QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The Board of Directors (or *Board*) of Ardmore Shipping Corporation, a corporation organized in the Republic of The Marshall Islands (or *Ardmore*), is providing these proxy materials to you in connection with Ardmore's Annual Meeting of Shareholders, which will take place on Thursday, May 21, 2015. As a shareholder, you are invited to attend the annual meeting and are entitled and requested to vote on the items of business described in this proxy statement.

Q: What information is contained in this proxy statement?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of our directors and executive officers, and certain other information about us.

Q: How may I obtain Ardmore's annual report to shareholders?

A: A copy of our annual report to shareholders is available in the Investor Relations section of our website at www.ardmoreshipping.com.

Q: How may I obtain Ardmore's Annual Report on Form 20-F filed with the Securities and Exchange Commission (or SEC)?

A: Copies of the 2014 Annual Report on Form 20-F are available under the Investor Relations section of our website at www.ardmoreshipping.com, and at the SEC's EDGAR database on the SEC's website at www.sec.gov. Shareholders may also request a free copy of our 2014 Annual Report on Form 20-F from:

Ardmore Shipping Corporation

Hamilton House, 10 Queen Street, Suite 102

Hamilton, HM11, Bermuda

Attention: Investor Relations

Telephone: +1 441 405 7800

Email: info@ardmoreshipping.com

We will also furnish any exhibit to the Form 20-F, if specifically requested.

Q: What items of business will be voted on at the annual meeting?

A: The items of business scheduled to be voted on at the annual meeting are:

the election of three Class II directors to our Board for a term of three years; and

any other business that properly comes before the annual meeting.

Q: How does the Board recommend that I vote?

A: The Board recommends that you vote your shares **FOR** each of the nominees to the Board.

Q: What shares can I vote?

A: Each share of our common stock issued and outstanding as of the close of business on March 31, 2015, the *record date* for the annual meeting, is entitled to be voted on all items being voted upon at the annual meeting. The record date for the annual meeting is the date used to determine both the number of shares of our common stock that are entitled to be voted at the annual meeting and the identity of the *shareholders of record* and *beneficial owners* of those shares of common stock who are entitled to vote those shares at the annual meeting. On the record date for the annual meeting, we had approximately 25,980,600 shares of common stock issued and outstanding.

Table of Contents

You may vote all shares owned by you as of the record date for the annual meeting, including (1) shares held directly in your name as the shareholder of record, and (2) shares held for you as the beneficial owner through a broker, trustee or other nominee such as a bank.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by us. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed or sent a proxy card for you to use.

Beneficial Owner

If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held in street name and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and are also invited to attend the annual meeting.

Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the meeting. Your broker, trustee or nominee should have provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares.

Q: How can I attend the annual meeting?

A: You are entitled to attend the annual meeting only if you were an Ardmore shareholder as of the close of business on March 31, 2015 or you hold a valid proxy for the annual meeting. You should be prepared to present photo identification for admittance. In addition, if you are a shareholder of record, your name will be verified against the list of shareholders of record on the record date prior to your being admitted to the annual meeting. If you are not a shareholder of record but hold shares through a broker or nominee (*i.e.*, in street name), you should provide proof of beneficial ownership on the record date, such as your most recent account statement prior to the record date, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the procedures outlined above upon request, you will not be admitted to the annual meeting. The meeting is scheduled to begin promptly at 11:00 a.m. Atlantic Time.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the annual meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the annual meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the meeting.*

Table of Contents

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the meeting. If you are a shareholder of record, you may vote by submitting a proxy. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, trustee or nominee.

Q: Can I change my vote?

A: You may change your vote at any time prior to the vote at the annual meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date (which automatically revokes the earlier proxy), by providing a written notice of revocation to our Secretary by mail received prior to your shares being voted, or by attending the annual meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Ardmore or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy card, which are then forwarded to our management.

Q: How many shares must be present or represented to conduct business at the annual meeting?

