This Form 8-K, the press release and investor presentation contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements are intended to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements about (i) the benefits of a merger (the "Merger") between Virginia Commerce Bancorp, Inc. ("VCBI") and United Bankshares, Inc. ("United"), including future financial and operating results, cost savings enhancements to revenue and accretion to reported earnings that may be realized from the Merger; (ii) United's and VCBI's plans, objectives, expectations and intentions and other statements contained in this press release that are not historical facts; and (iii) other statements identified by words such as expects, anticipates, intends, plans, believes, seeks, estimates, targets, projects, or words of similar meaning to identify forward-looking statements. Additional factors, that could cause actual results to differ materially from those expressed in the forward-looking statements are discussed in VCBI's and United's reports (such as Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) filed with the Securities and Exchange Commission and available on the SEC's Internet site (<http://www.sec.gov>).

United and VCBI caution that the foregoing list of factors is not exclusive. All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to United or VCBI or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements above. United and VCBI do not undertake any obligation to update any forward-looking statement to reflect circumstances or events that occur after the date the forward-looking statements are made.
