Item 8.01 Other Events.

On September 30, 2014, Zebra Technologies Corporation (Zebra) issued a press release announcing the pricing of its offering of \$1.05 billion in aggregate principal amount of 7 1/4% senior unsecured notes due 2022 (the Notes). The Notes were priced at 100% of par. The sale of the Notes is expected to be completed on October 15, 2014, subject to customary closing conditions. Zebra intends to use the net proceeds from the Notes offering, together with cash on hand and proceeds from Zebra s previously announced senior secured term loan, upsized to \$2.2 billion, to fund the \$3.45 billion cash acquisition (the Acquisition) of the Enterprise business of Motorola Solutions, Inc., as well as to pay related transaction fees and expenses. The proceeds from the private offering of the Notes will be placed into escrow until the closing of the Acquisition. The Notes will be senior unsecured obligations of Zebra and will be guaranteed by certain of Zebra s domestic subsidiaries following the closing of the Acquisition.

The Notes and related guarantees have not been registered under the Securities Act of 1933, as amended (Securities Act), or the securities laws of any other jurisdiction, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. The offering of the Notes and related guarantees will be made only to qualified institutional buyers in accordance with Rule 144A under the Securities Act and to non-U.S. persons in accordance with Regulation S under the Securities Act.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

A copy of the press release announcing the private offering of the Notes is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
