Certifications and Disclosure Regarding Controls and Procedures.

- (a) **Certifications regarding controls and procedures.** See Exhibits 99.9 and 99.10.
- (b) **Evaluation of disclosure controls and procedures.** As of December 31, 2013 an evaluation of the effectiveness of Cameco Corporation's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the United States Securities Exchange Act of 1934, as amended (the Exchange Act)), was carried out by Cameco Corporation's Chief Executive Officer (CEO) and Chief Financial Officer (CFO). Based on that evaluation, the CEO and CFO have concluded that as of such date Cameco Corporation's disclosure controls and procedures are effective to provide a reasonable level of assurance that information required to be disclosed by Cameco Corporation in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in United States Securities and Exchange Commission (the Commission) rules and forms.

It should be noted that while the CEO and CFO believe that Cameco Corporation's disclosure controls and procedures provide a reasonable level of assurance that they are effective, they do not expect the disclosure controls and procedures or internal control over financial reporting to be capable of preventing all errors and fraud. A control system, no matter how well conceived or operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met.

- (c) **Management's annual report on internal control over financial reporting.** Management, including Cameco Corporation's CEO and CFO, is responsible for establishing and maintaining adequate internal control over financial reporting (as that term is defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) for Cameco Corporation. Management conducted an evaluation of the effectiveness of internal control over financial reporting based on the Internal Control - Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, management concluded that Cameco Corporation's internal control over financial reporting was effective as of December 31, 2013.
- (d) **Attestation report of the registered public accounting firm.** The effectiveness of Cameco Corporation's internal control over financial reporting as of December 31, 2013 was audited by KPMG LLP, an independent registered public accounting firm, as stated in their report in Exhibit 99.6 Report of Independent Registered Public Accounting Firm.
- (e) **Changes in internal control over financial reporting.** During the fiscal year ended December 31, 2013, there were no changes in Cameco Corporation's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, Cameco Corporation's internal control over financial reporting.

Audit & Finance Committee Financial Expert. Cameco Corporation's board of directors has determined that at least two of the members of its audit and finance committee (the audit committee) are audit committee financial experts. The audit committee financial experts are John Clappison and Ian Bruce. Mr. Bruce has been determined by Cameco Corporation's board of directors to be an independent director as such term is defined under the Canadian Securities Administrators' National Instrument 52-110 (Audit Committees) (NI 52-110), the Commission's audit committee independence requirements, and the rules of the New York Stock Exchange relating to the independence of audit committee members.

Mr. Clappison has been determined to be an independent director by Cameco Corporation's board of directors under NI 52-110, which is the Canadian corporate governance rule that applies to Cameco Corporation, and under the Commission's audit committee independence requirements. However, Mr. Clappison's son-in-law is a partner at KPMG LLP, the auditors of Cameco Corporation, and therefore Mr. Clappison is deemed to be a non-independent director as such term is used in the rules of the New York Stock Exchange. Mr. Clappison's son-in-law is prohibited from being engaged in the Cameco Corporation audit. Under the rules of the Commission and the Public Company Accounting Oversight Board (United States), such relationship does not impair the independence of KPMG LLP.

Information concerning the relevant experience of Mr. Clappison and Mr. Bruce is included in their biographical information contained in Cameco Corporation's Annual Information Form in Exhibit 99.1. The Commission has indicated that the designation of a person as an audit committee financial expert does not make such person an expert for any purpose, impose any duties, obligations or liability on such person that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation, or affect the duties, obligations or liability of any other member of the audit committee or board of directors.

Code of Ethics. Cameco Corporation's code of conduct and ethics (the Code) is applicable to all directors, officers and employees of Cameco Corporation, including the CEO and CFO. The Code, as well as Cameco Corporation's corporate governance practices and mandates of the board of directors and its committees, and position descriptions for the chief executive officer and the non-executive chair, can be found on Cameco Corporation's website at www.cameco.com under Responsibility Governance and are also available in print to any shareholder upon request. Since the adoption of the Code, there have not been any waivers, including implied waivers, from any provision of the Code. In 2013, we amended our previously filed Code to provide for:

updates to titles, names of departments and names of policies and programs; and

discussion on the Nuclear Technology Import and Export Compliance Controls Program

The Code was furnished to the Commission on February 6, 2014 as Exhibit 1 to a report on Form 6-K and is incorporated by reference herein as Exhibit 99.21.

Principal Accountant Fees and Services. See Exhibit 99.4.

