Long-Term Equity Incentive Awards

In connection with our initial public offering in December 2010 (the IPO), we adopted the 2010 Stock Incentive Plan (the Stock Incentive Plan) under which we may grant to the named executive officers, other key employees, consultants and directors certain equity-based awards, including restricted stock, bonus stock and performance-based awards. In addition, the general partner sponsors and maintains the Targa

Resources Partners Long-Term Incentive Plan (the Long-Term Incentive Plan), under which the general partner may grant equity-based awards related to the Partnership s common units to individuals, including the named executive officers, who provide services to the Partnership.

The Compensation Committee determines the amount of long-term equity incentive awards under the Stock Incentive Plan and recommends to the board of directors of the general partner an amount of long-term equity incentive awards under the Partnership s Long-Term Incentive Plan that it believes is appropriate as a component of total compensation for each named executive officer for a given year based on its decisions regarding each named executive officer s total compensation targets. The Long-Term Incentive Plan awards are ultimately determined and approved by the general partner s board of directors. Long-term incentive awards to our named executive officers under the Stock Incentive Plan and the Long-Term Incentive Plan are made at the beginning of each year.

For 2012, the value of the long-term equity incentive component of our named executive officers' compensation was allocated approximately (i) twenty-five (25%) to restricted stock awards under the Stock Incentive Plan and (ii) seventy-five (75%) to equity-settled performance unit awards under the Partnership's Long-Term Incentive Plan. This allocation is based on the dollar value of the awards on the date of grant. The total dollar value of long-term equity incentive awards for each named executive officer for a given year is typically equal to a specified percentage of the officer's base salary; however, the Compensation Committee may, in its discretion, award additional long-term equity incentive awards if deemed appropriate. The number of shares or units subject to each award is determined by dividing the total dollar value allocated to the award by the ten day average closing price of the shares or units for the period ending five business days prior to the date of grant.

The Compensation Committee believes that the combination of equity awards consisting of restricted stock (25% of award value) and equity-settled performance units (75% of award value) granted to our named executive officers provides a balance of performance-based long-term incentives and of parent and subsidiary MLP equity. The restricted stock awards are time-based awards that capture absolute total return performance of our common stock, and the equity-settled performance unit awards reflect both the absolute total return of the Partnership's common units with variable performance based on the total return of the Partnership's units in relation to the LTIP Peer Group (defined below). Also, this mix effectively aligns the named executive officer's interests with both the interests of our stockholders and the interests of the Partnership's unitholders. The Compensation Committee allocates a larger portion of each named executive officer's long-term equity incentive compensation to equity-settled performance unit awards because these awards link executive compensation not only to the value of Partnership equity over time, but also to the relative performance of the Partnership compared to other midstream partnerships with which the Partnership competes.

Restricted Stock Awards. On January 12, 2012, our named executive officers were awarded restricted shares of our common stock under the Stock Incentive Plan in the following amounts: (i) 6,565 restricted shares to Mr. Joyce, (ii) 5,035 restricted shares to Mr. Perkins, (iii) 4,235 restricted shares to Mr. Whalen, (iv) 4,399 restricted shares to Mr. Heim, and (v) 1,866 restricted shares to Mr. Meloy. These restricted stock awards vest in full on the third anniversary of the grant date, subject to the officer's continued service. Accelerated vesting provisions applicable to these awards in the event of certain terminations of employment and/or a change in control are described in detail below under "Potential Payments Upon Termination or Change in Control" Stock Incentive Plan. During the period the restricted shares are outstanding and unvested, we accrue any dividends paid by us in an amount equal to the dividends paid with respect to a share of common stock times the number of restricted shares awarded. At the time the restricted shares vest, the named executive officers will receive a cash payment equal to the amount of dividends accrued with respect to such named executive officer's vested shares.

Equity-Settled Performance Unit Awards. Our named executive officers also receive awards of equity-settled performance unit awards under the Partnership's Long-Term Incentive Plan. The vesting of these awards is dependent on the Partnership's performance relative to the performance of a specified comparator group of publicly-traded partnerships (the "LTIP Peer Group"). These awards, which are settled in Partnership common units, are designed to align the interests of the named executive officers and other key employees with those of the Partnership's equity holders.

On January 12, 2012, our named executive officers were awarded equity-settled performance units under the Partnership's Long-Term Incentive Plan in the following amounts: (i) 21,240 performance units to Mr. Joyce, (ii) 16,290 performance units to Mr. Perkins, (iii) 13,702 performance units to Mr. Whalen, (iv) 14,233 performance units to Mr. Heim, and (v) 6,039 performance units to Mr. Meloy.

The performance period for the 2012 performance unit awards began on June 30, 2012 and ends on June 30, 2015. Provided a named executive officer remains continuously employed throughout the performance period, his 2012 performance units will vest on June 30, 2015 and will be settled as soon as practicable following the

vesting date by the issuance of a number of Partnership common units equal to the number of performance units awarded multiplied by the performance vesting percentage, which may range from 0% to 150%, dependent upon the relative total return performance of the Partnership's common units compared to the LTIP Peer Group.

For performance results that fall between the 25th percentile and the 50th percentile of the LTIP Peer Group, the performance vesting percentage will be interpolated between 25% and 100% and, for performance results that fall between the 50th percentile and 75th percentile, the performance vesting percentage will be interpolated between 100% and 150%. If the Partnership's performance is above the 75th percentile of the LTIP Peer Group, the performance vesting percentage will be 150% of the award. If the Partnership's performance is below the 25th percentile of the LTIP Peer Group, the performance vesting percentage will be 0%.

For the 2012 performance unit awards, the LTIP Peer Group is composed of the Partnership and the following other companies:

Copano Energy, L.L.C.	MarkWest Energy Partners, LP
Crosstex Energy, LP	Martin Midstream Partners LP
DCP Midstream Partners, LP	ONEOK Partners, LP
Enbridge Energy Partners LP	Plains All American Pipeline L.P.
Energy Transfer Partners, LP	Regency Energy Partners LP
Magellan Midstream Partners, LP	Williams Partners LP

The LTIP Peer Group is not composed of the same companies as the peer group companies employed for developing market reference points for executive pay because the companies in those groups are those with which we compete for executive talent. Companies in the LTIP Peer Group are principally those companies with which the Partnership competes to varying extents in the midstream sector.

The board of directors of the general partner has the ability to modify the LTIP Peer Group in the event a company listed above ceases to be publicly traded or another significant event occurs and a company is determined to no longer be one of the Partnership's peers.

For purposes of the performance unit awards, the Partnership's performance is determined based on the comparison of total return of a Partnership common unit for the performance period to the total return of a common share/unit of each member of the LTIP Peer Group for the performance period. Total return is measured by (i) subtracting the average closing price per share/unit for the first ten trading days of the performance period (the Beginning Price) from the sum of (a) the average closing price per share/unit for the last ten trading days ending on the date that is 15 days prior to the end of the performance period, plus (b) the aggregate amount of dividends/distributions paid with respect to a share/unit during such period (such result is referred to as the Value Increase), and (ii) dividing the Value Increase by the Beginning Price. During the period the performance unit awards are outstanding, the Partnership accrues any cash distributions paid by the Partnership in an amount equal to the cash distributions paid with respect to a common unit times the number of performance units awarded. At the time the performance unit awards are settled, the named executive officers will also receive a cash payment equal to the amount of cash distributions accrued with respect to a common unit times the number of such named executive officer's vested units.

The following charts illustrate the total return for the Partnership's common units compared to the total return of each other company in the LTIP Peer Group measured over the period beginning in June 30 of each year in which the long-term incentive awards were made, using the Beginning Price described above, and continuing through January 10, 2013.

