ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

On August 15, 2007, certain of the Reporting Persons purchased shares of 12% Senior Cumulative Preferred Stock, par value \$0.01 per share (the **Senior Preferred Stock**), and shares of 12% Junior Cumulative Preferred Stock, par value \$0.01 per share (the **Junior Preferred Stock**, and collectively with the Senior Preferred Stock, the **Preferred Stock**) of the Issuer.

Following the closing of the Issuer's initial public offering (the **IPO**) of 14,375,000 shares of Common Stock (including 1,875,000 shares to be sold pursuant to the exercise of the underwriters' over-allotment option) on November 6, 2013, the Issuer distributed an aggregate amount of \$205.8 million (the **Distribution**) to the holders of the Preferred Stock, including the Reporting Persons, paid from the net proceeds from the IPO as follows: (1) first, on a pro rata basis to all holders of the Senior Preferred Stock, reducing the liquidation preference on each such share of Senior Preferred Stock until such liquidation preference was reduced to \$1,000.00 per share and (2) second, on a pro rata basis to all holders of Junior Preferred Stock. The primary purpose of the Distribution was to reduce the liquidation preference of the Preferred Stock in advance of the Exchange.

In the Exchange (the **Exchange**), each holder of Preferred Stock, including the Reporting Persons, exchanged each outstanding share of such holder's Preferred Stock for a number of shares of Common Stock determined by dividing (a) the liquidation preference amount of such Preferred Stock on the date of the Distribution (and after giving effect to the payment of the Distribution) by (b) the initial public offering price of the IPO of \$18.00 per share. The primary purpose of the Exchange was to retire the Preferred Stock such that the Issuer would have only one class of capital stock outstanding the Common Stock following its IPO.

On October 31, 2013, the Issuer filed a Rule 424(b)(3) prospectus with the Securities and Exchange Commission (the **Prospectus**) in connection with its IPO.

As of the date of this statement, GEI V held 20,952,262 shares of Common Stock, GEI Side V held 6,285,164 shares of Common Stock, Co-Invest held 269,118 shares of Common Stock, Jonathan D. Sokoloff and Timothy J. Flynn each held options convertible into 13,603 shares of Common Stock immediately upon the closing of the IPO, J. Kristofer Galashan held

options convertible into 13,602 shares of Common Stock immediately upon the closing of the IPO, and the Separately Filing Group Members collectively held 4,200,390 shares of Common Stock, representing an aggregate of 31,747,742 shares of Common Stock, as a result of the Distribution, Exchange, and stock split of approximately 5.9:1 described in the Prospectus, this Item 3 and Item 6 hereof.

ITEM 4. PURPOSE OF TRANSACTION

The Reporting Persons acquired their shares of Preferred Stock, and presently hold their Common Stock, for investment purposes. GEI V, GEI Side V, Co-Invest, and certain of the Reporting Persons, including Jonathan D. Sokoloff, Timothy J. Flynn, and J. Kristofer Galashan, intend to participate in the management of the Issuer through their representation on the Issuer's board of directors. For further information, see Items 2 and 6 hereof.

The Investors have, pursuant to a voting agreement (the **Voting Agreement**) entered into concurrently with the closing of the IPO, agreed to vote all shares of the Common Stock owned or held of record by such Investors at each annual or special meeting of stockholders of the Issuer at which directors of the Issuer are to be elected, in favor of, or to take all actions by written consent in lieu of any such meeting as are necessary, to cause the election as directors of the Separately Filing Group Members, to the extent such persons are nominated by the Issuer's nominating and corporate governance committee. The Separately Filing Group Members are also parties to the Voting Agreement and have agreed to vote their shares of Common Stock in favor of the election of the directors of the Issuer affiliated with the Investors, to the extent such persons are nominated by the Issuer's nominating and corporate governance committee. For further information, see the Voting Agreement filed herewith as Exhibit 7.1.

Pursuant to a stockholders agreement entered into by the Issuer, the Investors, and the Separately Filing Group Members on August 16, 2007 the Investors held certain registration rights relating to the Issuer. Concurrently with the closing of the IPO, this stockholders agreement was amended and restated (the **Amended Stockholders Agreement**) such that the registration rights provisions, which include the obligation of the Investors to agree to enter into holdback arrangements of the kind discussed in the following paragraph, remain in effect. For further information, see Item 6 hereof, and the Amended Stockholders Agreement filed herewith as Exhibit 7.2.