These activities include the issuing of financial assurances and long-term product purchase contracts. These arrangements are disclosed in the following sections of Exhibit 99.3 2013 Management's Discussion and Analysis and the notes for Exhibit No 99.2 2013 Consolidated Audited Financial Statements:

- (b) **Long-term product purchase contracts.** In the 2013 Management's Discussion and Analysis, see the disclosure at Off-balance sheet arrangements (pages 39-40).

Tabular Disclosure of Contractual Obligations. See Exhibit 99.5.

Identification of the Audit Committee. Cameco Corporation has a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. Cameco Corporation's audit committee is comprised of: John Clappison (chair), Ian Bruce, Daniel Camus, Nancy Hopkins and Anne McLellan.

Audited Annual Financial Statements. Cameco Corporation's Consolidated Audited Financial Statements as at December 31, 2013 and 2012, including the related report of the independent registered public accounting firm, is included in Exhibit 99.7 Report of Independent Registered Public Accounting Firm Public Company Accounting Oversight Board (United States) Standards.

Mine Safety Disclosure. Neither Cameco Corporation nor any of its subsidiaries is the operator of any coal or other mine, as those terms are defined in section 3 of the Federal Mine Safety and Health Act of 1977 (30 U.S.C. 802), that is subject to the provisions of such Act (30 U.S.C. 801 et seq.). Therefore, the provisions of Section 1503(a) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 16 of General Instruction B to Form 40-F requiring disclosure concerning mine safety violations and other regulatory matters do not apply to Cameco Corporation or any of its subsidiaries or U.S. mines.

Disclosure Pursuant to the Requirements of the New York Stock Exchange.

- (a) **Corporate governance practices.** Disclosure of the significant ways in which Cameco Corporation's corporate governance practices differ from those required for U.S. companies under the NYSE listing standards can be found on Cameco Corporation's website at www.cameco.com under Responsibility Governance .
- (b) **Presiding director at meetings of non-management directors.** Cameco Corporation schedules regular director sessions in which Cameco Corporation's non-management directors (as that term is defined in the rules of the NYSE) meet without management participation. Mr. Neil McMillan, as non-executive chair of Cameco Corporation, serves as the presiding director (the Presiding Director) at such sessions. Each of Cameco Corporation's non-management directors is independent as such term is used in the rules of the NYSE with the exception of Donald Deranger and John Clappison. Cameco Corporation's criteria for director independence are set out as Appendix A to its board mandate, which can be found on Cameco Corporation's website at www.cameco.com under Responsibility Governance .
- (c) **Communication with non-management directors.** Shareholders may send communications to Cameco Corporation's Presiding Director or non-management directors by mailing (by regular mail or other means of delivery) to the corporate head office at 2121 1st Street West, Saskatoon, Saskatchewan, Canada, S7M 1J3 a sealed envelope marked Private and Strictly Confidential-Attention: Chair of the Board of Directors of Cameco Corporation . Any such envelope will be delivered unopened to the Presiding Director for appropriate action. The status of all outstanding concerns addressed to the Presiding Director will be reported to the board of directors as appropriate.
- (d) **Corporate governance guidelines.** According to Section 303A.09 of the NYSE Listed Company Manual, a listed company must adopt and disclose a set of corporate governance guidelines with respect to specified topics. Such guidelines and the charters of the listed company's most important committees of the board of directors are required to be posted on the listed company's website and be available in print to any shareholder upon request. Cameco Corporation operates under corporate governance guidelines that are consistent with the requirements of Section 303A.09 of the NYSE Listed Company Manual. Cameco Corporation's corporate governance guidelines and the charters of its most important committees of the board of directors can be found at Cameco Corporation's website at www.cameco.com under Responsibility Governance and are available in print to any shareholder who requests them.

- (e) **Independent directors.** The names of Cameco Corporation's non-management directors are: Ian Bruce; Daniel Camus; Joe Colvin; James Curtiss; Donald Deranger; Catherine Gignac; James Gowans; Nancy Hopkins; Anne McLellan; Neil McMillan; and Victor Zaleschuk. Each of the non-management directors is independent, as such term is used in the rules of the NYSE with the exception of Donald Deranger and John Clappison.
- (f) **Audit committee.** Daniel Camus is a member of the audit committees of three other publicly traded companies. The board of directors has determined that such simultaneous service will not impair the ability of Mr. Camus to effectively serve on Cameco Corporation's audit committee.