Severance and Change in Control Benefits. On January 12, 2012, the Compensation Committee adopted the Executive Officer Change in Control Program (the "Change in Control Program"), in which each of our named executive officers is eligible to participate. Prior to 2012, none of our named executive officers (other than Mr. Meloy) was eligible to participate in any arrangement providing cash payments upon a change in control or specified termination of employment events. The Change in Control Program provides for post-termination payments following a qualifying termination in connection with a change in control event, or what is commonly referred to as a "double trigger" benefit. The vesting of certain of our long-term equity incentive compensation awards accelerates upon a change in control irrespective of whether the officer is terminated, and/or upon certain termination of employment events, such as death, disability or a termination by us without cause. Please see Potential Payments Upon Termination or Change in Control below for further information.

We believe that the Change in Control Program and the accelerated vesting provisions in our long-term equity incentive awards create important retention tools for us and are consistent with the practices of most of our industry peers. Accelerated vesting of long-term equity incentive awards upon a change in control enables our named executive officers to realize value from these awards consistent with value created for investors upon the closing of a transaction. In addition, we believe that post termination benefits may, in part, mitigate some of the potential uncertainty created by a potential or actual change in control transaction, including the future employment of the named executive officers, thus allowing management to focus on the business transaction at hand.

Retirement, Health and Welfare, and Other Benefits. We offer eligible employees participation in a section 401(k) tax-qualified, defined contribution plan (the 401(k) Plan) to enable employees to save for retirement through a tax-advantaged combination of employee and company contributions and to provide employees the opportunity to directly manage their retirement plan assets through a variety of investment options. Our employees, including our named executive officers, are eligible to participate in our 401(k) Plan and may elect to defer up to 30% of their eligible compensation on a pre-tax basis (or on a post-tax basis via a Roth contribution) and have it contributed to the 401(k) Plan, subject to certain limitations under the Internal Revenue Code of 1986, as amended (the Code). In addition, we make the following contributions to the 401(k) Plan for the benefit of our employees, including our named executive officers: (i) 3% of the employee s eligible compensation, and (ii) an amount equal to the employee s contributions to the 401(k) Plan up to 5% of the employee s eligible compensation. In addition, we may also make discretionary contributions to the 401(k) Plan for the benefit of employees depending on our performance. Company contributions to the 401(k) Plan may be subject to certain limitations under the Code for certain employees. We do not maintain a defined benefit pension plan or a nonqualified deferred compensation plan for our named executive officers or other employees.

All full-time employees, including our named executive officers, may participate in our health and welfare benefit programs, including medical, life insurance, dental coverage and disability insurance. It is the Compensation Committee s policy not to pay for perquisites for any of our named executive officers, other than minimal parking subsidies.

Changes for 2013

Base Salary

The Compensation Committee authorized, and executive management will implement, the following increased base salaries for our named executive officers effective March 1, 2013.

	Effective March 1, 2013	Current Salary
Rene R. Joyce	\$ 560,000	\$ 560,000
Joe Bob Perkins	525,000	480,000
James W. Whalen	480,000	480,000
Michael A. Heim	485,000	460,000
Matthew J. Meloy	325,000	275,000

Mr. Joyce and Mr. Whalen did not receive base salary increases for 2013 at their request. The Compensation Committee authorized base salary increases for the other named executive officers in order to more closely align the total direct compensation of these individuals with the total direct compensation provided to similarly situated executives at companies within our Peer Group, adjusted for company size and to reflect professional growth and the assumption of additional responsibilities. The analysis provided to the Compensation Committee by the Compensation Consultant indicates that the 2013 total target direct compensation of our Chief Executive Officer remains more than 25% below the competitive amount suggested by the market trend line that was developed through regression analysis of Peer Group pay programs.

Annual Cash Incentive Bonus

In preparing our business plan for 2013, senior management developed and proposed a set of business priorities to the Compensation Committee. The Compensation Committee adopted the business priorities proposed by senior management, with certain modifications requested by the Compensation Committee, for purposes of the 2013 Annual Incentive Plan (the 2013 Bonus Plan). The 2013 business priorities are similar to those in effect for 2012 and have been revised to reflect a focus on EBITDA and distribution/dividend growth, our recent Bakken shale midstream acquisition and retaining qualified talent, and specifically include the following:

execute on all business dimensions, including 2013 guidance for EBITDA and distribution/dividend growth as furnished from time to time,

successfully integrate and commercialize the Bakken shale midstream acquisition including contribution to 2013 guidance,

continue priority emphasis and strong performance relative to a safe workplace,

reinforce business philosophy and mindset that promotes compliance in all aspects of our business including environmental and regulatory compliance,

continue to attract and retain the operational and professional talent needed in our businesses,

continue to control all costs operating, capital and G&A,

continue to manage tightly credit, inventory, interest rate and commodity price exposures,

execute on major capital and development projects finalizing negotiations, completing projects on time and on budget, and optimizing economics and capital funding,

pursue selected growth opportunities including G&P build outs, fee-based capex projects, and potential purchases of strategic assets, and

pursue commercial and financial approaches to achieve maximum value and manage risks.

The overall threshold, target and maximum funding percentages for the 2013 Bonus Plan remain the same as for the 2012 Bonus Plan. In addition, the target bonus percentage (as a percentage of base salary) for each named executive officer (other than Mr. Perkins) remains the same for 2013. Mr. Perkins' target bonus percentage for 2013 has been increased from 80% of base salary to 100% of base salary in order to more closely align his total direct compensation with the total direct compensation provided to similarly situated chief executive officers at companies within our Peer Group, adjusted for company size. As with the 2012 Bonus Plan, funding of the cash bonus pool and the payment of individual cash bonuses to executive management, including our named executive officers, are subject to the sole discretion of the Compensation Committee.

Long-Term Incentive Awards

Restricted Stock Awards. On January 15, 2013, our named executive officers were awarded restricted shares of our common stock under the Stock Incentive Plan in the following amounts: (i) 4,960 restricted shares to Mr. Joyce, (ii) 4,895 restricted shares to Mr. Perkins, (iii) 3,200 restricted shares to Mr. Whalen, (iv) 4,296 restricted shares to Mr. Heim, and (v) 1,742 restricted shares to Mr. Meloy. These restricted stock awards vest in full on the third anniversary of the grant date, subject to the officer's continued service.

Equity-Settled Performance Unit Awards. On January 15, 2013, our named executive officers were awarded equity-settled performance units under the Partnership's Long-Term Incentive Plan in the following amounts: (i) 21,251 performance units to Mr. Joyce, (ii) 20,971 performance units to Mr. Perkins, (iii) 13,709 performance units to Mr. Whalen, (iv) 18,405 performance units to Mr. Heim, and (v) 7,465 performance units to Mr. Meloy. The vesting and settlement value of these performance unit awards will be determined using the formula adopted for the performance unit awards granted on January 12, 2012, except that the performance period for the 2013 awards will begin on June 30, 2013 and end on June 30, 2016. Please see Components of Executive Compensation Program for Fiscal 2012 Long-Term Equity Incentive Awards Equity-Settled Performance Unit Awards.

Other Compensation Matters

Accounting Considerations. We account for the equity compensation expense for our employees, including our named executive officers, under the rules of FASB ASC Topic 718, which requires us to estimate and record an expense for each award of long-term equity incentive compensation over the vesting period of the award. Accounting rules also require us to record cash compensation as an expense at the time the

obligation is accrued.

