PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 12, 2015

This Proxy Statement is being furnished to stockholders in connection with the solicitation of proxies by and on behalf of the board of directors of Hannon Armstrong Sustainable Infrastructure Capital, Inc., a Maryland corporation (the Company, we, our or us), for use at the Company's 2015 annual meeting of stockholders (the Annual Meeting) held at the Westin (Annapolis) Hotel located at 100 Westgate Circle, Annapolis, MD 21401, on May 12, 2015, at 9:30 am, Eastern Time, or at any postponements or adjournments thereof.

Pursuant to the rules adopted by the Securities and Exchange Commission (SEC), we have provided access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the Notice) to our stockholders of record as of March 18, 2015. We believe that posting these materials on the Internet enables us to provide stockholders with the information that they need more quickly. It also lowers our costs of printing and delivering these materials and reduces the environmental impact of our Annual Meeting. The Notice and this proxy statement summarize the information you need to know to vote by proxy or in person at the annual meeting.

If you are a registered holder of shares of common stock, par value \$0.01 per share (the common stock), as of the close of business on the record date, the Notice was sent directly to you and, you may vote your shares of common stock in person at the Annual Meeting or by proxy. If you hold shares of common stock in street name through a brokerage firm, bank, broker-dealer or other intermediary, the Notice was forwarded to you by such intermediary and you must follow the instructions provided by such intermediary regarding how to instruct such intermediary to vote your shares of common stock.

Shares of common stock represented by properly submitted proxies received by us prior to the Annual Meeting will be voted according to the instructions specified on such proxies. Any stockholder of record submitting a proxy retains the power to revoke such proxy at any time prior to its exercise at the Annual Meeting by (i) delivering prior to the Annual Meeting a written notice of revocation to our secretary at Hannon Armstrong Sustainable Infrastructure Capital, Inc., 1906 Towne Centre Boulevard, Suite 370, Annapolis, MD 21401, (ii) submitting a later dated proxy or (iii) voting in person at the Annual Meeting. Attending the Annual Meeting will not automatically revoke a stockholder's previously submitted proxy unless such stockholder votes in person at the Annual Meeting. If a proxy is properly authorized without specifying any voting instructions and not revoked prior to the Annual Meeting, the shares of common stock represented by such proxy will be voted **FOR** the election of the nominees named in this Proxy Statement as directors, to serve on our board of directors until our 2016 annual meeting of stockholders and until their successors are duly elected and qualify and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. As to any other business which may properly come before the Annual Meeting or any postponements or adjournments thereof, the persons named as proxy holders on your proxy card will vote the shares of common stock represented by properly submitted proxies in their discretion.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the related proxy card are first being made available to stockholders on or about March 23, 2015.

ANNUAL REPORT

This Proxy Statement is accompanied by our Annual Report on Form 10-K for the year ended December 31, 2014.

- 1 -

VOTING SECURITIES AND RECORD DATE

Stockholders will be entitled to cast one vote for each share of common stock held of record at the close of business on March 18, 2015 (the Record Date) with respect to (i) the election of six directors to serve on our board of directors until our 2016 annual meeting of stockholders and until their successors are duly elected and qualify, (ii) the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 and (iii) any other proposal for stockholder action that may properly come before the Annual Meeting or any postponements or adjournments thereof.

Abstentions and broker non-votes are each included in the determination of the number of shares present at the Annual Meeting for the purpose of determining whether a quorum is present. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., a brokerage firm, bank, broker-dealer or other intermediary) does not vote on a particular proposal because such nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange (the NYSE), the only item to be acted upon at the Annual Meeting with respect to which such nominee will be permitted to exercise voting discretion is the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Therefore, if you hold your shares in street name and do not give the nominee specific voting instructions on the election of directors, your shares will not be voted on this item, and a broker non-vote will occur. Broker non-votes and abstentions will have no effect on the voting results for any of the proposals.

The presence, in person or by proxy, of holders of common stock entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting shall constitute a quorum. The disposition of business scheduled to come before the Annual Meeting, assuming a quorum is present, will require the following affirmative votes: (i) for the election of a director, a plurality of all the votes cast in the election of directors at the Annual Meeting and (ii) for the ratification of the appointment of our independent registered public accounting firm, a majority of all the votes cast on the proposal. The board of directors knows of no other matters that may properly be brought before the Annual Meeting. If other matters are properly introduced, the persons named in the proxy as the proxy holders will vote on such matters in their discretion.

As of March 18, 2014, we had issued and outstanding 28,235,160 shares of common stock (which includes shares of unvested restricted common stock).

EXPLANATORY NOTE

We completed our initial public offering of our shares of common stock (the IPO) on April 23, 2013. Concurrently, Hannon Armstrong Capital, LLC (the Predecessor), the entity that operated the historical business prior to the consummation of the IPO, became our subsidiary. We are an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the JOBS Act) including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934 (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We expect to remain an emerging growth company for up to five years, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1.0 billion, (ii) December 31 of the fiscal year that we become a large accelerated filer as defined in Rule 12b-2 under the Exchange Act, which would occur if the market value of our common stock that is held by non-affiliates exceeds \$700.0 million as of the last business day of our most recently completed second fiscal quarter and we have been publicly reporting for at least 12 months or (iii) the date on which we have issued more than \$1.0 billion in non-convertible debt securities during the preceding three-year period.

1. ELECTION OF DIRECTORS

Board of Directors

Our board of directors is currently comprised of six directors: Jeffrey W. Eckel, Mark J. Cirilli, Charles M. O Neil, Richard J. Osborne, Steven G. Osgood and Jackalyne Pfannenstiel. In accordance with our charter (the Charter) and Amended and Restated Bylaws (the Bylaws), each director will hold office until our next annual meeting of stockholders and until his or her successor has been duly elected and qualifies, or until the director's earlier resignation, death or removal.

We seek highly qualified director candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. We believe that, as a group, the nominees bring a diverse range of perspectives that contribute to the effectiveness of our board as a whole. The procedures and considerations of the Nominating and Corporate Governance Committee in recommending qualified director candidates are described below under Corporate Governance Identification of Director Candidates in this Proxy Statement. The Nominating and Corporate Governance Committee and our board of directors concluded that each of our director nominees should be nominated for election based on the qualifications and experience described in the biographical information below under Information Regarding the Nominees for Election as Directors.

Upon the recommendation of the Nominating and Corporate Governance Committee of our board of directors (the Nominating and Corporate Governance Committee), each of our current directors, Messrs. Eckel, Cirilli, O Neil, Osborne, and Osgood and Ms. Pfannenstiel have been nominated by our board of directors to stand for election as directors by the stockholders at the Annual Meeting to serve until our 2016 annual meeting of stockholders and until their respective successors are duly elected and qualify. It is intended that the shares of common stock represented by properly submitted proxies will be voted by the persons named therein as proxy holders FOR the election of Messrs. Eckel, Cirilli, O Neil, Osborne, and Osgood and Ms. Pfannenstiel as directors, unless otherwise instructed. If the candidacy of Messrs. Eckel, Cirilli, O Neil, Osborne, or Osgood or Ms. Pfannenstiel should, for any reason, be withdrawn prior to the Annual Meeting, the proxies will be voted by the proxy holders in favor of such substituted candidates (if any) as shall be nominated by our board of directors. Our board of directors has no reason to believe that, if elected, any of Messrs. Eckel, Cirilli, O Neil, Osborne, or Osgood or Ms. Pfannenstiel will be unable or unwilling to serve a director.

