Item 8.01 Other Events

On February 4, 2013, Caesars Entertainment Corporation (the Registrant) issued a press release announcing, among other things, the intent of its wholly owned subsidiaries, Caesars Operating Escrow LLC and Caesars Escrow Corporation, to offer, through a private placement, \$1,500,000,000 aggregate principal amount of 9% senior secured notes due 2020 (the Notes), subject to market and other conditions. The Notes will be issued under the same indenture governing the 9% senior secured notes due 2020 that were issued on August 22, 2012 and the 9% senior secured notes due 2020 that were issued on December 13, 2012 (collectively, the Existing Notes), but the Notes and the Existing Notes will not be fungible until the completion of a registered exchange offer pursuant to which holders that exchange their Notes will receive registered 9% senior secured notes due 2020 that will have the same CUSIP number as any Existing Notes registered as part of such exchange offer or one or more prior exchange offers, and such Notes and Existing Notes will thereafter be fungible. The press release related to the Notes is attached as Exhibit 99.1 and is incorporated herein by reference.

In connection with the proposed offering, on February 4, 2013, the Registrant announced that Caesars Entertainment Operating Company, Inc. (CEOC) intends to seek amendments to its senior secured credit facilities to, among other things: (i) use the net cash proceeds of this offering to repay a portion of CEOC s existing term loans at par, with such repayment being applied: first, to all outstanding B-1, B-2 and B-3 term loans held by consenting lenders; second, to B-5 and B-6 term loans held by consenting lenders, in an amount up to 20% of the principal amount of the B-5 and B-6 term loans; and third, if any proceeds remain outstanding, to outstanding term loans as CEOC elects in its discretion; (ii) obtain up to \$100 million of extended revolving facility commitments with a maturity of January 28, 2017, (iii) increase the accordion capacity under the senior secured credit facilities by an additional \$650 million (which may be used, among other things, to establish extended revolving facility commitments under the senior secured credit facilities); (iv) modify the calculation of the senior secured leverage ratio for purposes of the maintenance test under the senior secured credit facilities to exclude the Notes; and (v) modify certain other provisions of the senior secured credit facilities ((i) through (v) above, the Bank Amendment). The Notes would have a later maturity than that of the term loans being repaid with the net cash proceeds of this offering. The proposed Bank Amendment and related transactions are subject to regulatory approval and market and other conditions, and may not occur as described or at all.

The Registrant is disclosing under Item 8.01 of this Current Report on Form 8-K the foregoing information and the information attached to this Current Report on Form 8-K as Exhibit 99.2, which information is incorporated by reference herein. This information, which has not been previously reported, is excerpted from a preliminary offering memorandum, as supplemented, that is being disseminated in connection with the Notes offering described above.