Clawback Policy. To date, we have not adopted a formal clawback policy to recoup incentive based compensation upon the occurrence of a financial restatement, misconduct, or other specified events. However, restricted stock agreements covering grants made to our named executive officers and other employees in 2011 and later years do include language providing that any compensation, payments or benefits provided under such an award (including profits realized from the sale of earned shares) are subject to clawback to the extent required by applicable law.

Securities Trading Policy. All of our officers, employees and directors are subject to our Insider Trading Policy, which, among other things, prohibits officers, employees and directors from engaging in certain short-term or speculative transactions involving our securities. Specifically, the policy provides that officers, employees and directors may not engage in the following transactions: (i) purchasing our common stock on margin, (ii) short sales of our common stock, or (iii) the purchase or sale of options of any kind, whether puts or calls, or other derivative securities, relating to our common stock.

Compensation Risk Assessment

The Compensation Committee has reviewed the relationship between our risk management policies and compensation policies and practices and has concluded that we do not have any compensation policies or practices that expose us to excessive or unnecessary risks that are reasonably likely to have a material adverse effect on us. Because our Compensation Committee retains the sole discretion for determining the actual amount paid to executives pursuant to our annual cash incentive bonus program, our Compensation Committee is able to assess the actual behavior of our executives as it relates to risk-taking in awarding bonus amounts. Further, our use of long-term equity incentive compensation serves our executive compensation program's goal of aligning the interests of executives and shareholders, thereby reducing the incentives to unnecessary risk-taking.

COMPENSATION COMMITTEE REPORT

Messrs. Crisp, Redd and Kagan are the current members of our Compensation Committee. Prior to February 26, 2013, the members of the Compensation Committee were Messrs. Crisp, Kagan and Hwang. - (1) For 2012, represents payments pursuant to our 2012 Bonus Plan. Please see Components of Executive Compensation Program for Fiscal 2012 Annual Cash Incentive Bonus. Note that, in prior filings, the payments reported under this column for 2010 were reported in the Non-Equity Incentive Plan Compensation column. As discussed above, payments pursuant to our Bonus Plan are discretionary and not based on objective performance measures.
- (2) Amounts reported in the Stock Awards column represent the aggregate grant date fair value of restricted stock awards under our Stock Incentive Plan and of equity-settled performance unit awards under the Partnership's Long-Term Incentive Plan, in each case, granted in 2012 and computed in accordance with FASB ASC Topic 718. Assumptions used in the calculation of these amounts are included in Note 22 to our Consolidated Financial Statements beginning on page F-1 of our Annual Report on Form 10-K for fiscal year 2012. Detailed information about the amount recognized for specific awards is reported in the table under Grants of Plan-Based Awards for 2012 below. The grant date fair value of each restricted share subject to the restricted stock awards granted on January 12, 2012, assuming vesting will occur, is \$38.72. The grant date fair value of each performance unit subject to the equity-settled performance unit awards granted on January 12, 2012 is \$41.54, computed in accordance with FASB ASC Topic 718. Assuming, instead, a payout percentage for these performance unit awards of 150%, which is the maximum payout percentage under the awards, the aggregate grant date fair value of the equity-settled performance unit awards granted on January 12, 2012 for each named executive officer is as follows: Mr. Joyce \$1,323,464; Mr. Meloy \$376,311; Mr. Perkins \$1,015,030; Mr. Whalen \$853,772; and Mr. Heim \$886,879.

- (3) For 2012 All Other Compensation includes (i) the aggregate value of all employer-provided contributions to our 401(k) plan and (ii) the dollar value of life insurance coverage provided by the Company.

- (2) The dollar amounts shown for the restricted stock awards granted on January 12, 2012 are determined by multiplying the shares reported in the table by \$38.72, which is the grant date fair value of awards computed in accordance with FASB ASC Topic 718. The dollar amounts shown for the equity-settled performance units granted on January 12, 2012 are determined by multiplying the number of units equal to approximately 87% of the number of units reported in the table under the Target column by \$41.54, which is the grant date fair value of awards computed in accordance with FASB ASC Topic 718 and is consistent with the estimate of aggregate compensation cost to be recognized over the service period of the awards, excluding the effect of estimated forfeitures.

Potential Payments Upon Termination or Change in Control**Aggregate Payments**

The table below reflects the aggregate amount of payments and benefits that we believe our named executive officers would have received under our Executive Officer Change in Control Severance Program (the "Change in Control Program"), our Stock Incentive Plan and the Partnership's Long-Term Incentive Plan upon certain specified termination of employment events and/or a change in control, in each case, that occurred on December 31, 2012. Details regarding individual plans and arrangements follow the table. The amounts below constitute estimates of the amounts that would be paid to our named executive officers upon each designated event, and do not include any amounts accrued through fiscal 2012 year-end that would be paid in the normal course of continued employment, such as accrued but unpaid salary and benefits generally available to all salaried employees. The actual amounts to be paid are dependent on various factors, which may or may not exist at the time a named executive officer is actually terminated and/or a change in control actually occurs. Therefore, such amounts and disclosures should be considered forward-looking statements.

Executive Officer Change in Control Severance Program

We adopted the Change in Control Program on and effective as of January 12, 2012. Each of our named executive officers became eligible to participate in the Change in Control Program during the 2012 calendar year.

The Change in Control Program is administered by our Vice President Human Resources. The Change in Control Program provides that if, in connection with or within 18 months after a Change in Control, a participant suffers a Qualifying Termination, then the individual will receive a severance payment, paid in a single lump sum cash payment within 60 days following the date of termination, equal to three times (i) the participant's annual salary as of the date of the Change in Control or the date of termination, whichever is greater, and (ii) the amount of the participant's annual salary multiplied by the participant's most recent target bonus percentage specified by the Compensation Committee prior to the Change in Control. In addition, the participant (and his eligible dependents, as applicable) will receive the continuation of their medical and dental benefits until the earlier to occur of (a) three years from the date of termination, or (b) the date the participant becomes eligible for coverage under another employer's plan.

For purposes of the Change in Control Program, the following terms will generally have the meanings set forth below:

Cause means discharge of the participant by us on the following grounds: (i) the participant's gross negligence or willful misconduct in the performance of his duties, (ii) the participant's conviction of a felony or other crime involving moral turpitude, (iii) the participant's willful refusal, after 15 days' written notice, to perform his material lawful duties or responsibilities, (iv) the participant's willful and material breach of any corporate policy or code of conduct, or (v) the participant's willfully engaging in conduct that is known or should be known to be materially injurious to us or our subsidiaries.

Change in Control means any of the following events: (i) any person (other than the Partnership) becomes the beneficial owner of more than 20% of the voting interest in us or in the general partner, (ii) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of

all or substantially all of the assets of the Company or the general partner (other than to the Partnership or its affiliates), (iii) a transaction resulting in a person other than Targa Resources GP LLC or an affiliate being the general partner of the Partnership, (iv) the consummation of any merger, consolidation or reorganization involving us or the general partner in which less than 51% of the total voting power of outstanding stock of the surviving or resulting entity is beneficially owned by the stockholders of the Company or the general partner, immediately prior to the consummation of the transaction, or (v) a majority of the members of the Board of Directors or the Board of Directors of the general partner is replaced during any 12 month period by directors whose appointment or election is not endorsed by a majority of the members of the applicable Board of Directors before the date of the appointment or election.

Good Reason means: (i) a material reduction in the participant's authority, duties or responsibilities, (ii) a material reduction in the participant's base compensation, or (iii) a material change in the geographical location at which the participant must perform services. The individual must provide notice to us of the alleged Good Reason event within 90 days of its occurrence and we have the opportunity to remedy the alleged Good Reason event within 30 days from receipt of the notice of such allegation.