Information Regarding the Nominees for Election as Directors

The following information is furnished as of March 18, 2015 regarding the nominees for re-election as directors.

Jeffrey W. Eckel, 56, is one of our directors and was with the Predecessor as president and chief executive officer since 2000 and prior to that from 1985 to 1989 as a senior vice president. He serves as our president, chief executive officer, and chairman of our board of directors. He previously held senior executive positions such as chief executive officer of EnergyWorks, LLC and Wäertsilä Power Development. Mr. Eckel is a member of the board of directors of HA EnergySource Holdings LLC (HA EnergySource). In 2014, he was elected to the board of directors of the Alliance To Save Energy. He also was appointed by the governor of Maryland to the board of the Maryland Clean Energy Center in 2011 and served as its chairman from 2012 to 2014. He has served as a member of the Johns Hopkins Environmental, Energy, Sustainability and Health Institute's advisory council since 2013. Mr. Eckel has over 30 years of experience in financing, owning and operating infrastructure and energy assets. Mr. Eckel received a Bachelor of Arts degree from Miami University in 1980 and a Master of Public Administration degree from Syracuse University, Maxwell School of Citizenship and Public Affairs, in 1981. He holds Series 24, 63 and 79 securities licenses. We believe Mr. Eckel's extensive experience in managing companies operating in the energy sector and expertise in financing energy assets makes him qualified to serve as our president and chief executive officer and as

chairman of our board of directors.

- 4 -

Mark J. Cirilli, 43, is one of our independent directors and served as a director of the Predecessor from 2007 until our IPO in 2013. Mr. Cirilli has been a managing director of MissionPoint Capital Partners, LLC (MissionPoint), a private equity firm he co-founded that specializes in clean energy, since 2006. MissionPoint was the majority investor of the Predecessor from 2007 until the IPO. Mr. Cirilli serves on MissionPoint's Investment Committee and is a member of the board of directors for HA EnergySource, APX, Inc. (formerly NYSE Blue, Inc.), RE Community Holdings, LP, MPH Energy Holdings LP, Just Greens LLC, and OptiRTC Holdings LLC, all of which are MissionPoint's portfolio companies. He was also formerly a director of SunEdison, LLC prior to its sale to MEMC Electronic Materials, Inc. in 2009, Voltaix Inc. prior to its sale in September of 2013 and Amonix, Inc. prior to resigning in August of 2013. Additionally, Mr. Cirilli served on the board of directors of the state of Connecticut's Clean Energy Finance and Investment Authority from September 2011 to April 2012. Prior to forming MissionPoint, Mr. Cirilli served as chief investment officer of Marshall Street Management, LLC, a private investment firm, and was the founder and managing member of MSM Capital Partners, LLC, where he developed and executed the firm's investment strategy in clean technology and environmental finance sectors. Mr. Cirilli also worked at Coopers & Lybrand's Financial Advisory Services Group, where he provided due diligence and transactions services support to Fortune 500 Companies' mergers and acquisitions activities. Mr. Cirilli received a Bachelor of Arts degree in Accounting from Fordham University in 1994 and a Masters in Business Administration from Columbia University in 2002. We believe Mr. Cirilli's extensive experience in investment management, corporate finance, accounting and business operations makes him qualified to serve as a member of our board of directors.

Charles M. O Neil, 62, has served as one of our independent directors since the closing of our IPO in April 2013. Mr. O Neil has been the regional head of Structured Finance, Americas for ING Capital, LLC, since 2009. Prior to being appointed to his current position, Mr. O Neil was regional head of Global Structured Finance and held several management positions within the Structured Finance division of ING Capital, LLC. Prior to joining ING Capital in 1995, Mr. O Neil worked at Swiss Bank Corporation, serving as executive director, regional head of Project Finance Americas. Mr. O Neil received a Bachelor of Science degree in Finance from The Pennsylvania State University in 1974 and a Master in Business Administration degree in International Finance from Fordham University in 1978. Mr. O Neil holds Series 7, 63, 24 and 79 securities licenses. We believe Mr. O Neil's experience of over 35 years in structured and project finance focusing on energy related projects makes him qualified to serve as a member of our board of directors.

Richard J. Osborne, 64, has served as one of our independent directors since the closing of our IPO in April 2013 and has served as our Lead Independent Director since April 2014. Mr. Osborne retired from Duke Energy Corporation in 2006, having served in a variety of executive roles including chief financial officer, chief risk officer, treasurer and group vice president for Public & Regulatory Affairs during his 31 years with the organization. Mr. Osborne also served as a director of Duke Energy Field Services, a joint venture between Duke Energy Corporation and ConocoPhillips, and as a director of TEPPCO Partners, LP, a master limited partnership managing mid-stream energy assets. He also chaired the Finance Divisions of the Southeastern Electric Exchange and Edison Electric Institute, and was a founding board member of the Committee of Chief Risk Officers. Subsequent to leaving Duke Energy, Mr. Osborne has executed consulting assignments for clients in or serving the energy industry. Mr. Osborne presently serves on the boards of Johnson C. Smith University, the Jewish Federation of Greater Charlotte, Charlotte Ballet and the Charlotte Symphony Orchestra. Mr. Osborne received a Bachelor of Arts degree in History and Economics from Tufts University in 1973 and a Master of Business Administration from the University of North Carolina at Chapel Hill in 1975. We believe that Mr. Osborne's over 35 years of experience in energy sector finance makes him qualified to serve as a member of our board of directors.

Steven G. Osgood, 58, has served as one of our independent directors since January 2015. Mr. Osgood has served as the chief executive officer of Square Foot Companies, LLC, a Cleveland, Ohio based private real estate company focused on self-storage and single-tenant properties since 2008. Mr. Osgood is also a trustee nominee for National Storage Affiliates Trust, a real estate investment trust (REIT) focused on the ownership of self-storage properties, which has filed a registration statement with the SEC related to its initial public offering.

- 5 -

From 2007 to 2008, Mr. Osgood served as chief financial officer of DuPont Fabros Technology, Inc., a Washington, DC based REIT that owns, operates and develops data center properties. From 2006 to 2007, he also previously served as chief financial officer of Global Signal, Inc., a wireless tower REIT, that was acquired by Crown Castle International Corp. in 2007. Prior to Global Signal, Mr. Osgood served as president and chief financial officer of U-Store-It Trust (now named CubeSmart), a Cleveland based self-storage REIT from the company's initial public offering in 2004 to 2006. Mr. Osgood served as chief financial officer of the Amsdell Companies, the predecessor of U-Store-It, from 1993 until 2004. Mr. Osgood is a former Certified Public Accountant and was a member of the auditing staff of Touche Ross & Co. from 1978 to 1982. He graduated from Miami University with a Bachelor of Science degree in 1978 and graduated from the University of San Diego with a Masters in Business Administration in 1987. We believe that Mr. Osgood's REIT experience and over 20 years of experience in corporate finance make him qualified to serve as a member of our board of directors.

