Item 8.01 Other Events.

On December 11, 2014, the Board of Directors of Marvell Technology Group Ltd. (Marvell) authorized Marvell to repurchase up to an additional \$250 million under its existing share repurchase program. The cumulative total authorized for share repurchases by Marvell now amounts to \$3.25 billion. Through November 1, 2014, Marvell had approximately \$213 million available in the share repurchase program. Under the share repurchase program and through the end of the third quarter of fiscal 2015, Marvell has repurchased and retired over 220 million shares or about 30 percent of the outstanding shares.

Marvell may effectuate repurchases through the open market and private block transactions pursuant to Rule 10b5-1 plans, privately negotiated transactions or other means as determined by Marvell's management and in accordance with the requirements of the Securities and Exchange Commission. The repurchase program will be subject to market conditions and other factors and does not obligate Marvell to repurchase any dollar amount or number of its common shares. The program may be extended, modified, suspended or discontinued at any time. The repurchases are expected to be funded from Marvell's current cash and short-term investments position, which stood at approximately \$2.4 billion as of November 1, 2014. A copy of the press release is filed as Exhibit 99.1 to this Form 8-K.