Qualifying Termination means (i) an involuntary termination of the individual's employment by us without Cause or (ii) a voluntary resignation of the individual's employment for Good Reason.

All payments due under the Change in Control Program will be conditioned on the execution and nonrevocation of a release for our benefit and the benefit of our related entities and agents. The Change in Control Program will supersede any other severance program for eligible participants in the event of a Change in Control, but will not affect accelerated vesting of any equity awards under the terms of the plans governing such awards.

If amounts payable to a named executive officer under the Change in Control Program (together with any other amounts that are payable by us as a result of a Change in Control (collectively, the "Payments") exceed the amount allowed under section 280G of the Code for such individual, thereby subjecting the individual to an excise tax under section 4999 of the Code, then, depending on which method produces the largest net after-tax benefit for the recipient, the Payments shall either be: (i) reduced to the level at which no excise tax applies or (ii) paid in full, which would subject the individual to the excise tax.

The following table reflects payments that would have been made to each of the named executive officers under the Change in Control Program in the event there was a Change in Control and the officer incurred a Qualifying Termination, in each case, as of December 31, 2012.

Rene R. Joyce	3,395,556
James W. Whalen	2,627,556
Michael A. Heim	2,531,290

- (1) Includes 3 years' worth of continued participation in our medical and dental plans, calculated based on the monthly employer-paid portion of the premiums for our medical and dental plans as of December 31, 2012 for each named executive officer and his eligible dependents in the following amounts: (a) Mr. Perkins \$47,290, (b) Mr. Meloy \$47,290, (c) Mr. Joyce \$35,556, (d) Mr. Whalen \$35,556, and (e) Mr. Heim \$47,290.

Stock Incentive Plan

Each of our named executive officers held outstanding restricted stock awards under our form of restricted stock agreement (the *Stock Agreement*) and the Stock Incentive Plan as of December 31, 2012. If a *Change in Control* occurs and the named executive officer has remained continuously employed by us from the date of grant to the date upon which such *Change in Control* occurs, then the restricted stock granted to him under the *Stock Agreements*, and related dividends then credited to him, will fully vest on the date upon which such *Change in Control* occurs.

Restricted stock granted to a named executive officer under the *Stock Agreements*, and related dividends then credited to him, will also fully vest if the named executive officer's employment is terminated by reason of death or a *Disability*. If a named executive officer's employment with us is terminated for any reason other than death or *Disability*, then his unvested restricted stock is forfeited to us for no consideration.

The following terms generally have the following meanings for purposes of the Stock Incentive Plan and *Stock Agreements*:

Affiliate means an entity or organization which, directly or indirectly, controls, is controlled by, or is under common control with, us.

Change in Control means the occurrence of one of the following events: (i) any person or group acquires or gains ownership or control (including, without limitation, the power to vote), by way of merger, consolidation, recapitalization, reorganization or otherwise, of more than 50% of the outstanding shares of the our voting stock or more than 50% of the combined voting power of the equity interests in the Partnership or the general partner; (ii) the liquidation or dissolution of us or the approval by the limited partners of the Partnership of a plan of complete liquidation of the Partnership; (iii) the sale or other disposition by us of all or substantially all of our assets in one or more transactions to any person other than Warburg Pincus LLC or any other Affiliate; (iv) the sale or disposition by either the Partnership or the general partner of all or substantially all of its assets in one or more transactions to any person other than to Warburg Pincus LLC, the general partner, or any other Affiliate; (v) a transaction resulting in a person other than Targa Resources GP LLC or an Affiliate being the general partner of the Partnership; or (vi) as a result of or in connection with a contested election of directors, the persons who were our directors before such election shall cease to constitute a majority of our Board of Directors.

Disability means a disability that entitles the named executive officer to disability benefits under our long-term disability plan.

The following table reflects amounts that would have been received by each of the named executive officers under the Stock Incentive Plan and related *Stock Agreements* in the event there was a *Change in Control* or their employment was terminated due to death or *Disability*, each as of December 31, 2012. The amounts reported below assume that the price per share of our common stock was \$52.84, which was the closing price per share of our common stock on December 31, 2012.

Partnership s Long-Term Incentive Plan

Each of our named executive officers held outstanding performance unit awards under the Partnership s form of performance unit grant agreement (the Performance Unit Agreement) and the Partnership s Long-Term Incentive Plan as of December 31, 2012. If a Change in Control occurs during the performance period established for the performance units and related distribution equivalent rights granted to a named executive officer under the Performance Unit Agreements prior to 2011, the performance units and related distribution equivalent rights then credited to a named executive officer will be cancelled and the named executive officer will be paid an amount in cash equal to the sum of (i) the product of (a) the fair market value of a common unit of the Partnership multiplied by (b) the target number of performance units granted to the named executive officer, plus (ii) the amount of distribution equivalent rights then credited to the named executive officer, if any. If a Change in Control occurs during the performance period established for the performance units and related distribution rights granted to a named executive officer under the Performance Unit Agreements in 2011 and later years, the performance units will be settled upon the occurrence of the Change in Control by providing the named executive officer with a number of common units of the Partnership equal to the target number of performance units granted to the named executive officer plus a cash payment in the amount of distribution equivalent rights then credited to the named executive officer, if any. The general partner may elect to settle the performance unit awards in cash instead of in common units.

Generally, performance units and the related distribution equivalent rights granted to a named executive officer under a Performance Unit Agreement will be automatically forfeited without payment upon the termination of the named executive officer's employment with us and our affiliates. However, if a named executive officer's employment is terminated by reason of his death or Disability or is terminated by us other than for Cause, he will become vested in the performance units that he is otherwise qualified to receive payment for based on achievement of the performance goal at the end of the performance period as if the named executive officer had remained continuously employed through the end of the performance period.

The following terms generally have the meanings specified below for purposes of the Partnership's Long-Term Incentive Plan:

Change in Control means (i) any person or group, other than an affiliate, becomes the beneficial owner, by way of merger, consolidation, recapitalization, reorganization or otherwise, of 50% or more of the combined voting power of the equity interests in the Partnership or the general partner, (ii) the limited partners of the Partnership approve a plan of complete liquidation of the Partnership, (iii) the sale or other disposition by either the Partnership or the general partner of all or substantially all of its assets in one or more transactions to any person other than the general partner or one of the general partner's affiliates, or (iv) a transaction resulting in a person other than Targa Resources GP LLC or one of its affiliates being the general partner of the Partnership.

Cause means (i) failure to perform assigned duties and responsibilities, (ii) engaging in conduct which is injurious (monetarily or otherwise) to us or our affiliates, (iii) breach of any corporate policy or code of conduct established by us or our affiliates, or breach of any agreement between the named executive officer and us or our affiliates, or (iv) conviction of a misdemeanor involving moral turpitude or a felony. If the named executive officer is a party to an agreement with us or our affiliates in which this term is defined, then that definition will apply for purposes of the Long-Term Incentive Plan and the Performance Unit Agreement.

Disability means a disability that entitles the named executive officer to disability benefits under our long-term disability plan.

The following table reflects amounts that would have been received by each of the named executive officers under the Partnership's Long-Term Incentive Plan and related Performance Unit Agreements in the event there was a Change in Control or their employment was terminated due to death or Disability or by us without Cause, each as of December 31, 2012. The amounts reported below assume that the price per Partnership common unit was \$37.38, which was the closing price per common unit on December 31, 2012. In addition, the amounts reported below in the Termination for Death or Disability or Without Cause column assume that the applicable performance period for each award ended December 31, 2012 and are based on achieving the next higher performance level for the award (if any) that exceeds performance for the 2012 fiscal year.