Jackalyne Pfannenstiel, 67, has served as one of our independent directors since the closing of our IPO in April 2013. Ms. Pfannenstiel most recently served as the Department of the Navy's Assistant Secretary of the Navy for Energy, Installations, and Environment from 2010 to 2012 where she led the energy and sustainability programs for the U.S. Navy and Marine Corps. Prior to her position with the Department of the Navy, Ms. Pfannenstiel served on the California Energy Commission from 2004 to 2009 and as the Chairman from 2006 to 2009. In addition, from 2009 to 2010 Ms. Pfannenstiel was a member of the board of directors of Energy Recovery, Inc., a developer and marketer of energy recovery devices primarily for use in seawater desalination. Ms. Pfannenstiel held senior management positions at the PG&E Corporation from 1980 to 2000, including Vice President Strategic Initiatives, Vice President Corporate Planning and Manager Rates and Regulation. Ms. Pfannenstiel currently serves as a Member of the Board of Energy and Environment Systems of the National Academies. Ms. Pfannenstiel received a Bachelor of Arts degree in Economics from Clark University in 1969, a Master of Arts degree in Economics from the University of Hartford in 1978, and completed the Executive Program at Stanford University's Graduate School of Business in 1989. We believe that Ms. Pfannenstiel's 30 years of experience in strategic planning, energy policy advocacy and government makes her qualified to serve as a member of our board of directors.

Our board of directors recommends a vote FOR the election of Messrs. Cirilli, Eckel, O Neil, Osborne, and Osgood and Ms. Pfannenstiel as directors.

A plurality of all of the votes cast on the proposal at the Annual Meeting at which a quorum is present is necessary to elect a director. Proxies solicited by our board of directors will be voted FOR Messrs. Cirilli, Eckel, O Neil, Osborne, and Osgood and Ms. Pfannenstiel, unless otherwise instructed. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will be considered present for the purpose of determining the presence of a quorum.

In accordance with our Charter and Bylaws, any vacancies occurring on our board of directors, including vacancies occurring as a result of the death, resignation, or removal of a director, or due to an increase in the size of the board of directors, may be filled only by the affirmative vote of a majority of the remaining directors in office, even if the remaining directors do not constitute a quorum, and any director elected to fill a vacancy will serve for the remainder of the full term of the directorship in which the vacancy occurred and until a successor is duly elected and qualifies.

There is no familial relationship, as defined under the SEC regulations, among any of directors or executive officers. See Corporate Governance Director Independence.

2. RATIFICATION OF APPOINTMENT OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our board of directors (the Audit Committee) has appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Our board of directors is requesting that our stockholders ratify this appointment of Ernst & Young LLP.

Ernst & Young LLP has audited our consolidated financial statements for the years ended December 31, 2014 and 2013 and previously audited the financial statements of the Predecessor for more than 20 years and has also provided certain tax and other services to us and to the Predecessor.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the Audit Committee's appointment of Ernst & Young LLP as our independent registered public accounting firm. However, our board of directors is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. In the event that ratification of this appointment of independent registered public accounting firm is not approved at the Annual Meeting, the Audit Committee will review its future selection of our independent registered public accounting firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will be provided with an opportunity to make a statement if so desired and to respond to appropriate inquiries from stockholders.

Our board of directors recommends a vote FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2015.

A majority of all of the votes cast on this proposal at the Annual Meeting at which a quorum is present is required for its approval. Proxies solicited by our board of directors will be voted FOR this proposal, unless otherwise instructed. BOARD AND COMMITTEE MATTERS

Board of Directors

Our board of directors is responsible for overseeing our affairs. Our board of directors conducts its business through meetings and actions taken by written consent in lieu of meetings. Our board of directors intends to hold at least four regularly scheduled meetings per year and additional special meetings as necessary. For the period from January 1, 2014 through December 31, 2014, our board of directors held twelve meetings. All of our directors attended 100% of the meetings of our board of directors and of the committees of our board of directors on which they served during this period, either in person or telephonically, except for Mr. Osborne who was unable to attend one board and one committee meeting. Our board of directors' policy, as set forth in our Corporate Governance Guidelines (the Guidelines), is to encourage and promote the attendance by each director at all scheduled meetings of our board of directors and all meetings of our stockholders.

Committees of the Board of Directors

Our board of directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Audit Committee

Richard Osborne (Chair), Charles O. Neil and Steven Osgood are the current members of the Audit Committee. Mark Cirilli also served as a member of the Audit Committee until the appointment of Steven Osgood in January 2015. Our board of directors has determined that all of the members of the Audit Committee are independent as required by the NYSE listing standards, SEC rules governing the qualifications of Audit Committee members, the Guidelines, the Independence Standards (as defined below) and the written charter of the Audit Committee. Our board of directors has also determined, based upon its qualitative assessment of their relevant levels of knowledge and business experience (see Election of Directors in this Proxy Statement for a description of our directors' respective backgrounds and experience), that Mr. Osborne and Mr. Osgood each qualify as an audit committee financial expert for purposes of, and as defined by, the SEC rules and has the requisite accounting or related financial management expertise required by NYSE listing standards. In addition, our board of directors has determined that all of the members of the Audit Committee are financially literate as required by the NYSE listing standards.

The Audit Committee is responsible for engaging our independent registered public accounting firm, reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls.

The Audit Committee met five times during 2014. These meetings were designed, among other things, to discharge our board of directors' responsibilities relating to our and our subsidiaries' corporate accounting and reporting practices, the quality and integrity of our consolidated financial statements, our compliance with applicable legal and regulatory requirements, the performance, qualifications and independence of our external auditors, the staffing, performance, budget, responsibilities and qualifications of our internal audit function and reviewing our policies with respect to risk assessment and risk management. The Audit Committee is also responsible for reviewing with management and external auditors our interim and audited annual financial statements as well as approving the filing of our interim financial statements, meeting with officers responsible for certifying our annual report on Form 10-K or any quarterly report on Form 10-Q prior to any such certification and reviewing with such officers disclosures related to any significant deficiencies in the design or operation of internal controls. The Audit Committee is charged with periodically discussing with our external auditors such auditors' judgments about the quality, not just the acceptability,

Edgar Filing: Hannon Armstrong Sustainable Infrastructure Capital, Inc. - Form DEF 14A
of our accounting principles as applied in our consolidated financial statements.

- 9 -

The specific responsibilities of the Audit Committee are set forth in its written charter, which is available for viewing on our website at www.hannonarmstrong.com.

Compensation Committee

Mark Cirilli (Chair), Charles O Neil and Jackalyne Pfannenstiel are the current members of the Compensation Committee. Our board of directors has determined that each of the members of the Compensation Committee is independent as required by the NYSE listing standards, SEC rules, the Guidelines, the Independence Standards (as defined below) and the written charter of the Compensation Committee. The Compensation Committee, which met six times during the period from January 1, 2014 through December 31, 2014, is responsible for, among other things, overseeing the approval, administration and evaluation of our compensation plans, policies and programs, and reviewing the compensation of our directors and executive officers. The specific responsibilities of the Compensation Committee are set forth in its written charter, a copy of which is available for viewing on our website at www.hannonarmstrong.com.

The Compensation Committee has retained FTI Consulting, Inc., a compensation consulting firm, to provide advice regarding the executive compensation program for our senior management team. FTI Consulting, Inc. reports directly to the Compensation Committee and has not performed and does not currently provide any other services to management or us. The Compensation Committee has requested that FTI Consulting, Inc. provide analysis and recommendations regarding (1) base salaries, annual bonuses and long-term incentive compensation for our executive management team, and (2) the director compensation program for independent members of our board of directors.

