarantor, the banks, financial institutions and other institutional lenders listed therein, as the initial lenders, Citibank, N.A., as administrative agent, JPMorgan Chase Bank, N.A. and Bank of America, N.A., as syndication agents, J.P. Morgan Securities LLC, Citigroup Global Markets Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as joint lead arrangers and joint book running managers, and Lloyds TSB Bank PLC, Royal Bank of Canada, Sumitomo Mitsui Banking Corporation, Suntrust Bank, U.S. Bank National Association, a national banking association, and Wells Fargo Bank, National Association, as co-documentation agents, entered into a Term Loan Agreement for a \$750 million senior unsecured term loan facility, which we refer to as the term loan agreement. Up to \$250 million of the \$750 million will be available to be drawn on a delayed basis for up to 90 days after the closing date. The term loan agreement provides for borrowings in Australian Dollars, British Pounds Sterling, Euros, Singapore Dollars and U.S. Dollars, and includes the ability to add Hong Kong Dollars and Japanese Yen in the future. The term loan agreement matures in April 2017. In addition, we have the ability from time to time to increase the size of the term loan agreement to up to \$850 million, subject to receipt of lender commitments and other conditions precedent.

The interest rate for borrowings under the term loan agreement is based on a floating rate or, with respect to U.S. Dollar advances only at the option of the borrower, base rate, in each case plus a margin based on the credit rating of our long-term senior unsecured debt. As of April 16, 2012, the applicable rate for floating rate advances is the applicable index plus 145 basis points, and the applicable rate for base rate advances is the applicable index plus 45 basis points. An annual agency fee is payable quarterly in respect of the commitments under the term loan agreement. We are also required to pay certain fees to the administrative agent under the term loan agreement.

Borrowings under the term loan agreement are guaranteed by Digital Realty Trust, Inc. and the operating partnership. In specified circumstances, additional guarantors may be added. The term loan agreement contains various restrictive covenants, including limitations on our ability to make certain investments or merge with another company, and requirements to maintain financial coverage ratios, including with respect to unencumbered assets. In addition, the term loan agreement restricts Digital Realty Trust, Inc. from making distributions to its stockholders, or redeeming or otherwise repurchasing shares of its capital stock, after the occurrence and during the continuance of an event of default, except in limited circumstances including as necessary to enable Digital Realty Trust, Inc. to maintain its qualification as a REIT and to avoid the payment of income or excise tax.

In addition, the term loan agreement includes events (including, without limitation, a non-payment under the loan, a breach of warranties and representations in any material respect, non-compliance with covenants by a borrower, cross-defaults by a borrower or guarantor or a change of control) which, if not cured within the time period, if any, specified would constitute an event of default. Upon the occurrence and continuance of such events of default, the lenders holding more than a majority of the commitments and loans may elect to accelerate the outstanding principal and accrued and unpaid interest under the term loan agreement. Further, outstanding principal and accrued and unpaid interest thereon automatically accelerate upon the entry of an order for relief with respect to any borrower under any bankruptcy, insolvency or other similar law.

Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC, Deutsche Bank Securities Inc. and Morgan Stanley & Co. LLC are sales agents under Digital Realty Trust, Inc.'s equity distribution agreements, pursuant to which it can issue and sell shares of its common stock having an aggregate offering price of up to \$400.0 million from time to time through them.