Narrative to Director Compensation Table

For 2012, all non-employee directors received an annual cash retainer of \$50,000. The Chairman of the Audit Committee received an additional annual retainer of \$20,000, the Chairman of the Compensation Committee received an additional annual retainer of \$15,000 and the Chairman of the Nominating and Governance Committee received an additional retainer of \$10,000. All of our non-employee directors receive \$1,500 for each Board of Directors, Audit Committee, Compensation Committee, Nominating and Governance Committee, and Conflicts Committee meeting attended. Payment of non-employee director fees is generally made twice annually, at the second regularly scheduled meeting of the Board of Directors and at the final regularly scheduled meeting of the Board of Directors for the fiscal year. All non-employee directors are reimbursed for out-of-pocket expenses incurred in attending Board of Director and committee meetings.

A director who is also an employee receives no additional compensation for services as a director. Accordingly, the Summary Compensation Table reflects total compensation received by Messrs. Joyce, Perkins and Whalen for services performed for us and our affiliates.

Director Long-term Equity Incentives. We granted equity awards in January 2012 to our non-employee directors under the Stock Incentive Plan. Each of these directors received an award of 1,851 fully vested shares of our common stock, which reflected our intent to provide them with a target value of approximately \$75,000 in annual long-term incentive awards. The awards are intended to align the long-term interests of our directors with those of our stockholders.

Changes for 2013

In January 2013, the Board of Directors approved changes to our non-employee director compensation for the 2013 fiscal year by increasing the annual cash retainer for service on our Board of Directors to \$56,000 per year.

Director Long-term Equity Incentives. In January 2013 (in February 2013 for Laura Fulton), each of our non-employee directors received an award of 1,492 fully vested shares of our common stock under the Stock Incentive Plan, which reflects our desire to increase the target value of those awards from approximately \$75,000 to \$80,000 per year.

Board Leadership

Edgar Filing: FRESENIUS MEDICAL CARE CORP - Form 6-K

Mr. Joyce has served as Executive Chairman of the Board of the Company's Board of Directors since January 1, 2012 and as a director of the Company since its formation on October 27, 2005. Mr. Joyce previously served as Chief Executive Officer of the Company between October 27, 2005 and December 31, 2011. Mr. Perkins has served as Chief Executive Officer and as a director of the Company since January 1, 2012. Mr. Whalen previously served as the Executive Chairman of the Company's Board of Directors between October 25, 2010 and December 31, 2011. Our bylaws allow the same individual to hold the position of Chief Executive Officer and Chairman of the Board of Directors.

To ensure a strong and independent board, all directors of the Company, other than Messrs. Joyce, Perkins and Whalen, are independent. The Board regularly meets in executive session without the presence of the CEO or other members of management. The Company's Corporate Governance Guidelines appoint Mr. Kagan as chair, or another director that the Board of Directors designates, of meetings of the non-management directors.

In his capacity as chair of the meetings of non-management directors, Mr. Kagan provides, in conjunction with the Executive Chairman and the CEO, leadership and guidance to the Board of Directors. He also (i) establishes the agenda for each meeting of the non-management directors; and (ii) provides the board's guidance and feedback to the Executive Chairman, the CEO and the Company's management team. All directors are encouraged to suggest the inclusion of agenda items or revisions to meeting materials, and any director is free to raise at any board meeting items that are not on the agenda for that meeting.

Given the strong leadership of the Company's Executive Chairman and the CEO, the effective counterbalancing role of the chair of the non-management directors and a board comprised of strong and independent directors, the board believes that, at the present time, the current structure of the board best serves the interests of the Company and its stockholders.

Communications with the Board of Directors

Stockholders or other interested parties can contact any director (including Mr. Kagan), any committee of the Board of Directors, or our non-management directors as a group, by writing to them at Targa Resources Corp., 1000 Louisiana Street, Suite 4300, Houston, Texas 77002, Attention: Secretary. Comments or complaints relating to the Company's accounting, internal accounting controls or auditing matters will also be referred to members of the Audit Committee. All such communications will be forwarded to the appropriate member(s) of the Board of Directors.

Director Independence

The Company's standards for determining director independence require the assessment of directors' independence each year. A director cannot be considered independent unless the Board of Directors affirmatively determines that he or she does not have any relationship with management or the Company that may interfere with the exercise of his or her independent judgment, including any of the relationships that would disqualify the director from being independent under the rules of the NYSE.

The Board of Directors has assessed the independence of each non-employee director and each nominee for director under the Company's guidelines and the independence standards of the NYSE. The Board of Directors affirmatively determined that all five non-employee directors (Messrs. Crisp, Kagan, Tong and Redd and Ms. Fulton) are independent.

In connection with its assessment of the independence of each non-employee director, the Board of Directors also determined that each member of the Audit Committee meets the additional independence standards of the NYSE and SEC applicable to members of the Audit Committee. Those standards require that the director not be an affiliate of the Company and that the director not receive from the Company, directly or indirectly, any consulting, advisory or other compensatory fees, except for fees for services as a director.

Financial Literacy of Audit Committee and Designation of Financial Experts

The Board of Directors evaluated the members of the Audit Committee in December 2010 for financial literacy and the attributes of a financial expert. The Board of Directors also evaluated a new member of the Audit Committee in February 2013 for financial literacy. The Board of Directors determined that each of the Audit Committee members is financially literate and that the Chairman of the Audit Committee, Mr. Tong, is an audit committee financial expert as defined by the SEC.

Oversight of Risk Management

Except for the responsibilities of the Audit Committee discussed below, the Board of Directors as a whole (including the committees of the Board of Directors) oversees the assessment of major risks of the Company and the management of such risks, while the board of directors of the General Partner (including the committees of such board) oversees the assessment and management of major risks of the Partnership's businesses and operations. For example, the Board of Directors:

reviews and approves the Company's annual business plan and capital budget and reviews with management on at least a quarterly basis the Company's financial performance, including any variations from the annual business plan and capital budget;

has established specific dollar limits on the commitment authority of members of senior management and requires Board approval of the Company's capital expenditures and investments exceeding that authority; and

monitors the Company's interest rate hedging activities.

The Company's Audit Committee is responsible for overseeing the Company's assessment and management of financial reporting and internal control risks, as well as other financial risks such as the credit risks associated with counterparty exposure. Management and the Company's external auditors report regularly to the Audit Committee on those subjects. The Board of Directors has considered, and is comfortable with, its choice of leadership structure. Since the Board of Directors' leadership structure appropriately allows for its role as manager of risks of the Company, such role does not separately impact the Board of Directors' choice of leadership structure.

Attendance at Annual Meetings

While there is no formal attendance policy, the Board of Directors encourages all directors to attend the annual meetings of stockholders, if practicable. We anticipate that the majority of our directors will attend the Annual Meeting. Seven of the eight directors attended the annual meeting of stockholders in 2012.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets forth certain information as of December 31, 2012 regarding our long-term incentive plans, under which our common stock is authorized for issuance to employees, consultants and directors of us, the General Partner and its affiliates. Our sole equity compensation plan, under which we will make equity grants in the future, is the 2010 Incentive Plan, which was approved by our stockholders prior to our initial public offering.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)

Generally, awards of restricted stock to our officers and employees under the 2010 Incentive Plan are subject to vesting over time as determined by the Compensation Committee and, prior to vesting, are subject to forfeiture. Stock incentive plan awards may vest in other circumstances, as approved by the Compensation Committee and reflected in an award agreement. Restricted stock is issued, subject to vesting, on the date of grant. The Compensation Committee may provide that dividends on restricted stock are subject to vesting and forfeiture provisions, in which case such dividends would be held, without interest, until they vest or are forfeited.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The executive officers and directors of the Company and persons who own more than 10% of the Company's common stock are required to file reports with the SEC, disclosing the amount and nature of their beneficial ownership in common stock, as well as changes in that ownership. Based solely on its review of reports and written representations that the Company has received, the Company believes that all required reports were timely filed during 2012.

