Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 16, 2014, the Company's Board of Directors (the Board) adopted and approved the Tandem Diabetes Care, Inc. Deferred Compensation Plan (the Plan). The Plan is a nonqualified deferred compensation program sponsored by the Company to provide its non-employee directors and certain of its management employees designated by the Board (or a committee appointed by the Board to administer the Plan) the opportunity to defer compensation under the Plan. The effective date for the Plan for the first year will be July 1, 2014, and thereafter the plan year will be from January 1 to December 31.

There is no limit to the amount that a participant may defer under the Plan whether in a particular plan year or in the aggregate. In the discretion of the Board (or a committee appointed by the Board to administer the Plan), the Company may make additional contributions to be credited to the account of any or all participants in the Plan. All contributions by the participant, and any contributions that may be made by the Company, will be immediately fully vested.

Under the terms of the Plan, the Company will establish a trust for the purpose of reserving any benefits that may become payable under the Plan. Distributions from the Plan will be governed by the Internal Revenue Code and the terms of the Plan.

The foregoing description of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan, a copy of which is filed as Exhibit 10.1, to this Current Report on Form 8-K, and is incorporated herein by reference.