Nominating and Corporate Governance Committee

Jackalyne Pfannenstiel (Chair) and Mark Cirilli are the current members of the Nominating and Corporate Governance Committee. In January 2015, Mark Cirilli replaced Charles O Neil as a member of the Nominating and Corporate Governance Committee. Our board of directors has determined that all of the members of the Nominating and Corporate Governance Committee are independent as required by the NYSE listing standards, the Guidelines, the Independence Standards (as defined below) and the written charter of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met four times during 2014, is responsible for, among other things, reviewing periodically and making recommendations to our board of directors on the range of qualifications that should be represented on our board of directors and eligibility criteria for individual board membership, as well as seeking, considering and recommending to the board qualified candidates for election as directors and approving and recommending to the full board of directors the appointment of each of our officers. For a discussion of the consideration of diversity in the process by which candidates for director are considered for nomination by the Nominating and Corporate Governance Committee, and the process for identifying and evaluating nominees for director, including nominees recommended by security holders, please see *Corporate Governance Identification of Director Candidates* in this Proxy Statement. The Nominating and Corporate Governance Committee reviews and makes recommendations on matters involving the general operation of our board of directors and our corporate governance and annually recommends to the board of directors nominees for each committee of our board of directors. In addition, the committee annually facilitates the assessment of our board of directors performance as a whole and that of the individual directors and reports thereon to our board of directors.

During the September 16, 2014 and February 23, 2015 Nominating and Corporate Governance Committee meetings, the committee unanimously agreed to changes to the Nominating and Corporate Governance Committee Charter which were subsequently approved by unanimous vote of the board of directors in March 2015. Section I of the Purpose provisions of the charter added a requirement to monitor our Company's commitment to environmental sustainability and a new Paragraph 2 was added to the Section IV Responsibilities and Duties provisions that provided additional detail on the review process the committee will undertake related thereto. Additionally, Paragraph 3 to Section IV was also modified to add two other committee duties addressing

- 10 -

the responsibility to recommend to the board, as needed, the appointment of a lead independent director and, on annual basis, to review the terms and adequacy of our Company's director and officer insurance.

The specific responsibilities of the Nominating and Corporate Governance Committee are set forth in its revised written charter, which is available for viewing on our website at www.hannonarmstrong.com.

Report of the Audit Committee

The Audit Committee has furnished the following report for the fiscal year ending December 31, 2014:

The Audit Committee is responsible for monitoring the integrity of our consolidated financial statements, our system of internal controls, our risk management, the qualifications, independence and performance of our independent registered public accounting firm and our compliance with related legal and regulatory requirements. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace our independent registered public accounting firm. The Audit Committee operates under a written charter adopted by our board of directors.

Management is primarily responsible for our financial reporting process including the system of internal controls and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. Ernst & Young LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our annual consolidated financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to oversee and review the financial reporting process. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or accounting principles generally accepted in the United States or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by our management and our independent registered public accounting firm.

Representatives of Ernst & Young LLP were in attendance at all audit committee meetings. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and Ernst & Young LLP, our independent registered public accounting firm. The Audit Committee also discussed with Ernst & Young LLP matters that independent accounting firms must discuss with audit committees under generally accepted auditing standards and standards of the Public Company Accounting Oversight Board (the PCAOB), including, among other things, matters related to the conduct of the audit of our consolidated financial statements and the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, which included a discussion of Ernst & Young LLP's judgments about the quality (not just the acceptability) of our accounting principles as applied to financial reporting. The Audit Committee met with Ernst & Young LLP, with and without management present, to discuss the results of their audits.

The Audit Committee also discussed with Ernst & Young LLP their independence from us. Ernst & Young LLP provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountant's communication with audit committees concerning independence and represented that it is independent from us. The Audit Committee also received regular updates on the amount of fees and scope of audit and tax services provided by Ernst & Young LLP.

Based on the Audit Committee's review and these meetings, discussions and reports, and subject to the limitations on the Audit Committee's role and responsibilities referred to above and in its written charter, the Audit Committee recommended to our board of directors that our audited consolidated financial statements for the fiscal year ended December 31, 2014 be included in our annual report on Form 10-K filed with the SEC. The

Audit Committee has also appointed Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015 and is presenting this selection to our stockholders for ratification.

COMPENSATION OF INDEPENDENT DIRECTORS

A director who is also an employee of our company is referred to as an executive director. Executive directors do not receive compensation for serving on our board of directors. We pay directors' fees only to those directors who are independent under the NYSE listing standards. We have approved and implemented a compensation program for our independent directors that consists of annual cash retainer fee and long-term equity awards. We also reimburse each of our independent directors for his or her travel expenses incurred in connection with his or her attendance at full board of directors and committee meetings. The following table summarizes the annual compensation received by our independent directors for 2014.

CORPORATE GOVERNANCE

Role of the Board and Risk Oversight

Pursuant to our Charter and Bylaws and the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our board of directors has the responsibility for establishing broad corporate policies and for our overall performance and direction, but is not involved in our day-to-day operations. Members of our board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them and through

discussions with the chairman of our board of directors, president and chief executive officer and other executive officers.

- 13 -

In connection with their oversight of risk to our business, our board of directors and the Audit Committee consider feedback from management concerning the risks related to our business, operations and strategies. The Audit Committee discusses and reviews policies with respect to our risk assessment and risk management, including, but not limited to, guidelines and policies to govern the process by which risk assessment and risk management is undertaken, the adequacy of our insurance coverage, our interest rate risk management, our counter-party and credit risks, our capital availability and refinancing risks and any environmental risks, if applicable. The Audit Committee will also consider enterprise risk management. Management regularly reports to our board of directors on our leverage policies, our asset acquisition process, any asset impairments and our compliance with applicable REIT and Investment Company Act of 1940 rules. Members of our board of directors routinely meet with management in connection with their consideration of matters submitted for the approval of our board of directors and the risks associated with such matters.

Our board of directors believes that its composition protects stockholder interests and provides sufficient independent oversight of management. A majority of our current directors are independent under NYSE standards, as more fully described elsewhere in this section under Corporate Governance Director Independence. The independent directors, led by Mr. Osborne, our Lead Independent Director, meet separately from management on at least a quarterly basis and are active in the oversight of our Company. The independent directors oversee such critical matters as the integrity of our financial statements, the evaluation and compensation of executive officers and the selection and evaluation of directors. Each independent director has the ability to add items to the agenda of board of directors meetings or raise subjects for discussion that are not on the agenda for that meeting.

Mr. Osborne, our Lead Independent Director, works with the chairman of our board of directors to establish the agenda for regular meetings of our board of directors, serves as chair of regular meetings of our board of directors when our chairman is absent, presides at executive sessions, serves as a liaison between our chairman and chief executive officer and our independent directors, and encourages dialogue between our independent directors and management. He also establishes the agenda for meetings of our independent directors and performs such other duties as our board of directors may establish or delegate.

Our board of directors believes that its majority independent composition and the roles that our independent directors perform provide effective corporate governance at the board of directors level and independent oversight of both our board of directors and management. The current governance structure, when combined with the functioning of the independent director component of our board of directors and our overall corporate governance structure, strikes an appropriate balance between strong and consistent leadership and independent oversight of our business and affairs.