TRANSACTIONS WITH RELATED PERSONS

Our Relationship with Targa Resources Partners LP and its General Partner

Our only cash generating assets consist of our interests in the Partnership, which as of March 28, 2013 consists of the following:

a 2.0% general partner interest in the Partnership, which we hold through our 100% ownership interests in the General Partner;

all of the outstanding IDRs of the Partnership; and

12,945,659 of the 102,777,067 outstanding common units of the Partnership, representing a 12.7% limited partnership interest.

Omnibus Agreement

Our Omnibus Agreement with the Partnership addresses the reimbursement to us for costs incurred on the Partnership's behalf, competition and indemnification matters. Any or all of the provisions of the Omnibus Agreement, other than the indemnification provisions described below, are terminable by us at our option if the General Partner is removed as the Partnership's general partner without cause and units held by us and our affiliates have not voted in favor of that removal. The Omnibus Agreement will also terminate in the event of a Change of Control (as defined in the Omnibus Agreement) of the Partnership or its general partner. The Omnibus Agreement expires according to its terms on April 30, 2013, and the Omnibus Agreement will not be extended. At such time, reimbursement matters will be governed by the Partnership's partnership agreement, which provides that the General Partner will be reimbursed for all direct and indirect expenses, as well as expenses otherwise allocable to the Partnership in connection with the operation of the Partnership's business, incurred on the Partnership's behalf.

Reimbursement of Operating and General and Administrative Expense

Under the terms of the Omnibus Agreement, the Partnership reimburses us for the payment of certain operating and direct expenses, including compensation and benefits of operating personnel, and for the provision of various general and administrative services for the Partnership's benefit. Pursuant to these arrangements, we perform centralized corporate functions for the Partnership, such as legal, accounting, treasury, insurance, risk management, health, safety and environmental, information technology, human resources, credit, payroll, internal audit, taxes, engineering and marketing. The Partnership reimburses us for the direct expenses to provide these services as well as other direct expenses we incur on the Partnership's behalf, such as compensation of operational personnel performing services for the Partnership's benefit and the cost of their employee benefits, including 401(k), pension and health insurance benefits. The General Partner determines the amount of general and administrative expenses to be allocated to the Partnership in accordance with the Partnership's partnership agreement. Other than our direct costs of being a reporting company, substantially all of our general and administrative costs have been allocated to the Partnership, and so long as our only cash-generating assets consist of our interest in the Partnership, such costs will continue to be allocated to the Partnership. The Omnibus Agreement expires according to its terms on April 30, 2013, and the term of the Omnibus Agreement will not be extended. At such time, reimbursement matters will be governed by the Partnership's partnership agreement, which provides that the General Partner will be reimbursed for all direct and indirect expenses, as well as expenses otherwise allocable to the Partnership in connection with the operation of the Partnership's business, incurred on the Partnership's behalf.

Competition

We are not restricted, under either the Partnership's partnership agreement or the Omnibus Agreement, from competing with the Partnership. We may acquire, construct or dispose of additional midstream energy or other assets in the future without any obligation to offer the Partnership the opportunity to purchase or construct those assets.

Registration Rights Agreement

Agreement with Series B Preferred Stock Investors

On October 31, 2005, we entered into an amended and restated registration rights agreement with the holders of our then outstanding Series B preferred stock that received or purchased 6,453,406 shares of preferred stock pursuant to a stock purchase agreement dated October 31, 2005. Pursuant to the registration rights agreement, we agreed to register the sale of shares of our common stock that holders of such preferred stock received upon conversion of the preferred stock, under certain circumstances. These holders include (directly or indirectly through subsidiaries or affiliates), among others, Warburg Pincus.

Demand Registration Rights. At any time, the qualified holders have the right to require us by written notice to register a specified number of shares of common stock in accordance with the Securities Act and the registration rights agreement. The qualified holders have the right to request up to an aggregate of five registrations; provided that such qualified holders are not limited in the number of demand registrations that constitute shelf registrations pursuant to Rule 415 under the Securities Act. In no event shall more than one demand registration occur during any six-month period or within 120 days after the effective date of a registration statement we file, provided that no demand registration may be prohibited for that 120-day period more than once in any 12-month period.

Piggy-back Registration Rights. If, at any time, we propose to file a registration statement under the Securities Act with respect to an offering of common stock (subject to certain exceptions), for our own account, then we must give at least 15 days notice prior to the anticipated filing date to all holders of registrable securities to allow them to include a specified number of their shares in that registration statement. We will be required to maintain the effectiveness of that registration statement until the earlier of 180 days after the effective date and the consummation of the distribution by the participating holders.

Conditions and Limitations; Expenses. These registration rights are subject to certain conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration and our right to delay or withdraw a registration statement under certain circumstances. We will generally pay all registration expenses in connection with our obligations under the registration rights agreement, regardless of whether a registration statement is filed or becomes effective.

Contracts with Affiliates

Indemnification Agreements with Directors and Officers. In February 2007, the Partnership and the General Partner entered into indemnification agreements with each independent director of the General Partner. In February 2013, the Partnership and the General Partner entered into an indemnification agreement with a newly elected independent director of the General Partner. Each indemnification agreement provides that each of the Partnership and the General Partner will indemnify and hold harmless each indemnitee against Expenses (as defined in the indemnification agreement) to the fullest extent permitted or authorized by law, including the Delaware Revised Uniform Limited Partnership Act and the Delaware Limited Liability Company Act in effect on the date of the agreement or as such laws may be amended to provide more advantageous rights to the indemnitee. If such indemnification is unavailable as a result of a court decision and if the Partnership or the General Partner is jointly liable in the proceeding with the indemnitee, the Partnership and the General Partner will contribute funds to the indemnitee for his or her Expenses (as defined in the in the Indemnification Agreement) in proportion to relative benefit and fault of the Partnership or the General Partner on the one hand and indemnitee on the other in the transaction giving rise to the proceeding.

Each indemnification agreement also provides that the Partnership and the General Partner will indemnify and hold harmless the indemnitee against Expenses incurred for actions taken as a director or officer of the Partnership or the General Partner or for serving at the request of the Partnership or the General Partner as a director or officer or another position at another corporation or enterprise, as the case may be, but only if no final and non-appealable judgment has been entered by a court determining that, in respect of the matter for which the indemnitee is seeking indemnification, the indemnitee acted in bad faith or engaged in fraud or willful misconduct or, in the case of a criminal proceeding, the indemnitee acted with knowledge that the indemnitee's conduct was unlawful. The indemnification agreement also provides that the Partnership and the General Partner must advance payment of certain Expenses to the indemnitee, including fees of counsel, subject to receipt of an undertaking from the indemnitee to return such advance if it is ultimately determined that the Indemnitee is not entitled to indemnification.

We have entered into parent indemnification agreements with each of our directors and officers, including Messrs. Joyce, Perkins, Whalen, Kagan and Hwang and Ms. Fulton who serve or served as directors and/or officers of the General Partner. Each parent indemnification agreement provides that we will indemnify and hold

harmless each indemnitee for Expenses (as defined in the parent indemnification agreement) to the fullest extent permitted or authorized by law, including the Delaware General Corporation Law, in effect on the date of the agreement or as it may be amended to provide more advantageous rights to the indemnitee. If such indemnification is unavailable as a result of a court decision and if we and the indemnitee are jointly liable in the proceeding, we will contribute funds to the indemnitee for his or her Expenses in proportion to relative benefit and fault of us and indemnitee in the transaction giving rise to the proceeding.

