**Item 8.01 Other Events**

On August 6, 2014, Murphy issued a press release announcing that its Board of Directors had authorized a share buyback program of up to \$500 million of the Company s Common stock over the next year, and it further announced a 12% increase in the Company s cash dividend beginning in the third quarter 2014. The quarterly cash dividend has been raised to \$0.35 per share, or \$1.40 per share on an annualized basis. This is an increase from the former annualized rate of \$1.25 per share.

The full text of the press release announcing the share buyback program and the increase in quarterly cash dividend is filed herewith as Exhibit 99.1.

**Forward-Looking Statements**

This Current Report on Form 8-K contains forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995. These statements, which express management s current views concerning future events or results, including Murphy s plans to divest its U.K. downstream operations, are subject to inherent risks and uncertainties. Factors that could cause one or more of these forecasted events not to occur include, but are not limited to, a failure to obtain necessary regulatory approvals, a deterioration in the business or prospects of Murphy or its U.K. refining and marketing business, adverse developments in Murphy or its U.K. refining and marketing business markets, adverse developments in the U.S. or global capital markets, credit markets or economies in general, or a failure to execute a sale of the U.K. downstream operations on acceptable terms or in the timeframe contemplated. Factors that could cause actual results to differ materially from those expressed or implied in our forward-looking statements include, but are not limited to, the volatility and level of crude oil and natural gas prices, the level and success rate of our exploration programs, our ability to maintain production rates and replace reserves, customer demand for our products, adverse foreign exchange movements, political and regulatory instability, and uncontrollable natural hazards. For further discussion of risk factors, see both Murphy s 2013 Annual Report on Form 10-K and Form 10-Q for the quarterly period ended June 30, 2014 on file with the U.S. Securities and Exchange Commission. Murphy undertakes no duty to publicly update or revise any forward-looking statements.