Code of Business Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics (the Code of Conduct) that applies to our directors and executive officers. The Code of Conduct was designed to assist directors and executive officers in complying with the law, in resolving moral and ethical issues that may arise and in complying with our policies and procedures. Among the areas addressed by the Code of Conduct are compliance with applicable governmental, state and local laws, compliance with securities laws, the use and protection of company assets, the protection of our confidential corporate information, dealings with the press and communications with the public, internal accounting controls, improper influence of audits, records retention, fair dealing, discrimination and harassment, health and safety, and conflicts of interest, including payments and gifts by third parties to directors and officers, outside financial interests of directors and officers that might be in conflict with our interests, access to our confidential records, corporate opportunities, and loans to directors and officers. The Code of Conduct is available for viewing on our website at www.hannonarmstrong.com. We will also provide the Code of Conduct, free of charge, to stockholders who request it. Requests should be directed to Steven L. Chuslo, our general counsel, executive vice president and secretary, at Hannon Armstrong Sustainable Infrastructure Capital, Inc., 1906 Towne Centre Blvd, Suite 370, Annapolis, Maryland 21401.

- 14 -

Corporate Governance Guidelines

Our board of directors has adopted Guidelines that address significant issues of corporate governance and set forth procedures by which our board of directors carries out its responsibilities. Among the areas addressed by the Guidelines are the composition of our board of directors, its functions and responsibilities, its standing committees, director qualification standards, access to management and independent advisors, director compensation, management succession, director orientation and continuing education and the annual performance evaluation and review of our board of directors and committees. The Guidelines are available for viewing on our website at www.hannonarmstrong.com. We will also provide the Guidelines, free of charge, to stockholders who request it. Requests should be directed to Steven L. Chuslo, our general counsel, executive vice president and secretary, at Hannon Armstrong Sustainable Infrastructure Capital, Inc., 1906 Towne Centre Blvd, Suite 370, Annapolis, Maryland 21401.

Director Independence

The Guidelines provide that a majority of the directors serving on our board of directors must be independent as required by NYSE listing standards. In addition, as permitted under the Maryland General Corporations Law, our board of directors has adopted certain independence standards (the Independence Standards) to assist it in making determinations with respect to the independence of directors. The Independence Standards are available for viewing on our website at www.hannonarmstrong.com. Based upon its review of all relevant facts and circumstances, our board of directors has affirmatively determined that five of our six current directors Mark J. Cirilli, Charles M. O'Neil, Richard J. Osborne, Steven G. Osgood and Jackalyne Pfannenstiel qualify as independent directors under the NYSE listing standards and the Independence Standards.

Identification of Director Candidates

In accordance with the Guidelines and its written charter, the Nominating and Corporate Governance Committee is responsible for identifying director candidates for our board of directors and for recommending director candidates to our board of directors for consideration as nominees to stand for election at our annual meetings of stockholders. Director candidates are recommended for nomination for election as directors in accordance with the procedures set forth in the written charter of the Nominating and Corporate Governance Committee.

We seek highly qualified director candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. The Nominating and Corporate Governance Committee periodically reviews the appropriate skills and characteristics required of our directors in the context of the current composition of our board of directors, our operating requirements and the long-term interests of our stockholders. In accordance with the Guidelines, directors should possess the highest personal and professional ethics, integrity and values, exercise good business judgment, be committed to representing the long-term interests of our company and our stockholders and have an inquisitive and objective perspective, practical wisdom and mature judgment. The Nominating and Corporate Governance Committee reviews director candidates with the objective of assembling a slate of directors that can best fulfill and promote our goals, regardless of gender, age or race, and recommends director candidates based upon contributions they can make to our board of directors and management and their ability to represent our long-term interests and those of our stockholders.

The Nominating and Corporate Governance Committee evaluates the skill sets required for service on our board of directors and has developed a list of potential director candidates. If it is determined there is the need for additional or replacement board members, the Nominating and Corporate Governance Committee will assess potential director candidates included on the list as well as other appropriate potential director candidates based

- 15 -

upon information it receives regarding such potential candidates or otherwise possesses, which assessment may be supplemented by additional inquiries. In conducting this assessment, the Nominating and Corporate Governance Committee considers knowledge, experience, skills, diversity and such other factors as it deems appropriate in light of our current needs and those of our board of directors. The Nominating and Corporate Governance Committee may seek input on such director candidates from other directors, including the chairman of our board of directors and our chief executive officer, and recommends director candidates to our board of directors for nomination. The Nominating and Corporate Governance Committee does not solicit director nominations, but it will consider recommendations by stockholders with respect to elections to be held at an annual meeting, so long as such recommendations are sent on a timely basis and in accordance with applicable law. The Nominating and Corporate Governance Committee will evaluate nominees recommended by stockholders against the same criteria that it uses to evaluate other nominees. The Nominating and Corporate Governance Committee may, in its sole discretion, engage one or more search firms or other consultants, experts or professionals to assist in, among other things, identifying director candidates or gathering information regarding the background and experience of director candidates. If the Nominating and Corporate Governance Committee engages any such third party, the Nominating and Corporate Governance Committee will have sole authority to approve any fees or terms of retention relating to these services.

Our stockholders of record who comply with the advanced notice procedures set forth in our Bylaws and outlined under the Submission of Stockholder Proposals section of this Proxy Statement may nominate candidates for election as directors. The written notice must set forth the information and include the materials required by our Bylaws. The advanced notice procedures set forth in our Bylaws do not affect the right of stockholders to request the inclusion of proposals in our proxy statement pursuant to SEC rules. See Submission of Stockholder Proposals for information regarding providing timely notice of stockholder proposals under SEC rules.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The following provides compensation information pursuant to the scaled disclosure rules applicable to emerging growth companies under SEC rules and the JOBS Act. This discussion provides information concerning the compensation paid to our principal executive officer, and our next four most highly compensated executive officers during the years ended December 31, 2014 and December 31, 2013 (including compensation paid by our Predecessor). We refer to these individuals as our named executive officers.

Compensation Policies and Practices and Risk Management

In establishing and reviewing our compensation philosophy and programs, we consider whether such programs align the interests of our directors and officers with our interests and those of our stockholders and whether such programs encourage unnecessary or excessive risk taking. Base salaries are fixed in amount and, consequently, we do not see them as encouraging risk taking. Executive officers are also eligible to receive a portion of their total compensation in the form of annual cash bonus awards. While the annual cash bonus awards focus on achievement of annual goals and could encourage the taking of short-term risks at the expense of long-term results, our annual cash bonus awards represent only a portion of eligible employees' total compensation and are tied to corporate performance measures and, for certain of our executive officers, individual performance goals, all of which are at the discretion of our Compensation Committee. We believe that the annual cash bonus awards appropriately align the interests of our officers with our interests and those of our stockholders and balance risk with the desire to focus eligible employees on specific goals important to our success and do not encourage unnecessary or excessive risk taking.

We also provide our named executive officers and other members of senior management long-term equity awards to help further align their interests with our interests and those of our stockholders. We believe that these awards do not encourage unnecessary or excessive risk taking, since the awards are generally provided at the beginning of an employee's tenure or at various intervals to award achievements or provide additional incentive to build long-term value and are generally subject to vesting schedules to help ensure that executives and members of senior management have significant value tied to our long-term corporate success and performance.

We believe our compensation philosophy and programs encourage employees to strive to achieve both short- and long-term goals that are important to our success and in building stockholder value, without promoting unnecessary or excessive risk taking. We review our compensation policies and practices periodically to determine whether such policies and practices are appropriate in light of our risk management objectives.

The following table summarizes the annual compensation received by our named executive officers in the years ended December 31, 2014 and December 31, 2013, including amounts paid by our Predecessor.