Each parent indemnification agreement also provides that we will indemnify the indemnitee for monetary damages for actions taken as our director or officer or for serving at our request as a director or officer or another position at another corporation or enterprise, as the case may be but only if (i) the indemnitee acted in good faith and, in the case of conduct in his official capacity, in a manner he reasonably believed to be in our best interests and, in all other cases, not opposed to our best interests and (ii) in the case of a criminal proceeding, the indemnitee must have had no reasonable cause to believe that his conduct was unlawful. The parent indemnification agreement also provides that we must advance payment of certain Expenses to the indemnitee, including fees of counsel, subject to receipt of an undertaking from the indemnitee to return such advance if it is ultimately determined that the indemnitee is not entitled to indemnification.

Indemnification Agreements with the Partnership. Under the Omnibus Agreement, the Partnership agreed to indemnify us against environmental liabilities related to the North Texas System arising or occurring after February 14, 2007.

Additionally, we have agreed to indemnify the Partnership for losses relating to income tax liabilities attributable to pre-IPO operations that are not reserved on the books of the predecessor business of the North Texas System as of February 14, 2007. We do not have any obligation under this indemnification until the Partnership's aggregate losses exceed \$250,000. Our obligation under this indemnification will terminate upon the expiration of any applicable statute of limitations. The Partnership will indemnify us for all losses attributable to the post-IPO operations of the North Texas System.

Conflicts of Interest

Conflicts of interest exist and may arise in the future as a result of the relationships between the General Partner and its affiliates (including us), on the one hand, and the Partnership and its other limited partners, on the

other hand. The directors and officers of the General Partner have fiduciary duties to manage the General Partner and us, if applicable, in a manner beneficial to our owners. At the same time, the General Partner has a fiduciary duty to manage the Partnership in a manner beneficial to it and its unitholders. Please see *Review, Approval or Ratification of Transactions with Related Persons* below for additional detail of how these conflicts of interest will be resolved.

Review, Approval or Ratification of Transactions with Related Persons

Our policies and procedures for approval or ratification of transactions with related persons are not contained in a single policy or procedure. Instead, they are reflected in the general operation of our Board of Directors, consistent with past practice. Prior to our IPO, an agreement among our stockholders prohibited us from entering into, modifying, amending or terminating any transaction (other than certain compensatory arrangements and sales or purchases of capital stock) with an executive officer, director or affiliate without the prior written consent of the holders of at least a majority of our outstanding shares. We distribute and review a questionnaire to our executive officers and directors requesting information regarding, among other things, certain transactions with us in which they or their family members have an interest. If a conflict or potential conflict of interest arises between us and our affiliates (excluding the Partnership) on the one hand and the Partnership and its limited partners (other than us and our affiliates), on the other hand, the resolution of any such conflict or potential conflict is addressed as described under *Conflicts of Interest*. Pursuant to our Code of Conduct, our officers and directors are required to abandon or forfeit any activity or interest that creates a conflict of interest between them and us or any of our subsidiaries, unless the conflict is pre-approved by our Board of Directors.

Whenever a conflict arises between the General Partner or its affiliates, on the one hand, and the Partnership or any other partner, on the other hand, the General Partner will resolve that conflict. The Partnership's partnership agreement contains provisions that modify and limit the General Partner's fiduciary duties to the Partnership's unitholders. The Partnership's partnership agreement also restricts the remedies available to unitholders for actions taken that, without those limitations, might constitute breaches of fiduciary duty.

The General Partner will not be in breach of its obligations under the Partnership's partnership agreement or its duties to the Partnership or its unitholders if the resolution of the conflict is:

approved by the General Partner's conflicts committee, although the General Partner is not obligated to seek such approval;

approved by the vote of a majority of the Partnership's outstanding common units, excluding any common units owned by the General Partner or any of its affiliates;

on terms no less favorable to the Partnership than those generally being provided to or available from unrelated third parties; or

fair and reasonable to the Partnership, taking into account the totality of the relationships among the parties involved, including other transactions that may be particularly favorable or advantageous to the Partnership.

The General Partner may, but is not required to, seek the approval of such resolution from the conflicts committee of its board of directors. If the General Partner does not seek approval from the conflicts committee and its board of directors determines that the resolution or course of action taken with respect to the conflict of interest satisfies either of the standards set forth in the third or fourth bullet points above, then it will be presumed that, in making its decision, the board of directors acted in good faith and in any proceeding brought by or on behalf of any limited partner of the Partnership, the person bringing or prosecuting such proceeding will have the burden of overcoming such presumption. Unless the resolution of a conflict is specifically provided for in the Partnership's partnership agreement, the General Partner or its conflicts committee may consider any factors they determine in good faith to consider when resolving a conflict. When the Partnership's partnership agreement provides that someone act in good faith, it requires that person to believe he is acting in the best interests of the Partnership.

Director Independence

Messrs. Crisp, Kagan, Redd and Tong and Ms. Fulton are our independent directors under the NYSE's listing standards. Our Board of Directors examined the commercial relationships between us and companies for whom our independent directors serve as directors or with whom family members of our independent directors have an employment relationship. The commercial relationships reviewed consisted of product and service purchases and product sales at market prices consistent with similar arrangements with unrelated entities.

Report of the Audit Committee

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The Audit Committee operates under a written charter approved by the Board of Directors. The charter, among other things, provides that the Audit Committee has authority to appoint, retain and oversee the independent auditor and is available on our website at

<http://ir.targaresources.com/trc/documentdisplay.cfm?DocumentID=7955>. Messrs. Tong and Redd and Ms. Fulton are the current members of our Audit Committee. Prior to February 26, 2013, the members of the Audit Committee were Messrs. Tong, Redd and Crisp. Effective February 26, 2013, Mr. Crisp resigned from his position as a member of the Audit Committee. The Board of Directors appointed Ms. Fulton as a member of the Audit Committee to replace Mr. Crisp.

In this context, the Audit Committee, as composed prior to February 26, 2013:

reviewed and discussed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

reviewed with PricewaterhouseCoopers LLP, our independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with generally accepted accounting principles, their judgments as to the quality and acceptability of our accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards;

received the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PricewaterhouseCoopers LLP's communications with the audit committee concerning independence from the Company and its subsidiaries, and has discussed with PricewaterhouseCoopers the firm's independence;

discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T;

discussed with the Company's internal auditors and PricewaterhouseCoopers LLP the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditors and PricewaterhouseCoopers LLP, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting;

based on the foregoing reviews and discussions, recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2012, for filing with the SEC; and

approved the selection and appointment of PricewaterhouseCoopers LLP to serve as our independent auditors.

This report has been furnished by the members of the Audit Committee of the Board of Directors, as composed prior to February 26, 2013:

Audit Committee

Chris Tong, Chairman

Erschel C. Redd Jr.

The report of the Audit Committee in this report shall not be deemed incorporated by reference into any other filing by Targa Resources Corp. under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

ITEM TWO

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected PricewaterhouseCoopers LLP as the independent auditors of the Company for 2013. PricewaterhouseCoopers LLP has audited the Company's consolidated financial statements since 2005. The 2012 audit of the Company's annual consolidated financial statements was completed on February 19, 2013.

