Item 1.01 Entry into Material Definitive Agreements.

On May 31, 2015, OM Group, Inc. (the Company), Duke Acquisition Holdings, LLC (Parent), Duke Acquisition, Inc., a wholly owned subsidiary of Parent (Merger Sub and, together with Parent, the Apollo Parties), and MacDermid Americas Acquisitions Inc. (MacDermid) entered into integrated transactions agreements pursuant to which, among other things, the Company will be merged with and into Merger Sub, with the Company surviving the merger as a wholly-owned subsidiary of Parent (the Merger), and thereafter the Apollo Parties will sell the Company's electronic chemicals and photomasks business to MacDermid in two separate transactions (the Carve-out Transactions and, together with the Merger, the Transactions).

In connection with the Transactions, the Company, Parent, Merger Sub and MacDermid entered into an Agreement and Plan of Merger (the Merger Agreement). At the effective time and as a result of the Merger, each share of the Company's common stock (other than any (a) dissenting shares, (b) shares held in treasury by the Company (which will be cancelled) or (c) shares owned by the Apollo Parties or any of their respective subsidiaries (which will be cancelled)) issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive \$34.00 per share in cash without interest (the Merger Consideration), payable to the holder of such share. At the effective time of the merger, each option to purchase shares of the Company's common stock that is outstanding immediately prior to the effective time will immediately accelerate and vest and be cancelled and converted into the right to receive a payment in cash of an amount, subject to the amount of any required tax withholding, equal to the product of the total number of shares of the Company's common stock subject to such cancelled option and the excess, if any, of the Merger Consideration over the applicable exercise price of the option; provided that any such option with respect to which the exercise price per share subject to the option is equal to or greater than the Merger Consideration shall be cancelled in exchange for no consideration will be paid in respect of such options. At the effective time of the merger, each restricted share of the Company's common stock that is outstanding immediately prior to the effective time will immediately accelerate and vest and be canceled and converted into the right to receive a payment in cash of an amount, subject to the amount of any tax withholding, equal to the Merger Consideration, without interest, treating such restricted share in the same manner as the other shares of the Company's common stock. At the effective time of the merger, each award of restricted shares of the Company's common stock that is outstanding immediately prior to the effective time will immediately accelerate and vest (i) in the case of awards of restricted shares subject to performance-based vesting conditions, with respect to the number of restricted shares determined as if the applicable performance goals had been achieved at the target level of performance at the end of the applicable performance period and (ii) in the case of awards of restricted shares not subject to performance-based vesting conditions, with respect to the total number of restricted shares, and in either case such vested and unrestricted shares of the Company's common stock will be canceled and converted into the right to receive a payment in cash of an amount, subject to the amount of any tax withholding, equal to the Merger Consideration, without interest, in the same manner as the other shares of the Company's common stock.

In connection with the Transactions, Parent and MacDermid entered into a Purchase and Separation Agreement and related agreements (the Carve-out Agreements). Under the Carve-out Agreements, MacDermid will purchase the Company's electronic chemicals and photomasks businesses in two separate transactions for total cash consideration of \$365 million.

During the period from June 1, 2015 and continuing until 12:00 A.M. (New York time) on July 5, 2015 (the Go-Shop Period), the Company is permitted to solicit, initiate or encourage any company takeover proposal or waive limited components any standstill or similar obligation in order to receive a company takeover proposal. At the end of the Go-Shop Period, the Company will cease such activities, as more fully described in the Merger Agreement.

The Merger Agreement contains certain termination rights by the Company, the Apollo Parties and MacDermid as more fully described in the Merger Agreement, but including, among others, by the Company, in the event that the Company enters into a definitive agreement with respect to a Company Superior Proposal (as defined in the Merger

Agreement), and by the Apollo Parties and MacDermid, in the event that the Company breaches certain of its obligations relating to the Company's solicitation and non-solicitation during the Go-Shop Period. If the Merger Agreement is terminated under specified circumstances, including with respect to entering into a definitive agreement related to a Company Superior Proposal by the Company (except where the Company Superior Proposal is from an Excluded Party, as defined in the Merger Agreement), the Company will pay to the Apollo Parties and MacDermid an aggregate termination fee equal to \$36.575 million. In the event the Company enters into a definitive agreement related to a Company Superior Proposal from an Excluded Party (as defined in the Merger Agreement) prior to or after July 5, 2015, the Company will pay to the Apollo Parties and MacDermid an aggregate termination fee equal to \$18.3 million.