A: The general quorum requirement for holding the annual meeting and transacting business is that holders of at least one-third of the total voting power of all shares of Ardmore common stock entitled to vote must be present in person or represented by proxy. Abstentions are counted for the purpose of determining the presence of a quorum, but broker non-votes will not be counted for purposes of determining the presence of a quorum.

Q: How are votes counted?

A: In the election of directors, you may vote **FOR** all of the nominees or your vote may be **WITHHELD** with respect to one or more of the nominees. For any other item of business, you may vote **FOR**, **AGAINST** or **ABSTAIN**. If you **ABSTAIN**, the abstention has the same effect as a vote **AGAINST**.

Edgar Filing: Ardmore Shipping Corp - Form 6-K

If you provide specific instructions for a given item, your shares will be voted as you instruct on such item. If you sign your proxy card or voting instruction card without giving specific instructions, your shares will be voted in accordance with the recommendations of the Board (*i.e.*, FOR all of Ardmore's nominees to the Board, and in the discretion of the proxyholders on any other matters that properly come before the meeting.)

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Table of Contents

Q: What is the voting requirement to approve each of the proposals?

A: In the election of directors, the three persons receiving the highest number of FOR votes at the annual meeting will be elected. Any other proposal requires the affirmative FOR vote of a majority of the total voting power of those shares of common stock present in person or represented by proxy and entitled to vote on that proposal at the annual meeting.

Q: Is cumulative voting permitted for the election of directors?

A: No. Ardmore does not allow you to cumulate your vote in the election of directors. For all matters proposed for shareholder action at the annual meeting, each share of our common stock outstanding as of the close of business on the record date is entitled to one vote.

Q: What happens if additional matters are presented at the annual meeting?

A: Other than the one item of business described in this proxy statement, we are not aware of any business to be acted upon at the annual meeting. If you grant a proxy, the persons named as proxyholders, Anthony Gurnee and Paul Tivnan, will have the discretion to vote your shares on any additional matters properly presented for a vote at the meeting. If for any unforeseen reason any of our nominees are not available as a candidate for director, the persons named as proxyholders will vote your proxy for such candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

Q: What should I do if I receive more than one set of voting materials?

A: If you request a printed set of voting materials, you may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record requesting printed voting materials and your shares are registered in more than one name, you will receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive.

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder and request a printed set of voting materials, you may receive only one set of proxy materials unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may contact us to request a separate copy of these materials at:

Ardmore Shipping Corporation

Hamilton House, 10 Queen Street, Suite 102

Hamilton, HM 11, Bermuda

Attention: Investor Relations

Telephone: +1 441 405 7800

Email: info@ardmoreshipping.com

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us as indicated above to request delivery of a single copy of these materials.

Q: Who will bear the cost of soliciting votes for the annual meeting?

A: We are making this solicitation and will pay the entire cost of preparing, assembling, printing, mailing and distributing proxy materials and soliciting votes. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic communication by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. Upon request, we will reimburse brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy and solicitation materials to shareholders.

Table of Contents

Q: Where can I find the voting results of the annual meeting?

A: We intend to announce preliminary voting results at the annual meeting and publish final results in a report on Form 6-K following the annual meeting.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as indicated below.

Shareholder Proposals

For a shareholder proposal to be considered for inclusion in our proxy statement for the annual meeting next year, the written proposal must be received by our Secretary at the address set forth below no later than January 22, 2016. Please read *Corporate Governance Principles and Board Matters - Consideration of Director Nominees* below. In addition, our bylaws permit shareholders to nominate directors for election at an annual shareholder meeting. To nominate a director, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of our common stock to elect such nominee and provide the information required by our bylaws, as well as a statement by the nominee acknowledging that he or she consents to being nominated and will serve as a director if elected. In addition, the shareholder must give timely notice to our Secretary in accordance with the bylaws, which, in general, require that the notice be received by the Secretary within the time period described above under *Shareholder Proposals*.