The Board of Directors is submitting the selection of PricewaterhouseCoopers LLP for ratification at the Annual Meeting. The submission of this matter for approval by stockholders is not legally required, but the Board of Directors and the Audit Committee believe the submission provides an opportunity for stockholders through their vote to communicate with the Board of Directors and the Audit Committee about an important aspect of corporate governance. If the stockholders do not ratify the selection of PricewaterhouseCoopers LLP, the Audit Committee will reconsider the selection of that firm as the Company's auditors.

The Audit Committee has the sole authority and responsibility to retain, evaluate and replace the Company's auditors. The stockholders' ratification of the appointment of PricewaterhouseCoopers LLP does not limit the authority of the Audit Committee to change auditors at any time.

Audit and Other Fees

We have engaged PricewaterhouseCoopers LLP as our principal accountant. The following table summarizes fees we were billed by PricewaterhouseCoopers LLP for independent auditing, tax and related services for each of the last two fiscal years, all of which have been approved by the Audit Committee:

	2012	2011
	(In millions)	
Audit Fees (1)	\$ 3.1	\$ 2.7
Audit-Related Fees (2)		
Tax Fees (3)		
All Other Fees (4)		
	\$ 3.1	\$ 2.7

- (1) Audit fees represent amounts billed for each of the years presented for professional services rendered in connection with (i) the integrated audit of our annual financial statements and internal control over financial reporting, (ii) the review of our quarterly financial statements or (iii) those services normally provided in connection with statutory and regulatory filings or engagements including comfort letters, consents and other services related to SEC matters. This information is presented as of the latest practicable date for this proxy statement.
- (2) Audit-related fees represent amounts we were billed in each of the years presented for assurance and related services that are reasonably related to the performance of the annual audit or quarterly reviews of our financial statements and are not reported under audit fees.
- (3) Tax fees represent amounts we were billed in each of the years presented for professional services rendered in connection with tax compliance, tax advice and tax planning.
- (4) All other fees represent amounts we were billed in each of the years presented for services not classifiable under the other categories listed in the table above. No such services were rendered by PricewaterhouseCoopers LLP during the last two years.

The Audit Committee has approved the use of PricewaterhouseCoopers LLP as our independent principal accountant. All services provided by our independent auditor are subject to pre-approval by the Audit Committee. The Audit Committee is informed of each engagement of the independent auditor to provide services to us.

The Company expects that representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting to respond to appropriate questions and to make a statement if they desire to do so.

The Board of Directors unanimously recommends that stockholders vote FOR the ratification of the selection of PricewaterhouseCoopers LLP as the auditors of the Company for 2013.

STOCKHOLDER PROPOSALS FOR 2014; IDENTIFICATION OF DIRECTOR CANDIDATES

Any stockholder of the Company who desires to submit a proposal for action at the 2014 annual meeting of Stockholders and wishes to have such proposal (a Rule 14a-8 Proposal) included in the Company s proxy materials, must submit such Rule 14a-8 Proposal to the Company at its principal executive offices no later than December 6, 2013, unless the Company notifies the stockholders otherwise. Only those Rule 14a-8 Proposals that are timely received by the Company and proper for stockholder action (and otherwise proper) will be included in the Company s proxy materials.

Any stockholder of the Company who desires to submit a proposal for action at the 2014 annual meeting of stockholders, but does not wish to have such proposal (a Non-Rule 14a-8 Proposal) included in the Company s proxy materials, must submit such Non-Rule 14a-8 Proposal to the Company at its principal executive offices so that it is received between January 20, 2014 and February 19, 2014, unless the Company notifies the stockholders otherwise. If a Non-Rule 14a-8 Proposal is not received by the Company on or before February 19, 2014, then the Company intends to exercise its discretionary voting authority with respect to such Non-Rule 14a-8 Proposal.

Discretionary voting authority is the ability to vote proxies that stockholders have executed and submitted to the Company, on matters not specifically reflected in the Company s proxy materials, and on which stockholders have not had an opportunity to vote by proxy.

It is the responsibility of the Nominating and Governance Committee to identify, evaluate and recommend to the Board the Directors nominees for election at the annual meeting of stockholders, as well as to fill vacancies or additions on the Board of Directors that may occur between annual meetings. When recommending director candidates, the Nominating and Governance Committee considers and reviews each candidate s relevant skills and experience, business judgment, service on boards of directors of other companies, personal and professional integrity, including commitment to the Company s core values, openness and ability to work as part of a team, the overall variety and mix of experience, skills, attributes and viewpoints of the Board of Directors, taken as a whole, willingness to commit the required time to serve as a board member and familiarity with the Company and its industry.

Although the Nominating and Governance Committee does not have a formal policy with respect to diversity, the Committee considers the diversity of, and the optimal enhancement of the current mix of talent and experience on the Board of Directors and endeavors to achieve an overall balance of diversity of experiences, skills, attributes and viewpoints. The Nominating and Governance Committee believes it has achieved that balance through the representation on the board of members having experience in various sectors of the energy industry, finance, accounting and investment analysis, among other areas. The Nominating and Governance Committee does not discriminate based upon race, religion, sex, national origin, age, disability, citizenship or any other legally protected status.

In identifying potential director candidates, the Nominating and Governance Committee relies on any source available for the identification and recommendation of candidates, including current directors and officers and shareholders. In addition, the Nominating and Governance Committee from time to time may engage a third party search firm to identify or evaluate, or assist in identifying or evaluating potential candidates, for which the third party search firm will be paid a fee.

The Nominating and Governance Committee will also consider any nominee recommended by stockholders for election at the annual meeting of stockholders to be held in 2014 if that nomination is submitted in writing, between January 20, 2014 and February 19, 2014, to Targa Resources Corp., 1000 Louisiana Street, Suite 4300, Houston, Texas 77002, Attention: Secretary. The Nominating and Governance Committee treats recommendations for directors that are received from the Company s stockholders equally with recommendations received from any other source. With respect to each such nominee, the following information must be provided to the Company with the written nomination:

- a) the nominee s name, address and other personal information;

- b) the number of shares of each class and series of stock of the Company held by such nominee;
- c) the nominating stockholder's name, residential address and telephone number, and business address and telephone number; and

d) all other information required to be disclosed pursuant to Regulation 14A of the Securities and Exchange Act of 1934.

Each submission must also include a statement of the qualifications of the nominee, a notarized consent signed by the nominee evidencing a willingness to serve as a director, if elected, and a written representation and agreement that such person (i) is not and will not become a party to any voting agreement or compensation agreement that has not been disclosed to the Company or that could limit or interfere with the nominee's ability to comply with their fiduciary duties under applicable law and (ii) will comply with all of the Company's applicable corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines.

Written requests for inclusion of any stockholder proposal should be addressed to Targa Resources Corp., 1000 Louisiana Street, Suite 4300, Houston, Texas 77002, Attention: Secretary. The Company suggests that any such proposal be sent by certified mail, return receipt requested.

SOLICITATION OF PROXIES

Solicitation of Proxies may be made via the Internet, by mail, personal interview or telephone by officers, directors and regular employees of the Company. The Company may also request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of the common stock that those companies or persons hold of record, and the Company will reimburse the forwarding expenses. In addition, the Company has retained Georgeson Inc. to assist in solicitation for a fee estimated not to exceed \$20,000. The Company will bear all costs of solicitation.

STOCKHOLDER LIST

In accordance with the Delaware General Corporation Law, the Company will maintain at its corporate offices in Houston, Texas, a list of the stockholders entitled to vote at the Annual Meeting. The list will be open to the examination of any stockholder, for purposes germane to the Annual Meeting, during ordinary business hours for ten days before the Annual Meeting.
