- Form of Offering:** Public offering on a bought deal basis. The Shares will be offered: (i) in each of the provinces of Canada (excluding Québec) pursuant to a prospectus supplement under the Company's short form base shelf prospectus dated May 19, 2015, filed with the securities regulatory authorities in each of the provinces of Canada except Québec; (ii) in the United States pursuant to a prospectus supplement to the Company's effective registration statement dated May 26, 2015, filed with the U.S. Securities and Exchange Commission (the SEC); and (iii) internationally as applicable.
- Eligibility for Investment:** Eligible for RRSPs, RRIFFs, DPSPs, RESPs, RDSPs and TFSAs.
- Listing:** The Company's currently issued and outstanding common shares are listed on the Toronto Stock Exchange and the New York Stock Exchange under ticker symbols BCB and COT, respectively.
- Settlement Cycle:** Delivery of the Shares will be made against payment therefor on or about June 3, 2015, which is five business days following the date of pricing of the Shares (this settlement cycle being referred to as T+5). Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade their Shares on the date of pricing or the next succeeding business day will be required, by virtue of the fact that the Shares initially will settle in T+5, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of Shares who wish to trade their Shares on the date of pricing or the next succeeding business day should consult their own adviser.
- Dividends:** The Company currently pays cash dividends on a quarterly basis at the discretion of the Company's Board of Directors. The first dividend to which purchasers of the Shares under the Issue will be entitled to participate, if they continue to own the shares, will be for the quarter ending June 2015, expected to be payable on or about June 17, 2015 to shareholders of record on or about June 5, 2015.

- Underwriting Fee:** 4.0%.