The Apollo Parties and MacDermid have secured fully committed debt financing in connection with the Transactions. Under the Merger Agreement, the Apollo Parties and MacDermid have 20 days after the satisfaction or waiver of all of the closing conditions to the Merger to market their respective debt financing, but such 20-day marketing period does not affect the parties' obligations to consummate the Transactions.

If the Merger Agreement is validly terminated under certain circumstances, including due to the failure of the Apollo Parties or MacDermid to obtain debt financing under certain circumstances, the Apollo Parties and/or MacDermid will be required to pay the Company a reverse termination fee equal to \$62.7 million. If the Merger Agreement is terminated due to the failure to obtain certain regulatory approvals related to the Carve-out Transaction, MacDermid may be required to reimburse the Company and the Apollo Parties for their respective fees and expenses in an aggregate amount up to \$11.25 million.

Consummation of the Merger is subject to the satisfaction or waiver of certain closing conditions, including (1) adoption of the Merger Agreement by the stockholders of the Company, (2) expiration or termination of any applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other consents and approvals required under applicable antitrust laws, (3) the absence of any law or order prohibiting the consummation of the Transactions, (4) the absence of a material adverse effect on either the electronic chemicals and photomasks businesses or the remaining businesses of the Company, (5) subject to certain exceptions, the accuracy of representations and warranties of the Company, the Apollo Parties, and MacDermid and (6) the performance or compliance by the Company, the Apollo Parties and MacDermid with their respective covenants and agreements.

The parties to each agreement have made customary representations and warranties and have agreed to use reasonable best efforts to cause the Transactions to be consummated. The Company has also agreed to various covenants in the Merger Agreement, including, among other things, (i) to conduct its business in the ordinary course consistent with past practice during the period between the execution of the Merger Agreement and the closing of the Merger, (ii) forego paying its regular dividend during the period between the execution of the Merger Agreement and the closing of the Merger, and (iii) to call a special meeting of the stockholders to adopt the Merger Agreement.

If the Merger is consummated, the Company's common stock will be delisted from the New York Stock Exchange and deregistered under the Securities Exchange Act of 1934.

The foregoing description of the Merger Agreement and the Transactions does not purport to be complete and is subject to, and qualified in its entirety by, reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibits 2.1 and incorporated herein by reference.

Qualification of Representations and Warranties

The Merger Agreement contains representations and warranties made by the Company, the Apollo Parties and MacDermid, as applicable, and solely for the benefit of the parties thereto. The assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in a confidential disclosure letter provided by the Company in connection with the signing of the Merger Agreement. While the Company does not believe that the disclosure letter contains information that the securities laws require to be publicly disclosed, other than information that has already been so disclosed, if any, it does contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. You should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about the parties, since they were only made as of the date of the Merger Agreement and are modified in important part by the underlying disclosure letter. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk among the parties rather than establishing matters as facts. Finally, information concerning the subject matter of the representations and warranties may have changed since the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the companies' public

disclosures, if any.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 31, 2015, the Board of Directors of the Company amended and restated the Company's Amended and Restated Bylaws (the "Bylaws") to adopt a new Section 6 to Article IX, which was effective immediately upon approval. The Bylaws were amended to provide that, unless the Company consents in writing to the selection of an alternative forum, the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the General Corporation Law of the State of Delaware, the Restated Certificate of Incorporation or the Bylaws, or (iv) any action asserting a claim governed by the internal affairs doctrine shall be the Court of Chancery of the State of Delaware, in all cases subject to the court's having personal jurisdiction over the indispensable parties named as defendants.

The foregoing summary is qualified by the full text of the Company's Second Amended and Restated Bylaws, which is attached hereto as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 8.01. Other Events.

On June 1, 2015, the Company, the Apollo Parties and MacDermid issued a press release announcing the Transactions, which is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