Narrative to Summary Compensation Table

We have entered into employment agreements with our named executive officers which became effective at the closing of our IPO, providing for Mr. Eckel to serve as the chairman of our board of directors and as our chief executive officer and president, Mr. Herron to serve as our executive vice president and chief financial officer, Mr. Chuslo to serve as our executive vice president and general counsel, Mr. Wooten to serve as our executive vice president and Mr. Rose to serve as our senior vice president and chief investment officer.

The employment agreements with Messrs. Eckel, Herron, Chuslo, Wooten and Rose have a term of four years. Each employment agreement provides for automatic one-year extensions thereafter, unless either party provides at least 90 days' notice of non-renewal. These employment agreements require Messrs. Eckel, Herron, Chuslo, Wooten and Rose to devote substantially all of their time to our affairs.

The employment agreements provide for:

an annual base salary of \$495,000 for Mr. Eckel, \$295,000 for Mr. Herron, \$300,000 for Mr. Chuslo, \$285,000 for Mr. Wooten and \$ 275,000 for Mr. Rose, subject to increases at the discretion of our board of directors or the Compensation Committee,

- 21 -

eligibility for annual cash performance bonuses based on the satisfaction of performance goals established by our board of directors or the Compensation Committee, which will be awarded at the discretion of the Compensation Committee,

participation in our long-term incentive program, as well as other incentive, savings and retirement plans applicable generally to our senior executives,

medical and other group welfare plan coverage and fringe benefits provided to our senior executives, and

for Mr. Eckel only, payment of the premiums for a long-term disability insurance policy which provide benefits equal to at least 300% of his annual base salary.

Effective April 2015 the board determined that annual salaries would be increased to \$544,500 for Mr. Eckel, \$330,000 for Mr. Herron, \$330,000 for Mr. Chuslo, \$313,500 for Mr. Wooten and \$302,500 for Mr. Rose.

The employment agreements provide that, if an executive's employment is terminated by us without cause or by the executive for good reason (each as defined in the applicable employment agreement), or as a result of our notice of non-renewal of the applicable employment term, the executive will be entitled to the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

accrued but unpaid base salary, bonus and other benefits earned and accrued but unpaid prior to the date of termination,

an amount equal to the sum of the executive's then-current annual base salary plus the greater of his annual average bonus over the prior three years (or such fewer years with respect to which the executive received an annual bonus) and the executive's target annual bonus for the year of termination, multiplied by three for Mr. Eckel and by two for each of Messrs. Herron, Chuslo, and Wooten respectively and by 1.5 for Mr. Rose.

for Mr. Eckel only, a prorated annual bonus based on the maximum annual bonus that the executive could have earned for the year of termination and the number of days employed in the year of termination,

health benefits for the executive and his eligible family members for two years following the executive's termination of employment at the same level as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer, and

100% of the unvested stock or stock-based awards held by the executive will become fully vested and/or exercisable.

Each employment agreement also provides that the executive or his estate will be entitled to certain severance benefits in the event of his death or disability. Specifically, each executive or, in the event of the executive's death, his beneficiaries will receive:

accrued but unpaid base salary, bonus and other benefits earned and accrued but unpaid prior to the date of termination,

for Mr. Eckel upon death or disability, and for Messrs. Herron, Chuslo, Wooten and Rose, upon death only, his prorated annual bonus for the year in which the termination occurs,

for Messrs. Herron, Chuslo, Wooten and Rose, upon disability only, the target annual bonus for the year in which the termination occurs,

- 22 -

health benefits for the executive and/or his eligible family members for two years following the executive's termination of employment at the same level as in effect immediately preceding executive's death or disability, and

for Mr. Eckel for all awards, and for Messrs. Herron, Chuslo, Wooten and Rose, for the initial restricted stock awards granted upon completion of our IPO, 100% of the unvested stock awards held by the executive will become fully vested and/or exercisable. For Messrs. Herron, Chuslo, Wooten and Rose, for all outstanding unvested stock awards held by the executive other than the initial restricted stock award, a prorated portion (based on the number of days until death or disability, as applicable, over 365) of any stock that would have vested for the year of the executive's death or disability, as applicable, will become vested and/or exercisable and any remaining portion of such awards will be forfeited.

The employment agreement for Mr. Eckel includes the occurrence of a change in control (as defined in the employment agreement) in the definition of good reason such that the occurrence of a change in control will entitle Mr. Eckel to trigger the severance obligations for any reason following a change in control. The employment agreements for Messrs. Herron, Chuslo, Wooten and Rose will provide for a modified definition of good reason following a change-in-control (as defined in the applicable employment agreement), and also provide for 100% of the unvested stock (or stock-based) awards held by the executive to become fully vested and/or exercisable upon the effective date of a change in control.

The employment agreements provide that if all, or any portion, of the payments provided under the employment agreements, either alone or together with other payments or benefits that the executive receives or is entitled to receive from us or an affiliate, would constitute a parachute payment within the meaning of Section 280G of the Internal Revenue Code, then these payments may be reduced so that no portion of such compensation shall be subject to excise tax under the Internal Revenue Code.

The employment agreements also contain standard confidentiality provisions, which apply indefinitely, and both non-competition and non-solicitation provisions, which apply during the term of the employment agreements and for a period of 12 months following termination of employment.

In March 2015, the board awarded a 2014 performance bonus of shares of restricted common stock to Messrs. Eckel, Herron, Chuslo, Wooten and Rose in the amounts of 36,847, 20,325, 18,610, 19,636, and 15,158 shares, respectively. The shares vest on December 31, 2016. These awards were based on the performance of Messrs. Eckel, Herron, Chuslo, Wooten and Rose compared to goals established by the board relating to the Company's core earnings, achievement of leverage targets and credit management, and in certain cases, individual performance. No cash bonuses were paid to these executives for 2014 performance.

In March 2015, the board also awarded additional shares of restricted common stock to Messrs. Eckel, Herron, Chuslo, Wooten and Rose in the amounts of 180,260, 39,570, 29,677, 29,677 and 29,677, respectively, to provide incentive for future longer term earnings growth. These performance-based awards vest upon the later of December 31, 2017 and the achievement of earnings growth targets over a multi-year period.

In April 2014 the board awarded shares of restricted common stock to Messrs. Herron, Chuslo, Wooten and Rose in the amounts of 19,811, 20,147, 19,140, and 15,427 respectively. These shares vest in equal annual installments on June 1, 2015 and June 1, 2016. Mr. Eckel did not receive an additional share award at that time. No additional cash bonuses were paid to these executives for 2013.

In addition, in April 2014 the board awarded shares of restricted common stock to Messrs. Eckel, Herron, Chuslo, Wooten and Rose in the amounts of 179,055, 39,305, 29,478, 29,478 and 29,478, respectively, to provide incentive for

longer term dividend growth. These performance-based awards vest upon the achievement of dividend growth targets over a multi-year period. As of December 31, 2014, the related performance targets had not yet been reached.

- 23 -

Upon completion of our IPO, Messrs. Eckel, Herron, Chuslo, Wooten and Rose were granted 265,524, 58,286, 43,714, 43,714 and 43,714 shares of restricted common stock. The shares of restricted common stock will vest in equal annual installments over four years beginning on April 23, 2014.

Messrs. Eckel, Herron, Chuslo, Wooten and Rose are eligible for annual bonuses for 2015 based on performance against goals established by the board. These goals relate to core earnings, origination targets and credit management, and in certain cases, individual performance. Messrs. Eckel, Herron, Chuslo, Wooten and Rose will also be eligible for regular, annual grants of restricted stock, stock options or other awards pursuant to our Equity Incentive Plan.

