Noble Corporation plc (the Company) is required under United Kingdom accounting rules, which apply to the Company as a public limited company incorporated under the laws of England and Wales, to provide the following statement to its shareholders regarding a change in the financial reporting standard for the Company's U.K. statutory accounts. The change to the Company's U.K. statutory accounts discussed below will have no effect on the Company's financials prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and filed with the United States Securities and Exchange Commission or any U.S. filing requirement.

Adoption of Financial Reporting Standard (FRS) 101 The financial reporting standard applicable in the U.K. and Republic of Ireland

Following the publication of FRS 100 *Application of Financial Reporting Requirements* by the Financial Reporting Council, the Company is required to change its accounting framework for its U.K. statutory Accounts, which is currently prepared under U.K. GAAP, for the fiscal year beginning January 1, 2015. The Board of Directors considers it to be in the best interest of the Company to adopt FRS 101 The financial reporting standard applicable in the U.K. and Republic of Ireland.

The Company intends to utilize the disclosure exemptions available under the U.K. GAAP framework. No disclosures in the current U.K. GAAP statutory financial statements (for the year ended December 31, 2014) have been omitted on the adoption of FRS 101 for the year ending December 31, 2015. A shareholder or shareholders holding in aggregate of 5% or more of the Company's outstanding shares may serve objections to the use of the disclosure exemptions in writing to its registered office listed above not later than February 15, 2016.
