Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On March 5, 2014, McKesson Corporation (the Company) entered into an Underwriting Agreement (the Underwriting Agreement) with Goldman, Sachs & Co. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters named therein (the Underwriters), pursuant to which the Company agreed to issue and sell to the Underwriters \$400 million aggregate principal amount of its Floating Rate Notes due 2015 (the Floating Rate Notes), \$700 million aggregate principal amount of its 1.292% Notes due 2017 (the 2017 Notes), \$1,100 million aggregate principal amount of its 2.284% Notes due 2019 (the 2019 Notes), \$1,100 million aggregate principal amount of its 3.796% Notes due 2024 (the 2024 Notes) and \$800 million aggregate principal amount of its 4.883% Notes due 2044 (the 2044 Notes) and, together with the Floating Rate Notes, the 2017 Notes, the 2019 Notes and the 2024 Notes, the Notes. The Notes will be issued pursuant to the Indenture, dated as of December 4, 2012 (the Indenture), between the Company and Wells Fargo Bank, National Association, as trustee (the Trustee), as supplemented by an Officers Certificate, dated as of March 10, 2014 (the Officers Certificate).

The Floating Rate Notes will bear interest at a floating rate equal to three-month LIBOR plus 0.40%. The 2017 Notes will bear interest at a rate of 1.292% per year. The 2019 Notes will bear interest at a rate of 2.284% per year. The 2024 Notes will bear interest at a rate of 3.796% per year. The 2044 Notes will bear interest at a rate of 4.883% per year. Interest on the Floating Rate Notes is payable quarterly on March 10, June 10, September 10 and December 10 of each year, beginning on June 10, 2014. Interest on the 2017 Notes is payable on March 10 and September 10 of each year, beginning on September 10, 2014. Interest on the 2019 Notes, the 2024 Notes and the 2044 Notes is payable on March 15 and September 15 of each year, beginning on September 15, 2014.

The Floating Rate Notes will mature on September 10, 2015, the 2017 Notes will mature on March 10, 2017, the 2019 Notes will mature on March 15, 2019, the 2024 Notes will mature on March 15, 2024 and the 2044 Notes will mature on March 15, 2044.

The Floating Rate Notes are not redeemable. Upon 30 days notice to holders of the 2017 Notes, the 2019 Notes, the 2024 Notes or the 2044 Notes, as applicable, the Company may redeem such notes for cash in whole, at any time, or in part, from time to time, prior to maturity, at redemption prices that include accrued and unpaid interest and a make-whole premium, as specified in the Indenture and the Officers Certificate. However, no make whole premium will be paid for redemptions of the 2024 Notes on or after December 15, 2023 or for redemptions of the 2044 Notes on or after September 15, 2043.

The Indenture and the Officers Certificate include certain covenants, including limitations on the Company's ability to create certain liens on its assets or enter into sale and leaseback transactions with respect to its properties, or consolidate, merge or sell all or substantially all of its assets, subject to a number of important exceptions as specified in the Indenture and the Officers Certificate. The Notes will be unsecured and unsubordinated obligations of the Company and will rank equally with all of the Company's existing and future unsecured and unsubordinated indebtedness from time to time outstanding. The Indenture also contains customary event of default provisions. In the event of the occurrence of both (1) a change of control of the Company and (2) a downgrade of a series of Notes below an investment grade rating by each of Fitch Inc., Moody's Investors Service, Inc. and Standard & Poor's Ratings Services within a specified period, unless the Company has previously exercised its optional redemption right, if applicable, with respect to that series of Notes in whole, the Company will be required to offer to repurchase the Notes of that series from the holders at a price in cash equal to 101% of the then outstanding principal amount of such series of Notes, plus accrued and unpaid interest to, but not including, the date of repurchase.

The public offering price of the Notes was 100.000% of the principal amount. The Company expects to receive net proceeds of approximately \$4,068 million from the sale of the Notes, after deducting underwriting discounts and estimated offering expenses. The Company intends to use the net proceeds from the sale of the Notes, together with borrowings under the Company's accounts receivable sales facility and cash on hand, to repay borrowings outstanding under the Senior Bridge Term Loan Agreement, dated as of January 23, 2014 (the "Bridge Loan"), among the Company, Bank of America, N.A., as administrative agent, and the lenders party thereto.

The Notes were offered and sold pursuant to the Company's automatic shelf registration statement on Form S-3 (Registration No. 333-179879) under the Securities Act of 1933, as amended. The Company has filed with the Securities and Exchange Commission (the "SEC") a prospectus supplement, dated March 5, 2014, together with the accompanying prospectus, dated March 2, 2012, relating to the offering and sale of the Notes.