You may contact our Secretary at the address set forth above for a copy of the relevant bylaws provisions containing the requirements for making shareholder proposals and nominating director candidates. Table of Contents**CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS**

Ardmore is committed to sound corporate governance principles. These principles contribute to our business success and are essential to maintaining our integrity in the marketplace. Our Code of Ethics is available under the Investor Relations Corporate Governance section of our website at www.ardmoreshipping.com.

Board Independence

The Board has determined that each of our directors, except for (i) Anthony Gurnee, our Chief Executive Officer and President, (ii) Niall McComiskey, who is a Director at Greenbriar Equity Group LLC, whose affiliates manage funds that own approximately 98.6% of GA Holdings LLC, our largest shareholder, and (iii) Reginald Jones, who is the co-founder and Managing Partner of Greenbriar Equity Group LLC, are independent under the rules of the New York Stock Exchange (or the *NYSE*), as currently in effect. One of the current directors standing for re-election at the annual meeting, Robert McIlwraith, is an independent director.

Our Audit Committee consists of two voting members and one non-voting member. The Board has determined that each voting member of the Audit Committee is independent under the applicable rules of the *NYSE* and the rules and regulations of the SEC, as currently in effect.

Board Structure and Committee Composition

We have chosen to separate the positions of Chairman of the Board and Chief Executive Officer and to have those positions occupied by different individuals, believing that the primary purpose of the Chairman of the Board and the Board is to protect shareholders' interests by providing oversight of management and that such separation consequently promotes greater management accountability to shareholder.

As of the date of this proxy statement, the Board has seven directors and the following standing committees: (1) Audit, (2) Nominating and Corporate Governance, and (3) Compensation. The function of each of the committees is described later in this section. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available under the Investor Relations section of our website at www.ardmoreshipping.com. During 2014, the Board held six meetings. Directors attended all these board meetings. Each member of the Board committees attended all of their respective committee meetings in 2014. The membership of each of the committees for 2014, and as of the date of this proxy statement, and the number of meetings of each committee held in 2014, are as follows:

Table of Contents

Audit Committee

Our Audit Committee is composed of two voting directors who satisfy applicable NYSE and SEC audit committee independence standards and one non-voting director who does not satisfy these standards and serves on the committee pursuant to an exemption under the SEC rules. All members of the committee are financially literate and the Board has determined that Brian Dunne qualifies as an audit committee financial expert. The Audit Committee, among other things, reviews our external financial reporting, engages our external auditors and oversees our financial reporting, procedures and the adequacy of our internal accounting controls.

The report of the Audit Committee is included on page 21 of this proxy statement.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is composed of one director who is independent under the rules of NYSE, as currently in effect, and two non-independent directors. The Nominating and Corporate Governance Committee recommends director and committee member candidates to the Board. The Committee also advises the board regarding corporate governance practices.

Compensation Committee

Our Compensation Committee is composed of two directors who are independent under the rules of NYSE, as currently in effect, and one non-independent director. The Compensation Committee oversees our equity incentive plan and recommends director and senior employee compensation.

Consideration of Director Nominees

The Nominating and Corporate Governance Committee uses a variety of methods to identify director nominees, such as professional search firms, shareholders or others. The Committee considers properly submitted shareholder nominations for Board candidates. In evaluating director nominees, the Committee considers the qualifications, skills, experience, background and knowledge of the nominees in light of the overall composition of the existing Board. For a description of the process for nominating directors in accordance with our bylaws, please read *Questions and Answers about the Proxy Materials and the Annual Meeting* *What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?* on page 6 of this proxy statement.

Exemptions from NYSE Corporate Governance Rules

Pursuant to an exception for foreign private issuers, we, as a Marshall Islands company that satisfies the other requirements to qualify as a foreign private issuer, are not required to comply with certain corporate governance practices followed by U.S. companies under the NYSE listing standards. We believe that our established corporate governance practices provide adequate protection to our shareholders. In this respect, we have voluntarily adopted a number of NYSE required practices, such as (i) having a majority of independent directors and (ii) establishing a compensation committee and a nominating and corporate governance committee.