All grants were made pursuant to our Equity Incentive Plan described below.

Equity Incentive Plan

We have adopted an equity incentive plan (our Equity Incentive Plan) to provide equity based incentive compensation to members of our senior management team, our independent directors, employees, advisers, consultants and other personnel. Unless terminated earlier or renewed, our Equity Incentive Plan will terminate ten years after its adoption, but will continue to govern unexpired awards. Our Equity Incentive Plan allows for grants of stock options, shares of restricted common stock, phantom shares, dividend equivalent rights, restricted stock units, limited partner profit interests (LTIP Units) and other equity-based awards.

Our Equity Incentive Plan is administered by the Compensation Committee. The Compensation Committee, as appointed by our board of directors, has the full authority to (1) authorize the granting of awards to eligible persons, (2) determine the eligibility of directors, members of our senior management team, employees, advisers, consultants and other personnel to receive an equity award, (3) determine the number of shares of common stock to be covered by each award (subject to the individual participant limitations provided in our Equity Incentive Plan), (4) determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of our Equity Incentive Plan), (5) prescribe the form of instruments evidencing such awards, (6) make recommendations to our board of directors with respect to equity awards that are subject to board approval and (7) take any other actions and make all other determinations that it deems necessary or appropriate in connection with our Equity Incentive Plan or the administration or interpretation thereof. In connection with this authority, the Compensation Committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The Compensation Committee consists solely of independent directors, each of whom is intended to be, to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code and intend for awards to be treated as performance-based compensation for purposes of Section 162(m), qualify as an outside director for purposes of Section 162(m) of the Internal Revenue Code, or, if no committee exists, the board of directors.

Available Shares

Our Equity Incentive Plan provides for grants of stock options, shares of restricted common stock, phantom shares, dividend equivalent rights, LTIP units and other restricted limited partnership units issued by our Operating Partnership and other equity-based awards up to an aggregate of 7.5% of the shares of our common stock issued and outstanding from time to time on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities, including OP units and LTIP units, into shares of common stock). If an award granted under our Equity Incentive Plan expires, is forfeited or terminates, the shares of our common stock subject to any portion of the award that expires, is forfeited or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards. Unless previously terminated by our board of directors, no new award may be granted under our Equity Incentive Plan after the tenth anniversary of April 23, 2013. As of March 18, 2015, we had granted an aggregate of 1,520,286 shares of our restricted common stock under our Equity Incentive Plan,

- 24 -

including 1,141,968 shares of our restricted common stock to our executive officers, 317,541 shares of our restricted common stock to other employees and 60,777 shares of our restricted common stock to our independent directors, all of which are subject to certain vesting requirements.

To the extent the Compensation Committee deems appropriate, it will establish performance criteria and satisfy such other requirements as may be applicable in order to satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code.

Awards Under the Plan

Stock Options. The terms of specific stock options, including whether stock options shall constitute incentive stock options for purposes of Section 422(b) of the Internal Revenue Code, shall be determined by the Compensation Committee. The exercise price of a stock option shall be determined by the Compensation Committee and reflected in the applicable award agreement. The exercise price with respect to stock options may not be lower than 100% (110% in the case of an incentive stock option granted to a 10% stockholder, if permitted under our Equity Incentive Plan) of the fair market value of our common stock on the date of grant. Each stock option will be exercisable after the period or periods specified in the award agreement, which will generally not exceed 10 years from the date of grant (or five years in the case of an incentive stock option granted to a 10% stockholder, if permitted under our Equity Incentive Plan). Incentive stock options may only be granted to our employees and employees of our subsidiaries. Stock options will be exercisable at such times and subject to such terms as determined by the Compensation Committee. We may also grant stock appreciation rights, which are stock options that permit the recipient to exercise the stock option without payment of the exercise price and to receive shares of common stock (or cash or a combination of the foregoing) with a fair market value equal to the excess of the fair market value of the shares of our common stock with respect to which the stock option is being exercised over the exercise price of the stock option with respect to those shares. The exercise price with respect to stock appreciation rights may not be lower than 100% of the fair market value of our common stock on the date of grant.

Shares of Restricted Common Stock. A restricted stock award is an award of shares of common stock that are subject to restrictions on transferability and such other restrictions the Compensation Committee may impose at the date of grant. Grants of shares of restricted common stock will be subject to vesting schedules and other restrictions as determined by the Compensation Committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Compensation Committee may determine. Except to the extent restricted under the award agreement relating to the shares of restricted common stock, a participant granted shares of restricted common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the shares of restricted common stock. Although dividends will be paid on shares of restricted common stock, whether or not vested, at the same rate and on the same date as on shares of our common stock (unless otherwise provided in an award agreement), holders of shares of restricted common stock are prohibited from selling such shares until they vest.

Phantom Shares. A phantom share represents a right to receive the fair market value of a share of common stock, or, if provided by the Compensation Committee, the right to receive the fair market value of a share of common stock in excess of a base value established by the Compensation Committee at the time of grant. Phantom shares may generally be settled in cash or by transfer of shares of common stock (as may be elected by the participant or the Compensation Committee or as may be provided by the Compensation Committee at grant). The Compensation Committee may, in its discretion and under certain circumstances (taking into account, without limitation, Section 409A of the Internal Revenue Code), permit a participant to receive as settlement of the phantom shares installment payments over a period not to exceed 10 years.

Dividend Equivalents. A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of common stock) of dividends paid on shares of common stock otherwise subject to an award. The Compensation Committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of common stock. The Compensation Committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

Restricted Limited Partnership Units. A restricted limited partnership unit represents an OP unit or may include LTIP units that are structured as profits interests in the Operating Partnership, providing distributions to the holder of the award based on the achievement of specified levels of profitability by the Operating Partnership or the achievement of certain goals or events. Initially, LTIP units will not have full parity with OP units with respect to liquidating distributions. Under the terms of the LTIP units, the Operating Partnership will revalue its assets upon the occurrence of certain specified events, and any increase in valuation from the time of grant until such event will be allocated first to the holders of LTIP units to equalize the capital accounts of such holders with the capital accounts of OP unit holders. Upon equalization of the capital accounts of the holders of LTIP units with other holders of OP units, the LTIP units will achieve full parity with OP units of the Operating Partnership for all purposes, including with respect to liquidating distributions. If such parity is reached, vested LTIP units may be converted into an equal number of OP units, and thereafter enjoy all the rights of OP units. The Compensation Committee will establish all other limitations and conditions of awards of restricted OP units as it deems appropriate.

Other Share-Based Awards. Our Equity Incentive Plan authorizes the granting of other awards based upon shares of our common stock (including the grant of securities convertible into shares of common stock), subject to terms and conditions established at the time of grant.

We have filed with the SEC a Registration Statement on Form S-8 covering the shares of our common stock issuable under our Equity Incentive Plan.

Change in Control

Under our Equity Incentive Plan, a change in control is defined as the occurrence of any of the following events: (1) the acquisition of more than 50% of our then outstanding shares of common stock or the combined voting power of our outstanding securities by any person; (2) the sale or disposition of all or substantially all of our assets, other than certain sales and dispositions to entities owned by our stockholders; (3) a merger, consolidation or statutory share exchange where our stockholders immediately prior to such event hold less than 50% of the voting power of the surviving or resulting entity; (4) during any consecutive 24 calendar month period, the members of our board of directors at the beginning of such period, the incumbent directors, cease for any reason (other than due to death) to constitute at least a majority of the members of our board (for these purposes, any director whose election or nomination for election was approved or ratified by a vote of at least a majority of the incumbent directors shall be deemed to be an incumbent director); or (5) stockholder approval of a plan or proposal for our liquidation or dissolution.

