Subject: Additional Information for Market Leader equity holders

Team,

If you're receiving this message, you are either a shareholder or option holder in Market Leader, and you likely have questions about how the Trulia/Market Leader deal that we announced today affects your Market Leader equity awards. I have good news for you.

Trulia is purchasing Market Leader shares for \$11.33 per share, which is an 18% increase over yesterday's closing price. The deal is scheduled to close in Q3, and at that time, all Market Leader shareholders will receive \$6 in cash and 0.1553 Trulia shares for each Market Leader share. In addition, all outstanding Market Leader options and RSUs will be converted into Trulia options and RSUs using a conversion ratio that retains the same value you have at closing.

Key points:

Nothing changes until the deal closes in Q3.

Our next trading window will be from Monday, May 13th through Friday, June 14th, and you will be free to buy or sell vested Market Leader shares in that window as always (so long as you don't have any material non-public information).

After the deal closes, if you have outstanding Market Leader equity grants, those grants will be converted to Trulia equity grants with the same vesting status and schedule.

We'll hold an informational meeting next Monday, May 13th to review this information and to answer any questions you may have. I will be sending a meeting invitation in the next couple days.

We'll look forward to seeing you at the meeting and to answering questions about your equity awards.

Jackie
