**Item 1.01 Entry into a Material Definitive Agreement.**

On November 19, 2013, Spartan Stores, Inc. (Spartan Stores or the Company) and certain of its subsidiaries (collectively, the Borrowers) entered into a \$1 billion Amended and Restated Loan and Security Agreement (the Credit Agreement) with Wells Fargo Capital Finance, LLC, as administrative agent (Wells Fargo), and certain lenders from time to time party thereto. The Credit Agreement was entered into contemporaneously with the closing of the Merger (as defined and described in Item 2.01 of this Current Report below), pursuant to which Nash-Finch Company (Nash-Finch) became a wholly-owned subsidiary of the Company. The Credit Agreement amends and restates in the entirety each of the previous credit agreements between Wells Fargo (or an affiliate thereof) and Spartan Stores and certain of its subsidiaries and Nash-Finch and certain of its subsidiaries, respectively.

The Credit Agreement has a term of five years, maturing on November 19, 2018, and is a secured credit facility consisting of three tranches. Tranche A is a \$900 million secured revolving credit facility; Tranche A-1 is a \$40 million secured revolving credit facility; and Tranche A-2 is a \$60 million term loan. Borrowings under the Credit Agreement are available for general operating expenses, working capital, merger costs, repayment of certain existing Nash-Finch indebtedness and other general corporate purposes.

The Borrowers have the right to request an increase in the maximum amount of the Credit Agreement in such amount as would bring the aggregate loan commitments under the Credit Agreement to a total of up to \$1.4 billion. The request will become effective if (a) certain customary conditions specified in the Credit Agreement are met and (b) one or more existing lenders under the Credit Agreement or other financial institutions approved by the administrative agent commit to lend the increased amounts under the Credit Agreement.

The Borrowers' obligations under the Credit Agreement are secured by substantially all of the personal and real property of the Borrowers. The Borrowers may prepay all loans at any time without penalty.

Availability under the Credit Agreement is based upon advance rates on certain asset categories owned by the Company, including, but not limited to the following: inventory, accounts receivable, real estate, prescription lists and rolling stock.

Indebtedness under the three tranches of the Credit Agreement bear interest subject to a grid based upon Excess Availability as defined in the Credit Agreement at the Company's election as either Eurodollar loans or Base Rate loans.

Tranche A Eurodollar loans bear interest at rates ranging from LIBOR plus 1.50% to LIBOR plus 2.00% and Tranche A Base Rate loans bear interest at rates ranging from the greatest of (i) Federal Funds Rate plus 1.00% to 1.50% (ii) the Eurodollar Rate plus 1.50% to 2.00%; or (iii) the prime rate as announced by Wells Fargo plus .50% to 1.00%.

Tranche A-1 Eurodollar loans bear interest at rates ranging from LIBOR plus 2.75% to LIBOR plus 3.25% and Tranche A-1 Base Rate loans bear interest at rates ranging from the greatest of (i) the Federal Funds Rate plus 2.25% to 2.75% (ii) the Eurodollar Rate plus 2.75% to 3.25% or (iii) the prime rate as announced by Wells Fargo plus 1.75% to 2.25%.

Tranche A-2 Eurodollar loans bear interest at LIBOR plus 5.50% and Tranche A Base Rate loans bear interest at rates representing the greatest of (i) Federal Funds Rate plus 5.00% (ii) the Eurodollar Rate plus 5.50%; or (iii) the prime rate as announced by Wells Fargo plus 4.5%.

The Borrowers incur an unused line fee on the unused portion of the loan commitments at a rate ranging from 0.25% to 0.375%.

The Credit Agreement imposes certain requirements, including: limitations on dividends and investments (including distributions to subsidiaries designated as unrestricted subsidiaries); limitations on the Company's ability to incur debt, make loans, acquire other companies, change the nature of the Company's business, enter a merger or consolidation, or sell assets. These requirements can be more restrictive depending upon the Company's Excess Availability as defined under the Credit Agreement.

Upon the occurrence, and during the continuance, of an event of default, including but not limited to nonpayment of principal when due, failure to perform or observe certain terms, covenants, or agreements under the Credit Agreement and the other loan documents, and certain defaults of other indebtedness, the administrative agent may terminate the obligation of the lenders under the Credit Agreement to make advances and issue letters of credit and declare any outstanding obligations under the Credit Agreement immediately due and payable. In addition, in the event of insolvency (as defined in the Credit Agreement), the obligation of each lender to make advances and issue letters of credit shall automatically terminate and any outstanding obligations under the Credit Agreement shall immediately become due and payable.

The foregoing description of the Credit Agreement does not purport to be a complete statement of the parties' rights and obligations under the Credit Agreement and the transactions contemplated by the Credit Agreement. The Credit Agreement is attached hereto as Exhibit 10.1 and is incorporated into this Item 1.01 in its entirety.