Upon a change in control, awards may be subject to accelerated automatic or conditional accelerated vesting depending on the terms of the grant agreement establishing the award. In addition, the Compensation Committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the Compensation Committee determines that the adjustments do not have an adverse economic impact on the participants (as determined at the time of the adjustments).

Amendments and Termination

Our board of directors may amend, suspend, alter or discontinue our Equity Incentive Plan but cannot take any action that would impair the rights of an award recipient with respect to an award previously granted without such award

recipient's consent unless such amendments are required in order to comply with applicable laws.

- 26 -

Our board of directors may not amend our Equity Incentive Plan without stockholder approval in any case in which amendment in the absence of such approval would cause our Equity Incentive Plan to fail to comply with any applicable legal requirement or NYSE or similar requirement, such as an amendment that would:

other than through adjustment as provided in our Equity Incentive Plan, increase the total number of shares of common stock reserved for issuance under our Equity Incentive Plan;

materially expand the class of directors, officers, employees, consultants and advisors eligible to participate in our Equity Incentive Plan;

reprice any stock options under our Equity Incentive Plan; or

otherwise require such approval.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised solely of independent directors. No member of the compensation committee is a current or former officer or employee of ours or any of our subsidiaries. Other than Mr. Eckel's service both as an executive officer and as a member of our board of director, none of our executive officers serves as a

member of the board of directors or compensation committee of any company that has one or more of its executive officers serving as a member of our board of directors or compensation committee.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of the outstanding shares of common stock (10% Holders) to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of common stock and other equity securities of our company. Directors, executive officers and 10% Holders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms and amendments thereto filed during any given year.

Based on the review of copies of the Section 16(a) reports and amendments thereto furnished to us and/or written representations from our directors, executive officers and 10% Holders that no other reports were required to be filed, we believe that for the year ended December 31, 2014 our directors, executive officers and 10% Holders complied with all Section 16(a) filing requirements applicable to them, except that one transaction was reported late by one business day on one report for Messrs. Cirilli and Rose.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Indemnification Agreements for Officers and Directors

We entered into indemnification agreements with members of our board of directors and our executive officers upon completion of our IPO. These indemnification agreements provide indemnification to these persons by us to the maximum extent permitted by Maryland law and certain procedures for indemnification, including advancement by us of certain expenses relating to claims brought against these persons under certain circumstances.

Registration Rights Agreement

Concurrent with the IPO, we entered into the registration rights agreement with certain of our existing investors, including investors affiliated with MissionPoint, an affiliate of Mark Cirilli, one of our directors. Pursuant to the registration rights agreement, we granted registration rights to those persons who received common stock (including common stock issuable upon exchange of OP units) in our formation transactions.

On January 2, 2014, we and MissionPoint agreed to delay the requirement to file the resale registration statement until we were eligible to file a short-form registration statement on Form S-3 in order to avoid the additional expense for us of filing a resale registration statement before we were eligible to use a short-form registration statement. Under the terms of the partnership agreement of our Operating Partnership, holders of OP units have the right to cause our Operating Partnership to purchase their OP units for cash in an amount equal to the average of the closing trading price of a share of our common stock for the ten trading days before the day on which the redemption notice is given to the Operating Partnership, or, at our option, by issuing shares of our common stock on a one-for-one basis. However, in exchange for the agreement to delay the filing of the resale registration statement, we agreed with MissionPoint that until the resale registration statement was effective, we would not exercise our right under the partnership agreement to deliver shares of our common stock in lieu of cash upon a request for redemption of OP units held by MissionPoint (or certain of its affiliates) and instead we redeemed such OP units for cash in accordance with the terms of the partnership agreement.

On August 27, 2014, the SEC declared effective the registration statement on Form S-3, which covers the resale of 3,178,410 shares of our common stock (including 331,282 shares of common stock issuable upon exchange of an equivalent number of OP units). In certain circumstances, the registration rights agreement also requires us to provide piggyback and underwritten offering demand rights to those holders who received common stock (including common stock issuable upon exchange of OP units) in our formation transactions.

EnergySource LLC

In December 2013, we recorded an allowance of \$11.0 million on the remaining \$11.8 million balance of a \$24 million loan made in May 2013 to a wholly owned subsidiary of EnergySource LLC (EnergySource) to be used for a geothermal project. In November 2014, we entered into a Forbearance and Mutual Release Agreement with EnergySource under which in full satisfaction of the remaining balance of our loan, we would realize a portion of the proceeds from the sale of land held by EnergySource. We expect our recovery from the land sale to equal the net balance of \$0.8 million and have agreed to cap the recovery at \$2.0 million. However, there can be no assurance as to the actual timing or ultimate recovery from any land sale or whether any land sale will in fact occur. As a result of this agreement, we charged off \$9.8 million of the receivable against the allowance, resulting in a remaining allowance of \$1.2 million. No interest income was accrued or collected in cash on the loan for the year ended December 31, 2014. Certain of our executive officers and directors own an indirect minority interest in EnergySource following the distribution of the Predecessor's ownership interest prior to our IPO.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of March 18, 2015 regarding the beneficial ownership of our common stock by (i) each person known to us to be the beneficial owner of more than 5% of the outstanding common stock, (ii) our named executive officers, (iii) our directors and (iv) all of our directors and named executive officers as a group. Beneficial ownership includes any shares over which the beneficial owner has sole or shared voting or investment power and also any shares that the beneficial owner has the right to acquire within 60 days of such date through the exercise of options or other rights.

As to any other business which may properly come before the Annual Meeting, the persons named as proxy holders on your proxy card will vote the shares of common stock represented by properly submitted proxies in their discretion.

SUBMISSION OF STOCKHOLDER PROPOSALS

Any stockholder intending to present a proposal at our 2016 Annual Meeting of Stockholders and have the proposal included in the proxy statement and proxy card for such meeting (pursuant to Rule 14a-8 of the Exchange Act) must, in addition to complying with the applicable laws and regulations governing submissions of such proposals, submit the proposal in writing to us no later than November 24, 2015 and must otherwise be in compliance with the requirements of the SEC's proxy rules.

Our Bylaws currently provide that any stockholder intending to nominate a director or present a stockholder proposal of other business for consideration at the 2016 annual meeting of stockholders, but not intending for such a nomination or proposal to be considered for inclusion in our proxy statement and proxy card relating to such meeting (i.e., not pursuant to Rule 14a-8 of the Exchange Act), must notify us in writing no earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting with respect to which such notice is to be tendered is not held within 30 days before or after the anniversary of the date of the preceding year's annual meeting of stockholders, to be timely, notice by the stockholder must be received no earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the immediately preceding annual meeting of stockholders, as originally convened, or the close of business on the tenth day following the day on which public announcement of the date of such meeting is first made. Accordingly, to submit a director candidate for consideration for nomination at our 2016 annual meeting of stockholders, stockholders must submit the recommendation, in writing, by November 24, 2015, but in no event earlier than October 25, 2015.

Any such nomination or proposal should be sent to Steven L.
