Video for AT&T Employees

Hello ... I wanted to take just a minute to talk with you directly about our agreement to acquire DirecTV.

This is an important step forward for our company ...

I'm excited about the growth potential ... and I want to make sure you know our plans.

This deal creates a unique competitor. We will have the premier nationwide mobile business combined with the leading video platform and we'll reach 70 million homes with broadband.

In addition, we are adding the leading Latin American video provider.

Put all of this together and we have an opportunity to redefine the video entertainment industry ... delivering content to consumers across multiple screens - mobile devices, TVs, laptops, the backseat displays of connected cars, and even airplanes.

DirecTV has a unique set of assets ...

That starts with a great brand ...

Top-notch service and technology ...

Premier content relationships

A high-quality customer base ...

And terrific Latin American operations.

DirecTV's capabilities are impressive standing alone - but when you combine them with our outstanding Home Solutions business and our best-in-class mobility business - then you have something special.

Edgar Filing: DIRECTV - Form 425

Together, we'll be able to offer consumers better bundles of TV, mobile and high-speed broadband.

We'll make use of all our sales channels, including our retail stores nationwide.

When you put all of this together, this transaction is about accelerating growth ... it will open up new opportunities ... and we have a lot of work ahead of us.

But first, we expect it will take about 12 months to complete approvals and close the transaction.

In the interim, we are separate companies with DirecTV...no change.

So I ask you to keep your focus ... execute hard ... and above all, delight our customers.

That's the foundation for everything we do.

Thanks again and I look forward to talking with you again soon.
