ITEM 8.01. OTHER EVENTS.

On March 11, 2015, The Bank of New York Mellon Corporation (the Company or BNY Mellon) announced that the Board of Governors of the Federal Reserve System (Federal Reserve) did not object to its 2015 capital plan submitted to the Federal Reserve in connection with its Comprehensive Capital Analysis and Review. The Company also announced that its Board of Directors (the Board) approved the repurchase of up to \$2.4 billion of the Company s common stock, par value \$0.01 per share (the Common Stock), over a five-quarter period beginning in the second quarter of 2015 and continuing through the second quarter of 2016. The Board also approved the repurchase of up to an additional \$700 million of Common Stock during a portion of the period covered by the repurchase plan if the Company first issues \$1 billion of noncumulative perpetual preferred stock, with a proportionate reduction in Common Stock repurchases if less than \$1 billion of preferred stock is issued. The repurchases of the Common Stock may be executed through open market purchases, in privately negotiated transactions or by other means, including through repurchase plans designed to comply with Rule 10b5-1 and through derivative, accelerated share repurchase and other structured transactions, in each case, at such prices and times and upon such other terms and conditions as any authorized officer of the Company may determine. This new share repurchase plan replaces all previously authorized share repurchase plans. The Company s dividend remains unchanged at \$0.17 per share of Common Stock, subject to declaration by the Board.

In addition, a summary of the Company s and The Bank of New York Mellon s company-run results under the Dodd-Frank stress tests, applying the Federal Reserve s severely adverse scenario, has been posted to the Company s website at <http://www.bnymellon.com/investorrelations/doddfrank.html>.
