The information required by this Item 1.01 is included in Item 2.01 below and is incorporated herein by reference.

**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On November 5, 2013, Apogee Enterprises, Inc. (the Company), entered into a Share Purchase Agreement (the Agreement) by and among (i) 2393514 Ontario Inc., a corporation organized and existing under the laws of the Province of Ontario, a wholly-owned affiliate of the Company (the Purchaser), (ii) the Company, (iii) Alumicor Limited, a corporation organized and existing under the laws of the Province of Ontario, (Alumicor), (iv) PEF 2005 Alumicor Investment Limited Partnership (PEF), a limited partnership formed and existing under the laws of the Province of British Columbia and (v) the individual shareholders of Alumicor listed in the Agreement (collectively, together with PEF, the Sellers).

Pursuant to the terms of the Agreement, on November 5, 2013, the Purchaser acquired from the Sellers all of the issued and outstanding shares of Alumicor for aggregate cash consideration of approximately \$52.0 million (U.S.), subject to certain adjustments. The Agreement contains customary representations, warranties, covenants and indemnification provisions. In order to secure any purchase price adjustment due to the Purchaser from the Sellers and certain indemnification obligations of the Sellers to Purchaser and the Company, approximately \$7.0 million (U.S.) of the consideration paid by the Purchaser was placed in escrow for a period of up to 24 months after the closing of the share purchase. The Company guaranteed the obligations of the Purchaser under the Agreement. The Purchaser and the Company funded the acquisition from cash on hand at the Company.

The representations, warranties and covenants set forth in the Agreement have been made only for the purposes of such Agreement and solely for the benefit of the parties to the Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures, may have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors and were made only as of the date of the Agreement or such other date as specified in the Agreement. Accordingly, the Agreement is included with this filing only to provide investors with information regarding the terms of the Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses, and should be read in conjunction with the disclosures in the Company's periodic reports and other filings with the Securities and Exchange Commission.

Alumicor, headquartered in Toronto, Ontario, and with facilities in Toronto; Winnipeg, Manitoba; St. Laurent, Quebec; and Bedford, Nova Scotia, is a supplier of architectural aluminum building envelope products.

In connection with the Agreement and the acquisition of Alumicor, the Purchaser and the Company entered into certain other agreements, including employment agreements, consulting agreements and non-competition agreements, with certain of the Sellers.

The foregoing description of the Agreement is not complete and is qualified in its entirety by reference to the Agreement, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated herein by reference.