The following are the significant ways in which our corporate governance practices differ from those followed by U.S. domestic companies listed on the NYSE:

Edgar Filing: Ardmore Shipping Corp - Form 6-K

U.S. issuers are required to have an audit committee, a compensation committee and a nominating and corporate governance committee, each comprised entirely of independent directors. Our audit committee currently consists of two independent directors and one non-independent director, who is a non-voting member of the committee. Our compensation committee currently consists of two independent directors and one non-independent director. Our nominating and corporate governance committee currently consists one independent director and two non-independent directors.

Table of Contents

U.S. issuers are required to obtain shareholder approval prior to the adoption of equity compensation plans. Our Board approves such adoption in lieu of such shareholder approval.

The NYSE requires companies to adopt and disclose corporate governance guidelines. The guidelines must address, among other things: director qualification standards, director responsibilities, director access to management and independent advisers, director compensation, director orientation and continuing education, management succession and an annual performance evaluation. We are not required to adopt such guidelines under Marshall Islands law and we have not adopted such guidelines.

Table of Contents

COMPENSATION OF DIRECTORS AND SENIOR MANAGEMENT

Compensation Philosophy

Our director and executive compensation policy aims to align the interests of our directors and management with those of our shareholders. In this regard, we have determined that it will generally be beneficial to us and to our shareholders for our directors and management to have a stake in our long-term performance. We expect to have a meaningful component of our compensation package for our directors and management consist of equity interests in Ardmore in order to provide them on an on-going basis with a meaningful percentage of ownership in Ardmore.

Equity Incentive Plan

Our directors and officers are eligible to receive awards under our equity incentive plan. The plan provides incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, dividend equivalents, unrestricted stock and other equity-based or equity-related awards that the plan administrator determines are consistent with the purposes of the plan and the interests of Ardmore. The plan is administered by the Compensation Committee. For additional information about the plan and awards granted to certain of our officers and directors during 2014, please see Item 6.B. of our Annual Report on Form 20-F for the year ended December 31, 2014.

Director and Senior Management Compensation

We paid \$1,654,307 in aggregate compensation to members of our senior executive officers in 2014, which includes the grant date fair value of awards granted to them in 2014 under our equity incentive plan, calculated in accordance with ASC 718 (but excluding the effect of any forfeitures). PROPOSALS TO BE VOTED ON

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Ardmore's Board of Directors currently consists of seven directors divided into three classes: Class I, Class II and Class III. The number of directors in each class is required to be as nearly equal as possible. At the 2015 annual meeting, shareholders will elect three Class II directors to serve for three-year terms until the 2018 annual meeting and until their successors are elected. The remaining four directors are divided into two Class I directors and two Class III directors, whose terms expire in 2017 and 2016, respectively. Votes may not be cast for a greater number of director nominees than three.

Information regarding the business experience of each nominee and each continuing director is provided below. There are no family relationships among our executive officers and directors.

If you sign your proxy or voting instruction card but do not give instructions for the voting of directors, your shares will be voted **FOR** the three persons recommended by the Board. If you wish to give specific instructions for the voting of directors, you may do so by indicating your instructions on your proxy or voting instruction card.

The three persons receiving the highest number of **FOR** votes represented by shares of Ardmore's common stock, present in person or represented by proxy and entitled to be voted at the annual meeting, will be elected.

The Board expects that all of the nominees will be available to serve as directors. If for any unforeseen reason any of the Board's nominees is not available as a candidate for director, the proxyholders, Anthony Gurnee and Paul Tivnan, will vote your proxy for such other candidate or candidates as may be nominated by the Board, unless the Board chooses to reduce the number of directors serving on the Board.

The Board recommends a vote FOR the election to the Board of each of the following nominees.
