### **Item 1.01. Entry into a Material Definitive Agreement**

On June 24, 2014, DaVita HealthCare Partners Inc. (the Company) entered into a new \$5.5 billion senior secured credit agreement by and among the Company, certain subsidiaries of the Company as guarantors, the lenders signatory thereto, Barclays Bank PLC and Wells Fargo Bank, National Association as co-syndication agents, Bank of America, N.A., Credit Suisse AG, Goldman Sachs Bank USA, J.P. Morgan Chase Bank, N.A., Morgan Stanley Senior Funding, Inc. and Suntrust Bank as co-documentation agents, and JPMorgan Chase Bank, N.A. as administrative agent and collateral agent. The senior secured credit agreement provides for a \$1 billion senior secured revolving credit facility maturing in June 2019, a \$1.0 billion senior secured term loan A repayable in quarterly installments commencing in September 2014 with a final maturity in June 2019, and a \$3.5 billion senior secured term loan B facility repayable in quarterly installments commencing in September 2014 with a final maturity in June 2021.

Loans made under the revolving facility and the term facilities will bear interest at a rate based on a London Interbank Offered Rate (LIBOR) rate (which will, with respect to the term loan B facility, be subject to a floor of 0.75%) or the Prime Rate, in each case plus a margin. For the revolving credit facility and the term loan A the margin is 1.75% over LIBOR and 0.75% over the Prime Rate, as the case may be. For the term loan B the margin is 2.75% over LIBOR and 1.75% over the Prime Rate, as the case may be. The margin for the revolving credit facility and the term loan A is subject to leverage-based adjustments.

The senior secured credit agreement contains financial and operating covenants. The financial covenant is a maximum leverage ratio. Operating covenants include limitations on the Company's ability to incur additional indebtedness, grant liens on assets, make significant asset dispositions and investments and pay dividends.

All obligations under the senior secured credit agreement are, subject to certain exceptions, guaranteed by certain of the Company's domestic subsidiaries and secured by substantially all of the tangible and intangible assets of the Company and such guarantors.

The Company and its affiliates may from time to time engage certain of the lenders under the senior secured credit facility to provide other banking and financial services.

### **Item 1.02. Termination of a Material Definitive Agreement**

A portion of the proceeds from the new senior secured credit agreement was used to repay in full all amounts outstanding under the Prior Credit Agreement on the date of termination.