Each Investor has agreed, pursuant to a lock-up agreement with the underwriters to the IPO (the **Lock-up Agreement**), not to offer, pledge, sell, contract to sell, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock, or enter into a swap or other arrangement that transfers any of the economic consequences associated with ownership of the Common Stock, and not to make any demand for, or exercise any right with respect to, the registration of shares of Common Stock. For further information, see Item 6 hereof, and the Lock-up Agreement filed herewith as Exhibit 7.3.

Except as disclosed in this Item 4, none of the Investors, nor any of the other Reporting Persons, has any current plans or proposals which relate to or would result in any of the events described in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D. The Reporting Persons, however, will take such actions with respect to the Reporting Persons' investments in the Issuer as deemed appropriate in light of existing circumstances from time to time and reserve the right to acquire or dispose of securities of the Issuer, to enter into hedging relationships with respect to such securities, or to formulate other purposes, plans or proposals in the future depending on market conditions and/or

other factors.

The closing of the IPO took place on November 6, 2013, and at such closing, the Issuer paid a Distribution to holders of the Issuer's Preferred Stock, including the Reporting Persons (as described more fully in Item 3). In connection with the closing of the IPO, the Issuer executed an Exchange (as described more fully in Item 3) whereby the Reporting Persons' Preferred Stock was converted into shares of Common Stock and a stock split of approximately 5.9:1 was effectuated.

Each Investor has agreed, pursuant to the Voting Agreement, (i) to vote all shares of the Common Stock that the Investors are entitled to vote, whether now owned or later acquired, in favor of, or to take all actions by written consent in lieu of any such meeting as are necessary, to cause the election as directors of persons nominated by the Issuer's nominating and corporate

governance committee of the board of directors, and (ii) not to grant any proxy or agree to be bound by any voting trust agreement that conflicts with the Voting Agreement. Such restrictions remain in effect for so long as the Investors, their affiliates, and the directors of the Issuer affiliated with the Investors collectively hold at least 40% of the outstanding Common Stock. The Investors are not otherwise restricted by the Voting Agreement in regard to the manner in which they may vote their shares of Common Stock. For further information, see the Voting Agreement filed herewith as Exhibit 7.1.

Pursuant to the Amended Stockholders Agreement, the Investors hold demand registration rights exercisable commencing six months after the closing of the IPO, whereby the Investors may require the Issuer to use its best efforts to register their shares of Common Stock for resale under the Act. Pursuant to the Amended Stockholders Agreement, the Investors hold piggy-back registration rights that give the Investors the right to include their shares of Common Stock in a registration statement of the Issuer in any subsequent public offerings. Additionally, the Issuer is required to bear the registration expenses, other than underwriting discounts and commissions and transfer taxes, associated with any such registration of shares. In connection with any registration of the Issuer's securities and upon the request of the Issuer and the underwriters managing any underwritten offering of the Issuer's securities, the Investors agreed in the Amended Stockholders Agreement not to effect any public sale or distribution of Common Stock, or make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of Common Stock or any securities convertible into or exchangeable or exercisable for Common Stock without the prior written consent of the Issuer or such underwriters. For further information, see the Amended Stockholders Agreement filed herewith as Exhibit 7.2.

Each Investor has agreed, pursuant to the Lock-up Agreement, not to offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any shares of Common Stock, or publicly disclose the intention to make any such offer, sale, pledge or disposition. The Lock-up Agreement also prohibits each Investor from entering into swap or other arrangements that transfer any of the economic consequences associated with ownership of the Common Stock, and from making any demand for, or exercising any right with respect to, the registration of shares of Common Stock. The Lock-up Agreement requires the prior written consent of certain underwriters to take any of the above described actions. For further information, see the Lock-up Agreement filed herewith as Exhibit 7.3.

The foregoing summaries do not purport to be complete and are qualified in their entirety by reference to the Voting Agreement, the Amended Stockholders Agreement, and the Lock-up Agreement filed herewith as Exhibits 7.1, 7.2, and 7.3, respectively, and incorporated herein by reference.

Other than the matters disclosed above in response to Items 4 and 5 and this Item 6, none of the Reporting Persons is party to any contracts, arrangements, understandings or relationships with respect to any securities of the Issuer, including but not limited to the transfer or voting of any of the securities, finder's fees, joint ventures, loan or option agreements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
