Item 8.01 Other Events.

On October 7, 2015, James J. Owens, President and Chief Executive Officer of H.B. Fuller Company (the Company), adopted a stock trading plan in accordance with Rule 10b5-1 of the Securities and Exchange Act of 1934, as amended. The stock trading plan follows the Company's policies on trading in Company securities and executive stock ownership requirements. The stock trading plan contemplates the periodic sale of shares of the Company's common stock over a period beginning on October 14, 2015 and ending on or before July 29, 2016, with total sales during the period not to exceed 14,300 shares. Shares may be sold on the open market at prevailing market prices and subject to price thresholds specified in the stock trading plan.

Rule 10b5-1 permits individuals who are not in possession of material, non-public information at the time the plan is adopted to establish pre-arranged plans to buy or sell company securities. Using these plans, individuals can prudently and gradually diversify their investment portfolios, spread stock trades over an extended period of time to reduce market impact and avoid concerns about transactions occurring at a time when they might possess material, non-public information.

Transactions made pursuant to Mr. Owens' stock trading plan will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission. Except as may be required by law, the Company does not undertake to report on specific Rule 10b5-1 plans of the Company's officers or directors, nor to report modifications or terminations of Mr. Owens' stock trading plan or the plan of any other individual.

SIGNATURE
